MERGER PROPOSED—YOUR VOTE IS VERY IMPORTANT

Dear Northeast Bancorp Shareholder:

You are cordially invited to attend a special meeting of shareholders (the “special meeting”) of Northeast Bancorp (“Northeast Bancorp” or the “Company”) to be held on [MEETING DATE], at 10:00 a.m., Eastern time, at the offices of Goodwin Procter LLP located at 100 Northern Avenue, Boston, Massachusetts 02210. The special meeting is being held to approve the Agreement and Plan of Merger (the “plan of merger”) by and between Northeast Bancorp and its wholly-owned bank subsidiary, Northeast Bank (“Northeast Bank” or the “Bank”), as part of an internal corporate reorganization initiated by the Company and the Bank. Under the terms of the plan of merger, the Company will merge with and into the Bank (the “reorganization”), with the Bank continuing as the surviving entity. If the proposed reorganization is approved and effected, the bank holding company structure will be eliminated and the Bank will become the top-level company.

Pursuant to the plan of merger, each share of the Company’s voting common stock and non-voting common stock issued and outstanding immediately prior to the effective time of the reorganization will be converted into the right to receive one share of the Bank’s voting common stock and non-voting common stock, respectively. Following the reorganization, the separate corporate existence of the Company will cease and the share ownership of the Company immediately prior to the reorganization will become the share ownership of the Bank following the reorganization.

The Company’s board of directors unanimously recommends that holders of the Company’s voting common stock and holders of the Company’s non-voting common stock, who have special voting rights in connection with the plan of merger, vote “**FOR**” the approval of the plan of merger. Your vote is important. We hope that you will be able to attend the special meeting. Whether or not you plan to attend the special meeting, please vote as soon as possible. Instructions on how to vote are contained in the proxy statement/offering circular.

Thank you for your continued support of Northeast Bancorp and Northeast Bank.

Sincerely,

Richard Wayne
President and Chief Executive Officer

THE SECURITIES TO BE ISSUED IN CONNECTION WITH THE REORGANIZATION ARE NOT SAVINGS ACCOUNTS OR DEPOSITS OR OTHER OBLIGATIONS OF ANY BANK. THESE SECURITIES ARE NOT INSURED BY THE FEDERAL DEPOSIT INSURANCE CORPORATION OR ANY OTHER GOVERNMENTAL AGENCY AND ARE SUBJECT TO INVESTMENT RISK, INCLUDING THE POSSIBLE LOSS OF YOUR INVESTMENT.

THIS DOCUMENT CONSTITUTES PART OF AN OFFERING CIRCULAR COVERING SECURITIES THAT ARE EXEMPT FROM REGISTRATION UNDER THE SECURITIES ACT OF 1933, AS AMENDED, PURSUANT TO SECTION 3(a)(2) THEREOF. NONE OF THE SECURITIES AND EXCHANGE COMMISSION, THE FEDERAL DEPOSIT INSURANCE CORPORATION, THE MAINE BUREAU OF FINANCIAL INSTITUTIONS OR ANY OTHER FEDERAL OR STATE REGULATORY BODY HAS APPROVED OR DISAPPROVED OF THESE SECURITIES OR PASSED UPON THE ADEQUACY OR ACCURACY OF THIS PROXY STATEMENT/OFFERING CIRCULAR. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENSE.

NOTICE OF SPECIAL MEETING OF SHAREHOLDERS

TO BE HELD ON [], 2019

Dear Northeast Bancorp Shareholder:

NOTICE IS HEREBY GIVEN that a special meeting of the shareholders of Northeast Bancorp, a Maine corporation (the “Company”), will be held at the offices of Goodwin Procter LLP located at 100 Northern Avenue, Boston, Massachusetts 02210, on [MEETING DATE] at 10:00 a.m., Eastern time, for the following purpose:

To approve a proposal to approve the Agreement and Plan of Merger (the “plan of merger”) by and between Northeast Bancorp (the “Company”) and its wholly-owned bank subsidiary, Northeast Bank (the “Bank”) as part of an internal corporate reorganization initiated by the Company and the Bank, pursuant to which the Company will merge with and into the Bank, with the Bank continuing as the surviving entity, which is referred to as the “reorganization proposal.”

To consider and vote upon an adjournment of the special meeting, if necessary, to permit further solicitation of proxies if there are not sufficient votes at the special meeting to vote in favor of approval of the plan of merger, which is referred to as the “adjournment proposal.”

The Company will transact no other business at the special meeting, except for business properly brought before the special meeting or any adjournment or postponement thereof.

The two proposals are described in more detail in the accompanying proxy statement/offering circular, which you should read carefully in its entirety before voting. Only holders of the Company’s voting common stock, and holders of the Company’s non-voting common stock who have special voting rights in connection with the plan of merger, at the close of business on [RECORD DATE] are entitled to notice of and to vote at the special meeting or any

adjournments or postponements of the special meeting.

Your vote is very important. If you fail to vote, or you do not instruct your broker how to vote any shares held for you in “street name,” it will have same effect as voting “AGAINST” the reorganization proposal.

To ensure your representation at the special meeting, please complete, execute and promptly mail your proxy card in the return envelope enclosed. You may also vote by using the Internet or calling the toll-free number as further described in the enclosed proxy card. This will not prevent you from voting in person, but it will help to secure a quorum and avoid added solicitation costs.

Under Maine law, holders of non-voting common stock of the Company who do not vote in favor of the reorganization proposal will have the right to seek appraisal of the fair value of their Company non-voting common stock if the reorganization is completed, but only if they strictly comply with Maine law procedures explained in the attached proxy statement/offering circular. See the section of the attached proxy statement/offering circular titled “The Reorganization and Plan of Merger – Appraisal Rights” beginning on page 27.

The Company’s board of directors has adopted the plan of merger and recommends that you vote “**FOR**” the reorganization proposal and “**FOR**” the adjournment proposal.

By Order of the Board of Directors,

Suzanne M. Carney
Corporate Clerk

Lewiston, Maine

**PROXY STATEMENT FOR THE
SPECIAL MEETING OF SHAREHOLDERS
OF NORTHEAST BANCORP
TO BE HELD ON [MEETING DATE]**

**OFFERING CIRCULAR FOR
NORTHEAST BANK VOTING COMMON STOCK
AND
NORTHEAST BANK NON-VOTING COMMON STOCK**

Questions and Answers About the Reorganization and the Special Meeting

The following are answers to certain questions you may have regarding the plan of merger, the reorganization and the special meeting. We urge you to read carefully the remainder of this proxy statement/offering circular, including Appendix A, because the information in this section may not provide all the information that might be important to you in determining how to vote.

Q: What is the reorganization?

Northeast Bancorp (the “Company”) and its wholly-owned bank subsidiary, Northeast Bank (the “Bank”), have entered into an Agreement and Plan of Merger (the “plan of merger”) pursuant to which the Company will be merged with and into the Bank, with the Company’s separate corporate existence ceasing and the Bank continuing as the surviving entity, referred to herein as the “reorganization.” A copy of the plan of merger is attached as Appendix A to this proxy statement/offering circular. In order for us to complete the reorganization, we need the approval of the A: shareholders of the Company, approval of the Federal Deposit Insurance Corporation (the “FDIC”), and certain approvals or non-objections of the Maine Bureau of Financial Institutions (“MBFI”). Following the reorganization, it is expected that the shares of the Bank’s voting common stock will be traded on the NASDAQ Global Market (“NASDAQ”) under the same ticker symbol currently used by the Company, “NBN.” The Company’s non-voting common stock currently does not, and after the reorganization the Bank’s non-voting common stock will not, be traded or quoted on any securities exchange.

Q: What is the purpose of the reorganization?

A: The Company currently operates as the bank holding company of the Bank and conducts substantially all of its business through the Bank. The Company believes that the reorganization will further improve the combined entity’s efficiency by eliminating redundant corporate infrastructure and activities as well as the associated supervision and oversight of the Board of Governors of the Federal Reserve System (“FRB”) applicable to registered

bank holding companies. The Bank will continue to be regulated by the FDIC and MBFI. Effective June 2010, the Bank and the Company entered into certain commitments with the FRB. At the time the reorganization is effected and there is no longer a bank holding company, these commitments no longer will be applicable. The Bank instead intends to replace these commitments with standards relating to its capital levels and asset portfolio composition, which will be incorporated into its policies and procedures. These newly established standards are designed to help ensure the Bank will continue to operate in a safe and sound manner, and may permit more growth in the Bank's loan portfolio as compared to operating under the existing commitments.

Q: Why am I receiving this proxy statement/offering circular?

We are delivering this document to you because it is a proxy statement being used by the Company's board of directors to solicit proxies of the Company's shareholders in connection with the approval of the plan of merger. To facilitate approval of the plan of merger, the Company has called a special meeting of its shareholders, which we refer to as the "special meeting." This document serves as a proxy statement for the special meeting and describes the proposal to be presented at the special meeting.

This document also serves as the offering circular of the Bank with respect to the issuance of shares of the Bank's common stock to the Company's shareholders upon completion of the reorganization as more fully described herein.

Table of Contents

This proxy statement/offering circular contains important information about the reorganization proposal being voted on at the special meeting. You should read it carefully and in its entirety. The enclosed materials allow you to have your shares voted by proxy without having to attend the special meeting. Your vote is important. We encourage you to vote as soon as possible.

Q: What are the Company's shareholders being asked to vote on and why is this approval necessary? (page 19)

The Company's shareholders are being asked to approve a proposal to approve the plan of merger, which is referred to as the "reorganization proposal." Shareholder approval of the reorganization proposal is required for completion of the reorganization. Company shareholders are also being asked to approve the adjournment of the meeting, if necessary, to permit further solicitation of proxies if there are insufficient votes at the special meeting to vote in favor of the reorganization proposal, which is referred to as the "adjournment proposal." The Company will transact no other business at the special meeting, except for business properly brought before the special meeting or any adjournment or postponement thereof.

Q: What will the Company's shareholders receive in the reorganization? (page 21)

If the plan of merger is approved and the reorganization is subsequently completed, then, at the effective time of the reorganization, each share of the Company's voting common stock, par value \$1.00 per share ("Company Voting Common Stock"), outstanding immediately prior to the effective time of the reorganization will be automatically converted into the right to receive one share of the Bank's voting common stock ("Bank Voting Common Stock"); and each share of the Company's non-voting common stock, par value \$1.00 per share ("Company Non-Voting Common Stock"), outstanding immediately prior to the effective time of the reorganization will be automatically converted into the right to receive one share of the Bank's non-voting common stock, par value \$1.00 per share ("Bank Non-Voting Common Stock"). Each holder of certificates which represent shares of Company Voting Common Stock or Company Non-Voting Common Stock will be entitled to receive new certificates evidencing an equivalent number of shares of Bank Voting Common Stock or Bank Non-Voting Common Stock, as applicable. Any fraction of a share of Company Voting Common Stock or Company Non-Voting Common Stock will also be automatically converted into the right to receive the same fraction of a share of Bank Voting Common Stock and Bank Non-Voting Common Stock, respectively. Accordingly, following the completion of the reorganization, shares of Bank Voting Common Stock and Bank Non-Voting Common Stock will be owned directly by the Company's shareholders in the same proportion as their ownership of shares of Company Voting Common Stock and Company Non-Voting Common Stock, respectively, immediately prior to the reorganization.

For more information regarding the procedures by which you may obtain a certificate representing an equivalent number of shares of Bank Voting Common Stock or shares of Bank Non-Voting Common Stock in book-entry form, see "—Should I send in my stock certificates now?" and "The Reorganization and Plan of Merger—Effects of the Reorganization—Procedures to Receive Bank Common Stock."

Q:

Will the Bank assume the Company's restricted stock, performance share, stock option and other benefit plans? (page 22)

Yes. The Bank will assume and continue the Company's equity plan and will also assume all stock-based awards that were granted by the Company and that are outstanding under that plan. As a result, each of the Company's outstanding stock-based awards will be converted into similar stock-based awards that cover the same number of shares of the Bank's capital stock, and with the same terms and conditions, including the same vesting, exercisability and other restrictions, which will not be affected by the reorganization. In addition, the Bank will assume all of the Company's employee benefit plans, including retirement, health and welfare plans and fringe benefit arrangements for its employees.

