DEFINITIVE INFORMATION STATEMENT

WE ARE NOT ASKING YOU FOR A PROXY,
AND YOU ARE REQUESTED NOT TO SEND US A PROXY.

INTRODUCTION

This Information Statement is furnished to the stockholders of Alto Group Holdings, Inc., a Nevada corporation, in connection with action taken by our board of directors and the holders of a majority in interest of our voting capital stock to effect a restatement of our Articles of Incorporation (“Restatement”) to increase the number of authorized shares of our common stock. The foregoing action has been ratified by the written consent of the holders of a majority in interest of our voting capital stock, consisting of our outstanding common stock, outstanding Series A Preferred Stock, and Series B Preferred Stock, as well as our board of directors, by written consent on January 14, 2011. We anticipate that a copy of this Definitive Information Statement will be mailed to our shareholders as of the date hereof. We have attached a copy of the Restatement to this Information Statement for your reference.

The Restatement was effected as of January 14, 2011 but, under federal securities laws, is not effective until at least 20 days after the mailing of this Information Statement. We anticipate that the effective date for the Restatement will be on or about February 8, 2011.

RECORD DATE, VOTE REQUIRED AND RELATED INFORMATION

If the Restatement was not adopted by majority written consent, it would have been required to be considered by our stockholders at a special stockholders’ meeting convened for the specific purpose of approving the Restatement. The elimination of the need for a special meeting of stockholders to approve the Restatement and the reverse stock split is made possible by Section 78.320 of Nevada Revised Statutes (the “NRS”), which provides that the written consent of the holders of outstanding shares of voting capital stock, having not less than the minimum number of votes which would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted, may be substituted for such a special meeting. Pursuant to the NRS, a majority in interest of our capital stock entitled to vote thereon is required in order to approve the Restatement. In order to eliminate the costs and management time involved in holding a special meeting, our Board of Directors determined that it was in the best interests of all of our shareholders that the Restatement be adopted by majority written consent and this Information Statement to be mailed to all stockholders as notice of the action taken.

The record date for purposes of determining the number of outstanding shares of our voting capital stock, and for determining stockholders entitled to vote, is the close of business on January 14, 2011 (the “Record Date”). As of the Record Date, we had outstanding:

- (i) 160,013,332 shares of common stock;
- (ii) 14,000,000 shares of Series A Preferred Stock which are convertible into 56,000,000 shares of common stock and entitled to vote on an as-converted basis with holders of common stock; and

- (iii) 100,000 shares of Series B Preferred Stock which are not convertible into common stock but collectively hold 2,000,000,000 voting rights and are entitled to vote together with holders of our common stock on all matters in which our common stockholders may vote.

The transfer agent for our common stock is Olde Monmouth Stock Transfer Co., Inc.

NO MEETING OF STOCKHOLDERS REQUIRED

We are not soliciting any votes in connection with the Restatement. The persons that have consented to the Restatement hold a majority of the Company's outstanding voting rights and, accordingly, such persons have sufficient voting rights to approve the Restatement.

RESTATEMENT OF ARTICLES OF INCORPORATION

We are amending and restating our Articles of Incorporation in its entirety to increase in the number of authorized shares of common stock of the Company. The Restatement will be identical to our existing Articles of Incorporation except that our authorized shares of common stock will be increased from 200,000,000 shares to 350,000,000 shares. We will not be increasing the number of authorized shares of our Preferred Stock, which is currently limited to 100,000,000 shares, and we will not be changing the par value of our common or preferred stock, which is currently \$0.00001 per share.

These changes to our Articles of Incorporation will not adversely affect stockholders but will enable the Company's board of directors, without further authorization from shareholders, to issue up to 350,000,000 shares of common stock for consideration deemed adequate in exchange for such shares. We have attached a copy of the Restatement to this Information Statement.
