Each share of Series A Preferred and Series B Preferred is convertible into 3.33 and 2.5 shares of Common Stock, respectively. Each holder of Common Stock is entitled to one vote for each share of Common Stock, and each holder of Series A Preferred and Series B Preferred is entitled to 3.33 and 2.5 votes for each share of Series A Preferred and Series B Preferred held by such stockholder on February 1, 2013, respectively. As of the Record Date, the outstanding shares represented 15,792,277 votes, consisting of 12,515,776 attributable to Common Stock, 2,246,683 attributable to Series A Preferred and 1,029,818 attributable to Series B Preferred.

Quorum

In order for any business to be conducted at the Annual Meeting, the holders of more than 50% of the shares entitled to vote must be represented at the Annual Meeting, either in person or by properly executed proxy. If a quorum is not present at the scheduled time of the Annual Meeting, the stockholders who are present may adjourn the Annual Meeting until a quorum is present. The time and place of the adjourned Annual Meeting will be announced at the time the adjournment is taken, and no other notice will be given. An adjournment will have no effect on the business that may be conducted at the Annual Meeting.

Required Vote for Approval

Proposal No. 1: Election of Directors. For the eight nominees who receive the greatest number of votes cast at the Annual Meeting by the shares present in person or by proxy and entitled to vote will be elected.

Proposal No. 2: Approval of an Amendment to and Restatement of the Company’s 2011 Employee Stock Purchase Plan. The affirmative “FOR” vote of a majority of the shares present in person or by proxy and entitled to vote is necessary for approval of an amendment to and restatement of the Company’s 2011 Employee Stock Purchase Plan.

Proposal No. 3: Approval of an Amendment to and Restatement of the Company's 2011 Stock Incentive Plan. The affirmative "FOR" vote of a majority of the votes cast is necessary for approval of an amendment to and a restatement of Company's 2011 Stock Incentive Plan.

Proposal No. 4: Advisory Vote to Approve Executive Compensation. The advisory vote is not binding on us, our board of directors, or management. The affirmative "FOR" vote of a majority of the shares present in person or by proxy and entitled to vote is necessary for approval of the executive compensation.

Proposal No. 5: Advisory Vote to Approve the Frequency of Advisory Votes on Executive Compensation. The advisory vote to approve the frequency of the advisory votes on executive compensation is not binding on us, our board of directors, or management. A stockholder may vote to set the frequency of the "say on pay" vote to occur "EVERY YEAR", "EVERY TWO YEARS", "EVERY THREE YEARS", or the stockholder may vote to "ABSTAIN". The choice among those four choices that receives the highest number of votes will be deemed the choice of the stockholders.

Proposal No. 6: Ratification of Appointment of Auditors. The affirmative "FOR" vote of a majority of the shares present in person or by proxy and entitled to vote is necessary of approval of such proposal.

Abstentions and Broker Non Votes

All votes will be tabulated by the inspector of election appointed for the Annual meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. Abstentions and votes withheld are counted only for purposes of determining whether quorum is present at the Annual Meeting and, therefore, have no effect on the outcome of voting for each proposal.

If you hold your shares in "street name" through a broker or other nominee, your broker or nominee may not be permitted to exercise voting discretion with respect to some of the matters to be acted upon. If you do not give your broker or nominee specific instructions regarding such matters, your proxy will be deemed a "broker non-vote." Broker non-votes are included in the determination of the number of shares represented at the Annual Meeting for purposes of determining whether a quorum is present. For Proposal Nos. 1, 2, 3, 4 and 5, broker non-votes have no effect on the outcome of the election. For the approval of Proposal No. 6, broker non-votes are counted only for purposes of determining whether a quorum is present at the meeting and therefore will have no effect on the outcome of the vote for this proposal. For the approval of any other proposed matter, broker non-votes have the practical effect of a vote against such proposal. Whether brokers have discretion to vote on other proposals and, if they do not, the effects of broker non-votes on such other proposals will depend on the nature of such other proposals.

Proxies

If the enclosed form of proxy is properly signed and returned, the shares represented thereby will be voted at the Annual Meeting in accordance with the instructions specified thereon. If you sign and return your proxy without specifying how the shares represented thereby are to be voted, the proxy will be voted (i) FOR the election of the directors proposed by our Board, (ii) FOR the approval of the amendment to and restatement of the 2011 Employee Stock Purchase Plan, (iii) FOR the approval of the amendment to and restatement of the 2011 Stock Incentive Plan, (iv) FOR the advisory vote to approve executive compensation, (v) to hold advisory votes on executive compensation EVERY THREE YEARS, (vi) FOR ratification of the appointment of the independent auditors for fiscal year 2013, and (vii) at the discretion of the proxy holders on any other matter that may properly come before the Annual Meeting or any adjournment or postponement thereof.

You may revoke or change your proxy at any time before the Annual Meeting by filing with our Corporate Secretary at our principal executive offices at 299 South Main Street, Suite 2370, Salt Lake City, Utah 84111, a notice of revocation or another signed proxy with a later date. You may also revoke your proxy by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting alone will not revoke your proxy. If you are a stockholder whose shares are not registered in your own name, you will need additional documentation from your broker or record holder to vote personally at the Annual Meeting.

Solicitation

We will bear the entire cost of solicitation, including the preparation, assembly, printing and mailing of this Proxy Statement, the proxy and any additional solicitation materials furnished to the stockholders. Copies of any solicitation materials will be furnished to brokerage houses, fiduciaries and custodians holding shares in their names that are beneficially owned by others so that they may forward this solicitation material to such beneficial owners. In addition, we may reimburse such persons for their costs in forwarding the solicitation materials to such beneficial owners. The original solicitation of proxies by mail may be supplemented by a solicitation by telephone, facsimile or other means by our directors, officers or employees. No additional compensation will be paid to these individuals for any such services. Except as described above, we do not presently intend to solicit proxies other than by mail and telephone.

MATTERS TO BE CONSIDERED AT ANNUAL MEETING

PROPOSAL NO. 1

ELECTION OF DIRECTORS

General

The Company's Board of Directors currently consists of eight directors, each of whom is nominated to be elected at the Annual Meeting. Each of the nominees has confirmed that he will be able and willing to serve as a director if elected. If any of the nominees become unable or unwilling to serve, your proxy will be voted for the election of a substitute nominee recommended by the current Board of Directors. Upon recommendation of the Nominating and Corporate Governance Committee, the Board of Directors has nominated for election as directors at our Annual Meeting Randall K. Fields, Robert P. Hermanns, Robert W. Allen, James R. Gillis, William S. Kies, Jr., Richard Juliano, Austin F. Noll, Jr. and Ronald C. Hodge.

Please see disclosure captioned "Directors" on p. 16 of this Proxy Statement for more information, including background information, business experience, and the Nominating and Corporate Governance Committee's recommendation, of each nominee.

Our Certificate of Incorporation and Bylaws provide that the Board of Directors shall consist of not less than one member, and that upon any change in the number of members, any newly created directorships or eliminated directorships shall be apportioned by the remaining members of the Board of Directors or by stockholders.

Required Vote and Recommendation

The election of directors requires the affirmative vote of a plurality of the shares of Common Stock present or represented by proxy and entitled to vote at the Annual Meeting, including shares of Common Stock issuable upon conversion of our Series A Preferred and Series B Preferred. The eight nominees receiving the highest number of affirmative votes will be elected. Accordingly, under Nevada law and the Company's Certificate of Incorporation and Bylaws, abstentions and broker non-votes will not have any effect on the election of a particular director. Unless

otherwise instructed or unless authority to vote is withheld, shares represented by executed proxies will be voted "FOR" the election of the nominees.

The Board of Directors recommends that the stockholders vote "FOR" the election of Messrs. Fields, Hermanns, Allen, Gillis, Kies, Juliano, Noll and Hodge.