Q: Will the Bank assume the Company's change in control obligations with its President and Chief Executive Officer? (page 22)

Yes. The Bank will assume the Company's change in control obligations under the agreement it has with Richard A: Wayne, President and Chief Executive Officer of the Company and the Bank, and Mr. Wayne will continue to be subject to the obligations and restrictive covenants included in the agreement.

Table of Contents

Q: Will the reorganization result in payments to its President and Chief Executive Officer? (page 22)

A: No. The reorganization is not a “change in control” as defined in its agreement with Mr. Wayne containing change in control obligations. No payments will be due under this agreement as a result of the reorganization.

Q: Will the Bank keep the same stock exchange listing as the Company? (page 29)

A: It is expected that, following the completion of the reorganization, the Bank Voting Common Stock will be listed on NASDAQ under the same ticker symbol currently used for Company Voting Common Stock, “NBN.”

Q: Will the Bank have the same management? (page 22)

A: After the reorganization, the Bank will have the same directors, with the same terms of service, as the Company had immediately prior to the reorganization. Officers of the Company immediately prior to the reorganization will hold the same positions and titles with the Bank following the reorganization.

Q: What are the material federal income tax consequences of the reorganization to the Company’s shareholders? (page 30)

A: The merger is intended to qualify, and the Company expects to receive a legal opinion from Goodwin Procter LLP, legal counsel to the Company and the Bank, to the effect that the reorganization will qualify as a reorganization within the meaning of Section 368 of the Internal Revenue Code of 1986, as amended (the “Code”). Provided the reorganization so qualifies, the Company’s shareholders generally will not recognize gain or loss with respect to the Bank Voting Common Stock or Bank Non-Voting Common Stock that they receive in the reorganization.

Please carefully review the information set forth in the section titled “Material Federal Income Tax Consequences of the Reorganization” beginning on page 30 for a description of the material federal income tax consequences of the reorganization. This tax treatment may not apply to all Company shareholders. We strongly urge you to consult your own tax advisor for a full understanding of the tax consequences of the reorganization to you, as the tax consequences will depend upon each shareholder’s own situation.

Q: What are the conditions to completion of the reorganization? (page 25)

A: The obligations of the Bank and the Company to complete the reorganization are subject to the satisfaction or waiver of certain closing conditions contained in the plan of merger, including the receipt of required regulatory approvals and the requisite approval by the Company’s shareholders.

Q: What Company shareholder approvals are required to complete the reorganization? (page 17)

The affirmative vote of the holders of at least a majority of the shares of Company Voting Common Stock and at least a majority of the shares of Company Non-Voting Common Stock, voting as separate classes, outstanding and entitled to vote at the special meeting is required to approve the reorganization proposal.

Q: Will I be entitled to dissenters' rights of appraisal? (page 27)

A: Holders of Company Voting Common Stock will not have appraisal or dissenters' rights. Holders of Company Non-Voting Common Stock will have appraisal or dissenters' rights.

Q: Are there any risks that shareholders should consider in deciding whether to vote for approval of the proposals? (page 12)

A: Yes. You should read and carefully consider the risk factors set forth in the section of this proxy statement/offering circular titled "Risk Factors" beginning on page 12 as well as the other information contained in or incorporated by reference into this proxy statement/offering circular, including the matters addressed in the section of this proxy statement/offering circular titled "Cautionary Note Regarding Forward Looking Statements" on page 15.

Table of Contents

Q. What is the difference between holding shares as a shareholder of record and as a beneficial owner of shares held in “street name”? (page 17)

A. If your shares of Company Voting Common Stock or Company Non-Voting Common Stock are in certificated form or are registered directly in your name with our transfer agent, Computershare, you are considered the shareholder of record with respect to those shares. As a shareholder of record, you may vote at the special meeting or vote by proxy by one of the methods described below. If your shares of Company Voting Common Stock are held in an account by a broker, bank or other nominee (the record holder of your shares), then you are the beneficial owner of shares held in “street name.” As the beneficial owner, you have the right to direct your record holder how to vote your shares of Company Voting Common Stock and the record holder is required to vote your shares of Company Voting Common Stock in accordance with your instructions.

Q. How may I vote my shares for the special meeting proposals presented in this proxy statement/offering circular? (page 17)

A. **Shares Held of Record:** Holders of record of Company Voting Common Stock and Company Non-Voting Common Stock may vote:

Over the Internet. You may vote online by going to the website of our tabulator, Computershare, at www.investorvote.com/NBN. Have your proxy card in hand when you access the website and follow the instructions to vote your shares. You must submit your Internet proxy before 3:00 a.m., Eastern Time, on [MEETING DATE], the day of the special meeting, for your proxy to be valid and your vote to count.

By Mail. You may vote by completing, signing, dating and returning the proxy card in the enclosed postage-paid envelope. Computershare must receive your mailed proxy before 3:00 a.m., Eastern Time, on [MEETING DATE], the day of the special meeting, for your proxy to be valid and your vote to count.

By Telephone. You may vote by telephone by calling **1-800-652-VOTE (8683)**. Have your proxy card in hand when you call and then follow the instructions to vote your shares. You must submit your telephonic proxy before 3:00 a.m., Eastern Time, on [MEETING DATE], the day of the special meeting, for your proxy to be valid and your vote to count.

Shares Held in Brokerage Accounts: If you hold your shares of Company Voting Common Stock in “street name” (by broker, bank, or other nominee) your broker, bank or other nominee **will not** automatically vote your shares unless you provide instructions to your broker, bank or other nominee on how to vote. It is important that you provide timely instruction to your broker, bank or other nominee to ensure that all of your shares are voted at the special meeting. You should follow the voter instruction form sent to you by your broker, bank or other nominee with this proxy statement/offering circular explaining how you can vote.

Q:

What if I fail to submit a proxy or to instruct my broker, bank or other nominee to vote my shares? (page 18)

A: If you fail to submit a proxy or to instruct your broker, bank or other nominee to vote your shares, your shares will not be voted. This will have the same effect as a vote against the reorganization proposal.

Q: Can I attend the special meeting and vote my shares in person? (page 17)

A: Yes. Although the Company's board of directors requests that you vote your shares by proxy by one of the methods described above in advance of the special meeting, all Company shareholders are invited to attend the special meeting. Shareholders of record on **[RECORD DATE]** may vote in person at the special meeting. If your shares are held by a broker, bank or other nominee, then you are not the holder of record and you must contact your broker, bank or other nominee who holds your shares to obtain a broker's proxy card and bring it with you to the special meeting, along with a bank or brokerage statement or a letter from your nominee evidencing your beneficial ownership of our stock and a form of personal identification. A broker's proxy is not the form of proxy enclosed with this proxy statement/offering circular.

Table of Contents

Q: Can I change my vote after I have submitted a proxy? (page 18)

Yes. If you do not hold your shares of Company Voting Common Stock or Company Non-Voting Common Stock A: in “street name,” there are three ways you can change your vote at any time after you have submitted your proxy and before your proxy is voted at the special meeting:

You may file a written revocation of the proxy with the Corporate Clerk of the Company, Suzanne Carney, 500 Canal Street, Lewiston, Maine 04240.

You may submit a new signed proxy card by mail bearing a later date, or by submitting a new vote over the Internet or by telephone (any earlier proxies will be revoked automatically); or

You may attend the special meeting and vote in person provided that you are the holder of record of your shares and have filed a written revocation of your grant of proxy with the Secretary of Company as indicated above.

If you hold your shares of Company Voting Common Stock in “street name” and have instructed a broker, bank or other nominee to vote your shares, you must follow the directions you receive from your broker, bank or other nominee to change your vote.

Q: What happens if I sell my shares after the record date but before the special meeting?

If you are a Company shareholder and you sell or otherwise transfer your shares of Company Voting Common A: Stock or Company Non-Voting Common Stock after the record date but before the date of the special meeting, you will retain your right to vote at the special meeting, but you will transfer the right to receive the Bank Voting Common Stock or Bank Non-Voting Common Stock to the person to whom you transferred your shares. In order to receive the Bank Voting Common Stock or Bank Non-Voting Common Stock, you must hold your shares through completion of the reorganization.

Q: What if I return a proxy card but do not make a specific choice regarding the reorganization proposal? (page 18)

Properly completed and returned proxies will be voted as instructed on the proxy card. If you are a shareholder of record and return the proxy card without marking a voting selection, your shares will be voted “**FOR**” the A: reorganization proposal and “**FOR**” the adjournment proposal. The board of directors is presently unaware of any other matter that may be presented for action at the special meeting. If any other matter does properly come before the special meeting, the board of directors intends that shares represented by properly submitted proxies will be voted, or not voted, by and at the discretion of the persons named as proxies on the proxy card.

Q: How does the Company’s board of directors recommend that shareholders vote at the special meeting? (page 20)

A: The Company’s board of directors unanimously recommends that shareholders vote “**FOR**” the reorganization proposal and “**FOR**” the adjournment proposal.

Q: What do I need to do now?

A: After you have carefully read this document, including Appendix A and any other documents to which this proxy statement/offering circular refers, indicate on your proxy card how you want your shares to be voted. Then date, sign and mail your proxy card in the enclosed prepaid return envelope as soon as possible. This will enable your shares to be represented and voted at the special meeting whether or not you attend.

Alternatively, you may vote through the Internet or by telephone. To submit a proxy to vote by Internet, access the website for Internet voting as printed on your proxy card. Please have your proxy card in hand. Internet proxy voting is available 24 hours per day until 3:00 a.m., Eastern time, on [MEETING DATE]. You will receive a series of instructions that will allow you to provide voting instructions to your proxy agents for your shares of Company Voting Common Stock or Company Non-Voting Common Stock. Q: Should I send in my stock certificates now? (page 22)

No, please do not send your stock certificates with your proxy card. After the completion of the reorganization, Computershare will mail transmittal materials and instructions (“Transmittal Materials”) to those record holders of Common Voting Common Stock and Company Non-Voting Common Stock whose shares are represented either in whole or in part by a stock certificate or certificates (each, a “Company Certificate”). The Transmittal Materials will describe how these record holders may submit to Computershare their Transmittal Materials and their Company Certificates. Company shareholders holding Company Certificates must deliver to Computershare properly completed and executed Transmittal Materials, including any Company Certificates, to receive a certificate

A: representing an equivalent number of shares of Bank Voting Common Stock or Bank Non-Voting Common Stock, as applicable, or to receive such shares in book-entry form. Upon the receipt of such properly completed and executed Transmittal Materials, including any Company Certificates, Computershare will issue to these record holders a certificate representing an equivalent number of shares of Bank Voting Common Stock or Bank Non-Voting Common Stock, as applicable, or will credit the accounts of these record holders with an equivalent number of shares of Bank Voting Common Stock or Bank Non-Voting Common Stock, as applicable, in book-entry form, as elected by record holders in their Transmittal Materials.

Record shareholders whose shares are held only in book-entry form will not receive Transmittal Materials from Computershare. The book-entry shares owned by these record holders will be automatically converted into an equivalent number of shares of Bank Voting Common Stock or Bank Non-Voting Common Stock, as applicable, in book-entry form, and their accounts will be credited accordingly.

Q: When do you expect the reorganization to be completed? (page 25)

The Company currently expects to complete the reorganization in the fourth fiscal quarter of 2019, assuming all of

A: the conditions to completion of the reorganization have been satisfied, although neither the Company nor the Bank can provide any assurances that the reorganization will close timely or at all.

Q: Will I be able to sell the shares that I receive in the reorganization? (page 29)

Yes. The shares of Bank Voting Common Stock and Bank Non-Voting Common Stock to be issued in the reorganization will not be registered under the Securities Act of 1933, as amended (the “Securities Act”), but they are exempt from the registration requirements under Section 3(a)(2) and Section 18 of the Securities Act and therefore

A: may be resold without restriction. However, directors and certain officers of the Bank will be subject to restrictions after the reorganization that may preclude them from trading at certain times. Following the reorganization, it is expected that shares of Bank Voting Common Stock will be traded on NASDAQ under the same ticker symbol currently used by the Company, “NBN.” The Company Non-Voting Common Stock currently does not, and after the reorganization the Bank Non-Voting Common Stock will not, be traded or quoted on any securities exchange.

