**Adjustments in the Business and Management Plan 2015-2019:**

**Additional information**

Rio de Janeiro, October 8, 2015 – Petróleo Brasileiro S.A. – Petrobras, complementing the Material Fact disclosed to the market on October 5 regarding adjustments to the 2015-2019 Business and Management Plan (PNG 2015-2019), hereby informs the exchange rate and the Brent crude oil price on which the new projections for investments and costs were based:

Brent oil price (US\$/barrel)

Exchange rate (R\$/US\$)

The lower investments and manageable operating expenses reflect the effect of changes in the exchange rate and reduced activities and optimizations.

Lastly, Petrobras further informs that regarding a new Business and Management Plan within a 5-year horizon any fact deemed as material on this subject will be timely disclosed to the market.

## FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended (Securities Act), and Section 21E of the Securities Exchange Act of 1934, as amended (Exchange Act) that are not based on historical facts and are not assurances of future results. These forward-looking statements are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.

All forward-looking statements are expressly qualified in their entirety by this cautionary statement, and you should not place reliance on any forward-looking statement contained in this press release. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.