PROPOSAL NO. 2

APPROVAL OF AN AMENDMENT TO AND RESTATEMENT OF THE
2011 EMPLOYEE STOCK PURCHASE PLAN

The Park City Group 2011 Employee Stock Purchase Plan (the “Original ESPP Plan”) was adopted by the Board of Directors on March 1, 2011, and authorized 50,000 shares of the Company’s common stock, par value \$0.01 (the “Shares” or “Common Stock”) for issuance to every full- and part-time employee of the Company electing to participate under the Original ESPP Plan (each, a “Participating Employee”). However, as of August 1, 2012, the Company had issued all authorized Shares under the Original ESPP Plan. Accordingly, the Board of Directors approved an amendment to and restatement of the Original ESPP Plan (the “First Amended ESPP Plan”), increasing the authorized number of Shares available for issuance to 150,000.

Proposal

Our the Board of Directors approved a second amendment to and restatement of the Original ESPP Plan on January 19, 2013 (the “Second Amended ESPP Plan”), which provides for a 50,000 Share increase, bringing the aggregate number of Shares available for issuance to 200,000 shares of Common Stock. If approved by stockholders, and assuming the issuance of all Shares under the terms of the Second Amended Plan, the resulting dilution to stockholders would be less than 1%, based on the number of Shares issued and outstanding as of January 22, 2013. The Second Amended ESPP Plan is attached hereto as Appendix A, and is subject, in its entirety, to stockholder approval. Therefore, the Second Amended ESPP Plan will not become effective if stockholders do not approve it.

Under the terms of the Second Amended ESPP Plan, every Participating Employee will have the ability to purchase Shares at a discount from fair market value through monthly payroll deductions, or otherwise as determined by a committee established by the Compensation Committee of the Board of Directors (the “Committee”). In the discretion of the Committee, the Second Amended ESPP Plan may also provide for the issuance of Common Stock in lieu of cash compensation.

Approval of the Second Amended ESPP Plan will give employees of the Company an opportunity to acquire and expand their equity interest in the Company. The Company believes the Second Amended ESPP Plan will align the interest of Participating Employees with the interests of the Company and its stockholders, and will develop an incentive for Participating Employees, through their efforts on behalf of the Company, to increase stockholder value.

If the Second Amended ESPP Plan is approved by stockholders, an aggregate total of 92,855 Shares will be available for issuance as of February 28, 2013, as 42,855 authorized Shares remain unissued under First Amended ESPP Plan.

The following summary of the Second Amended ESPP Plan does not purport to be complete and is qualified, in its entirety, by the specific language of the Second Amended ESPP Plan, as found in Appendix A.

Description of the Plan

Purpose. The purpose of the Second Amended ESPP Plan is to provide every full- and part-time employee of the Company an opportunity to acquire and expand their equity interest in the Company. By giving each Participating Employee the opportunity to purchase shares of Common Stock at a discount from fair market value, the Second Amended ESPP Plan attempts to align the interests of the Company’s employees with the interests of the Company and its stockholders.

Administration. The Second Amended ESPP Plan may be administered and interpreted by the Committee and the Board of Directors.

Stock Subject to the Plan. Under the Second Amended ESPP Plan, eligible employees may purchase shares of Common Stock through monthly payroll deductions at a discount to the fair market price of the Shares, as quoted on the NYSE's AMEX ("FMV"). Additionally, in the discretion of the Committee, the Second Amended ESPP Plan may also provide for the issuance of Common Stock in lieu of cash compensation.

As of February 28, 2013, 42,855 Shares remained available for issuance under the First Amended ESPP. An additional 50,000 Shares will be available for purchase under the Second Amended ESPP Plan. The Common Stock issued under the Second Amended ESPP Plan will be from authorized but unissued shares of the Company's Common Stock.

Eligibility. Every full- and part-time employee of the Company is eligible to participate in the Second Amended ESPP Plan. The Company currently employs 50 full-time employees, and no part-time employees.

Offering Periods and Purchase Periods. Subject to stockholder approval, the Second Amended ESPP Plan will be effective on April 1, 2013 (the "Effective Date"). The first payroll deduction will occur for the pay period ending April 15, 2013 and will terminate the date that no Shares are available for issuance, or ten years from the Effective Date (the "Term"), whichever occurs first.

Each period the Second Amended ESPP Plan will be in effect during the Term will be from January 1 to June 30, and July 1 to December 31 (each, an "Offering Period"). The Company will deduct the amount determined by each Participating Employee during each Offering Period, which amount will not exceed 15% of the amount owed to that Participating Employee in such pay period (the "Withheld Amount"). At the end of the Offering Period (the "Issue Date"), the Company will issue shares of Common Stock in an amount equal to the total Withheld Amount divided by the lower of (i) the FMV on the first day of the Offering Period less 15%, or (ii) the last day of the Offering Period less 15% (in either case, the "Discount Value"). The Company will retain all Withheld Amounts until the Issue Date.

Termination or Amendment of the Plan. The Company's Board of Directors may, at any time and without stockholder approval, terminate or amend the Second Amended ESPP Plan, including amending the Second Amended ESPP Plan to increase the number of shares of Common Stock available for issuance.

Tax Consequences. The Second Amended ESPP Plan is a non-qualified plan for Federal income tax purposes. Withheld Amounts during the Offering Period will be considered "after-tax" deductions. At the end of the applicable Offering Period, the Discount Value will be added to the Participating Employee's taxable compensation. Each year-end Form W-2 distributed to each Participating Employee will include the Discount Value in gross income, as well as the withholding taken on the Discount Value.

New Plan Benefits

Each of the Company's employees participates in the Second Amended ESPP, contributing Withheld Amounts ranging from 3% to 15%. However, because we cannot predict the rate of employee contributions or the eventual purchase price under the Second Amended ESPP Plan, it is not possible to determine the number of shares that will be purchased or the value of benefits that may be obtained by executive officers and other employees under the Second Amended ESPP Plan for the current fiscal year. The following tables sets forth information with respect to the shares of Common Stock purchased under the Original ESPP Plan and the First Amended ESPP Plan, respectively, during the fiscal year ended June 30, 2012.

Shares of Common Stock Purchased Under the
2011 Employee Stock Purchase Plan and Amended and Restated Employee Stock Purchase Plan

Edward L. Clissold (2) Chief Financial Officer	3,320	1,285
Executive Group	15,458	5,983
Non-Executive Director Group	-	-

(1) Fair market value on the date of purchase, minus the purchase price.

(2) Mr. Colbert resigned from his position with the Company after the end of fiscal 2012, on August 2, 2012. Mr. Edward L. Clissold now serves as the Company's Chief Financial Officer.

Vote Required and Recommendation

The affirmative "FOR" vote of a majority of the shares present in person or by proxy and entitled to vote is necessary for approval of the Second Amended ESPP Plan. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this proposal has been approved. Unless otherwise instructed on the proxy or unless authority to vote is withheld, shares represented by executed proxies will be voted "FOR" the adoption of the Second Amended ESPP Plan.

The Board of Directors recommends that stockholders vote "FOR" the proposed adoption of the Second Amended ESPP Plan.

PROPOSAL NO. 3

APPROVAL OF AN AMENDMENT TO AND RESTATEMENT OF THE
2011 STOCK INCENTIVE PLAN

The Park City Group 2011 Stock Incentive Plan (the “Original SIP”) was adopted by the Board of Directors on March 1, 2011, and authorized a total of 200,000 shares of the Company’s common stock, par value \$0.01 (“Shares” or “Common Stock”) for issuance to all employees (including, without limitation, officers and directors who are also employees) of the Company or any subsidiary of the Company (each a “Subsidiary”), any non-employee director, consultants and independent contractors of the Company or any Subsidiary, and any joint venture partners (including, without limitation, officers, directors and partners thereof) of the Company or any Subsidiary (each, an “Eligible Recipient”, and collectively, the “Eligible Recipients”). However, as of August 1, 2012, the Company had issued all authorized Shares under the Original SIP. Accordingly, the Board of Directors approved an amendment to and restatement of the Original SIP Plan (the “First Amended SIP”), increasing the authorized number of Shares available for issuance to 350,000 shares of Common Stock.