Q:

**What will happen if the reorganization proposal is not approved by the shareholders at the special meeting?
(page 25)**

If the shareholders do not approve the reorganization proposal, but the adjournment proposal is approved, the Company may adjourn the meeting to permit further solicitation of proxies to approve the reorganization proposal. If the shareholders do not approve the adjournment proposal, or the Company is unable to solicit additional proxies to approve the reorganization proposal, the Company and the Bank will likely terminate the plan of merger. Under A: such circumstances, the Company expects that it would continue to operate in its current holding company structure, rather than in the simpler structure that is being proposed. In that case, the Company would likely continue to incur certain costs, such as administrative costs, that could potentially be avoided if the reorganization were completed and the structure simplified, and would remain subject to the regulatory commitments made to the FRB.

Q: Whom should I call with questions?

If you have any questions concerning the reorganization or this proxy statement/offering circular, please contact A: Richard Wayne, President and Chief Executive Officer, 207-786-3245 ext. 3203. If you would like additional copies of this proxy statement/offering circular, please contact the Corporate Clerk, Northeast Bancorp, 500 Canal Street, Lewiston, Maine 04240.

Summary

This summary highlights selected information included in this document and does not contain all of the information that may be important to you in deciding how to vote. You should read this entire proxy statement/offering circular, including Appendix A, and the other documents to which this document refers before you decide how to vote with respect to the plan of merger. Each item in this summary includes a page reference directing you to a more complete description of that item.

The Reorganization

In the reorganization, the Company will merge with and into the Bank, with the Bank continuing as the surviving entity. The terms and conditions of the reorganization are contained in the plan of merger, a copy of which is attached to this document as Appendix A. We encourage you to read that plan of merger carefully.

Parties to the Reorganization

Northeast Bancorp, a Maine corporation, is the holding company for Northeast Bank, a Maine-chartered bank organized in 1872 and headquartered in Lewiston, Maine. The Bank gathers retail deposits through the Community Banking Division's ten full-service branches in Maine and through its online deposit program, ableBanking; originates loans through the Community Banking Division; purchases and originates commercial loans on a nationwide basis through the Bank's Loan Acquisition and Servicing Group ("LASG"); and originates Small Business Administration and United States Department of Agriculture ("SBA") loans on a nationwide basis through the Bank's national SBA group ("SBA Division").

The Company is registered as a bank holding company under the Bank Holding Company Act of 1956, as amended, and its voting common stock is listed on NASDAQ under the symbol "NBN."

At December 31, 2018, the Company had total assets of \$1.2 billion, total deposits of \$985.6 million and total common shareholders' equity of \$148.5 million.

The Company and the Bank share a principal office located at 500 Canal Street, Lewiston, Maine 04240, and the telephone number at the principal office is (207) 786-3245.

Effects of the Reorganization (page 21)

Conversion of Company Common Stock into Right to Receive Bank Common Stock. If the reorganization proposal is approved and the reorganization is subsequently completed, at the effective time of the reorganization, each outstanding share of Company Voting Common Stock will be converted into the right to receive one validly issued, fully paid, and nonassessable share of Bank Voting Common Stock; each outstanding share of Company Non-Voting Common Stock will be converted into the right to receive one validly issued, fully paid, and nonassessable share of Bank Non-Voting Common Stock; and the holder of certificates which represent shares of Company Voting Common Stock or Company Non-Voting Common Stock will be entitled to receive new certificates evidencing an equivalent number of shares of Bank Voting Common Stock or Bank Non-Voting Common Stock, as applicable. Any fraction of a share of Company Voting Common Stock and Company Non-Voting Common Stock will also be automatically converted into the right to receive the same fraction of a share of Bank Voting Common Stock and Bank Non-Voting Common Stock, respectively. Accordingly, following the completion of the reorganization, shares of Bank Voting Common Stock and shares of Bank Non-Voting Common Stock will be owned directly by the Company's shareholders in the same proportion as their ownership of shares of Company Voting Common Stock and shares of Company Non-Voting Common Stock, respectively, immediately prior to the reorganization.

Procedures to Receive Bank Common Stock. After the completion of the reorganization, Computershare will mail Transmittal Materials to those shareholders of record whose shares are represented either in whole or in part by a Company Certificate or Company Certificates. The Transmittal Materials will describe how these record holders may submit to Computershare their Company Certificates. Company shareholders holding Company Certificates must deliver to Computershare properly completed and executed Transmittal Materials, including any Company Certificates, to receive a certificate representing an equivalent number of shares of Bank Voting Common Stock or shares of Bank Non-Voting Common Stock. Upon the receipt of such properly completed and executed Transmittal Materials, including any Company Certificates, Computershare will issue to these record holders a certificate representing an equivalent number of shares of Bank Voting Common Stock or Bank Non-Voting Common Stock, as applicable, or will credit the accounts of these record holders with an equivalent number of such shares in book-entry form, as elected by record holders in their Transmittal Materials.

Table of Contents

Record holders of Company Voting Common Stock or Company Non-Voting Common Stock whose shares are held only in book-entry form will not receive Transmittal Materials from Computershare. The book-entry shares owned by these record holders will be automatically converted into an equivalent number of shares of Bank Voting Common Stock or Bank Non-Voting Common Stock in book-entry form, and their accounts will be credited accordingly.

Assumption of Equity-Based Plans and Awards, and Employee Benefit Plans. The Bank will assume and continue the Company's equity plan and will also assume all stock-based awards that were granted by the Company and that are outstanding under that plan. As a result, each of the Company's outstanding stock-based awards will be converted into similar stock-based awards that cover the same number of shares of Bank Voting Common Stock, and with the same terms and conditions, including the same vesting, exercisability and other restrictions, which will not be affected by the reorganization. In addition, the Bank will assume all of the Company's employee benefit plans, including retirement, health and welfare plans and fringe benefit arrangements for its employees.

Assumption of Change in Control Obligations. The Bank will assume the Company's change in control obligations under its agreement with Richard Wayne, President and Chief Executive Officer, and Mr. Wayne will continue to be subject to the obligations and restrictive covenants included in the agreement. The reorganization is not a "change in control" under this agreement. No payments will be due under this agreement as a result of the reorganization.

Management and Operations After the Reorganization. After completion of the reorganization, the business of the Bank will remain unchanged. The Bank will continue to have the same directors, with the same terms of service, after the reorganization as the Company had immediately prior thereto. Officers of the Company immediately prior to the reorganization will hold the same positions and titles with the Bank following the reorganization, and it is expected that the employees of the Bank will continue in their respective capacities. The offices and other business premises of the Bank will likewise continue to be occupied by the Bank.

The Amended and Restated Articles of Incorporation and Amended and Restated Bylaws of the Bank will be substantially similar to the Amended and Restated Articles of Incorporation and Amended and Restated Bylaws of the Company as in effect immediately prior to the time of the reorganization. Immediately following the reorganization, the Bank will have the same outstanding capital stock with the same rights and privileges as the outstanding capital stock of the Company immediately prior to the reorganization. Immediately after the reorganization, the Bank will have substantially the same consolidated assets, liabilities and shareholders' equity as the Company.

After the reorganization, the Bank's board of directors will have the same corporate governance and oversight committees, including the Nominating and Corporate Governance Committee, the Audit Committee, the Compensation Committee, and the Risk Management Committee, as the Company's board of directors had immediately prior to the reorganization, including the same committee charters and committee chairmen as were in place prior to the reorganization.

Regulation of the Bank After the Reorganization. After completion of the reorganization, the Bank will continue to be subject to regulation by the MBFI and the FDIC. The Company is currently subject to regulation by the FRB. Following the reorganization, the Bank will not be subject to FRB regulation (except such regulations as are made applicable to the Bank by law and regulations of the FDIC). In addition, in June 2010, the Bank and the Company entered into certain commitments with the FRB. At the time the reorganization is effected and there is no longer a bank holding company, these commitments no longer will be deemed applicable. In connection with the reorganization, the Bank instead intends to replace these commitments with certain standards relating to its capital levels and asset portfolio composition, which would be incorporated into its policies and procedures. These newly established standards are designed to help ensure the Bank will continue to operate in a safe and sound manner, but may permit more growth in the Bank's loan portfolio as compared to operating under the existing commitments.

Table of Contents

Impact of Reorganization on Regulatory Capital and Operating Results. In connection with the proposed reorganization, subject to the non-objection of the FRB, the Company intends to redeem the \$16.5 million unpaid principal balance of junior subordinated debentures issued by the Company in connection with the issuance of trust preferred securities by its three Delaware statutory trust subsidiaries, and the Bank will assume the Company's obligations under the \$15.1 million unpaid principal balance of 6.75% Fixed-to-Floating Rate Subordinated Notes due July 1, 2026. As a result of these transactions, the Bank's Tier 1 and Total capital is expected to be reduced by approximately \$24.5 million and \$9.7 million, respectively. On a pro forma basis as of December 31, 2018 after giving effect to these transactions, the Bank's Tier 1 Capital to Total Risk Weighted Assets, Total Capital to Total Risk Weighted Assets, and Tier 1 Capital to Average Consolidated Assets ratios would have been 15.6%, 17.8%, and 12.0%, respectively, and the Bank will be considered "well capitalized" under all regulatory capital definitions. In addition, the redemption of the junior subordinated debentures is expected to result in a reduction in net income at the Company level of approximately \$5.1 million, after tax, during the quarter in which the redemption occurs, due to the write-off of the carrying value discount on the debentures that was recognized in connection with the merger of FHB Formation LLC with and into the Company in December 2010. See "The Reorganization and the Plan of Merger—Effects of the Reorganization—Impact of Reorganization on Regulatory Capital and Operating Results" on page 20.

Recommendation of the Company's Board of Directors (page 20)

After careful consideration, the Company's board of directors determined that the plan of merger and the transactions contemplated by the plan of merger, constituting the reorganization, are advisable and in the best interests of the Company and its shareholders and adopted the plan of merger. The Company's board of directors recommends that you vote "**FOR**" the reorganization proposal. For the factors considered by the Company's board of directors in reaching its decision to adopt the plan of merger, see "The Reorganization and Plan of Merger—Reasons for the Reorganization; Recommendation of the Company's Board of Directors" on page 20.

The board of directors also recommends that you vote for "**FOR**" the adjournment proposal.

Special Meeting of Shareholders (page 16)

The Company will hold a special meeting of its shareholders on [MEETING DATE], at 10:00 a.m., local time, at the offices of Goodwin Procter LLP located at 100 Northern Avenue, Boston, Massachusetts 02210. At the special meeting, shareholders will be asked to vote to approve the reorganization proposal and the adjournment proposal. Shareholder approval of the reorganization proposal is required to complete the reorganization. The Company will not transact any business at the special meeting other than to conduct a shareholder vote on the reorganizational proposal and adjournment proposal, except for business properly brought before the special meeting or any adjournment or postponement thereof.

You may vote at the special meeting if you owned shares of Company Voting Common Stock or Company Non-Voting Common Stock at the close of business on the record date, **[RECORD DATE]**. On that date, there were 8,229,922 shares of Company Voting Common Stock and 811,946 shares of Company Non-Voting Common Stock outstanding and entitled to vote at the special meeting. You may cast one vote for each share of Company Voting Common Stock and one vote for each share of Company Non-Voting Common Stock you owned on the record date.

Holders of at least a majority of the outstanding shares of each of (i) Company Voting Common Stock and (ii) Company Non-Voting Common Stock must be present, in person or by properly executed proxy, to constitute a quorum at the special meeting. Abstentions will be counted for the purpose of determining whether a quorum is present at the special meeting. Broker non-votes will not be counted for the purpose of determining whether a quorum is present at the special meeting. If a quorum of each of the Company Voting Common Stock and the Company Non-Voting Common Stock is present, the reorganization proposal will require the affirmative vote of holders of at least a majority of the outstanding shares of Company Voting Common Stock and at least a majority of the outstanding shares of Company Non-Voting Common Stock, voting as separate classes, entitled to vote at the special meeting. The adjournment proposal will require the affirmative vote of a majority of the votes cast by holders of Company Voting Common Stock at the special meeting. Holders of Company Non-Voting Common Stock are not being asked to vote on the adjournment proposal.

Even if you expect to attend the special meeting, the Company recommends that you promptly complete and return your proxy card in the enclosed return envelope or vote by Internet or telephone.

