are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2010.

(7) Risks and Uncertainties

The Plan has holdings in various investments including common stock of the Corporation, a registered investment company bond fund, and pooled separate accounts sponsored by an insurance company. These investments are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participant account balances and the amounts recorded in the statement of net assets available for benefits.

(8) Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Plan's Form 5500 expected to be filed for 2013:

	At December 31, 2013	At December 31, 2012
Net assets available for benefits per financial statements	\$ 36,707,503	\$ 31,094,266

Net assets available for benefits per Form 5500	\$ 36,715,272	\$ 31,137,215

(9) Subsequent Event

Effective January 1, 2014, the Plan was amended for the following provisions: (i) a participant's service with other entities acquired by the Employer as a result of an asset or stock acquisition, merger, or similar transaction, as described in the Plan, will be recognized for eligibility purposes and for vesting of the Employer's matching contributions, (ii) in the event of a Plan merger in connection with an acquisition by the Employer as a result of an asset or stock acquisition, merger, or similar transaction, or in the event of a trustee-to-trustee transfer or rollover of plan assets from a qualified retirement plan maintained by an entity acquired by the Employer as a result of an asset or stock acquisition, merger, or similar transaction, then, the Trustee may accept an in-kind transfer or rollover of an existing participant loan, provided that the loan conforms to the terms of the plan from which it was extended and is not then in default; any such loan will be treated as a self-directed investment of the participant and will be administered in accordance with its original terms and conditions, without extension or modification.