Proposal

Our the Board of Directors approved a second amendment to and restatement of the Original SIP on January 19, 2013 (the “Second Amended SIP”), which provides for a 200,000 Share increase, authorizing, in aggregate, a total of 550,000 Shares. If approved by stockholders, and assuming the issuance of all Shares under the terms of the Second Amended SIP, the resulting dilution to stockholders would be approximately 1.8%, based on the number of Shares issued and outstanding as of February 1, 2013. The Second Amended SIP is attached hereto as Appendix B, and is subject, in its entirety, to stockholder approval. Therefore, the Second Amended SIP will not become effective if stockholders do not approve it.

Under the terms of the Second Amended SIP Plan, the Compensation Committee of the Board of Directors will administer the Second Amended SIP (the “Committee”). The Committee will, at its discretion, issue the authorized Shares to Eligible Recipients in the form of: (i) stock options within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended (the “IRC”) (“Qualified Stock Options”), (ii) stock options that do not qualify as incentive stock options (“Non-Qualified Stock Options” and together with the Qualified Stock Options, the “Incentive Awards”), or (iii) awards of shares that are subject to certain restrictions specified in the Second Amended SIP (each a “Restricted Stock Award”).

Approval of the Second Amended SIP will advance the interest of the Company and its stockholders by enabling the Company and its subsidiaries to attract and retain persons of ability to perform services for the Company and its Subsidiaries by providing an incentive to such individuals through equity participation in the Company and by rewarding those individuals who contribute to the achievement by the Company of its operational and financial objectives.

If the Second Amended ESPP Plan is approved by stockholders, an aggregate total of 227,529 Shares will be available for issuance on February 28, 2013, as 27,529 authorized Shares remain unissued under the First Amended SIP.

Below is a summary of the Second Amended SIP. Unless otherwise indicated, all capitalized terms shall have the same meaning as defined in the Second Amended SIP. This summary does not purport to be complete, and is qualified, in its entirety, by the specific language of the Second Amended and Restated 2011 Stock Incentive Plan, as found in Appendix B.

Description of the Plan

Purpose. The Second Amended SIP provides the Company with the ability to attract and retain highly qualified Eligible Recipients to perform services for the Company and its Subsidiaries. By providing these Eligible Recipients with equity-based Incentive Awards, the Second Amended SIP gives each Eligible Recipient an incentive to perform and increase the value of the Company, aligning the interests of these Eligible Recipients with the Company and its stockholders.

-7-

Administration. The Second Amended SIP will be administered by the Compensation Committee of the Board of Directors, consisting of Messrs. Robert W. Allen and James R. Gillis, each of whom is considered “independent” within the meaning of Section 803(A) of the NYSE Company Guide and the Securities and Exchange Commission’s rules regarding director independence. The Committee may adopt rules and regulations for carrying out the Second Amended SIP. The interpretations and decisions of the Committee are final and conclusive on all persons participating or eligible to participate in the Second Amended SIP.

Stock Subject to the Plan. Under the Second Amended SIP, the Committee may award Eligible Recipients with shares of Common Stock in the form of Incentive Awards, specifically Qualified Stock Options or Non-Qualified Stock Options, or Restricted Stock Awards. As of February 28, 2013, 27,529 shares remained available for issuance under the First Amended SIP. An additional 200,000 shares of Common Stock, subject to increases authorized by the Board of Directors, will be available for purchase under the Second Amended SIP. The Common Stock issued under the Second Amended SIP will be from authorized but unissued shares of the Company’s Common Stock.

Eligibility. Eligible Recipients may be selected by the Committee to receive Incentive Awards or Restricted Stock Awards under the Second Amended SIP. Eligible Recipients include all employees (including, without limitation, officers and directors who are also employees) of the Company or any Subsidiary, any non-employee director, consultants and independent contractors of the Company or any Subsidiary, and any joint venture partners (including, without limitation, officers, directors and partners thereof) of the Company or any Subsidiary. Although the Company estimates that 60 individuals associated with the Company and its subsidiaries will qualify as Eligible Recipients.

Options. Each Qualified Stock Option and Non-Qualified Stock Option (each an “Option”) granted under the Second Amended SIP is subject to the following terms and conditions:

(a) **Exercise Price.** The per share price to be paid by an Eligible Recipient participation under the Second Amended SIP (each a “Participant”) upon exercise of an Option will be determined by the Committee in its discretion at the time of the Option grant, provided that (a) such price will not be less than 100% of the Fair Market Value of one share of Common Stock on the date of grant with respect to an Qualified Stock Option (110% of the Fair Market Value if, at the time the Qualified Stock Option is granted, the Participant owns, directly or indirectly, more than 10% of the total combined voting power of all classes of stock of the Company or any parent or subsidiary corporation of the Company), and (b) such price will not be less than 85% of the Fair Market Value of one share of on the date of grant with respect to a Non-Qualified Stock Option.

(b) **Exercise of the Options.** An Option will become exercisable at such times and in such installments as may be determined by the Committee in its sole discretion at the time of grant; provided, however, that no Option may be exercisable after 10 years from its date of grant.

(c) **Form of Consideration.** The purchase price of the shares to be purchased upon exercise of an Option will be payable to the Company in United States dollars in cash or by check or, such other legal consideration as may be approved by the Committee in its discretion. The Committee, in its sole discretion and upon terms and conditions established by the Committee, may allow such payments to be made, in whole or in part, by tender of a Broker Exercise Notice, Previously Acquired Shares or by a combination of such methods. The Committee, in its discretion, may permit a particular Participant to pay all or a portion of the Option Price, and/or the tax withholding liability with respect to the exercise of an Option either by surrendering shares of stock already owned by such Participant or by withholding shares of Option Stock, provided that the Committee determines that the fair market value of such surrendered stock or withheld Option Stock is equal to the corresponding portion of such Option Price and/or tax withholding liability, as the case may be, to be paid for therewith. The Committee, in its sole discretion, may establish such other terms and conditions for the payment of the exercise price, as it deems appropriate.

(d) Value Limitation. If the aggregate fair market value of all shares of Common Stock subject to a grantee's Qualified Stock Option which are exercisable for the first time during any calendar year exceeds \$100,000, the excess options shall be treated as Non-Qualified Stock Options. For this purpose, fair market value is determined as of the grant date.

The Committee may impose such restrictions or conditions to the vesting of these Restricted Stock Awards as it deems appropriate, including, without limitation, that the Participant remain in the continuous employment or service of the Company or a Subsidiary for a certain period, or that the Participant or the Company satisfy certain performance goals or criteria. Unless the Committee determines otherwise, all shares of Common Stock granted as a Restricted Stock Award shall have all voting, dividend, liquidation and other rights associated with becoming a holder of record of such shares as if Participant were the holder of shares of unrestricted Common Stock.

Effective Date and Duration of the Second Amended SIP. Subject to stockholder approval, the Second Amended SIP will become effective on April 1, 2013 (the "Effective Date"), and will terminate at midnight on April 1, 2023, unless terminated upon an earlier date by the Board of Directors.

The Second Amended SIP is, in part, is a qualified plan for Federal income tax purposes. As such, the Company is entitled to (a) withhold and deduct from future wages of the Eligible Recipient, or make other arrangements for the collection of, all legally required amounts necessary to satisfy any and all federal, state and local withholding and employment-related tax requirements attributable to a Qualified Stock Option, including, without limitation, the grant, exercise or vesting of, or payment of dividends with respect to, a Qualified Stock Option or a disqualifying disposition of stock received upon exercise of a Qualified Stock Option, or (b) require the Participant promptly to remit the amount of such withholding to the Company before taking any action, including issuing any shares of Common Stock, with respect to a Qualified Stock Option.