Table of Contents

Interests of Company Executive Officers and Directors in the Reorganization (page 25)

The executive officers and directors of the Company will hold the same offices with the Bank after the reorganization as they held with the Company prior to the reorganization, and will continue to be entitled to the same compensation and equity-based and other incentive awards as they were immediately prior to the reorganization. As such, other than their interests as Company shareholders, the executive officers and directors of the Company do not have any material interests in the reorganization.

Material United States Federal Income Tax Consequences of the Reorganization (page 30)

The Company and the Bank intend that the reorganization be treated as a reorganization under Section 368(a) of the Code, for United States federal income tax purposes. It is expected that, for United States federal income tax purposes, you generally will not recognize any gain or loss with respect to the conversion of your shares of Company Voting Common Stock or Company Non-Voting Common Stock to shares of Bank Voting Common Stock or Bank Non-Voting Common Stock in the reorganization.

You should read “Material United States Federal Income Tax Consequences of the Reorganization” on page 30 for a more complete discussion of the federal income tax consequences of the reorganization. Tax matters can be complicated and the tax consequences of the reorganization to you will depend on your particular tax situation and could vary from the general consequences described above. We strongly recommend that you consult your tax advisor to understand fully the tax consequences of the reorganization to you.

Regulatory Approvals Required for the Reorganization (page 26)

To complete the reorganization, the Bank must receive the prior approval of the FDIC. The application for approval of the reorganization was approved by the FDIC on March 7, 2019. The reorganization will also require the MBFI to approve or not object to certain steps in the reorganization, including the issuance of Bank Voting Common Stock and Bank Non-Voting Common Stock and the adoption of the Amended and Restated Articles of Incorporation of the Bank, and provide the MBFI with notice of the adoption of the Amended and Restated Bylaws of the Bank. In addition, the Company and the Bank will file articles of merger with the MBFI and the Maine Secretary of State, and the Company and the Bank will comply with any obligations to make filings with the SEC and the FDIC relating to the reorganization under the Exchange Act.

Conditions to the Reorganization (page 25)

Completion of the reorganization depends on a number of conditions being satisfied or waived, including the following:

• approval of the plan of merger by the Company's shareholders;

• all approvals and authorizations of, filings and registrations with, and notifications to, all governmental authorities required for the consummation of the reorganization, including the FDIC and the MBFI must have been obtained or made by the Company and the Bank, and must be in full force and effect and all waiting periods require by law must have been expired or been terminated;

• all required and advisable third-party consents and approvals must have been obtained;

• the shares of Bank Voting Common Stock must have been registered with the FDIC pursuant to the Exchange Act;

• the shares of Bank Voting Common Stock must have been authorized for listing on NASDAQ;

• the board of directors of the Company must have received evidence in form and substance reasonably satisfactory to it that holders of Company Voting Common Stock and Company Non-Voting Common Stock will not recognize gain or loss for United States federal income tax purposes as a result of the reorganization; and

• the completion of the reorganization must not be illegal or otherwise prohibited and no order, statute, law, regulation, judgment or restraining order preventing the completion of the reorganization shall be in effect.

Neither the Company nor the Bank can guarantee that the conditions to the reorganization will be satisfied or waived or that the reorganization will be completed in a timely manner or at all.

Table of Contents

Termination and Amendment of the Plan of Merger (page 25)

Pursuant to its terms, at any time prior to the completion of the reorganization, the plan of merger may be terminated and the reorganization abandoned for any reason by resolution of either of the Company's or the Bank's board of directors.

The plan of merger may be amended or modified at any time, whether before or after its approval by the Company's shareholders, by mutual agreement as authorized by the Company's and the Bank's boards of directors, except that, without prior Company shareholder approval, no amendment may be made after the special meeting that changes the amount or kind of shares the Company shareholders will receive under the plan of merger or that changes any of the other terms of plan of merger if the change would adversely affect such shareholders in any material respect.

Appraisal Rights (page 27)

The Company is a Maine corporation that is governed by the Maine Business Corporation Act (the "MBCA"). In accordance with Section 1303 of the MBCA, the holders of shares of Company Voting Common Stock are not entitled to appraisal or dissenters' or rights in connection with the reorganization, as such shares are listed on the NASDAQ.

Holders of shares of Company Non-Voting Common Stock who do not vote in favor of the reorganization proposal will have the right to seek appraisal of the fair value of their shares of Company Non-Voting Common Stock if the reorganization is completed, but only if they strictly comply with Maine law procedures explained in this proxy statement/offering circular. See "The Reorganization and Plan of Merger – Appraisal Rights" beginning on page 27.

Description of Bank Voting Common Stock and Bank Non-Voting Common Stock and Comparison of Shareholders' Rights (page 33)

The rights of Company shareholders who become Bank shareholders as a result of the reorganization will continue to be governed by Maine law. After the reorganization is completed, the Amended and Restated Articles of Incorporation and the Amended and Restated Bylaws of the Bank, rather than the existing Articles of Incorporation and existing Bylaws of the Company, will govern your rights as a Bank shareholder. The material differences between these organizational documents and the rights of shareholders of the Company and shareholders of the Bank, as well as a description of the Bank Voting Common Stock and Bank Non-Voting Common Stock to be issued in the reorganization, are set forth in more detail under the section "Description of Bank Capital Stock and Comparison of Shareholders' Rights" beginning on page 32.

Table of Contents

Risk Factors

By approving the reorganization, at the effective time, Company shareholders will receive Bank Voting Common Stock in exchange for their Company Voting Common Stock and will receive Bank Non-Voting Common Stock in exchange for their Company Non-Voting Common Stock. As a result, Company shareholders will be investing in Bank Voting Common Stock and Bank Non-Voting Common Stock. An investment in these securities in connection with the reorganization involves risks. The following risks and other information in this document should be carefully considered before deciding how to vote your shares. These risks may adversely affect the Bank's financial condition, results of operations or liquidity. Many of these risks are beyond the Bank's control, though efforts are made to manage those risks while optimizing financial results. These risks are not the only ones the Bank faces. Additional risks and uncertainties that the Bank is not aware of or that it currently deems immaterial may also materially and adversely affect its business and operation.

Because the operations of the Company are conducted through the Bank, the risks faced by the Bank are substantially the same as those faced by the Company.

For a description of such risks, see "Item 1A. Risk Factors" in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2018 which was filed with the SEC on September 13, 2018 and which is incorporated herein by reference. In addition, risks that are specific to the reorganization and/or the Bank are described below.

There is no assurance that the Bank will realize the anticipated benefits of the reorganization.

The Company and the Bank believe that the reorganization will improve the Bank's operating efficiency by eliminating redundant corporate infrastructure and activities, and eliminating a second level of supervision and oversight that comes with being a registered bank holding company. In addition, the regulatory commitments regarding capital levels, asset composition, and sources of funding to which the Company and the Bank have adhered since 2010 will be replaced by standards to be incorporated into our policies and procedures. These newly established standards are designed to help ensure the Bank would continue to operate in a safe and sound manner, but may permit more growth in the Bank's loan portfolio as compared to operating under the existing commitments. The Company and the Bank believe that these changes will result in an increase in loan capacity in future periods, as well as a decrease in the costs associated with holding excess cash. There is no assurance that these benefits will actually result from the reorganization. For more information, see "The Reorganization and Plan of Merger—Regulation of the Bank after the Reorganization" beginning on page 23.

The reorganization will result in a reduction of the Bank's regulatory capital ratios and affect its operating results.

In connection with the reorganization, the Company intends to redeem the \$16.5 million unpaid principal balance of junior subordinated debentures issued by the Company in connection with the issuance of trust preferred securities by its three Delaware statutory trust subsidiaries, and the Bank will assume the Company's obligations under the \$15.1 million unpaid principal balance of 6.75% Fixed-to-Floating Rate Subordinated Notes due July 1, 2026. As a result of these transactions, the Bank's Tier 1 and Total capital is expected to be reduced by approximately \$24.5 million and \$9.7 million, respectively. On a pro forma basis as of December 31, 2018 after giving effect to these transactions, the Bank's Tier 1 Capital to Total Risk Weighted Assets, Total Capital to Total Risk Weighted Assets, and Tier 1 Capital to Average Consolidated Assets ratios would have been 15.6%, 17.8%, and 12.0%, respectively. While the Bank will continue to be considered "well capitalized" under all regulatory capital definitions as a result of the reorganization, all of the Bank's regulatory capital ratios will be reduced as a result of the reorganization. In addition, the redemption of the junior subordinated debentures is expected to result in a reduction in net income at the Company level of approximately \$5.1 million, after tax, during the quarter in which the redemption occurs, due to the write-off of the carrying value discount on the debentures that was recognized in connection with the merger of FHB Formation LLC with and into the Company in December 2010. For more information, see "The Reorganization and Plan of Merger—Effects of the Reorganization— Impact of the Reorganization on the Bank's Regulatory Capital and Operating Results" on page 23.

Table of Contents

The reorganization is subject to the receipt of consents and approvals from government entities that may impose conditions that could have an adverse effect on the Bank.

Before the reorganization may be completed, various approvals or consents must be obtained from federal and state governmental entities. These governmental entities may impose conditions on the completion of the reorganization or require changes to the terms of the reorganization. Although the Company does not currently expect that any such conditions or changes would be imposed, there can be no assurance that they will not be, and such conditions or changes could have the effect of delaying completion of the reorganization or imposing additional costs on or limiting the revenues of the Bank following the reorganization, any of which might have a material adverse effect on the Bank following the reorganization. For more information, see “The Reorganization and Plan of Merger—Regulatory Approvals Required for the Reorganization” beginning on page 26.

The reorganization may fail to qualify as a reorganization for federal tax purposes, resulting in your recognition of taxable gain or loss.

The Company and the Bank intend the reorganization to qualify as a “reorganization” within the meaning of Section 368(a) of the Code. If the reorganization fails to qualify as such a reorganization, Company shareholders generally would recognize gain or loss on each share of Company Voting Common Stock or Company Non-Voting Common Stock surrendered in an amount equal to the difference between such shareholders’ adjusted tax basis in that share and the fair market value of one share of the Bank Voting Common Stock or Bank Non-Voting Common Stock received in exchange for that share upon completion of the reorganization.

The Bank may need to raise additional capital in the future to continue to grow, but that capital may not be available when needed.

Federal and state bank regulators require the Bank to maintain adequate levels of capital to support operations. At December 31, 2018, the Bank’s regulatory capital ratios were at “well capitalized” levels under regulatory guidelines. Prior to the reorganization, the Company was able to raise capital and contribute the proceeds to the Bank as its subsidiary; following the reorganization, the Bank will have no holding company on which to rely for funding. Because the Bank will be a publicly traded company, a likely source of additional funds is the capital markets, accomplished generally through the issuance of equity, including common stock, preferred stock, warrants, depository shares, stock purchase contracts or stock purchase units, and the issuance of senior debt or subordinated debt. The Bank’s ability to raise additional capital, including senior debt or subordinated debt, if needed, will depend, among other things, on conditions in the equity and/or debt markets at that time, which are outside of its control, and its financial performance. Other than common stock, any issuance of equity or debt by the Bank will require the prior approval of the MBFI, and may be accompanied by delays associated with obtaining such approval.

The Bank cannot assure you that access to such external capital and liquidity sources will be available to it on acceptable terms or at all. Any occurrence that may limit its access to the capital markets, such as a decline in the confidence of its depositors or counterparties participating in the capital markets, may materially and adversely affect its capital costs and its ability to raise capital and, in turn, its liquidity.

The price of the Bank Voting Common Stock will be affected by a variety of factors, many of which are outside the Bank's control.

Stock price volatility may make it more difficult for investors to sell shares of the Bank Voting Common Stock at times and prices they find attractive. The price of Bank Voting Common Stock may fluctuate significantly in response to a variety of factors, including, among other things:

• actual or anticipated variations in quarterly results of operations;

• recommendations or changes in recommendations by securities analysts;

• operating and stock price performance of other financial services companies that investors deem comparable to the Bank;

• news reports relating to trends, concerns and other issues in the financial services industry;

• perceptions in the marketplace about the Bank and/or its competitors;

• new technology used, or services offered, by competitors;

Table of Contents

significant acquisitions or business combinations, strategic partnerships, joint ventures, or capital commitments by or involving the Bank or its competitors; and

changes in governmental regulations.

General market fluctuations, industry factors and general economic and political conditions and events such as economic slowdowns, expected or actual interest rate changes, credit loss trends and various other factors and events could adversely affect the price of Bank Voting Common Stock.

