INFORMATION STATEMENT
IN LIEU OF
2010 ANNUAL MEETING OF STOCKHOLDERS
OF BIOLARGO, INC.

NO VOTE OR OTHER ACTION OF THE COMPANY'S STOCKHOLDERS IS REQUIRED IN
CONNECTION WITH THIS INFORMATION STATEMENT

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED
NOT TO SEND US A PROXY

We are distributing this Information Statement (the "Information Statement") to our stockholders in full satisfaction of any notice requirements the Company may have under Securities and Exchange Act of 1934, as amended, and applicable Delaware law. No additional action will be undertaken by the Company with respect to the receipt of written consents, and no dissenters' rights with respect to the receipt of the written consents, and no dissenters' rights under the Delaware General Corporation Law, are afforded to the Company's stockholders as a result of the adoption of the resolutions contemplated herein.

The Information Statement is being mailed or made available on our corporate website, www.biolargo.com, on or about April 30, 2010 to the holders of record at the close of business on April 13, 2010 (the "Record Date"), of the common stock of BioLargo, Inc., a Delaware corporation (the "Company"), in connection with action by written consent in lieu of an annual meeting to elect directors to the Board of Directors (the "Board").

The vote required to elect directors is the affirmative vote of the holders of a majority of the Company's common stock. Each holder of common stock is entitled to one vote for each share of common stock held. The date for purposes of determining the number of outstanding shares of common stock and for determining stockholders entitled to vote is the close of business on the Record Date. As of the Record Date the Company had outstanding 43,510,642 shares of common stock.

Members of the Board who collectively own or have voting authority for an aggregate 25,801,092 shares of the Company's outstanding common stock (the "Consenting Stockholders") intend to vote in favor of each of management's nominees for directors. These stockholdings represent approximately 59.3% of the total outstanding common stock of the Company as of the Record Date, which will be sufficient to take the proposed action to elect the directors. Even though the Consenting Stockholders are themselves the nominees for directorship, they have the authority under Delaware law to vote in favor of themselves and to elect the nominees to the Board. The Company does not intend to solicit any proxies or consents from any other stockholders in connection with this action.

Section 141(f) of the Delaware General Corporation Law (the "Delaware Law") provides that any action which may be taken at any annual or special meeting of stockholders may be taken without a meeting and without prior notice if a consent in writing setting forth the action taken is signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to take such action. In order to eliminate the costs and management time involved in obtaining proxies and in order to effect the above actions as early as possible in order to accomplish the purposes hereafter described, the Board voted to utilize, and has obtained, the written consent of the Consenting Stockholders who own shares representing a majority of our common stock. The resolutions adopted in that written consent will not become effective before the date which is 20 days after this Information Statement is first mailed to stockholders. You are urged to read this Information Statement in its entirety for a description of the action taken by the Consenting Stockholders.

Pursuant to Section 228(c) of the Delaware Law, we are required to provide prompt notice of the taking of the corporate action without a meeting to the stockholders of record who have not consented in writing to such action. This Information Statement is intended to provide such notice. No dissenters' or appraisal rights under the Delaware Law are afforded to the Company's stockholders as a result of the approval of the resolutions.

This Information Statement is being distributed pursuant to the requirements of Section 14(c) of the Securities Exchange Act of 1934, as amended (the "Exchange Act").

The entire cost of furnishing this Information Statement will be borne by the Company. We will request brokerage houses, nominees, custodians, fiduciaries and other like parties to forward this Information Statement to the beneficial owners of our common stock held of record by them and will reimburse such persons for their reasonable charges and expenses in connection therewith.

Our Annual Report for the year ended December 31, 2009, on Form 10-K (the "10-K") is being mailed or made available on the Internet to stockholders concurrently with this Information Statement. The 10-K is not to be regarded as proxy soliciting material or as a communication by means of which any solicitation of proxies is to be made.

ELECTION OF DIRECTORS

Composition of Board of Directors

Our bylaws provide that the Board shall consist of not less than two and not more than seven directors. The Board currently consists of five members. The Board has fixed the size of the Board to be elected in 2010 at five members. There are no family relationships among any of our current directors, the nominees for directors and our executive officers.

