82- \_\_\_\_\_

This presentation may contain statements that represent expectations about future events or results according to Brazilian and international securities regulators. These statements are based on certain assumptions and analyses made by the Company pursuant to its experience and the economic environment, market conditions and expected future events, many of which are beyond the Company's control. Important factors that could lead to significant differences between actual results and expectations about future events or results include the Company's business strategy, Brazilian and international economic conditions, technology, financial strategy, developments in the utilities industry, hydrological conditions, financial market conditions, uncertainty regarding the results of future operations, plans, objectives, expectations and intentions, among others. Considering these factors, the Company's actual results may differ materially from those indicated or implied in forward-looking statements about future events or results.

The information and opinions contained herein should not be construed as a recommendation to potential investors and no investment decision should be based on the truthfulness, timeliness or completeness of such information or opinions. None of the advisors to the company or parties related to them or their representatives shall be liable for any losses that may result from the use or contents of this presentation.

This material includes forward-looking statements subject to risks and uncertainties, which are based on current expectations and projections about future events and trends that may affect the Company's business. These statements may include projections of economic growth, demand, energy supply, as well as information about its competitive position, the regulatory environment, potential growth opportunities and other matters. Many factors could adversely affect the estimates and assumptions on which these statements are based.