New Plan Benefits

Participation in the Second Amended ESPP is entirely within the discretion of the Committee. Because we cannot predict the predict the rate at which the Committee will make awards to Eligible Recipients or the terms of Incentive Awards granted under the Second Amended SIP, it is not possible to determine the number of shares that will be purchased or the value of benefits that may be obtained by executive officers and other employees under the Second Amended SIP for the current fiscal year. The following table sets forth information with respect to the shares of Common Stock Purchased under the Original SIP and the First Amended SIP, respectively, during the fiscal year ended June 30, 2012.

PROPOSAL NO. 4

ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

General

We are providing our stockholders with the opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with the Securities and Exchange Commission's rules. This proposal, which is commonly referred to as "say-on-pay," is required by the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, which added Section 14A to the Securities and Exchange Act of 1934, as amended (the "Exchange Act"). Section 14A of the Exchange Act also requires that stockholders have the opportunity to cast an advisory vote with respect to whether future executive compensation advisory votes will be held every one, two or three years, which is the subject of Proposal No. 5.

Our executive compensation programs are designed to attract, motivate, and retain our executive officers, who are critical to our success. Under these programs, our named executive officers are rewarded for the achievement of our near- and longer-term financial and strategic goals, and for driving corporate financial performance and stability. The programs contain elements of cash and equity-based compensation and are designed to align the interests of our executives with those of our stockholders.

The "Executive Compensation" section of this Proxy Statement describes in detail our executive compensation programs and the decisions made by Management and the Compensation Committee with respect to the fiscal years ended June 30, 2012 and June 30, 2011. As we describe in this section of the Proxy Statement, our executive compensation program incorporates a pay-for-performance philosophy that supports our business strategy and aligns the interests of our executives with our stockholders. The Board believes this link between compensation and the achievement of our near- and long-term business goals has helped drive our performance over time. At the same time, we believe our program does not encourage excessive risk-taking by management.

As an advisory vote, this proposal is not binding. Neither the outcome of this advisory vote nor of the advisory vote included in Proposal No. 5 overrules any decision by the Company or the Board of Directors (or any committee thereof), creates or implies any change to the fiduciary duties of the Company or the Board of Directors (or any committee thereof), or creates or implies any additional fiduciary duties for the Company or the Board of Directors (or any committee thereof). However, Management and the Compensation Committee and Board of Directors value the opinions expressed by our stockholders in their vote on this proposal and will consider the outcome of the vote when making future compensation decisions for named executive officers.

OUR BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE FOLLOWING ADVISORY RESOLUTION:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the disclosure under "Executive Compensation", the compensation tables and accompanying narrative disclosure, and any related material disclosed in this Proxy Statement, is hereby approved.

Vote Required and Recommendation

On this non-binding matter, the affirmative vote of at least a majority of the votes cast at the Annual Meeting is required to approve this Proposal No. 4.

The Board recommends that stockholders vote “FOR” the advisory resolution above, approving of the compensation paid to the Company’s named executive officers.

PROPOSAL NO. 5

ADVISORY VOTE ON THE FREQUENCY OF FUTURE EXECUTIVE COMPENSATION ADVISORY VOTES

General

In Proposal No. 4, we are providing our stockholders the opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers. In this Proposal No. 5, we are asking our stockholders to cast a non-binding advisory vote regarding the frequency of future executive compensation advisory votes. Stockholders may vote for a frequency of every one, two, or three years, or may abstain.

The Board of Directors will take into consideration the outcome of this vote in making a determination about the frequency of future executive compensation advisory votes. However, because this vote is advisory and non-binding, the Board of Directors may decide that it is in the best interests of our stockholders and the Company to hold the advisory vote to approve executive compensation more or less frequently, but no less frequently than once every three years, as required by the Dodd-Frank Act. In the future, we will propose an advisory vote on the frequency of the executive compensation advisory vote at least once every six calendar years as required by the Dodd-Frank Act.

After careful consideration, the Board of Directors believes that an executive compensation advisory vote should be held every three years, and therefore our Board of Directors recommends that you vote for a frequency of every THREE YEARS for future executive compensation advisory votes. The proxy card provides stockholders with the opportunity to choose among four options (holding the vote once every year, every two years or every three years, or abstaining) and, therefore, stockholders will not be voting to approve or disapprove the recommendation of the Board of Directors.

Vote Required and Recommendation

On this non-binding matter, a stockholder may vote to set the frequency of the "say on pay" vote to occur every year, every two years, or every three years, or the stockholder may vote to abstain. The choice among those four choices that receives the highest number of votes will be deemed the choice of the stockholders.

The Board recommends that you vote to hold advisory votes on executive compensation "EVERY THREE YEARS".

PROPOSAL NO. 6

RATIFICATION OF THE APPOINTMENT OF
HJ & ASSOCIATES, LLC TO SERVE AS OUR
REGISTERED PUBLIC ACCOUNTING FIRM FOR THE CURRENT FISCAL YEAR

Upon recommendation of the Audit Committee of the Board of Directors, the Board of Directors appointed HJ & Associates, LLC as our independent registered public accounting firm for the current fiscal year and hereby recommends that the stockholders ratify such appointment.

The Board of Directors may terminate the appointment of HJ & Associates, LLC as the Company's independent registered public accounting firm without the approval of the Company's stockholders whenever the Board of Directors deems such termination necessary or appropriate.

Representatives of HJ & Associates, LLC will be present at the Annual Meeting or available by telephone and will have an opportunity to make a statement if they so desire and to respond to appropriate questions from stockholders.

Required Vote and Recommendation

Ratification of the selection of HJ & Associates, LLC as the Company's independent auditors for the fiscal year ending June 30, 2013 requires the affirmative vote of a majority of the shares present or represented by proxy and entitled to vote at the Annual Meeting. Under Nevada law and the Company's Certificate of Incorporation and Bylaws, an abstention will have the same legal effect as a vote against the ratification of HJ & Associates, LLC, and each broker non-vote will reduce the absolute number, but not the percentage, of affirmative votes necessary for approval of the ratification. Unless otherwise instructed on the proxy or unless authority to vote is withheld, shares represented by executed proxies will be voted "FOR" the ratification of HJ & Associates, LLC as the Company's independent auditors for the fiscal year ending June 30, 2013.

The Board of Directors recommends that stockholders vote "FOR" the ratification of the selection of HJ & Associates, LLC as Park City Group's independent auditors for the fiscal year ending June 30, 2013.

The Nominating and Corporate Governance Committee believes that Mr. Fields' expertise in the Company's industry and markets following his founding of the Company in 1990, his extensive sales, marketing and technical background and experience, and his knowledge of business allow him to bring a unique understanding of the industries and markets in which the Company operates, as well as an entrepreneurial vision to the Company and the Board of Directors.

Robert P. Hermanns joined the Company in March 2007 as Senior Vice President, and served in that capacity until November 2009. Mr. Hermanns is currently a member of the Company's Board of Directors. Robert W. Allen joined the Board of Directors in October 2007. Mr. Allen is a seasoned executive with many years experience as Chairman, President and Chief Executive Officer of businesses ranging in size from \$200 million to \$2.5 billion. Mr. Allen has over thirty years experience in the dairy industry, most notably as a catalyst for developing companies and a turn-around agent for troubled companies or divisions. Prior to this, he was Executive Vice President of Borden, Inc., where he was recruited to turn around the largest and most troubled division of the company. He is also the immediate past Chair of Kid Peace International, a \$160 million non-profit agency assisting children in crises.

The Nominating and Corporate Governance Committee believes that Mr. Allen's years of experience in an area of growth for the Company, the dairy industry, as well as his extensive experience developing and managing companies in senior executive roles, add significant value to the Company and its Board of Directors in assessing challenges in one of its growth markets, and in addressing organizational and development issues facing the Company.

Previously, he was Managing Partner of Aders, Wilcox, Gillis Group, a global

developer of trade relationships serving major brand marketers and retailers worldwide.

-14-

The Nominating and Corporate Governance Committee believes that Mr. Gillis' experience as a senior executive with one of the premier marketing, merchandising and fulfillment companies, together with his extensive experience dealing with the capital markets, provides the Company and its Board of Directors with valuable input regarding prospective sales opportunities, leads and expertise in the area of public company finance.