The Bank cannot guarantee that it will pay dividends to common shareholders in the future.

The Bank's shareholders are only entitled to receive dividends on its common stock as the Bank's board of directors may declare out of funds legally available for such payments. Although the Company has historically declared such dividends and no changes to the Company's dividend policy are expected as a result of the reorganization, the Bank is not required to pay dividends and may reduce or eliminate dividends paid to shareholders in the future. The Bank's ability to pay dividends to its shareholders is subject to the restrictions set forth in Maine law, as well as by the FDIC. There can be no assurance that the Bank will pay dividends to its common shareholders in the future.

The trading volume of Bank Voting Common Stock may not provide adequate liquidity for investors.

Although shares of Bank Voting Common Stock are expected to be listed on NASDAQ, the average daily trading volume in the common stock may be less than that of larger financial services companies. A public trading market having the desired characteristics of depth, liquidity and orderliness depends on the presence in the marketplace of a sufficient number of willing buyers and sellers of the common stock at any given time. This presence depends on the individual decisions of investors and general economic and market conditions over which the Bank has no control. Significant sales of Bank Voting Common Stock in a brief period of time, or the expectation of these sales, could adversely affect the liquidity of the common stock in the marketplace and/or cause a decline in the price of the common stock.

Future issuances of additional equity securities could result in dilution of existing shareholders' equity ownership and may adversely affect the market price of the Bank's stock.

In connection with the reorganization, the Bank will assume all of the obligations of the Company with respect to outstanding equity-based awards under the Company's employee and director equity-based incentive plans. In the

future, the Bank may grant additional restricted stock awards or other equity-based awards to retain, compensate and/or motivate its employees and directors. Further, in connection with the Bank's growth strategy, it may in the future issue shares of Bank Voting Common Stock to acquire additional banks, bank holding companies, and/or other businesses related to the financial services industry. Resales of substantial amounts of Bank Voting Common Stock in the public market and the potential of such sales could adversely affect the prevailing market price of the Bank Voting Common Stock and impair its ability to raise additional capital through the sale of equity securities. These assumed obligations and potential future issuances of the Bank's securities may dilute the voting and economic interests of existing shareholders.

Bank Common Stock is not an insured deposit.

Neither shares of Bank Voting Common Stock nor shares of Bank Non-Voting Common Stock are bank deposits and, therefore, losses in value are not insured by the FDIC, any other deposit insurance fund or by any other public or private entity. Investment in shares of Bank Voting Common Stock or Bank Non-Voting Common Stock is inherently risky for the reasons described in this "Risk Factors" section of this proxy statement/offering circular and in the section captioned "Item 1A. Risk Factors" in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2018, which was filed with the SEC on September 13, 2018, and is subject to the same market forces and investment risks that affect the price of common stock in any other publicly traded company, including the possible loss of some or all principal invested.

Holders of Company Non-Voting Common Stock are not being asked to vote on the adjournment proposal. If you do not vote, either in person or by proxy, it will have no effect on the outcome of the proposal. Proxies marked abstentions will have the same effect as a vote “**AGAINST**” this proposal.

Voting

Voting in Person at the Meeting. If you are a shareholder of record of Company Voting Common Stock or Company Non-Voting Common Stock as of the record date and attend the special meeting, you may vote in person at the meeting. Voting by Proxy for Shares Registered Directly in Your Name. If you hold your shares of Company Voting Common Stock or shares of Company Non-Voting Common Stock in your own name in certificated form or as a holder of record with our transfer agent, Computershare, you may instruct the proxy holders named in the proxy card how to vote your shares in one of the following ways:

Table of Contents

Broker Non-Votes and Abstentions

If you are the beneficial owner of shares held in “street name” by a broker, bank or other nominee and you do not give instructions to the broker, bank or other nominee on how to vote your shares at the special meeting, your broker, bank or other nominee may not vote your shares with respect to any of the proposals. Proxies submitted by a broker that do not exercise this voting authority are also known as “broker non-votes.”

An abstention is a decision by a shareholder to take a neutral position on a proposal being submitted to shareholders at a meeting.

Effect of Broker Non-Votes and Abstentions on the Votes Required at the Special Meeting

The affirmative vote of holders of at least a majority of the outstanding shares of Company Voting Common Stock and at least a majority of the outstanding shares of Company Non-Voting Common Stock, voting as separate classes, entitled to vote at the special meeting is required to approve the reorganization proposal, and the affirmative vote of holders of a majority of the votes cast by holders of shares of Company Voting Common Stock at the special meeting is required to approve the adjournment proposal. Holders of Company Non-Voting Common Stock are not being asked to vote on the adjournment proposal. Because broker non-votes and abstentions are not considered a vote approving any proposal submitted at the special meeting, broker non-votes and abstentions will have the same effect as a vote against the reorganization proposal. However, broker non-votes will have no effect on the outcome of the adjournment proposal, but abstentions will have the same effect as a vote against the adjournment proposal.

How Shares Will Be Voted

All shares represented by valid unrevoked proxies will be voted in accordance with the instructions on the proxy card. If you return a signed proxy card, but make no specification on the card as to how you want your shares voted, your proxy will be voted “**FOR**” approval of the foregoing proposals. We are not currently aware of any other matters to be presented at the special meeting other than those described in this proxy statement/offering circular. If any other matters not described in the proxy statement/offering circular are properly presented at the special meeting, any proxies received by us will be voted in the discretion of the proxy holders.

Revocation of Proxies

If you do not hold your shares of Company Voting Common Stock or Company Non-Voting Common Stock in “street name”, you may revoke your proxy at any time before it has been exercised by:

Filing a written revocation with the Corporate Clerk of Northeast Bancorp, 500 Canal Street, Lewiston, Maine 04240;

Submitting a new proxy by telephone, Internet or proxy card after the time and date of the previously submitted proxy; or

Appearing in person and voting by ballot at the special meeting.

If you are a shareholder of record as of the record date attending the special meeting, you may vote in person whether or not a proxy has been previously given, but your presence (without further action) at the special meeting will not constitute revocation of a previously given proxy.

If you hold your shares of Company Voting Common Stock in “street name” and have instructed a broker, bank or other nominee to vote your shares, you must follow the directions you receive from your broker, bank or other nominee to change your vote.

Solicitation of Proxies

The solicitation of proxies is being made by the Company primarily by mail, but may also be made in person or by telephone, facsimile or email, by certain of its directors, officers and employees. No additional compensation will be paid to those individuals for any such services. The Company will bear the cost of printing, mailing and other expenses in connection with this solicitation of proxies and will also reimburse brokers and other persons holding shares in their names or in the names of nominees for their expenses in forwarding this proxy material to the beneficial owners of such shares. In addition, Equiniti (US) Services LLC, a proxy solicitation firm, will assist the Company in soliciting proxies for the special meeting. The Company will pay approximately \$6,000, plus expenses, for these services.

PROPOSAL NO. 1—APPROVAL OF THE PLAN OF MERGER

At the special meeting, shareholders of the Company will consider and vote on a proposal to approve the plan of merger.

Approval of this proposal requires the affirmative vote of holders of at least a majority of the outstanding shares of Company Voting Common Stock and at least a majority of the outstanding shares of Non-Voting Common Stock, voting as separate classes, entitled to vote at the special meeting. If you abstain or do not vote, it will have the same effect as voting “**AGAINST**” the reorganization proposal.

The Company’s board of directors unanimously recommends that you vote “FOR” the reorganization proposal.

PROPOSAL NO. 2—ADJOURNMENT OF THE SPECIAL MEETING

The Company is also submitting a proposal for consideration at the special meeting to authorize the named proxies to approve one or more adjournments of the special meeting if there are not sufficient votes to approve the plan of merger and the merger at the time of the special meeting. Even though a quorum may be present at the special meeting, it is possible that the Company may not have received sufficient votes to approve the plan of merger and the merger by the time of the special meeting. In that event, the Company would need to adjourn the special meeting in order to solicit additional proxies.

To allow the proxies that have been received by the Company at the time of the special meeting to be voted for an adjournment, if necessary, the Company is submitting a proposal to approve one or more adjournments, and only under those circumstances, to you for consideration. If the new date, time and place are announced at the special meeting before the adjournment, the Company is not required to give notice of the time and place of the adjourned meeting, unless the board of directors fixes a new record date for the special meeting.

The adjournment proposal relates only to an adjournment of the special meeting occurring for purposes of soliciting additional proxies for approval of the plan of merger and the merger in the event that there are insufficient votes to approve that proposal. The Company’s board of directors retains full authority to the extent set forth in the Company’s bylaws and applicable law to adjourn the special meeting for any other purpose, or to postpone the special meeting before it is convened, without the consent of any of the Company’s shareholders.

Approval of this proposal requires the affirmative vote of a majority of the votes cast by holders of shares of Company Voting Common Stock at the special meeting. Holders of Company Non-Voting Common Stock are not being asked to vote on the adjournment proposal. If you do not vote, either in person or by proxy, it will have no effect on the outcome of the proposal. Proxies marked abstentions will have the same effect as a vote “**AGAINST**” this proposal.

The Company’s board of directors unanimously recommends that you vote “FOR” the adjournment proposal.

The Reorganization and Plan of MERGER

The description of the reorganization and the plan of merger contained in this proxy statement/offering circular describes what we believe are the material effects of the reorganization and the material terms of the plan of merger. This summary description, however, is qualified in its entirety by reference to the plan of merger, which is attached to this proxy statement/offering circular as Appendix A and incorporated herein by reference.

General

The plan of merger provides for the merger of the Company with and into the Bank, with the Company's separate corporate existence ceasing at the effective time of the reorganization, and the Bank continuing as the surviving entity. If the Company's shareholders approve the plan of merger at the special meeting, and if the required regulatory approvals are obtained and the other conditions to the parties' obligations to effect the reorganization are met or waived (to the extent permitted by law), we anticipate that the reorganization will be completed in the fourth fiscal quarter of 2019, although neither the Company nor the Bank can provide any assurances that the reorganization will close timely or at all.

Reasons for the Reorganization; Recommendation of the Company's Board of Directors

The Company's board of directors believes that the reorganization, on the terms and conditions set forth in the plan of merger, is advisable and in the best interests of the Company and its shareholders. Accordingly, the Company's board of directors has adopted the plan of merger and the transactions contemplated thereby, including the reorganization, and unanimously recommends that the Company's shareholders vote "FOR" approval of the plan of merger and the transactions contemplated thereby.

The Company's board of directors, prior to and in reaching its decision to adopt the plan of merger and the transactions contemplated thereby and to recommend that the Company's shareholders approve the plan of merger and the transactions contemplated thereby, consulted with the Company's management and advisors and considered a variety of potential positive factors, potential risks and potential negative factors relating to the reorganization, including, without limitation or in any particular order of importance, the following:

the reorganization is expected to lead to managerial, operational and administrative cost savings and efficiencies associated with the elimination of redundant activities, including but not limited to, simplified financial reporting (consolidated accounting), elimination of regulatory oversight by the FRB with respect to bank holding company

activities, decreased SEC registration fees as the Bank's stock is exempt from registration under the Securities Act, and consolidation of governance and organizational structure, including Company/Bank policies and procedures, risk management, and the elimination of dual boards of directors and joint board meetings;

the Bank will no longer be subject to commitments made to the FRB in connection with the merger of the Company and FHB Formation LLC on December 29, 2010, including the most significant of which are to:

maintain a Tier 1 leverage ratio of at least 10%;

maintain a Total capital ratio of at least 15%;

limit purchased loans to 40% of total loans;

fund 100% of the Company's loans with core deposits; and

hold commercial real estate (excluding owner-occupied commercial real estate) to within 300% of Total capital;

the Bank instead intends to replace such commitments with the following standards relating to its capital levels and asset portfolio composition, which will be incorporated into its policies and procedures:

maintain a Tier 1 leverage ratio of at least 10%, which is unchanged from the requirement in the commitments to the FRB;

maintain a Total capital ratio of at least 13.5% (as opposed to 15%);

limit purchased loans to 60% of total loans (as opposed to 40%);

Table of Contents

maintain a ratio of the Bank's loans to core deposits of not more than 125% (as opposed to 100%); and

hold commercial real estate (excluding owner-occupied commercial real estate) to within 500% of Total capital (as opposed to 300%).

the Company and the Bank believe that the changes to its regulatory commitments will result in an increase in loan capacity in the long run, as well as a decrease in the costs associated with holding excess cash;

the Company intends to redeem the \$16.5 million unpaid principal balance of junior subordinated debentures issued by the Company in connection with the issuance of trust preferred securities by its three Delaware statutory trust subsidiaries, and the Bank will assume the Company's obligations under the \$15.1 million unpaid principal balance of 6.75% Fixed-to-Floating Rate Subordinated Notes due July 1, 2026; which will result in decreases of \$24.5 million and \$9.7 million in the Bank's Tier 1 and Total Capital, respectively, as well as corresponding reductions in the Bank's regulatory capital ratios;

the Bank will continue to be considered "well capitalized" under all regulatory capital definitions after such reductions in capital;

the redemption of the junior subordinated debentures is expected to result in a reduction in net income at the Company level of approximately \$5.1 million, after tax, during the quarter in which the redemption occurs, due to the write-off of the carrying value discount on the debentures that was recognized in connection with the merger of FHB Formation LLC with and into the Company in December 2010;

after the reorganization, certain transactions by the Bank will be subject to MBFI regulatory review or approval, including but not limited to, increases or reduction in authorized shares of stock, issuance of preferred stock, issuance or retirement of debt instruments (including capital notes and debentures), reduction in the amount or redemption of any part of its common or preferred capital stock, the payment of dividends, and the conduct of certain types of activities that are incidental or closely related to banking;

the possibility of delays in accessing the capital markets for the issuance of equity (other than common stock) or debt securities associated with seeking the prior approval of the MBFI;

the expectation that the merger of the Company into the Bank, with the Bank continuing as the surviving entity, would qualify as a "reorganization" for United States federal income tax purposes; and

the regulatory and other approvals required in connection with the reorganization and the likelihood that the approvals needed to complete the reorganization would be obtained without unacceptable conditions.

