ITEM 10. DIRECTORS, EXECUTIVE OFFICERS AND CORPORATE GOVERNANCE

Directors, Executive Officers and Key Employees

The Company's executive officers and directors and certain information about them, including their ages as of April 29, 2013, are as follows:

Name	Age	Position
Edward J. Gildea	61	President, Chief Executive Officer, and Chairman of the Board
David R. Allen	58	Chief Financial Officer and Executive Vice-President of Administration
Edward A. Stoltenberg	73	Director

The following is a brief description of the principal occupation and recent business experience of each of our directors and executive officers:

Edward J. Gildea has been our Chairman, President and Chief Executive Officer since January 2006. From 2001 to 2005, he held several executive positions including Chief Operating Officer, Executive Vice President, Strategy and Business Development, and General Counsel of Quality Metric Incorporated, a private health status measurement business. During that period, Mr. Gildea was also engaged in the private practice of law representing business clients and held management positions in our predecessor companies. He holds an A.B. degree from the College of the Holy Cross and a J.D. degree from Suffolk University Law School. The Company believes that Mr. Gildea's financial and business expertise, including a diversified background of counseling and managing both public and private companies, gives him the qualifications and skills to serve as a Director.

David R. Allen has been our Chief Financial Officer since March 2007. He was previously a director of the Company from June 2006 to March 2007, where he served as our audit committee chairman. From 1999 to 2004, he served as first the Chief Financial Officer and then as Chief Executive Officer of The Millbrook Press Inc., a publicly held publisher of children's books. From 2004 until 2007, Mr. Allen has acted as a management consultant and advisor to small public companies. Mr. Allen holds a B.S. degree in Accounting and an M.S. degree in Taxation from Bentley University in Waltham, Massachusetts. Mr. Allen is a Certified Public Accountant.

Edward A. Stoltenberg has been a director since March 2007. He is a Managing Director of Phoenix Financial Services, an investment banking firm which provides financial services to middle market public and private companies. He has been with Phoenix since 1999. Mr. Stoltenberg is a Certified Public Accountant and holds a B.A. from Ohio Wesleyan University and an M.B.A. from the University of Michigan. The Company believes that Mr. Stoltenberg's financial and business expertise, including a diversified background of managing financial service firms and providing investment services for public companies gives him the qualifications and skills to serve as a Director.

There are no family relationships among our officers and directors.

Section 16(a) Beneficial Ownership Reporting Compliance

Under the securities laws of the United States, the Company's directors, its officers and any persons holding more than 10% of the Company's Common Stock ("10% holders") are required to file with the Securities and Exchange Commission ("SEC") initial reports of beneficial ownership and reports of changes in beneficial ownership of shares of Common Stock and other equity securities of the Company. Specific filing deadlines of these reports have been established and the Company is required to disclose in this Proxy Statement any failure to file by these dates during the fiscal year ended December 31, 2012. The Company is not aware of any late filers for the fiscal year ended December 31, 2012. In making these statements, the Company has relied solely on written representations of its directors, officers and 10% holders and copies of the reports that they filed with the SEC.

Code of Ethics

We have adopted a code of ethics that applies to our officers (including our principal executive, financial and accounting officers), directors, employees and consultants. The text of our code of ethics can be found on our Internet website at www.ConvertedOrganics.com.

Board Classifications, Committees and Meetings

Our Board of Directors comprises two members divided into three classes as nearly equal in number as possible. Currently, Mr. Edward Stoltenberg serves as a Class 1 director, whose term expires in 2013, while the other position is vacant; the positions are currently vacant for the two Class 2 directors, whose terms expire in 2014; and Mr. Edward Gildea serves as a Class 3 director, whose term expires in 2015.

In view of the fact that the Board has only two members, the functions of the Audit, Compensation, and Nominating and Governance Committees are carried out by the full Board. At such time as additional members are added to the Board, the Committees will be reinstated. Although the full Board performs the services of the audit committee, the Board had determined that Mr. Stoltenberg qualifies as an "audit committee financial expert," as defined by the rules of the Securities and Exchange Commission.

During the fiscal year ended December 31, 2012, the Board of Directors held nine meetings in person or telephonically and acted by written consent on five occasions. Each of our directors attended 100% of the total number of meetings of the board of directors.

Nomination of Director Candidates

The Company receives suggestions for potential director nominees from many sources, including members of the Board, advisors, and stockholders. Any such nominations, together with appropriate biographical information, should be submitted to the Chairman of the Board in the manner discussed below. Any candidates submitted by a stockholder or stockholder group are reviewed and considered in the same manner as all other candidates.