The Consenting Stockholders, consisting of (i) Kenneth Reay Code, who collectively beneficially owns more than a sufficient number of votes to cause the election of the entire Board himself and (ii) other members of the Board, intend to vote all shares of their common stock beneficially owned by them FOR the election of the nominees listed below. These nominees have been selected by the Board. All of the nominees are currently members of the Board. If elected, each nominee will serve until the annual meeting of stockholders to be held in 2011 (or action by written consent of stockholders in lieu thereof) or until his successor has been duly elected and qualified.

In the event that a nominee is unable or declines to serve as a director at the time of the Annual Meeting, the present Board will fill any such vacancy. In the event that additional persons are nominated for election as directors, the Consenting Stockholders intend to vote all of their shares for the nominees listed below and against any such additional nominees. As of the date of this Information Statement, the Board is not aware of any nominee who is unable or will decline to serve as a director.

The Board does not have a Nominating/Corporate Governance Committee primarily because capital constraints, the Company's early operational state and the size of the current Board make constituting and administering such a committee excessively burdensome and costly. With respect to the nominees for election in 2010, every director of the Company participated in the decisions relating to the nomination of directors.

Any changes to these documents and any waivers granted with respect to our code of ethics will be posted at www.biolargo.com. In addition, we will provide a copy of any of these documents without charge to any stockholder upon written request made to Corporate Secretary, BioLargo, Inc., 16333 Phoebe Avenue, La Mirada, California 90638. The information at www.biolargo.com is not, and shall not be deemed to be, a part of this proxy statement or incorporated by reference into this or any other filing we make with the Securities and Exchange Commission (“SEC”).

Director Independence

The Board has determined that each of Messrs. Cox and Marshall is independent as defined under NASDAQ Marketplace rules. The Board has determined that none of Messrs. Calvert, Code or Provenzano is independent as defined under NASDAQ Marketplace rules. None of Messrs. Calvert, Code or Provenzano serves on any committees of the Board.

Meetings of the Board

The Board held three meetings and acted by written consent six times during 2009. Each of the incumbent directors attended all of the meetings of the Board and committees on which the director served in 2009. Each of our directors is encouraged to attend our annual meeting of Stockholders, when these are held, and to be available to answer any questions posed by stockholders to such director.

Communications with the Board

The following procedures have been established by the Board in order to facilitate communications between our stockholders and the Board:

- Stockholders may send correspondence, which should indicate that the sender is a stockholder, to the Board or to any individual director, by mail to Corporate Secretary, BioLargo, Inc., 16333 Phoebe Avenue, La Mirada, California 90638.
- Our Corporate Secretary will be responsible for the first review and logging of this correspondence and will forward the communication to the director or directors to whom it is addressed unless it is a type of correspondence which the Board has identified as correspondence which may be retained in our files and not sent to directors. The Board has authorized the Corporate Secretary to retain and not send to directors communications that: (a) are advertising or promotional in nature (offering goods or services), (b) solely relate to complaints by clients with respect to ordinary course of business customer service and satisfaction issues or (c) clearly are unrelated to our business, industry, management or Board or committee matters. These types of communications will be logged and filed but not circulated to directors. Except as set forth in the preceding sentence, the Corporate Secretary will not screen communications sent to directors.
-

The log of stockholder correspondence will be available to members of the Board for inspection. At least once each year, the Corporate Secretary will provide to the Board a summary of the communications received from stockholders, including the communications not sent to directors in accordance with the procedures set forth above.

Our stockholders may also communicate directly with the non-management directors as a group, by mail addressed to Dennis E. Marshall, c/o Corporate Secretary, BioLargo, Inc., 16333 Phoebe Avenue, La Mirada, California 90638.