The foregoing discussion of the factors considered by the Company's board of directors is not intended to be exhaustive, but rather a summary of the material factors considered by the board of directors. In reaching its decision to adopt the plan of merger, the board of directors did not quantify or assign any relative weights to the factors considered, and individual directors may have given different weights to different factors. The board of directors considered the various factors as a whole, including discussions with, and questioning of, management and the Company's advisors, and considered the factors to be favorable overall to its determination.

The foregoing discussion of the information and factors considered by the board of directors is forward-looking in nature. This information should be read in light of the factors described under the section entitled "Cautionary Note Regarding Forward-Looking Statements" on page 15.

Effects of the Reorganization

Conversion of Company Common Stock into Right to Receive Bank Common Stock. If the plan of merger is approved and the reorganization is subsequently completed, at the effective time of the reorganization, each outstanding share of Company Voting Common Stock will be converted into the right to receive one validly issued, fully paid, and nonassessable share of Bank Voting Common Stock; each outstanding share of Company Non-Voting Common Stock will be converted into the right to receive one validly issued, fully paid, and nonassessable share of Bank Non-Voting Common Stock; and the holder of certificates which represent shares of Company Voting Common Stock or Company Non-Voting Common Stock will be entitled to receive new certificates evidencing an equivalent number of shares of Bank Voting Common Stock or Bank Non-Voting Common Stock, as applicable. Any fraction of a share of Company Voting Common Stock and Company Non-Voting Common Stock will also be automatically converted into the right to receive the same fraction of a share of Bank Voting Common Stock and Bank Non-Voting Common Stock, respectively. Accordingly, following the completion of the reorganization, shares of Bank Voting Common Stock and shares of Bank Non-Voting Common Stock will be owned directly by the Company's shareholders in the same proportion as their ownership of shares of Company Voting Common Stock and shares of Company Non-Voting Common Stock, respectively, immediately prior to the reorganization.

Table of Contents

Procedures to Receive Bank Common Stock. After the completion of the reorganization, Computershare will mail Transmittal Materials to those record holders of Company Voting Common Stock and Company Non-Voting Common Stock whose shares are represented either in whole or in part by a Company Certificate or Company Certificates. The Transmittal Materials will describe how these record holders may submit to Computershare their Company Certificates. Company shareholders holding Company Certificates must deliver to Computershare properly completed and executed Transmittal Materials, including any Company Certificates, to receive a certificate representing an equivalent number of shares of Bank Voting Common Stock or shares of Bank Non-Voting Common Stock. Upon the receipt of such properly completed and executed Transmittal Materials, including any Company Certificates, Computershare will issue to these record holders a certificate representing an equivalent number of shares of Bank Voting Common Stock or Bank Non-Voting Common Stock, as applicable, or will credit the accounts of these record holders with an equivalent number of shares in book-entry form, as elected by record holders in their Transmittal Materials.

Record holders of Company Voting Common Stock or Company Non-Voting Common Stock whose shares are held only in book-entry form will not receive Transmittal Materials from Computershare. The book-entry shares owned by these record holders will be automatically converted into an equivalent number of shares of Bank Voting Common Stock or Bank Non-Voting Common Stock in book-entry form, and their accounts will be credited accordingly.

Assumption of Equity-Based Plans and Awards, and Employee Benefit Plans. The Bank will assume and continue the Company's equity plan and will also assume all stock-based awards that were granted by the Company and that are outstanding under that plan. As a result, each of the Company's outstanding stock-based awards will be converted into similar stock-based awards that cover the same number of shares of Bank Voting Common Stock, and with the same terms and conditions, including the same vesting, exercisability and other restrictions, which will not be affected by the reorganization. In addition, the Bank will assume all of the Company's employee benefit plans, including retirement, health and welfare plans and fringe benefit arrangements for its employees.

Assumption of Change in Control Obligations. The Bank will assume the Company's change in control obligations under its agreement with Richard Wayne, President and Chief Executive Officer, and Mr. Wayne will continue to be subject to the obligations and restrictive covenants included in the agreement. The reorganization is not a "change in control" under this agreement. No payments will be due under this agreement as a result of the reorganization.

Management and Operations After the Reorganization. After completion of the reorganization, the business of the Bank will remain unchanged. The Bank and the Company currently have the same directors, and it is expected that the Bank will continue to have the same directors, with the same terms of service, after the reorganization as the Company had immediately prior thereto. Officers of the Company immediately prior to the reorganization will hold the same positions and titles with the Bank following the reorganization. The offices and other business premises of the Bank will likewise continue to be occupied by the Bank, and the Bank will assume all of the contractual obligations of the Company.

The Amended and Restated Articles of Incorporation of the Bank and Amended and Restated Bylaws of the Bank will be substantially similar to the articles of incorporation and bylaws of the Company as in effect immediately prior to the time of the reorganization. Immediately following the reorganization, the Bank will have the same outstanding capital stock with the same rights and privileges as the outstanding capital stock of the Company immediately prior to the reorganization. Immediately after the reorganization, the Bank will have substantially the same consolidated assets, liabilities and shareholders' equity as the Company.

After the reorganization, the Bank's board of directors will have the same corporate governance and oversight committees, including the Nominating and Corporate Governance Committee, the Audit Committee, the Compensation Committee, the Risk Management Committee, as the Company's board of directors had immediately prior to the reorganization, including the same committee charters and committee chairmen as were in place prior to the reorganization.

Table of Contents

Regulation of the Bank After the Reorganization. After completion of the reorganization, the Bank will continue to be subject to regulation by the MBFI and by the FDIC, whereas the Company is not itself directly subject to those bank regulatory requirements. Accordingly, the Bank will be restricted in its ability to engage in certain types of activities that are not incidental or closely related to banking which the Company presently may engage in, certain transactions by the Bank will be subject to regulatory review or approval, including but not limited to increases or reductions in authorized shares of stock, issuance of preferred stock, issuance or retirement of debt instruments, reduction in the amount or retirement of any part of its common or preferred stock, changes of control, merger transactions with other depository institutions or bank holding companies, and certain types of activities that are incidental or closely related to banking, and the Bank's operations and activities must conform to and comply with standards of safety and soundness as required by Maine and federal law and regulations.

In addition, the Company is currently subject to regulation by the FRB and is subject to commitments made to the FRB in connection with the merger of the Company and FHB Formation LLC on December 29, 2010, the most significant of which are to:

maintain a Tier 1 leverage ratio of at least 10%;

maintain a Total capital ratio of at least 15%;

limit purchased loans to 40% of total loans;

fund 100% of the Company's loans with core deposits; and

hold commercial real estate loans (excluding owner-occupied commercial real estate) to within 300% of Total capital.

At the time the reorganization is effected and there is no longer a bank holding company, these commitments no longer will be applicable. In connection with the reorganization, the Bank instead intends to establish the following standards relating to its capital levels and asset portfolio composition, which will be incorporated into its policies and procedures:

maintain a Tier 1 leverage ratio of at least 10%, which is unchanged from the requirement in the commitments to the FRB;

maintain a Total capital ratio of at least 13.5% (as opposed to 15%);

limit purchased loans to 60% of total loans (as opposed to 40%);

maintain a ratio of the Bank's loans to core deposits of not more than 125% (as opposed to 100%); and

hold commercial real estate loans (excluding owner-occupied commercial real estate) to within 500% of Total capital (as opposed to 300%).

These newly established standards are designed to help ensure the Bank would continue to operate in a safe and sound manner, but may permit more growth in the Bank's loan portfolio as compared to operating under the existing commitments. The Company and the Bank believe that these changes will result in an increase in loan capacity in future periods, as well as a decrease in the costs associated with holding excess cash.

Impact of Reorganization on Regulatory Capital and Operating Results. In connection with the proposed reorganization, subject to the non-objection of the FRB, the Company intends to redeem the \$16.5 million unpaid principal balance of junior subordinated debentures issued by the Company in connection with the issuance of trust preferred securities by its three Delaware statutory trust subsidiaries, and the Bank will assume the Company's obligations under the \$15.1 million unpaid principal balance of 6.75% Fixed-to-Floating Rate Subordinated Notes due July 1, 2026. As a result of these transactions, the Bank's Tier 1 and Total capital is expected to be reduced by approximately \$24.5 million and \$9.7 million, respectively. On a pro forma basis as of December 31, 2018 after giving effect to these transactions, the Bank's Tier 1 Capital to Total Risk Weighted Assets, Total Capital to Total Risk Weighted Assets, and Tier 1 Capital to Average Consolidated Assets ratios would have been 15.6%, 17.8%, and 12.0%, respectively, and the Bank will be considered "well capitalized" under all regulatory capital definitions.

Table of Contents

The following table sets forth the capitalization of the Bank, including regulatory capital ratios, on a consolidated basis, as of December 31, 2018, on an actual basis and an as-adjusted basis, after giving effect to the reorganization (assuming the redemption of \$16,496,000 unpaid principal balance of junior subordinated debentures issued by the Company in connection with the issuance of trust preferred securities by its three Delaware statutory trust subsidiaries, and assumption by the Bank of the Company's obligations under the \$15,050,000 unpaid principal balance of 6.75% Fixed-to-Floating Rate Subordinated Notes due July 1, 2026).

In addition, the redemption of the junior subordinated debentures is expected to result in a reduction in net income at the Company level of approximately \$5.1 million, after tax, during the quarter in which the redemption occurs, due to the write-off of the carrying value discount on the debentures that was recognized in connection with the merger of FHB Formation LLC with and into the Company in December 2010.

Securities Regulation; Exchange Act Registration; Trading. Pursuant to Section 3(a)(2) of the Securities Act, securities issued by the Bank, including the Bank Voting Common Stock and Bank Non-Voting Common Stock to be issued in connection with the reorganization, are exempt from registration under the Securities Act. Following the reorganization, the Bank Voting Common Stock will be registered under the Exchange Act, which vests the FDIC with the power to administer and enforce certain sections of the Exchange Act applicable to banks. Following the reorganization, the Bank will not be required to file periodic or current reports or other materials with the SEC but will be required to file such periodic and current reports and other materials required under the Exchange Act with the FDIC. Among other things, the Bank will file annual, quarterly and current reports on Forms 10-K, 10-Q and 8-K with the FDIC, and the Bank's executive officers, directors and certain shareholders will be subject to the reporting requirements and prohibition on short-swing profits under Section 16 of the Exchange Act. In connection with the reorganization and the registration with the FDIC of the Bank Voting Common Stock under the Exchange Act, the Company will de-register the Company Voting Common Stock with the SEC under the Exchange Act.