Nominating and selection procedures are described in the written charter of the Company's Nominating and Governance Committee, a copy of which is available on the Company's website at www.convertedorganics.com. Qualifications for consideration as a Board nominee may vary according to the particular areas of expertise being sought as a complement to the existing board composition. However, minimum qualifications include high level leadership experience in business activities, breadth of knowledge about issues affecting the Company, experience on other boards of directors, preferably public company boards, and time available for meetings and consultation on Company matters. The Board does not have a formal policy with regard to the consideration of diversity in identifying director candidates, but seeks a diverse group of candidates who possess the background, skills and expertise to make a significant contribution to the Board, to the Company and its stockholders.

The full Board selects and recommends candidates for nomination as directors for stockholders to consider and vote upon at the annual meeting.

A stockholder wishing to nominate a candidate for election to the Company's Board of Directors at any annual meeting at which the Board of Directors has determined that one or more directors will be elected shall submit a written notice of his or her nomination of a candidate to the Chairman of the Board (c/o the Corporate Secretary), providing the candidate's name, biographical data and other relevant information together with a consent from the nominee. The submission must be received at the Company's principal executive offices a reasonable time before the Company begins to print and mail its proxy materials so as to permit the Board of Directors to evaluate the qualifications of the nominee.

The Company currently does not employ an executive search firm, or pay a fee to any other third party, to locate qualified candidates for director positions.

Stock Option Plan

At the Annual Meeting of Shareholders on June 30, 2010, shareholders approved the Omnibus Stock Compensation Plan ("2010 Plan"), pursuant to which there were 692 shares authorized for issuance, subject to adjustment. Commencing January 1, 2012 and on the first day of each fiscal year thereafter, the number of shares authorized for issuance under the 2010 Plan is automatically recalculated to be equal to 20% of the shares of the Company's common stock outstanding on the last day of the prior fiscal year, less any issuances made under both the 2006 Plan and the 2010 Plan. The 2010 Plan replaced the 2006 Plan and no additional shares will be issued under the 2006 Plan, however the Company reserved the right to issue pursuant to the 2006 Plan, new options to the extent that, and in the amount of, any currently outstanding options are forfeited under that plan.

Under the Plan, the Compensation Committee may grant awards in the form of incentive stock options, as defined in Section 422 of the Code, as well as options which do not so qualify, stock units, stock awards, stock appreciation rights and other stock-based awards.

Other awards may be granted that are based on or measured by common stock to employees, consultants and non-employee directors, on such terms and conditions as the Compensation Committee deems appropriate. Other stock-based awards may be granted subject to achievement of performance goals or other conditions and may be payable in common stock or cash, or in a combination of the two.

Employment Agreements

Effective as of April 20, 2011, the Company entered into severance agreements with Mr. Gildea and Mr. Allen, under which, should a change in control of the Company occur, Messrs. Gildea and Allen shall be entitled to a continuation of payment of their base salary for a term of thirty-six months, payable in bi-weekly installments in accordance with the Company's regular payroll practices. "Change of Control", shall mean the consummation of any of the following events: (i) a sale, lease or disposition of all or substantially all of the assets of the Company, or (ii) a merger or consolidation (in a single transaction or a series of related transactions) of the Company with or into any other corporation or corporations or other entity, or any other corporate reorganization, where the stockholders of the Company immediately prior to such event do not retain (in substantially the same percentages) beneficial ownership, directly or indirectly, of more than fifty percent (50%) of the voting power of and interest in the successor entity or the entity that controls the successor entity; provided, however, that a "Change in Control" shall not include a sale, lease,

transfer or other disposition of all or substantially all of the capital stock, assets, properties or business of the Company (by way of merger, consolidation, reorganization, recapitalization, sale of assets, stock purchase, contribution or other similar transaction) that involves the Company, on the one hand, and Converted Organics Inc. or any Converted Organics Subsidiary.

In the event a Change in Control occurs, and the employment of either Mr. Gildea or Mr. Allen is terminated (i) by the Company for a reason other than for Cause (as defined below) or (ii) by the Executive for Good Reason (as defined below), then the Executive shall be eligible for severance pay as described above.

Resignation for “good reason” means the occurrence of any of the following conditions without the Executive’s consent, which condition continues after notice by the Executive to the Company and a reasonable opportunity to cure such condition: (i) a decrease in the Executive’s base salary, (ii) relocation of the Executive’s work place to a location more than 50 miles from the Executive’s business location at the time of the Change of Control, or (iii) the Executive’s assignment to a position where the duties of the position are outside his area of professional competence.

Board Independence

Director Independence

Our Board is not subject to any independence requirements. However, our Board has reviewed the independence of its directors under the requirements set forth by the NASDAQ Stock Market. During this review, the Board considered transactions and relationships between each director or any member of his or her immediate family and the Company and its subsidiaries and affiliates. The purpose of this review was to determine whether relationships or transactions existed that were inconsistent with a determination that the director is independent. As a result of this review, Mr. Stoltenberg was deemed to be independent of the Company under the standards set forth by NASDAQ.
