**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On 14 November 2007, Air Products and Chemicals, Inc. (the "Company") amended and restated the Corporate Executive Committee Separation Program (the "Program", formerly known as the Corporate Executive Committee Retention/Separation Program). The Program applies to members of the Company's Corporate Executive Committee ("CEC") which currently includes the following executive officers of the Company: John E. McGlade, President and Chief Executive Officer; Paul E. Huck, Senior Vice President and Chief Financial Officer; Stephen J. Jones, Senior Vice President, General Counsel and Secretary; Lynn C. Minella, Senior Vice President – Human Resources and Communications; Robert D. Dixon, Senior Vice President and General Manager – Merchant Gases; Michael F. Hilton, Senior Vice President and General Manager – Electronics and Performance Materials; John W. Marsland, Vice President and General Manager – Healthcare; and Scott A. Sherman, Senior Vice President and General Manager – Tonnage Gases, Equipment and Energy. The amendments are effective 1 January 2008.

Under the Program, as amended, severance benefits will be payable to a covered executive in the event the executive is involuntarily terminated other than for cause or is constructively terminated. Mr. McGlade is eligible to receive a cash severance benefit of two times annual base salary and target annual incentive award, plus a pro-rated annual incentive award for the year of termination. All other CEC members are eligible to receive one times annual base salary and target annual incentive award, plus a pro-rated annual incentive award for the year of termination. An additional cash payment would be provided approximating the retirement benefits the Company would provide if the CEC member had remained actively employed, for two years following termination in the case of Mr. McGlade, and one year following termination in the case of the other CEC members. Following a covered termination, awards granted under the Company's Long-Term Incentive Plan (excepting awards granted prior to the effective date of the amendments in the case of Mr. McGlade, Mr. Huck, and Ms. Minella, which are subject to the prior terms of the Program) will be continued or vested as follows: stock options that are exercisable as of the termination date will continue to be exercisable for their full term; restricted stock and deferred stock units that are subject to time-based vesting will be vested and paid on a pro-rata basis, except that career vesting awards will be vested and paid in their entirety; and deferred stock units which are subject to performance-based vesting will be vested and paid on a pro-rata basis at the level payable for target performance.
