

Item 2.01 Completion of Acquisition or Disposition of Assets

On June 15, 2016, CatchMark Timber Trust, Inc. (the “Company”) completed its purchase of approximately 51,700 acres of prime timberlands located in South Carolina (the “Carolinas Midlands III Timberlands”) for approximately \$100.7 million, exclusive of closing costs, from funds managed by Forest Investment Associates. The acquisition of the Carolinas Midlands III Timberlands Acquisition expands the company’s total acreage in the U.S. South to 480,400 acres and adds approximately 2.1 million tons to CatchMark’s merchantable inventory and 250,000 to 300,000 tons (4.8 to 5.8 tons per acre) per year to the Company’s harvest over the next decade.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

On June 15, 2016, the Company borrowed approximately \$103 million under its multi-draw term credit facility to fund the acquisition of the Carolinas Midlands III Timberlands. For more information regarding the multi-draw term credit facility, see our Current Report on Form 8-K filed on December 30, 2014 and the exhibits thereto which are incorporated herein by reference, our Current Report on Form 8-K filed on December 14, 2015 and our Quarterly Report on Form 10-Q filed on May 5, 2016.

Item 7.01 Regulation FD Disclosure

On June 16, 2016, the Company issued a press release regarding the Carolinas Midlands III Acquisition. A copy of the press release is furnished with this report as Exhibit 99.1 and incorporated by reference herein.

Forward-Looking Statements

This Current Report on Form 8-K contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Such forward-looking statements can generally be identified by our use of forward-looking terminology such as “may,” “will,” “expect,” “intend,” “anticipate,” “estimate,” “believe,” “continue,” or other similar words. Readers of this report should be aware that there are various factors that could cause actual results to differ materially from any forward-looking statements made in this report. Factors that could cause or contribute to such differences include, but are not limited to, the Company may not generate the harvest volumes from the acquired timberlands that it currently anticipates, which may impact the revenues than the timberlands will generate, as well as changes in general economic and business conditions in the geographic regions where the Company’s timberlands are located, changes in timber prices and the impact on the Company’s revenues, changes in the supply of timberlands available for acquisition that meet the Company’s investment criteria, industry trends, changes in government rules and regulations (including changes in tax laws), and increases in interest rates. Accordingly, readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date of this report.