Our Audit Committee has established procedures for the receipt, retention and treatment of complaints regarding questionable accounting, internal controls, and financial improprieties or auditing matters. Any of our employees may confidentially communicate concerns about any of these matters by mail addressed to Audit Committee, c/o Corporate Secretary, BioLargo, Inc., 16333 Phoebe Avenue, La Mirada, California 90638.

All of the reporting mechanisms are also posted on our corporate website, www.biolargo.com. Upon receipt of a complaint or concern, a determination will be made whether it pertains to accounting, internal controls or auditing matters and, if it does, it will be handled in accordance with the procedures established by the Audit Committee.

Committees of the Board of Directors

The Board has established an Audit Committee and a Compensation Committee.

The Audit Committee meets with management and our independent public accountants to review the adequacy of internal controls and other financial reporting matters. Dennis E. Marshall served as Chairman of the Audit Committee during 2009 and continues to serve in that capacity. Gary A. Cox also serves on the Audit Committee. The Board has determined that Mr. Marshall qualifies as an “audit committee financial expert” as defined in Item 401(h) of Regulation S-K of the Securities Exchange Act of 1934, as amended. The Audit Committee met five times during 2009.

The Compensation Committee reviews the compensation for all of our officers and directors and affiliates. The Committee also administers our equity incentive option plan. Mr. Marshall served as Chairman of the Compensation Committee during 2009 and continues to serve in that capacity. Mr. Cox also serves on the Compensation Committee. The Compensation Committee met three times during 2009.

The Board did not modify any action or recommendation made by the Compensation Committee with respect to executive compensation for the 2009 fiscal year. It is the opinion of the Compensation Committee that the executive compensation policies and plans provide the necessary total remuneration program to properly align their performance and the interests of our stockholders through the use of competitive and equitable executive compensation in a balanced and reasonable manner, for both the short and long term.

We do not have a Nominating/Corporate Governance Committee primarily because of capital constraints, our early operational state and the size of our current Board make constituting and administering such a committee excessively burdensome and costly. The traditional responsibilities of such a committee are handled by the Board as a whole. With respect to the nominees for election in 2010, each of our directors participated in the decisions relating to the nomination of directors.

The Board follows the written code of ethics that applies to its principal executive officers, principal financial officer, principal accounting officer or controller, or persons performing similar functions.

Compliance with Section 16(a) of the Exchange Act

Section 16(a) of the Securities Exchange Act of 1934 requires our directors, certain officers and persons holding 10% or more of the Company’s common stock to file reports regarding their ownership and regarding their acquisitions and dispositions of our common stock with the SEC. Such persons are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

To our knowledge, based solely upon review of Forms 3, 4, and 5 (and amendments thereto) and written representations provided to us by executive officers, directors and stockholders beneficially owning 10% or greater of the outstanding shares, we believe that such persons filed pursuant to the requirements of the SEC on a timely basis, except that (i) Mr. Calvert did not timely make one filing on Form 4 with respect to an option to purchase common stock granted to him pursuant to the stock option plan approved by our stockholders in 2007 (the “2007 Plan”; see “Equity Compensation Plans – 2007 Equity Incentive Plan” below); (ii) New Millennium Capital Partners, LLC did not timely make one filing on Form 4 with respect to an option to purchase common stock; (iii) Mr. Cox did not timely

make two filings on Form 4 with respect to an option to purchase common stock granted to him pursuant to the 2007 Plan; and (iv) Mr. Marshall did not timely make one filing on Form 4 with respect to an option to purchase common stock granted to him pursuant to the 2007 Plan.

Prior to the filing of this Information Statement, Mr. Calvert, New Millennium Capital Partners, Mr. Cox and Mr. Marshall have made filings on Form 4 to report these transactions.

The Code Employment Agreement has a term of five years, unless earlier terminated in accordance with its terms.