Table of Contents

Interests of Company Executive Officers and Directors in the Reorganization

The executive officers and directors of the Company will hold the same offices with the Bank after the reorganization as they held with the Company prior to the reorganization, and will continue to be entitled to the same compensation and equity-based and other incentive awards as they held immediately prior to the reorganization. As such, other than their interest as Company shareholders, the executive officers and directors of the Company do not have any material interests created by or arising from the reorganization.

Conditions to the Reorganization

The respective obligations of the Company and the Bank to complete the reorganization are subject to various conditions prior to the reorganization. The conditions include the following:

approval of the plan of merger by the Company's shareholders;

all approvals and authorizations of, filings and registrations with, and notifications to, all governmental authorities required for the consummation of the reorganization, including the FDIC and the MBFI must have been obtained or made by the Company and the Bank, and must be in full force and effect and all waiting periods required by law must have been expired or been terminated;

all required and advisable third-party consents and approvals must have been obtained;

the shares of Bank Voting Common Stock must have been registered with the FDIC pursuant to the Exchange Act;

the shares of Bank Voting Common Stock must have been authorized for listing on NASDAQ;

the board of directors of the Company must have received the opinion of Goodwin Procter LLP that holders of Company Voting Common Stock and Company Non-Voting Common Stock will not recognize gain or loss for United States federal income tax purposes as a result of the reorganization; and

the completion of the reorganization must not be illegal or otherwise prohibited and no order, statute, law, regulation, judgment or restraining order preventing the completion of the reorganization shall be in effect.

The parties may waive conditions to their obligations, if permitted by law. Shareholder approval and regulatory approvals may not be legally waived.

Amendment; Termination

The plan of merger may be amended or modified at any time, whether before or after its approval by the Company's shareholders, by mutual agreement as authorized by the Company's and the Bank's boards of directors, except that, without prior Company shareholder approval, no amendment may be made after the special meeting that changes the amount or kind of shares the Company shareholders will receive under the plan of merger or that changes any of the other terms of plan of merger if the change would adversely affect such shareholders in any material respect.

Pursuant to its terms, at any time prior to the completion of the reorganization, the plan of merger may be terminated and the reorganization abandoned for any reason by resolution of either of the Company's or the Bank's board of directors. If the plan of merger is terminated, it will become void and have no effect and the parties will be relieved of all obligations and liabilities thereunder. Under such circumstances, the Company expects that it would continue to operate in its current holding company structure, rather than in the simpler structure that is being proposed. In that case, the Company would likely continue to incur certain costs, such as administrative costs, that could potentially be avoided if the reorganization were completed and the structure simplified, and would remain subject to the regulatory commitments made to the FRB.

Effective Time of the Reorganization

The parties expect that the reorganization will be completed in the fourth fiscal quarter of 2019, or as soon as possible after the receipt of all regulatory and shareholder approvals, the expiration of all regulatory waiting periods and the satisfaction or waiver of all other conditions to the completion of the reorganization. The reorganization will be legally completed by the filing of articles of merger with the MBFI and the Maine Secretary of State. Neither the Company nor the Bank can provide any assurances, however, that the reorganization will close timely or at all.

Table of Contents

Regulatory Approvals Required for the Reorganization

General. The Company and the Bank will use commercially reasonable efforts to obtain all permits, consents, approvals and authorizations of all third parties and governmental authorities that are necessary or advisable to complete the reorganization. This includes certain approvals of the FDIC and the MBFI. The application seeking approval from the FDIC was submitted by the Bank on January 7, 2019 and was approved by the FDIC on March 7, 2019. The Company cannot provide assurance that any remaining approvals will be obtained or that there will not be any litigation challenging such approvals.

The Company is not aware of any material governmental approvals or actions that are required prior to the reorganization other than those described below. The Company presently contemplates that it will seek any additional governmental approvals or actions that may be required; however, it cannot provide assurance that it will obtain any such additional approvals or actions.

FDIC. The Bank Merger Act of 1960, as amended, requires the prior written approval of the FDIC before any insured depository institution may merge or consolidate with any noninsured bank or institution. The Bank Merger Act prohibits the FDIC from approving any proposed merger transaction that would result in a monopoly, or would further a combination or conspiracy to monopolize or to attempt to monopolize the business of banking in any part of the United States. Similarly, the Bank Merger Act prohibits the FDIC from approving a proposed merger transaction the effects of which in any section of the country may be substantially to lessen competition, or tend to create a monopoly, or which in any other manner would be in restraint of trade, unless the FDIC finds that the anticompetitive effects of the proposed transaction are clearly outweighed in the public interest by the probable effect of the transaction in meeting the convenience and needs of the communities to be served.

In every proposed merger transaction, the FDIC must also consider the financial and managerial resources and future prospects of the existing and proposed institutions, the convenience and needs of the community to be served, and the risk to the stability of the U.S. banking or financial system. In addition, the FDIC must consider the effectiveness of each insured depository institution involved in the proposed merger transaction in combatting money-laundering activities, including in overseas branches. Under the Community Reinvestment Act of 1977, the FDIC also must take into account the record of performance of each bank in meeting the credit needs of the entire community, including low and moderate-income neighborhoods, served by each bank.

Applicable regulations require publication of notice of an application for approval of a merger and an opportunity for the public to comment on the application in writing. Any merger approved by the FDIC may not be completed until 30 days after such approval, during which time the U.S. Department of Justice may challenge such transaction on antitrust grounds and seek divestiture of certain assets and liabilities. With the approval of the FDIC and the U.S. Department of Justice, the waiting period may be reduced to 15 days.

MBFI Approval. The reorganization will require the MBFI to approve or not object to certain steps in the reorganization, including the issuance of Bank Voting Common Stock and Bank Non-Voting Common Stock and adoption of the Amended and Restated Articles of Incorporation of the Bank. In addition, the Bank must provide the MBFI with notice of the adoption of the Amended and Restated Bylaws of the Bank. The Company and the Bank also will file articles of merger with the MBFI and the Maine Secretary of State.

Accounting Treatment

For accounting purposes, the reorganization will be treated as a combination of related interests. The capitalization, assets, liabilities, income and financial statements of the Bank immediately following the reorganization will be substantially the same as the consolidated capitalization, assets, liabilities, income and financial statements of the Company immediately prior to the reorganization, all of which will be shown on the Bank's books at their historical recorded values.

Appraisal Rights

Company Voting Common Stock. The Company is a Maine corporation that is governed by MBCA. In accordance with Section 1303 of the MBCA, holders of shares of Company Voting Common Stock are not entitled to appraisal or dissenters' rights in connection with the reorganization, as such shares are listed on the NASDAQ.

Company Non-Voting Common Stock. Under the MBCA, shareholders may, under certain circumstances, exercise appraisal rights in the event of certain limited corporate actions and obtain payment for the fair value of their shares. For example, subject to certain exceptions, appraisal rights are available under Maine law to any holder of shares of a constituent corporation in the event of a merger if such shareholder is entitled to vote upon the merger. Neither the Company's Articles of Incorporation nor the Company's Bylaws grant any appraisal rights in addition to the statutorily prescribed rights. Holders of Company Non-Voting Common Stock are entitled to statutorily prescribed appraisal or dissenters' rights in connection with the reorganization.

Holders of Company Non-Voting Common Stock who desire to exercise their appraisal rights must satisfy all of the conditions and requirements set forth in the MBCA in order to maintain these rights and obtain any payment due in respect of the exercise of these rights.

Pursuant to Section 1301 et seq. of Chapter 13 of the MBCA, in the event that the reorganization is consummated, any holder of shares of the Company Non-Voting Common Stock who objects to the reorganization is entitled to dissent from the reorganization and to have the fair value of such shares, referred to in this discussion as Dissenting Stock, as determined by the Company, or if necessary, judicially determined, paid to him or her, by complying with the provisions of Sections 1301 et seq. of the MBCA. **Failure to take any steps set forth in Sections 1301 et seq. in connection with the exercise of such rights may result in termination or waiver thereof.**

The following is a summary of the statutory procedures required to be followed by a holder of Dissenting Stock, or a dissenting shareholder, in order to exercise his or her rights under the MBCA. This summary, however, is not a complete statement of all applicable requirements but contains substantially all material information regarding the exercise of appraisal rights under Section 1301 et seq. of Chapter 13 of the MBCA, the text of which is attached as Appendix B to this proxy statement/offering circular. Additionally, the following summary does not constitute any legal or other advice, nor does it constitute a recommendation that the holders of Company Non-Voting Common Stock exercise their appraisal rights under Section 1301 et seq. of Chapter 13.

If a holder of Company Non-Voting Common Stock elects to exercise appraisal rights with respect to the reorganization, such holder of Company Non-Voting Common Stock must (i) deliver to the Company, prior to the vote on the reorganization at the special meeting a written notice of intention to demand payment for his shares if the

reorganization is effected and (ii) not vote in favor of the reorganization. The written notice required to be delivered to the Company by a dissenting shareholder is in addition to and separate from any proxy or vote against the reorganization. Neither voting against nor failure to vote for the reorganization will constitute the written notice required to be filed by a dissenting shareholder. Failure to vote against the reorganization, however, will not constitute a waiver of rights under Section 1301 et seq. of Chapter 13 provided that a written notice has been properly filed. A signed proxy that is returned but which does not contain any instructions as to how it should be voted will be voted in favor of approval of the reorganization and will be deemed a waiver of appraisal rights.

Subject to the foregoing, a beneficial holder of Company Non-Voting Common Stock may assert appraisal rights as to shares held on his or her behalf only if (i) he or she submits to the Company, not later than the time by which the beneficial holder of Company Non-Voting Common Stock must assert appraisal rights, the consent of the record holder of Company Non-Voting Common Stock to the dissent and (ii) he or she does so with respect to all shares of the Company Non-Voting Common Stock of which he or she is the beneficial owner. A record holder of shares of the Company Non-Voting Common Stock may dissent on behalf of any beneficial owner with respect to all but not less than all the shares of such beneficial owner if the record holder notifies the Company in writing of the name and address of each such person on whose behalf he or she asserts appraisal rights. All notices of intention to demand payment should be addressed to Corporate Clerk, Northeast Bancorp, 500 Canal Street, Lewiston, Maine 04240.

Table of Contents

If the reorganization is approved, the Company is obligated to give written notice to each dissenting shareholder who timely filed a notice of intention to demand payment and who did not vote in favor of approval of the reorganization no later than 10 days after the effective date of the reorganization by the shareholders of the Company. The notice must be accompanied by a copy of Section 1301 et seq. of Chapter 13 and must (i) state where a demand for payment must be sent and where and when certificates for Dissenting Stock must be deposited in order to obtain payment, (ii) inform holders of the Company's estimate of the fair value of the shares, (iii) be accompanied by a form for demanding payment that includes the date of the first announcement to news media or to shareholders of the terms of the proposed reorganization (i.e., January 7, 2019) and requires that the person asserting appraisal rights certify whether or not he or she acquired beneficial ownership of the shares before that date and that he or she did not vote for the reorganization, (iv) set a date by which the Company must receive the payment demand, which date shall not be less than 40 days nor more than 60 days after the date the notice is delivered, and state that the dissenting shareholder shall have waived the right to demand appraisal unless the form is received by such date, (v) state that the Company will provide to any requesting dissenting shareholder, within 10 days after the deadline to submit the form, the number of dissenting shareholders and the total number of shares owned by them, and (vi) the date by which a notice to withdraw appraisal rights must be received, which must be within 20 days of the deadline to submit the form. The notice must be accompanied by (x) the Company's annual financial statements of a fiscal year ending not more than 16 months before the date of payment and (y) the latest available quarterly financial statements of the Company. The dissenting shareholder must demand payment, certify whether he or she acquired ownership of such shares prior to January 7, 2019, and deposit the certificates in accordance with the terms of the notice. A dissenting shareholder who fails to demand payment or deposit certificates for Dissenting Stock, as required, shall have no right under Section 1301 et seq. of Chapter 13 to receive payment for the Dissenting Stock.

