**Item 1.01 Entry into a Material Definitive Agreement.**

On February 21, 2006, The Compensation Committee (the "Committee") of the Board of Directors of The Goodyear Tire & Rubber Company (the "Company") established performance measures for 2006 awards under the Company's Performance Recognition Plan and awarded performance share units under the Company's 2005 Performance Plan.

The Committee approved earnings before interest and taxes less finance charges ("EBIT") and operating cash flow as the financial performance measures under the Performance Recognition Plan for fiscal year 2006. Payment of 2006 bonuses will be made from a payment pool, the size of which will depend on the extent to which the specific financial performance targets established by the Committee are met. The target aggregate payment pool for 2006 is approximately \$30 million. Funding of the 2006 payment pool will be based 50% on each performance measure and could range from zero to 200% of the target amount depending on the level of operating cash flow and EBIT achieved. In addition, payouts for the participants may be adjusted based on individual performance. The Committee approved target bonuses for 2006 under the Performance Recognition Plan for the named executive officers (as defined in Item 402(a)(3)) as follows: Mr. Robert J. Keegan, \$1,700,000; Mr. Richard J. Kramer, \$470,000; Mr. Jonathan D. Rich, \$400,000; Mr. C. Thomas Harvie, \$290,000; and Mr. Joseph M. Gingo, \$260,000.

Under the 2005 Performance Plan, the named executive officers received awards of performance share units in the following amounts: Mr. Keegan, 15,000 units; Mr. Kramer, 9,750 units; Mr. Rich, 6,800 units; Mr. Harvie, 5,550 units; and Mr. Gingo, 3,800 units. The units are payable in February 2009 depending on the extent to which the performance criteria applicable to the units are met. The number of units ultimately paid can range from 0 to 200% of the number of units granted. Amounts earned on each unit will be determined 50% on Goodyear's cumulative net income and 50% on Goodyear's cumulative total cash flow (adjusted for the change in debt) over the three-year performance period ending December 31, 2008. If paid, each unit will be paid 50% in cash and 50% in common stock and will be valued at the fair market value of Goodyear common stock on December 31, 2008. The grantee may elect to defer (in common stock equivalents) all or a portion of the grant earned. The form of award agreement is attached as Exhibit 10.1.
