11.3 Should the number, type and class of the shares existing on the date of approval of the Plan be altered as a result of bonuses, stock split, reverse stock split, conversion of shares from a given type or class into other securities issued by the Company, the Committee shall arrange for the due adjustment to be made to the number and class of shares subject to the options granted and to their respective exercise price, in order to avoid distortions upon application of the Plan.

11.4 No provision of the Plan or stock option granted under the Plan shall confer to any Participant the right to remain in any position in the Company, nor shall it interfere, in any manner whatsoever, with the Company's right, at any time and subject to any statutory and contractual conditions, to terminate the employee's employment contract and/or to interrupt the term of office of the manager.

11.5 Each Participant shall expressly comply with the terms of the Plan, upon written statement, with no qualifications whatsoever, under the terms stipulated by the Committee.