William S. Kies, Jr. joined the Board of Directors in November 2011. Mr. Kies is currently a principal of Kies Consulting, LLC, a premier consulting practice specializing in the supermarket industry since 1994. The Nominating and Corporate Governance Committee believes that Mr. Juliano's knowledge and experience with supply chain management for large grocery retailers allows him to substantively contribute to the Company's business plan both with existing grocery clients, and new clients as the Company expands its business beyond the grocery industry.

Austin F. Noll, Jr. joined the Board of Directors in October 2012. Mr. Noll is the owner of Austin Noll & Associates, a trade relations and industry affairs consultancy based in New Jersey. He chaired the Northeastern New York United Way Campaign in 1995 and was selected as the New York Capital Region's Citizen of the Year in 1996. Mr. Hodge holds a Bachelor of Science degree in business administration from Plymouth State College, Plymouth, New Hampshire.

The Nominating and Corporate Governance Committee believes that Mr. Hodge's 33 years of management experience in the grocery industry, including leading the successful expansion of Hannaford Bros. Co., provides the Company with valuable industry knowledge and insight as the Company continues to grow its scan-based technologies to an expanding client base.

There have been no events under any bankruptcy act, no criminal proceedings and no judgments or injunctions material to the evaluation of the ability and integrity of any director or nominee during the past ten years.

PARK CITY GROUP, INC.
SECOND AMENDED AND RESTATED 2011 EMPLOYEE STOCK PURCHASE PLAN
(Effective as of April 1, 2013)

This Second Amended and Restated 2011 Employee Stock Purchase Plan (“Plan”) provides employees of Park City Group, Inc. (the “Company”) with an opportunity to acquire and expand their equity interest in the Company through the purchase of the Company’s Common Stock, \$0.01 par value per share (“Common Stock”). The objective of the Plan is to align the interests of the Company’s employees with the interests of the Company and its shareholders, and to develop an incentive for employees, through their efforts on behalf of the Company, to increase shareholder value.

Background

The Company adopted the 2011 Employee Stock Purchase Plan (the “Original Plan”), effective as of May 1, 2011. The Company’s Board of Directors amended and restated the Original Plan, effective August 1, 2011 to increase the number of authorized shares of Common Stock available for issuance from 50,000 to 150,000. The Plan, as amended and restated herein, increases the number of authorized shares of Common Stock available for issuance under the Plan from 150,000 to 200,000, effective upon shareholder approval of the Plan (the “Effective Date”).

Summary of Plan

Under the terms of the Plan, every full- and part-time employee of the Company electing to participate in the Plan (“Participating Employee”) shall have the ability to purchase shares of Common Stock at a discount to the fair market value of the Company’s Common Stock, as quoted on the NYSE’s AMEX (“FMV”), through monthly payroll deductions, or otherwise as determined by a committee established by the Committee. In the discretion of the Committee, the Plan may also provide for the issuance of Common Stock in lieu of cash compensation (“Payroll Replacement”).

Through an after tax payroll deduction, the Company shall withhold, and deduct from the bi-weekly paycheck of each Participating Employee, the amount determined by such Participating Employee, which amount shall not exceed fifteen percent (15%) of the gross amount due and owing such Participating Employee in such pay period (“Withheld Amount”). The Withheld Amount shall be directed towards the purchase of Common Stock at a fifteen percent (15%) discount to FMV, as more particularly set forth below. In the case of Payroll Replacement, the Withheld Amount shall similarly be directed towards the purchase of Common Stock; provided, however, the Committee shall determine the Withheld Amount, with the consent of the Participating Employee.

Number of Shares Available for Issuance Under the Plan

The total number of shares of Common Stock that may be issued under the terms of the Plan is 200,000; provided, however, this Plan may be amended by the Board of Directors to increase the number of shares of Common Stock available for issuance under the Plan.

Program Terms

The effective date of the Plan shall be the Effective Date, as set forth above. The first payroll deduction shall occur for the pay period ending after the Effective Date and shall terminate on the earlier of the date that no shares of Common Stock are available for issuance under the Plan, or ten years from the Effective Date (the “Term”).

Each period for which this Plan shall be in effect during the Term shall be January 1 to June 30, and July 1 to December 31 (each, an “Offering Period”).

A-1

The Company shall deduct the Withheld Amount during each Offering Period. At the end of the Offering Period (the “Issue Date”), the Company shall issue shares of Common Stock in an amount equal to the total Withheld Amount divided by the lower of (i) the FMV on the first day of the Offering Period less 15%, or (ii) the last day of the Offering Period less 15% (in either case, the “Discount Value”). The Company shall retain all Withheld Amounts until the Issue Date.

Payroll Deductions

The Withheld Amounts shall accumulate during the Offering Period, and shall be a percentage between three percent (3%) of gross salary and fifteen percent (15%) of the gross salary due and owing such Participating Employee in such pay period (the “Applicable Deduction”). The Applicable Deduction may be modified by the Participating Employee effective the following dates: July 1 and January 1. Participating Employees may not modify the Applicable Deduction during the Offering Period. The Participating Employee shall complete a withholding form indicating the Applicable Deduction throughout the Offering Period. The Applicable Deduction shall continue until changed by the Participating Employee. In the event the Participating Employee terminates employment, all Withheld Amounts not otherwise applied to purchase shares of Common Stock under the Plan shall be refunded, without interest.

Taxes

The Plan is a non-qualified plan for Federal income tax purposes. Withheld Amounts during the Offering Period shall be considered “after-tax” deductions. At the end of the applicable Offering Period, the Value Discount shall be added to the Participating Employee’s taxable compensation. Each year-end Form W-2 distributed to each Participating Employee shall include the Value Discount in gross income as well as the withholding taken on the Value Discount.

Legal Statement

The Company reserves the right to modify the Plan at any time.

Current Plan Participants

Employees currently participating in a stock purchase or payroll deduction plan of the Company (“Existing Plan”) shall automatically be enrolled in the Plan according to the Applicable Deduction previously on file with the Company. Salary shown on each Participating Employee’s payroll checks shall return to pre-pay reduction levels and the after-tax deduction will be shown for the Withheld Amount. Participating Employees may elect to increase the Applicable Deduction at any time.

New Participants

Upon the Effective Date, the Withheld Amount to be deducted from the cash compensation paid to Participating Employees not currently participating in an Existing Plan shall equal three percent (3%), which amount shall constitute Payroll Replacement for purposes of the Plan; provided, however, Participating Employees may elect to increase the Applicable Deduction at any time.

Company Website

Stock purchase amounts and Withheld Amounts are available for review on the Company’s HR web site located at <https://hr.parkcitygroup.com/Default.aspx>.

Adopted by the Board of Directors effective January 19, 2013.

4. Plan Administration.

4.1. The Committee. The Plan shall be administered by the Committee as appointed from time to time by the Board of Directors of the Company, which may be the Compensation Committee of the Board of Directors. Except as otherwise specifically provided herein, no person, other than members of the Committee, shall have any discretion as to decisions regarding the Plan. The Company may engage a third party to administer routine matters under the Plan, such as establishing and maintaining accounts for Plan participants and facilitating transactions by participants pursuant to the Plan.

In administering the Plan, the Committee may adopt rules and regulations for carrying out the Plan. The interpretations and decisions made by the Committee with regard to any question arising under the Plan shall be final and conclusive on all persons participating or eligible to participate in the Plan.

4.2. Authority of the Committee.

(a) In accordance with and subject to the provisions of the Plan, the Committee will have the authority to determine all provisions of Incentive Awards as the Committee may deem necessary or desirable and as consistent with the terms of the Plan, including, without limitation, the following:

(i) the Eligible Recipients to be selected as Participants;

(ii) the nature and extent of the Incentive Awards to be made to each Participant (including the number of shares of Common Stock to be subject to each Incentive Award, any exercise price, the manner in which Incentive Awards will vest or become exercisable and whether Incentive Awards will be granted in tandem with other Incentive Awards) and the form of written agreement, if any, evidencing such Incentive Award;

(iii) the time or times when Incentive Awards will be granted;

(iv) the duration of each Incentive Award; and (v) the restrictions and other conditions to which the payment or vesting of Incentive Awards may be subject. In addition, the Committee will have the authority under the Plan in its sole discretion to pay the economic value of any Incentive Award in the form of cash, Common Stock or any combination of both.