The Code Employment Agreement also provides that Mr. Code’s employment may be terminated by the Company due to disability, for cause or without cause. “Disability” as used in the Employment Agreement means physical or mental incapacity or illness rendering Mr. Code unable to perform his duties on a long-term basis (i) as evidenced by his failure or inability to perform his duties for a total of 120 days in any 360 day period, or (ii) as determined by an independent and licensed physician whom Company selects, or (iii) as determined without recourse by the Company’s disability insurance carrier. If Mr. Code’s employment is terminated for cause he will be eligible to receive his accrued base compensation and vacation compensation through the date of termination. If Mr. Code’s employment is terminated without cause, then he will be eligible to receive the greater of (i) one year’s compensation plus an additional one half year for each year of service since the effective date of the employment agreement or (ii) one year’s compensation plus an additional one half year for each year remaining in the term of the agreement.

The Code Employment Agreement requires Mr. Code to keep certain information confidential, not to solicit customers or employees of the Company or interfere with any business relationship of the Company, and to assign all inventions made or created during the term of the Code Employment Agreement as “work made for hire”.

In connection with the closing of the acquisition of the BioLargo technology and the execution of the Code Employment Agreement, Mr. Code was also elected to the Board of both BioLargo and our wholly-owned subsidiary, BioLargo Life Technologies, Inc. (“BLTI”).

Charles K. Dargan II

On February 1, 2008, we engaged Charles K. Dargan, II to serve as our Chief Financial Officer for a term of one year, subject to earlier termination on 30 days’ notice, and simultaneously Dennis P. Calvert resigned as our Chief Financial Officer. Mr. Calvert continued to serve as our Chief Executive Officer, President and a director. During the term of the agreement, Mr. Dargan will receive a fee of \$4,000 per month, which amount will be increased to \$8,000 or more in months during which we file our periodic reports with the Securities and Exchange Commission.

In addition to the cash compensation specified above, the agreement calls for Mr. Dargan to be issued stock options over the term, as follows:

- an option to purchase 50,000 shares of our common stock, granted on February 1, 2008, at an exercise price equal to the closing price of a share of our common stock on the grant date, such option to vest in full 90 days after grant; and

- options to purchase 10,000 shares of our common stock, each such option to be granted on the last day of each month commencing April 2009 and ending January 2010, provided that this Agreement has not been terminated prior to each such grant date, at an exercise price equal to the closing price of a share of our common stock on each grant date, each such option to be fully vested upon grant.

Mr. Dargan will be reimbursed for business expenses he incurs in connection with the performance of his services as our Chief Financial Officer. The agreement with Mr. Dargan also contains provisions regarding indemnification and arbitration of disputes.

The one year agreement was mutually extended on the same terms for a one-year period to end January 31, 2010. On February 1, 2010, Mr. Dargan’s agreement was further extended for a one-year period effective February 1, 2010 (the “Extended Term”). During the Extended Term, Mr. Dargan will continue to receive a fee of \$4,000 per month, which amount will be increased to \$8,000 in months during which the Company files its periodic quarterly and annual financial reports with the Securities and Exchange Commission.

In addition to the cash compensation specified above, Mr. Dargan will be issued stock options over the Extended Term. Each option will allow Mr. Dargan to purchase 10,000 shares of the Company’s common stock, and will be granted on the last business day of each month commencing February 2010 and ending January 2010, provided that his agreement has not been terminated prior to each such grant date, at an exercise price equal to the closing price of a share of the Company’s common stock on each grant date, each such option to be fully vested upon grant.

Director Compensation

Each director who is not an officer or employee of the Company receives an annual retainer of \$40,000, paid in cash or shares of our common stock, in our sole discretion. In addition, the chairman of each board committee receives an additional \$10,000, paid in cash or shares of common stock, in our sole discretion.

During 2009, we made aggregate payments to Mr. Marshall of \$60,000, consisting of (i) an issuance of 16,948 shares of our common stock, issued at a conversion price of \$0.59 per share, the stock price at the date of grant, and (ii) an issuance of an option to purchase 150,000 shares of common stock at \$0.50 per share. Equity Compensation Plans

On August 7, 2007, our Board adopted the BioLargo, Inc. 2007 Equity Incentive Plan (“2007 Plan”) as a means of providing our directors, key employees and consultants additional incentive to provide services. Both stock options and stock grants may be made under this plan. The Compensation Committee administers this plan. The plan allows grants of common shares or options to purchase common shares. As plan administrator, the Compensation Committee has sole discretion to set the price of the options. The Compensation Committee may at any time amend or terminate the plan.

