**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

Giga-tronics Incorporated (the “Company”) announced that on March 30, 2018, the Company granted or amended certain options in favor of John R. Regazzi, chief executive officer, and Lutz P. Henckels, acting chief financial officer. Both are also directors of the Company.

Mr. Regazzi had nonqualified options for 299,750 shares repriced from \$1.64, \$1.42 and \$1.65 per share to \$.33 per share, the closing market price on the effective date, and received a grant of 100,000 new options exercisable at \$.33 per shares. The new options vest at the rate of 25% after one year and 1/48 of the original grant each month thereafter, so all options are vested after four years. Vesting is automatically accelerated in case of a change in control in which his employment is terminated or terms of employment are adversely modified.

Mr. Henckels received a special grant of nonqualified options for 400,000 shares of common stock in consideration of his agreement to join management as an employee and officer. The exercise price is \$.33 per share and the vesting schedule is also 25% after one year and 1/48 of the original grant each month thereafter. Vesting is automatically accelerated in case of a change in control in which his employment is terminated or terms of employment are adversely modified. Mr. Henckels agreed to cancelation of options for 38,500 shares of common stock with exercise prices of \$1.53 to 1.84 per share.

On the same day the board awarded grants for options to acquire shares of common stock to other employees of the Company at the same exercise price and on the same vesting schedule other than the automatic acceleration provisions.