(b) The Committee will have the authority under the Plan to amend or modify the terms of any outstanding Incentive Award in any manner, including, without limitation, the authority to modify the number of shares or other terms and conditions of an Incentive Award, extend the term of an Incentive Award, accelerate the exercisability or vesting or otherwise terminate any restrictions relating to an Incentive Award, accept the surrender of any outstanding Incentive Award or, to the extent not previously exercised or vested, authorize the grant of new Incentive Awards in substitution for surrendered Incentive Awards; provided, however that the amended or modified terms are permitted by the Plan as then in effect and that any Participant adversely affected by such amended or modified terms has consented to such amendment or modification. No amendment or modification to an Incentive Award, however, whether pursuant to this Section 4.2 or any other provisions of the Plan, will be deemed to be a regrant of such Incentive Award for purposes of this Plan.

(c) In the event of (i) any reorganization, merger, consolidation, recapitalization, liquidation, reclassification, stock dividend, stock split, combination of shares, rights offering, extraordinary dividend or divestiture (including a spin-off) or any other change in corporate structure or shares, (ii) any purchase, acquisition, sale or disposition of a significant amount of assets or a significant business, (iii) any change in accounting principles or practices, or (iv) any other similar change, in each case with respect the Company or any other entity whose performance is relevant to the

grant or vesting of an Incentive Award, the Committee (or, if the Company is not the surviving corporation in any such transaction, the board of directors of the surviving corporation) may, without the consent of any affected Participant, amend or modify the vesting criteria of any outstanding Incentive Award that is based in whole or in part on the financial performance of the Company (or any Subsidiary or division thereof) or such other entity so as equitably to reflect such event, with the desired result that the criteria for evaluating such financial performance of the Company or such other entity will be substantially the same (in the sole discretion of the Committee or the board of directors of the surviving corporation) following such event as prior to such event; provided, however, that the amended or modified terms are permitted by the Plan as then in effect.

B-3

5. Shares Available for Issuance.

5.1. Maximum Number of Shares Available. Subject to adjustment as provided in Section 5.3 of the Plan, the maximum number of shares of Common Stock that will be available for issuance under the Plan will be 550,000 shares.

5.2. Accounting for Incentive Awards. Shares of Common Stock that are issued under the Plan or that are subject to outstanding Incentive Awards will be applied to reduce the maximum number of shares of Common Stock remaining available for issuance under the Plan. Any shares of Common Stock that are subject to an Incentive Award that lapses, expires, is forfeited or for any reason is terminated unexercised or unvested and any shares of Common Stock that are subject to an Incentive Award that is settled or paid in cash or any form other than shares of Common Stock will automatically again become available for issuance under the Plan. Any shares of Common Stock that constitute the forfeited portion of a Restricted Stock Award, however, will not become available for further issuance under the Plan.

5.3. Adjustments to Shares and Incentive Awards.

(a) The Committee may amend the Plan in order to increase the number of shares of Common Stock available for issuance subject to approval by the Company's Board of Directors.

(b) In the event of any reorganization, merger, consolidation, recapitalization, liquidation, reclassification, stock dividend, stock split, combination of shares, rights offering, divestiture or extraordinary dividend (including a spin-off) or any other change in the corporate structure or shares of the Company, the Committee (or, if the Company is not the surviving corporation in any such transaction, the board of directors of the surviving corporation) will make appropriate adjustment (which determination will be conclusive) as to the number and kind of securities available for issuance under the Plan and, in order to prevent dilution or enlargement of the rights of Participants, the number, kind and, where applicable, exercise price of securities subject to outstanding Incentive Awards.

6. Participation. Participants in the Plan will be those Eligible Recipients who, in the judgment of the Committee, have contributed, are contributing or are expected to contribute to the achievement of economic objectives of the Company or its Subsidiaries. Eligible Recipients may be granted from time to time one or more Incentive Awards, singly or in combination or in tandem with other Incentive Awards, as may be determined by the Committee in its sole discretion. Incentive Awards will be deemed to be granted as of the date specified in the grant resolution of the Committee, which date will be the date of any related agreement with the Participant.

7. Options.

7.1. Grant. An Eligible Recipient may be granted one or more Options under the Plan, and such Options will be subject to such terms and conditions, consistent with the other provisions of the Plan, as may be determined by the Committee in its sole discretion. The Committee may designate whether an Option is to be considered an Incentive Stock Option or a Non-Statutory Stock Option.

7.2. Exercise Price. The per share price to be paid by a Participant upon exercise of an Option will be determined by the Committee in its discretion at the time of the Option grant, provided that (a) such price will not be less than 100% of the Fair Market Value of one share of Common Stock on the date of grant with respect to an Incentive Stock Option (110% of the Fair Market Value if, at the time the Incentive Stock Option is granted, the Participant owns, directly or indirectly, more than 10% of the total combined voting power of all classes of stock of the Company or any parent or subsidiary corporation of the Company), and (b) such price will not be less than 85% of the Fair Market Value of one share of Common Stock on the date of grant with respect to a Non-Statutory Stock Option.

7.3. Exercisability and Duration. An Option will become exercisable at such times and in such installments as may be determined by the Committee in its sole discretion at the time of grant; provided, however, that no Option may be exercisable after 10 years from its date of grant.

B-4

7.4. **Payment of Exercise Price.** The purchase price of the shares to be purchased upon exercise of an Option will be payable to the Company in United States dollars in cash or by check or, such other legal consideration as may be approved by the Committee in its discretion. The Committee, in its sole discretion and upon terms and conditions established by the Committee, may allow such payments to be made, in whole or in part, by tender of a Broker Exercise Notice, Previously Acquired Shares or by a combination of such methods. The Committee, in its discretion, may permit a particular Optionee to pay all or a portion of the Option Price, and/or the tax withholding liability with respect to the exercise of an Option either by surrendering shares of stock already owned by such Optionee or by withholding shares of Option Stock, provided that the Committee determines that the fair market value of such surrendered stock or withheld Option Stock is equal to the corresponding portion of such Option Price and/or tax withholding liability, as the case may be, to be paid for therewith. The Committee, in its sole discretion, may establish such other terms and conditions for the payment of the exercise price, as it deems appropriate.

7.5. **Manner of Exercise.** An Option may be exercised by a Participant in whole or in part from time to time, subject to the conditions contained in the Plan and in the agreement evidencing such Option, by delivery in person, by facsimile or electronic transmission or through the mail of written notice of exercise to the Company (Attention: Chief Financial Officer) at its principal executive office in Park City, Utah and by paying in full the total exercise price for the shares of Common Stock to be purchased in accordance with Section 7.4 of the Plan.

7.6. **Aggregate Limitation of Stock Subject to Incentive Stock Options.** To the extent that the aggregate Fair Market Value (determined as of the date an Incentive Stock Option is granted) of the shares of Common Stock with respect to which incentive stock options (within the meaning of Section 422 of the Code) are exercisable for the first time by a Participant during any calendar year (under the Plan and any other incentive stock option plans of the Company or any subsidiary or parent corporation of the Company (within the meaning of the Code) exceeds \$100,000 (or such other amount as may be prescribed by the Code from time to time), such excess Options will be treated as Non-Statutory Stock Options. The determination will be made by taking Incentive Stock Options into account in the order in which they were granted. If such excess only applies to a portion of an Incentive Stock Option, the Committee, in its discretion, will designate which shares will be treated as shares to be acquired upon exercise of an Incentive Stock Option.