Under this plan, 6,000,000 shares of our common stock are reserved for issuance under awards. Any shares that are represented by awards under the 2007 Plan that are forfeited, expire, or are canceled or settled in cash without delivery of shares, or that are forfeited back to us or reacquired by us after delivery for any reason, or that are tendered to us or withheld to pay the exercise price or related tax withholding obligations in connection with any award under the 2007 Plan, will again be available for awards under the 2007 Plan. Only shares actually issued under the 2007 Plan will reduce the share reserve. If we acquire another entity through a merger or similar transaction and issue replacement awards under the 2007 Plan to employees, officers and directors of the acquired entity, those awards, to the extent permitted under applicable laws and securities exchange rules, will not reduce the number of shares reserved for the 2007 Plan.

The 2007 Plan imposes additional maximum limitations, which limitations will be adjusted to take into account stock splits, reverse stock splits and other similar occurrences. The maximum number of shares that may be issued in connection with incentive stock options granted to any one person in any calendar year intended to qualify under Internal Revenue Code Section 422 is 160,000 shares. The maximum number of shares that may be subject to stock options or stock appreciation rights granted to any one person in any calendar year is 200,000 shares, except that this limit is 400,000 shares if the grant is made in the year of the recipient’s initial employment. The maximum number of shares that may be subject to restricted stock or restricted stock units granted to any one person in any calendar year is 200,000 shares. The maximum number shares that may be subject to awards granted to any one Participant in any calendar year of (i) performance shares, and/or performance units (the value of which is based on the Fair Market Value of a Shares), is 200,000 Shares; and (ii) of performance units (the value of which is not based on the Fair Market Value of a Share) that could result a payment of more than \$500,000.

- (1) Mr. Calvert was granted an option to purchase 7,733,259 shares of our common stock pursuant to his employment agreement entered into on April 30, 2007. The options granted to Mr. Calvert vest over three years in equal amounts on the anniversary of the option grant date.
 - (2) The option exercise price of \$0.18 was below the \$0.37 closing price of our common stock on the date of the employment agreement. In arriving at the option price, the Compensation Committee of our Board (the "Compensation Committee") determined the pricing was appropriate based on a number of factors, including (i) that the initial tranche of options does not vest until one year of the date of grant, (ii) with the quantity of the shares that would be issued, a block of shares that size could not be liquidated without affecting the market price of the shares, and (iii) the shares would be "restricted shares" and thereafter would be subject to the volume and manner of sale limitations applicable to affiliates under Rule 144 under the Securities Act of 1933.
 - (3) On December 28, 2007, the Compensation Committee granted options to Messrs. Calvert and Code under the 2007 Plan, which options vest over three years in equal amounts on the anniversary of the option grant date.
 - (4) On April 27, 2009, in an effort to preserve cash and reduce outstanding payables to third parties, officers and board members, the Board offered an option to purchase common stock in lieu of cash payment to reduce amounts owed. The options may be exercised at \$0.50 cents a share, an amount which was 20 cents a share above the 30 cents per share closing price of the Company's common stock on April 27, 2009, would be issued pursuant to the 2007 Plan, and would expire April 27, 2012. The number of shares of common stock purchasable pursuant to the option would be equal to three times the dollar amount reduced. Mr. Calvert and Mr. Code reduced the outstanding amount owed to each by \$20,000, and in exchange each received options to purchase 60,000 shares of common stock. The options issued to Messrs. Calvert and Code are exercisable at \$0.55 per share, which is ten percent above the exercise price, per the terms of the 2007 Plan. Mr. Dargan, our Chief Financial Officer, reduced the outstanding amount owed to him by \$12,000, and in exchange received an option to purchase 36,000 shares of common stock at \$0.50 per share.
 - (5) On April 27, 2009, New Millennium agreed to accept as payment of \$230,658 of the outstanding \$380,658 in accrued but unpaid interest an option to purchase 691,974 shares of our common stock, exercisable at \$0.55 cents per share. This option will expire April 24, 2012. New Millennium further agreed to extend the due date for the remaining \$150,000 unpaid interest to April 30, 2010.
 - (6) In connection with the engagement agreement with our Chief Financial Officer, Charles K. Dargan II, we issued options to purchase common stock which are fully vested and expire ten years from the date of issuance.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Transactions with Dennis Calvert and New Millennium Capital Partners, LLC

