**Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

The Commentary to Section 303A.03 of the New York Stock Exchange ("NYSE") Listed Company Manual requires each listed company to disclose in its proxy statement either the name of the director chosen to preside at executive sessions of non-management directors or, if the same individual is not the presiding director at all executive sessions, the procedure by which a presiding director is selected for each executive session.

Kansas City Southern (the "Company"), on an informal basis, notified the NYSE on May 16, 2006, that it inadvertently failed to identify the director who presides over executive sessions of non-management directors in its proxy statement dated April 11, 2006. Also on May 16, 2006, the NYSE advised the Company of alternative methods for curing the non-compliance, including the filing of a Current Report on Form 8-K with the required disclosure.

At each annual meeting of the Company's Board of Directors, the non-management directors select one independent director to serve as the presiding director. If the presiding director is not present at any meeting of non-management or independent directors, the independent directors select from among themselves one individual to chair that meeting. At an executive session of the annual meeting of the Company's Board of Directors held on May 3, 2006, the non-management directors selected Thomas A. McDonnell to serve as the presiding director until the next annual meeting of the Company's Board of Directors.

Although the Company does not believe that its failure to specify in its Proxy Statement the identity of its presiding director is material, the Company is correcting its noncompliance by filing this Current Report on Form 8-K with the Securities and Exchange Commission.