8. Restricted Stock Awards.

8.1. **Grant.** An Eligible Recipient may be granted one or more Restricted Stock Awards under the Plan, and such Restricted Stock Awards will be subject to such terms and conditions, consistent with the other provisions of the Plan, as may be determined by the Committee in its sole discretion. The Committee may impose such restrictions or conditions, not inconsistent with the provisions of the Plan, to the vesting of such Restricted Stock Awards as it deems appropriate, including, without limitation, that the Participant remain in the continuous employ or service of the Company or a Subsidiary for a certain period or that the Participant or the Company (or any Subsidiary or division thereof) satisfy certain performance goals or criteria.

8.2. **Rights as a Stockholder; Transferability.** Except as provided in Sections 8.1, 8.3 and 12.3 of the Plan, a Participant will have all voting, dividend, liquidation and other rights with respect to shares of Common Stock issued to the Participant as a Restricted Stock Award under this Section 8 upon the Participant becoming the holder of record of such shares as if such Participant were a holder of record of shares of unrestricted Common Stock.

8.3. **Dividends and Distributions.** Unless the Committee determines otherwise in its sole discretion (either in the agreement evidencing the Restricted Stock Award at the time of grant or at any time after the grant of the Restricted Stock Award), any dividends or distributions paid with respect to shares of Common Stock subject to the unvested portion of a Restricted Stock Award will be subject to the same restrictions as the shares to which such dividends or distributions relate. In the event the Committee determines not to pay such dividends or distributions currently, the

Committee will determine in its sole discretion whether any interest will be paid on such dividends or distributions. In addition, the Committee in its sole discretion may require such dividends and distributions to be reinvested (and in such case the Participants consent to such reinvestment) in shares of Common Stock that will be subject to the same restrictions as the shares to which such dividends or distributions relate.

B-5

8.4. Enforcement of Restrictions. To enforce the restrictions referred to in this Section 8, the Committee may place a legend on the stock certificates referring to such restrictions and may require the Participant, until the restrictions have lapsed, to keep the stock certificates, together with duly endorsed stock powers, in the custody of the Company or its transfer agent or to maintain evidence of stock ownership, together with duly endorsed stock powers, in a certificateless book-entry stock account with the Company's transfer agent.

9. Effect of Termination of Employment or Other Service.

9.1. Termination Due to Death, Disability or Retirement. In the event a Participant's employment or other service with the Company and all Subsidiaries is terminated by reason of death, Disability or Retirement:

(a) All outstanding Options then held by the Participant will remain exercisable to the extent exercisable as of such termination following such termination until the expiration date of such Option;

(b) All Restricted Stock Awards then held by the Participant will vest and/or continue to vest in the manner determined by the Committee and set forth in the agreement evidencing such Restricted Stock Award.

9.2. Termination for Reasons Other than Death, Disability or Retirement.

(a) In the event a Participant's employment or other service is terminated with the Company and all Subsidiaries for any reason other than death, Disability or Retirement, or a Participant is in the employ or service of a Subsidiary and the Subsidiary ceases to be a Subsidiary of the Company (unless the Participant continues in the employ or service of the Company or another Subsidiary), all rights of the Participant under the Plan and any agreements evidencing an Incentive Award will immediately terminate without notice of any kind, and no Options then held by the Participant will thereafter be exercisable, and all Restricted Stock Awards then held by the Participant that have not vested will be terminated and forfeited; provided, however, that if such termination is due to any reason other than termination by the Company or any Subsidiary for "cause," all outstanding Options then held by such Participant will remain exercisable to the extent exercisable as of such termination for a period of one month after such termination (but in no event after the expiration date of any such Option).

(b) For purposes of this Section 9.2, "cause" (as determined by the Committee) will be as defined in any employment or other agreement or policy applicable to the Participant or, if no such agreement or policy exists, will mean (i) dishonesty, fraud, misrepresentation, embezzlement or deliberate injury or attempted injury, in each case related to the Company or any Subsidiary, (ii) any unlawful or criminal activity of a serious nature, (iii) any intentional and deliberate breach of a duty or duties that, individually or in the aggregate, are material in relation to the Participant's overall duties, or (iv) any material breach of any employment, service, confidentiality or non-compete agreement entered into with the Company or any Subsidiary.

9.3. Modification of Rights Upon Termination. Notwithstanding the other provisions of this Section 9, upon a Participant's termination of employment or other service with the Company and all Subsidiaries, the Committee may, in its sole discretion (which may be exercised at any time on or after the date of grant, including following such termination), cause Options (or any part thereof) then held by such Participant to become or continue to become exercisable and/or remain exercisable following such termination of employment or service and Restricted Stock Awards held by such Participant to vest and/or continue to vest or become free of transfer restrictions, as the case may be, following such termination of employment or service, in each case in the manner determined by the Committee; provided, however, that no Option may remain exercisable beyond its expiration date.

9.4. Breach of Confidentiality or Non-Compete Agreements. Notwithstanding anything in this Plan to the contrary, in the event that a Participant materially breaches the terms of any confidentiality or non-compete agreement entered into with the Company or any Subsidiary or takes any other action that the Committee, in its sole discretion, deems to be adverse to the interests of the Company or any Subsidiary (an "Adverse Action"), whether such Adverse Action occurs before or after termination of such Participant's employment or other service with the Company or any Subsidiary, the Committee in its sole discretion may immediately terminate all rights of the Participant under the Plan and any agreements evidencing an Incentive Award then held by the Participant without notice of any kind. In addition, to the extent that a Participant takes such Adverse Action during the period beginning 6 months prior to, and ending 6 months following, the date of such employment or service termination, the Committee in its sole discretion will have the authority (by so providing in the agreement evidencing such Incentive Award at the time of grant) to rescind(i) any grant of an Incentive Award made to such Participant during such period and (ii) any exercise of an Option of the Participant that was exercised during such period, and to require the Participant to pay to the Company, within 10 days of receipt from the Company of notice of such rescission, the amount of any gain realized from such rescinded grant or exercise. Such payment will be made in cash (including check, bank draft or money order) or, with the Committee's consent, shares of Common Stock with a Fair Market Value on the date of payment equal to the amount of such payment. The Company will be entitled to withhold and deduct from future wages of the Participant (or from other amounts that may be due and owing to the Participant from the Company or Subsidiary) or make other arrangements for the collection of all amounts necessary to satisfy such payment obligation.

9.5. Date of Termination of Employment or Other Service. Unless the Committee otherwise determines in its sole discretion, a Participant's employment or other service will, for purposes of the Plan, be deemed to have terminated on the date recorded on the personnel or other records of the Company or the Subsidiary for which the Participant provides employment or other service, as determined by the Committee in its sole discretion based upon such records.

10. Payment of Withholding Taxes.

10.1. General Rules. The Company is entitled to (a) withhold and deduct from future wages of the Participant (or from other amounts that may be due and owing to the Participant from the Company or a Subsidiary), or make other arrangements for the collection of, all legally required amounts necessary to satisfy any and all federal, state and local withholding and employment-related tax requirements attributable to an Incentive Award, including, without limitation, the grant, exercise or vesting of, or payment of dividends with respect to, an Incentive Award or a disqualifying disposition of stock received upon exercise of an Incentive Stock Option, or (b) require the Participant promptly to remit the amount of such withholding to the Company before taking any action, including issuing any shares of Common Stock, with respect to an Incentive Award.

10.2. Special Rules. The Committee may, in its sole discretion and upon terms and conditions established by the Committee, permit or require a Participant to satisfy, in whole or in part, any withholding or employment-related tax obligation described in Section 10.1 of the Plan by electing to tender Previously Acquired Shares or a Broker Exercise Notice, or by a combination of such methods.