On April 13, 2007, New Millennium Capital Partners LLC (“New Millennium”), a limited liability company controlled and owned in part by the Company’s CEO and president, Dennis P. Calvert, converted a promissory note (the “Note”) in principal amount of \$900,000 into 1,636,364 shares of our common stock, at a price of \$0.55 per share, which was the last bid price on the date of conversion. Accrued but unpaid interest in the amount of \$380,658 as of the conversion date of April 13, 2007 remained outstanding on the Note, which amount was due to be paid on January 15, 2008. We did not make such payment on such date. On November 12, 2008, we and New Millennium agreed to extend the date on which interest would be paid to April 30, 2009. On April 27, 2009, New Millennium agreed to accept as payment of \$230,658 of the outstanding \$380,658 in accrued but unpaid interest an option to purchase 691,974 shares of our common stock, exercisable at \$0.55 cents per share. This option will expire April 24, 2012. New Millennium further agreed to extend the due date for the remaining \$150,000 unpaid interest to April 30, 2010, which date has been further extended to October 31, 2010.

Retirement of a Portion of Board of Director and Officer Payables

On April 27, 2009, in an effort to preserve cash and reduce outstanding payables to third parties, officers and board members, the Board offered an option to purchase common stock in lieu of cash payment to reduce amounts owed. The options may be exercised at \$0.50 cents a share, an amount which was 20 cents a share above the 30 cents per share closing price of the Company’s common stock on April 27, 2009, would be issued pursuant to the 2007 Plan, and would expire April 27, 2012. The number of shares of common stock purchasable pursuant to the option would be equal to three times the dollar amount reduced by the particular optionee.

Each member of the Board opted to reduce outstanding accrued and unpaid compensation pursuant to the terms set by the Board and offered to third parties to whom the Company owed money. Messrs. Calvert and Code reduced the outstanding amount owed to each by \$20,000, and in exchange each received options to purchase 60,000 shares of common stock. The options issued to Messrs. Calvert and Code were exercisable at \$0.55 per share, which is ten percent above the exercise price, per the terms of the 2007 Plan. Mr. Provenzano reduced the outstanding amount owed to him by \$10,000, and in exchange received an option to purchase 30,000 shares of common stock at \$0.50 per share. In addition to these Board members, our Chief Financial Officer reduced the outstanding amount owed to him by \$12,000, and in exchange received an option to purchase 36,000 shares of common stock at \$0.50 per share.

PRINCIPAL ACCOUNTANT FEES AND SERVICES

The following table summarizes the fees billed by Jeffrey S. Gilbert, our principal accountant, for professional services rendered to the Company and its subsidiaries during 2008 and 2009:

| Type of Fee | Amount Billed and Paid | |
|------------------|------------------------|---------------------|
| | Fiscal Year 2008 | Fiscal Year 2009 |
| Audit Fees(1) | \$ 64,075 | \$ 54,300 |
| Audit-Related(2) | 1,650 | |
| Total | \$ 65,725 | \$ 54,300 |

(1) This category consists of fees for the audit of our annual financial statements included in our annual report on Form 10-K and review of the financial statements included in the Company's quarterly reports on Form 10-Q. This category also includes advice on audit and accounting matters that arose during, or as a result of, the audit or the review of interim financial statements, statutory audits required by non-U.S. jurisdictions and the preparation of an annual "management letter" on internal control matters.

