Safe Harbor Statement

This press release contains forward-looking statements within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. These forward-looking statements can be identified by words such as “will,” “may,” “expect,” “anticipate,” “aim,” “intend,” “plan,” “believe,” “estimate,” “potential,” “continue,” and other similar terms. Statements other than statements of historical facts in this announcement are forward-looking statements, including but not limited to, our expectations regarding the expansion of our manufacturing capacities, our future business development, and our beliefs regarding our production output and production outlook. These forward-looking statements involve known and unknown risks and uncertainties and are based on current expectations, assumptions, estimates and projections about the Company and the industry. Further information regarding these and other risks is included in our registration statement on Form F-1 and other documents filed with the Securities and Exchange Commission. The Company undertakes no obligation to update forward-looking statements, except as may be required by law. Although the Company believes that the expectations expressed in these forward-looking statements are reasonable, it cannot assure you that its expectations will turn out to be correct, and investors are cautioned that actual results may differ materially from the anticipated results.

JA Solar Promotes Dr. Qingtang Jiang to Acting CTO

Hebei, China, December 21, 2007 - JA Solar Holdings Co., Ltd. ("JA Solar," "the Company") (NasdaqGM: JASO) today appointed Dr. Qingtang Jiang as acting CTO in addition to his current responsibility as Vice President, Operations. Dr. Jiang will be responsible for the Company's technology strategy and roadmap as well as leading technology development. Dr. Jiang has more than 15 years technology management experience. Prior to joining JA Solar, Dr. Jiang was Vice President of Technology at Huahong NEC Semiconductor Corporation. He has a Ph.D. Degree in physics.

Dr. Jiang assumes CTO responsibilities from Dr. Ximing Dai, who will now serve as the Principal Scientist and focus on development of a new technology platform. At the same time, Dr. Dai resigned from our Board and our Board accepted her resignation.