11. Change in Control.

11.1. Change in Control. For purposes of this Section 11.1, a "Change in Control" of the Company will mean (a) the sale, lease, exchange or other transfer of substantially all of the assets of the Company (in one transaction or in a series of related transactions) to a person or entity that is not controlled, directly or indirectly, by the Company, (b) a merger or consolidation to which the Company is a party if the stockholders of the Company immediately prior to effective date of such merger or consolidation do not have "beneficial ownership" (as defined in Rule 13d-3 under the Exchange Act) immediately following the effective date of such merger or consolidation of more than 80% of the combined voting power of the surviving corporation's outstanding securities ordinarily having the right to vote at elections of directors, or (c) a change in control of the Company of a nature that would be required to be reported pursuant to Section 13 or 15(d) of the Exchange Act, whether or not the Company is then subject to such reporting requirements, including, without limitation, such time as (i) any person becomes, after the effective date of the Plan, the "beneficial owner" (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of 40% or more of the combined voting power of the Company's outstanding securities ordinarily having the right to vote at elections of directors, or (ii) individuals who constitute the Board on the effective date of the Plan cease for any reason to constitute at least a majority of the Board, provided that any person becoming a director subsequent to the effective date of the Plan whose election, or nomination for election by the Company's stockholders, was approved by a vote of at least a majority of the directors comprising the Board on the effective date of the Plan will, for purposes of this clause (ii), be considered as though such persons were a member of the Board on the effective date of the Plan.

11.2. Acceleration of Vesting. Without limiting the authority of the Committee under Section 4.2 of the Plan, if a Change in Control of the Company occurs, then, if approved by the Committee in its sole discretion either in an agreement evidencing an Incentive Award at the time of grant or at any time after the grant of an Incentive Award, (a) all Options may become immediately exercisable in full and may remain exercisable for the remainder of their terms, regardless of whether the Participants to whom such Options have been granted remain in the employ or service of the Company or any Subsidiary; and (b) all outstanding Restricted Stock Awards may become immediately fully vested in the manner determined by the Committee and/or set forth in the agreement evidencing such.

11.3. Cash Payment for Options. If a Change in Control of the Company occurs, then the Committee, if approved by the Committee in its sole discretion either in an agreement evidencing an Incentive Award at the time of grant or at any time after the grant of an Incentive Award, and without the consent of any Participant effected thereby, may determine that some or all Participants holding outstanding Options will receive, with respect to and in lieu of some or all of the shares of Common Stock subject to such Options, as of the effective date of any such Change in Control of the Company, cash in an amount equal to the excess of the Fair Market Value of such shares immediately prior to the effective date of such Change in Control of the Company over the exercise price per share of such Options.

11.4. Limitation on Change in Control Payments. Notwithstanding anything in Section 11.2 or 11.3 of the Plan to the contrary, if, with respect to a Participant, the acceleration of the vesting of an Incentive Award as provided in Section 11.2 or the payment of cash in exchange for all or part of an Incentive Award as provided in Section 11.3 (which acceleration or payment could be deemed a "payment" within the meaning of Section 280G(b)(2) of the Code), together with any other payments which such Participant has the right to receive from the Company or any corporation that is a member of an "affiliated group" (as defined in Section 1504(a) of the Code without regard to Section 1504(b) of the Code) of which the Company is a member, would constitute a "parachute payment" (as defined in Section 280G(b)(2) of the Code), then the payments to such Participant pursuant to Section 11.2 or 11.3 will be reduced to the largest amount as will result in no portion of such payments being subject to the excise tax imposed by Section 4999 of the Code; provided, however, that if such Participant is subject to a separate agreement with the Company or a Subsidiary which specifically provides that payments attributable to one or more forms of employee stock incentives or to payments made in lieu of employee stock incentives will not reduce any other payments under such agreement, even if it would constitute an excess parachute payment, then the limitations of this Section 11.4 will, to that extent, not apply.

12. Rights of Eligible Recipients and Participants: Transferability.

B-8

12.1. Employment or Service. Nothing in the Plan will interfere with or limit in any way the right of the Company or any Subsidiary to terminate the employment or service of any Eligible Recipient or Participant at any time, nor confer upon any Eligible Recipient or Participant any right to continue in the employ or service of the Company or any Subsidiary.

12.2. Rights as a Stockholder. As a holder of Incentive Awards (other than Restricted Stock Awards), a Participant will have no rights as a stockholder unless and until such Incentive Awards are exercised for, or paid in the form of, shares of Common Stock and the Participant becomes the holder of record of such shares. Except as otherwise provided in the Plan, no adjustment will be made for dividends or distributions with respect to such Incentive Awards as to which there is a record date preceding the date the Participant becomes the holder of record of such shares, except as the Committee may determine in its discretion.

12.3. Restrictions on Transfer. Except pursuant to testamentary will or the laws of descent and distribution or as otherwise expressly permitted by the Committee or the Plan, no right or interest of any Participant in an Incentive Award prior to the exercise or vesting of such Incentive Award will be assignable or transferable, or subjected to any lien; during the lifetime of the Participant, either voluntarily or involuntarily, directly or indirectly by operation of law or otherwise. A Participant will, however, be entitled to designate a beneficiary to receive an Incentive Award upon such Participant's death, and in the event of a Participant's death, payment of any amounts due under the Plan will be made to, and exercise of any Options may be made by, the Participant's legal representatives, heirs and legatees.

12.4. Non-Exclusivity of the Plan. Nothing contained in the Plan is intended to modify or rescind any previously approved compensation plans or programs of the Company or create any limitations on the power or authority of the Board to adopt such additional or other compensation arrangements as the Board may deem necessary or desirable.

12.5. Securities Law and Other Restrictions. Notwithstanding any other provision of the Plan or any agreements entered into pursuant to the Plan, the Company will not be required to issue any shares of Common Stock under this Plan, and a Participant may not sell, assign, transfer or otherwise dispose of shares of Common Stock issued pursuant to Incentive Awards granted under the Plan, unless (a) there is in effect with respect to such shares a registration statement under the Securities Act and any applicable state securities laws or an exemption from such registration under the Securities Act and applicable state securities laws, and (b) there has been obtained any other consent, approval or permit from any other regulatory body which the Committee, in its sole discretion, deems necessary or advisable. The Company may condition such issuance, sale or transfer upon the receipt of any representations or agreements from the parties involved, and the placement of any legends on certificates representing shares of Common Stock, as may be deemed necessary or advisable by the Company in order to comply with such securities law or other restrictions.

13. Plan Amendment, Modification and Termination. The Board may suspend or terminate the Plan or any portion thereof at any time, and may amend the Plan from time to time in such respects as the Board may deem advisable in order that Incentive Awards under the Plan will conform to any change in applicable laws or regulations or in any other respect the Board may deem to be in the best interests of the Company; provided, however, that (a) the Board will not have the authority to amend the eligibility requirements for Options granted pursuant to Section 7.7 of the Plan, or to modify the number of shares, exercise price, exercisability, duration, manner of payment or other terms with respect to such Options, more than once every six months, other than to comply with changes in the Code, the Employee Retirement Income Security Act or the rules promulgated thereunder; and (b) no amendments to the Plan will be effective without approval of the stockholders of the Company if stockholder approval of the amendment is then required pursuant to Rule 16b-3 under the Exchange Act, Section 422 of the Code or the rules of the New York Stock Exchange. No termination, suspension or amendment of the Plan may adversely affect any outstanding Incentive Award without the consent of the affected Participant; provided, however, that this sentence will not impair the right of the Committee to take whatever action it deems appropriate under Sections 5.3 and 11 of the Plan.

B-9

14. Effective Date and Duration of the Plan. The Plan is effective as of the Effective Date, as set forth above. The Plan will terminate at midnight on the ten (10) year anniversary of the Effective Date, and may be terminated prior to such time to by Board action, and no Incentive Award will be granted after such termination. Incentive Awards outstanding upon termination of the Plan may continue to be exercised, or become free of restrictions, in accordance with their terms.

15. Miscellaneous.

15.1. Governing Law. The validity, construction, interpretation, administration and effect of the Plan and any rules, regulations and actions relating to the Plan will be governed by and construed exclusively in accordance with the laws of the State of Utah.

15.2. Successors and Assigns. The Plan will be binding upon and inure to the benefit of the successors and permitted assigns of the Company and the Participants.

Adopted by the Board of Directors on January 19, 2013.