(2) Represents services that are normally provided by the independent auditors in connection with statutory and regulatory filings or engagements for those fiscal years, aggregate fees charged for assurance and related services that are reasonably related to the performance of the audit and are not reported as audit fees. REPORT OF COMPENSATION COMMITTEE

The following Report of the Compensation Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any of our other filings under the Securities Act of 1933, as amended (the "Securities Act"), or the Exchange Act, except to the extent that we specifically incorporate this report. The Compensation Committee has furnished this report on executive compensation for the 2009 fiscal year.

Compensation Program and Philosophy

The Compensation Committee administers the Company's executive compensation program. The Compensation Committee has the authority to review and determine the salaries and bonuses of the executive officers of the Company, including the Chief Executive Officer and the other Named Executive Officers, and to establish the general compensation policies for such individuals. The Compensation Committee also has the sole and exclusive authority to make discretionary option grants to all of the Company's employees under the Company's equity incentive plans.

The Compensation Committee operates under a written charter. The duties and responsibilities of a member of the Compensation Committee are in addition to his or her duties as a member of the Board. The charter reflects these various responsibilities, and the Committee is charged with periodically reviewing the charter. The Committee's membership is determined by the Board and is composed entirely of independent directors. In addition, the Committee has the authority to engage the services of outside advisors, experts and others, including independent compensation consultants who do not advise the Company, to assist the Committee. Mr. Marshall has served as Chairman of the Compensation Committee since April 28, 2006. Mr. Cox also serves on the Compensation Committee. The Compensation Committee met once and acted by written consent once during 2008.

The Compensation Committee believes that the compensation programs for the Company's executive officers should reflect the Company's performance, support the short- and long-term strategic goals and values of the Company, reward individual contribution to the Company's success and align the interests of the Company's executive officers with the interests of the Company's stockholders. The Company is engaged in a very competitive industry, and the Company's success depends upon its ability to attract and retain qualified executives through the competitive compensation packages it offers to such individuals. To that end, it is the view of the Board that the total compensation program for executive officers should consist of all or most of the following components:

- base salary
- bonus
- equity-based compensation

The Committee does not rely solely on predetermined formulas or a limited set of criteria when it evaluates the performance of the Company's chief executive officer and the Company's other executive officers. Typically, our Chief Executive Officer makes compensation recommendations to the Committee with respect to the compensation of our officers, and the Committee may accept or adjust such recommendations in its discretion. In 2009, the Committee considered management's continuing achievement of its short- and long-term goals versus its strategic imperatives. The principal factors that were taken into account in establishing each executive officer's compensation package for the 2009 fiscal year are described below. However, the Compensation Committee may in its discretion apply entirely different factors, such as different measures of financial performance, for future fiscal years. Moreover, all of the Company's Named Executive Officers have entered into employment agreements or arrangements with the Company, and many components of each such person's compensation are set by such agreement or arrangement.

Chief Executive Officer Compensation

On April 30, 2007, the Company entered into an employment agreement with Mr. Calvert, pursuant to which, throughout 2009, Mr. Calvert served as the President and Chief Executive Officer. No modifications to Mr. Calvert's employment agreement were made in 2009. Other provisions of Mr. Calvert's Employment Agreement are discussed elsewhere in this Information Statement. See "EXECUTIVE COMPENSATION – Employment Agreements – Dennis P. Calvert" above.

Chief Technology Officer Compensation

On April 30, 2007, the Company entered an employment agreement with Mr. Code, pursuant to which, throughout 2009, Mr. Code served as the Company's Chief Technology Officer. Other provisions of Mr. Code's employment agreement are discussed elsewhere in this Information Statement. See "EXECUTIVE COMPENSATION – Employment Agreements – Kenneth R. Code" above.

Other Executive Compensation

On February 1, 2008, the Company entered into an agreement with Mr. Dargan, pursuant to which, throughout 2009, Mr. Dargan served as the Company's Chief Financial Officer. Other provisions of Mr. Dargan's agreement are discussed elsewhere in this Information Statement. See "EXECUTIVE COMPENSATION – Employment Agreements – Charles K. Dargan, II" above.

