Item 1.01. Entry into a Material Definitive Agreement.

On March 17, 2015 (the “Closing Date”), Under Armour, Inc. (the “Company”), amended its existing Credit Agreement, dated May 29, 2014, by and among the Company as borrower, JPMorgan Chase Bank, N.A., as administrative agent (the “Agent”) and the other lenders party thereto (the “Credit Agreement”). The amendment to the Credit Agreement (the “Amendment”) provided for an additional \$150.0 million of term loan facility borrowings, which were borrowed on the Closing Date, resulting in aggregate term loan borrowings under the Credit Agreement of \$400.0 million. The Amendment also increased revolving credit facility commitments available under the Credit Agreement from \$400.0 million to \$800.0 million, of which the Company borrowed \$250.0 million on the Closing Date. These additional borrowings were used to fund, in part, the acquisition discussed in further detail in Item 2.01 below.

Under the Amendment, revolving and/or term loan borrowings may be increased by up to \$300.0 million in aggregate, subject to certain conditions as set forth in the Credit Agreement, as amended. Incremental borrowings are uncommitted and the availability thereof will depend on market conditions at the time the Company seeks to incur such borrowings.

The other material terms of the Credit Agreement, as amended, remain unchanged, including but not limited to maturity dates, commitment fees, interest rates, covenants and events of default.

In the ordinary course of their business, the financial institutions party to the Amendment and certain of their affiliates have in the past and/or may in the future engage in investment and commercial banking or other transactions of a financial nature with the Company or its affiliates, including the provision of certain advisory services and the making of loans to the Company and its affiliates in the ordinary course of their business for which they will receive customary fees or expenses.

The foregoing does not constitute a complete summary of the terms of the Amendment or the Credit Agreement and reference is made to the complete text of the Amendment, which is filed as Exhibit 10.01 hereto and incorporated by reference herein, and the Credit Agreement, which is filed as Exhibit 10.01 to the Company’s Current Report on Form 8-K, filed with the Securities and Exchange Commission on June 2, 2014 and incorporated by reference herein.

Item 2.01. Completion of Acquisition or Disposition of Assets.

On the Closing Date, the Company completed its previously announced acquisition of MyFitnessPal, Inc. (“MFP”), a Delaware corporation (the “Merger”). MFP is now a wholly-owned subsidiary of the Company.

Pursuant to the Agreement and Plan of Merger, dated as of February 3, 2015 (the “Merger Agreement”), among the Company, Marathon Merger Sub, Inc., a Delaware corporation and a wholly-owned subsidiary of the Company, MFP and Fortis Advisors LLC, as agent for the stockholders and holders of securities convertible into MFP common stock, each share of MFP common stock and security convertible into or exercisable for MFP common stock (including vested stock options) that was issued and outstanding immediately prior to the effective time of the Merger was converted into a right to receive cash consideration in accordance with the terms of the Merger Agreement. In the case of unvested stock options, vesting of one-half of those options was accelerated (so that such options were converted into the right to receive cash) and the remaining unvested stock options were exchanged for options to purchase shares of the Company’s Class A common stock. The final adjusted transaction value totaled \$474.0 million, reflecting the \$475 million purchase price as adjusted in accordance with the Merger Agreement to complete the acquisition on a cash free, debt free basis, with MFP’s transaction expenses borne by the selling equityholders of MFP.

The Company funded the Merger through a combination of \$250.0 million revolving credit facility borrowings and \$150.0 million of term loan facility borrowings under the Amendment referred to Item 1.01 above, as well as cash on hand.

The foregoing does not constitute a complete summary of the terms of the Merger Agreement and reference is made to the complete text of the Merger Agreement, which is filed as Exhibit 2.02 to the Company's Annual Report on Form 10-K for the year ended December 31, 2014 and incorporated by reference herein.