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code disallows a tax deduction to publicly-held companies for compensation paid to certain of their executive officers, to the extent that compensation exceeds \$1 million per covered officer in any fiscal year. The limitation applies only to compensation which is not considered to be performance based. Non-performance based compensation paid to the Company's executive officers for the 2008 fiscal year did not exceed the \$1 million limit per officer, and the Compensation Committee does not anticipate that the non-performance based compensation to be paid to the Company's executive officers for the 2009 fiscal year will exceed that limit. Because it is unlikely that the cash non-performance based compensation payable to any of the Company's executive officers in the foreseeable future will approach the \$1 million limit, the Compensation Committee has decided at this time not to take any action to limit or restructure the elements of cash compensation payable to the Company's executive officers. The Compensation Committee will reconsider this decision should the individual cash non-performance based compensation of any executive officer ever approach the \$1 million level.

REPORT OF AUDIT COMMITTEE

The following report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any of our other filings under the Securities Act or the Exchange Act, except to the extent that we specifically incorporate this report by reference therein, and shall not be deemed to be soliciting material or otherwise deemed filed under either such Act.

The Audit Committee is currently comprised of two independent directors, both of whom are independent under the rules of the SEC and Nasdaq. Mr. Marshall serves as Chairman of the Audit Committee. Mr. Cox also serves on the Audit Committee. The Board has determined that Mr. Marshall qualifies as an “audit committee financial expert” as defined in Item 401(h) of Regulation S-K of the Securities Exchange Act of 1934, as amended. The duties and responsibilities of a member of the Audit Committee are in addition to his or her duties as a member of the Board. The Audit Committee operates under a written charter, a copy of which is available on our corporate website, www.biolargo.com. The Audit Committee met five times during 2009.

The Audit Committee’s primary duties and responsibilities are to:

- engage the Company’s independent auditor,
- monitor the independent auditor’s independence, qualifications and performance,
- pre-approve all audit and non-audit services,
- monitor the integrity of the Company’s financial reporting process and internal control systems,
- provide an open avenue of communication among the independent auditor, financial and senior management of the Company and the Board, and
- monitor the Company’s compliance with legal and regulatory requirements, contingent liabilities, risk assessment and risk management.

Management is responsible for the Company’s internal controls and the financial reporting process. The Company’s independent auditor is responsible for performing an independent audit of the Company’s consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board and issuing a report thereon. The Audit Committee’s responsibility is to monitor and oversee these processes.

In carrying out these responsibilities, the Audit Committee monitored the scope and staffing of the Company’s internal management group that was previously established by the Company and held meetings with the Company’s internal auditor regarding the progress and completion of the implementation of the Company’s internal controls and the scope of their audit of such internal controls.

In overseeing the preparation of the Company’s financial statements, the Audit Committee held meetings with the Company’s internal auditor and independent auditors, both in the presence of management and privately, to review and discuss all financial statements prior to their issuance and to discuss the overall scope and plans for their respective audits, the evaluation of the Company’s internal controls and significant accounting issues. Management advised the Audit Committee that all financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee discussed the statements with both management and the Company’s independent auditors. In accordance with Section 204 of the Sarbanes-Oxley Act of 2002 and the Statement on Auditing Standards (“SAS”) No. 61 (Communication With Audit Committees) as amended by SAS No. 90

(Audit Committee Communications), the Audit Committee has discussed with the Company's independent auditors all matters required to be discussed under the Sarbanes-Oxley Act and the foregoing standards.

With respect to the Company's independent auditors, the Audit Committee, among other things, discussed with Jeffrey S. Gilbert matters relating to its independence, including the written disclosures made to the Audit Committee as required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The Audit Committee also reviewed and approved the audit and non-audit fees of Mr. Gilbert.

On the basis of these reviews and discussions, the Audit Committee (i) appointed Mr. Gilbert as the Company's independent registered public accounting firm for the 2010 fiscal year and (ii) recommended to the Board that the Board approve the inclusion of the Company's audited financial statements in the Form 10-K for the year ended December 31, 2009 for filing with the SEC.