Within 30 days after the form for demanding payment is due, the Company shall pay to each dissenting shareholder who has made proper demand and deposited his or her certificates the amount which the Company estimates to be the fair value of his or her Dissenting Stock, with accrued interest, if any, accompanied by (i) the Company's annual financial statements of a fiscal year ending not more than 16 months before the date of payment, (ii) a statement of the Company's estimate of the fair value of the shares, (iii) a statement of the dissenting shareholder's right to demand further payment pursuant to Section 1327 of Chapter 13 if the holder of Company Non-Voting Common Stock is dissatisfied with the Company's offer and the result of the holder does not do so, and (iv) the latest available quarterly financial statements of the Company. The Company may withhold payment from any dissenting shareholder who did not certify that beneficial ownership of the Company Non-Voting Common Stock was acquired prior to January 7, 2019, the date on which announcement of the reorganization was first made. To each holder of shares of the Company Non-Voting Common Stock acquired on or after January 7, 2019, the Company, upon consummation of the reorganization, shall send (i) the Company's annual financial statements of a fiscal year ending not more than 16 months before the date of payment, (ii) its estimate of the fair value of such shares of the Company Non-Voting Common Stock, (iii) notification that the dissenting shareholder may accept the Company's estimate of fair value plus interest in full satisfaction of their demand for appraisal rights or demand appraisal under Section 1327, (iv) notification that such dissenting shareholders should notify the Company of their acceptance of the Company's offer within 30 days after receiving the offer, and (v) notification that such dissenting shareholders who do not satisfy the requirements for demanding appraisal shall be deemed to have accepted the Company's offer.

Fair value of Dissenting Stock means the value immediately before the effective date, using customary and current valuation concepts generally employed for similar businesses, without discounting for lack of marketability or minority status.

If a dissenting shareholder believes the amount paid or offered to be paid, as the case may be, to be less than fair value (or that the interest, if any, is not correct), such dissenting shareholder may send the Company his or her own estimate of fair value (and interest, if any) and demand payment of the deficiency, or (as applicable) reject the Company's offer and demand payment of the fair value (and interest, if any). If the dissenting shareholder does not notify the Company of his or her payment demand within 30 days after the Company has made payment or offered payment, as the case may be, such shareholder shall be entitled to no more than the amount remitted.

Within 60 days after receipt of a demand for payment of the deficiency, if it remains unsettled, the Company (or its successor, as applicable) shall file a petition with the court in Androscoggin County, Maine requesting determination of the fair value of the Dissenting Stock and accrued interest. All dissenting shareholders whose demands have not been settled shall be parties to such action and shall be served a copy of the petition. The Court shall determine the fair value of the Dissenting Stock and each dissenting shareholder shall be entitled to judgment for the amount by which the amount previously remitted by the Company is exceeded by the Court's determination of fair value, if any. If the Company does not file a petition with the 60 day period, each dissenting shareholder who has made a demand and who has not settled his or her claim shall be entitled to receive the amount demanded with interest and may sue to enforce his or her claim in an appropriate court.

Table of Contents

Costs of an appraisal proceeding, including costs and expenses of appraisers appointed by the Court, shall be determined by the Court and assessed against the Company, except that the Court may assess any part of such costs and expenses to all or some of the dissenting shareholders who are parties and whose action the Court finds to be arbitrary, vexatious or not in good faith in demanding payment under Section 1301 et seq. of Chapter 13. Fees and expenses of counsel and experts for the respective parties may be assessed against (i) the Company if the Court finds it failed to comply substantially with the requirements of Chapter 13 or (ii) either the Company or a dissenting shareholder if the Court finds that the party acted arbitrarily, vexatiously or not in good faith with respect to its appraisal rights. The Court may award reasonable attorney fees to be paid out of the amounts awarded to the dissenting shareholders if the Court finds that the services of counsel for any dissenting shareholder have been of substantial benefit to other dissenting shareholders similarly situated and that such attorney fees should not be assessed against the Company.

In view of the complexity of Section 1301 et seq. of Chapter 13 of the MBCA, holders of Company Non-Voting Common Stock who may wish to pursue appraisal rights should consult their legal counsel and financial advisors.

Resale of Bank Stock

It is expected that the shares of Bank Voting Common Stock to be issued to holders of Company Voting Common Stock under the plan of merger will be listed on NASDAQ and freely tradable by such shareholders without restriction. The Company Non-Voting Common Stock currently is not, and after the reorganization the Bank Non-Voting Common Stock will not, be traded or quoted on any securities exchange.

a corporation, or entity taxable as a corporation, created or organized in or under the laws of the United States or any state thereof or the District of Columbia.

ALL HOLDERS OF COMPANY VOTING COMMON STOCK OR COMPANY NON-VOTING COMMON STOCK SHOULD CONSULT THEIR TAX ADVISORS AS TO THE SPECIFIC TAX CONSEQUENCES TO THEM OF THE REORGANIZATION, INCLUDING THE APPLICABILITY AND EFFECT OF THE ALTERNATIVE MINIMUM TAX AND ANY STATE, LOCAL, FOREIGN, AND OTHER TAX LAWS.

Tax Consequences of the Reorganization

In connection with the completion of the reorganization and based on facts and representations and assumptions regarding factual matters that will be provided by the Company and the Bank and that are consistent with the state of facts that the Company and the Bank believe will be existing as of the effective time of the reorganization, Goodwin Procter LLP is expected to provide an opinion that the reorganization, when consummated in accordance with the terms of the plan of merger, will constitute a “reorganization” within the meaning of Section 368(a) of the Code. The tax opinion to be given in connection with the reorganization will not be binding on the Internal Revenue Service (the “IRS”) or the courts. Neither the Company nor the Bank intends to request any ruling from the IRS as to the U.S. federal income tax consequences of the reorganization. Consequently, no assurance can be given that the IRS will not assert, or that a court would not sustain, a position contrary to any of those set forth below.

The Company expects that the reorganization will be treated as a “reorganization” within the meaning of section 368(a) of the Code, with the tax consequence as described below.

Neither the Company nor the Bank recognize any taxable gain or loss as a result of the reorganization, and each will be a party to a reorganization within the meaning of section 368(a) of the Code.

Company shareholders will receive Bank Voting Common Stock or Bank Non-Voting Common Stock in exchange for all of his, her or its shares of Company Voting Common Stock or Company Non-Voting Common Stock and generally will not recognize any gain or loss.

The shareholder’s aggregate tax basis in the Bank Voting Common Stock or Bank Non-Voting Common Stock received pursuant to the reorganization will equal that shareholder’s aggregate tax basis in the shares of Company Voting Common Stock or shares of Company Non-Voting Common Stock being exchanged.

The tax opinion to be delivered to the Company in connection with the reorganization is not binding on the IRS or the courts, and neither the Company nor the Bank have sought or will seek any ruling from the IRS, regarding any matters relating to the reorganization. Consequently, there can be no assurance that the IRS will not disagree with or challenge any of the conclusions contained in the tax opinion delivered to the Company or the federal income tax consequences of the reorganization described in this proxy statement/offering circular.

Information Reporting

Company shareholders who receive Bank Voting Common Stock or Bank Non-Voting Common Stock as a result of the reorganization will be required to retain records pertaining to the reorganization and will be required to file with their United States federal income tax return for the year in which the reorganization takes place a statement setting forth certain facts relating to the reorganization.

Other Tax Consequences

The state and local tax treatment of the reorganization may not conform to the federal income tax consequences discussed above. Consequently, you should consult your own tax advisors regarding the treatment of the reorganization under state and local tax laws.

The preceding discussion is intended only as a general discussion of material U.S. federal income tax consequences of the reorganization. It is not a complete analysis or discussion of all potential tax effects that may be important to you. Thus, you are strongly encouraged to consult your tax advisor as to the specific tax consequences resulting from the reorganization, including tax return reporting requirements, the applicability and effect of federal, state, local, and other tax laws, and the effect of any proposed changes in tax laws.

Description of Bank CAPITAL STOCK and Comparison of ShareholderS' Rights

The following summary description of the material features of the Bank Voting Common Stock and Bank Non-Voting Common Stock to be issued in the reorganization is qualified in its entirety by reference to the applicable provisions of Maine law and by the Amended and Restated Articles of Incorporation of the Bank and the Amended and Restated Bylaws of the Bank to be adopted in connection with the reorganization. The description of the Company Voting Common Stock in the Company's Registration Statement on Form 8-A/A dated September 10, 2007, including any subsequently filed amendments and reports updating such description, is incorporated herein by reference.

As a result of the reorganization, holders of Company Voting Common Stock will become holders of Bank Voting Common Stock and holders of Company Non-Voting Common Stock will become holders of Bank Non-Voting Common Stock. The rights of shareholders of the Bank will be governed by Maine law, certain federal laws governing banks, and the Bank's Amended and Restated Articles of Incorporation and Amended and Restated Bylaws, which will be adopted in connection with the reorganization. We urge you to read the applicable provisions of the Bank's Amended and Restated Articles of Incorporation and Amended and Restated Bylaws, which are included in Appendix A to this proxy statement/offering circular, carefully and in their entirety.

Copies of the Company's governing documents have been filed with the SEC and copies of the Bank's governing documents will be filed with the FDIC. Copies of the Company's and the Bank's governing documents will be sent free of charge to holders of shares of Company Voting Common Stock and Company Non-Voting Common Stock upon written request prior to the special meeting.

The Amended and Restated Articles of Incorporation and the Amended and Restated Bylaws are substantially similar to the Articles of Incorporation and Bylaws of the Company as in effect immediately prior to the time of the reorganization. Unless otherwise indicated below, there are no material differences between the rights of shareholders of the Company prior to the reorganization and the rights of Bank shareholders following the reorganization.

Authorized Capital Stock

After the reorganization, the authorized capital stock of the Bank will consist of 29,000,000 shares, of which 25,000,000 shares, \$1.00 per value per share, shall be designated as voting common stock, referred to as Bank Voting Common Stock; 3,000,000 shares, \$1.00 per value per share, shall be designated as non-voting common stock, referred to as Bank Non-Voting Common Stock; and 1,000,000 shares, \$1.00 par value, shall be designated as preferred stock. Shares of Bank Non-Voting Common Stock will have all of the same rights and preferences as shares of Bank Voting Common Stock, provided, however, that the shares of Bank Non-Voting Common Stock shall not have voting rights, subject to certain limited exceptions. The Bank Voting Common Stock, together with the Bank

Non-Voting Common Stock, shall be referred to in this section as the “Bank Common Stock”.

The authorized but unissued shares of capital stock of the Bank are available for future issuances without shareholder approval, subject to certain exceptions, and could be utilized for a variety of corporate purposes, including future offerings to raise additional capital and employee benefit plans. Unlike issuances of shares of capital stock of the Company, future issuances of shares of capital stock of the Bank are subject to the approval of the MBFI. Any such future issuances could be dilutive to shareholders at the time of the issuance. The offer and sale of capital stock of the Company is subject to the registration requirements of the Securities Act; conversely, offers and sales of capital stock of the Bank are exempt from those registration requirements. The existence of authorized but unissued and unreserved shares of capital stock could also render more difficult or discourage an attempt to obtain control of the Bank by means of a proxy contest, tender offer, merger or otherwise.

The payment of dividends or distributions by the Company currently are subject to the restrictions set forth in the MBCA applicable to the declaration of dividends or distributions by a Maine corporation. The payment of dividends or distribution by the Bank is also subject to the restrictions set forth in Maine's financial institutions laws and the regulations promulgated by the FDIC and the MBFI. The restrictions set forth in the Maine Banking Code and the regulations promulgated by the FDIC and the MBFI may be more onerous than those set forth in the MBCA.

The shares of Bank Non-Voting Common Stock are non-voting, except that they are entitled to vote as a class on matters that could adversely affect the shares of Bank Non-Voting Common Stock, as specified in the Amended and Restated Articles of Incorporation. The Company Non-Voting Common Stock currently does not, and after the reorganization the Bank Non-Voting Common Stock will not, be traded or quoted on any securities exchange.

Voting; Rights and Privileges. The holders of Bank Non-Voting Common Stock shall have no voting power and shall not be entitled to vote on any matter except as otherwise required by law, including, without limitation, 12 C.F.R. § 225.2(q)(2) and Section 1004(1) of the MBCA (or any successor provision). Bank Non-Voting Common Stock shall in all other respects carry the same rights and privileges as Bank Voting Common Stock (as discussed above) and be treated the same as Bank Voting Common Stock (including in any merger, consolidation, share exchange or other similar transaction).

Conversion; Limitations on Transfer. Shares of Bank Non-Voting Common Stock shall automatically convert into shares of Bank Voting Common Stock solely upon a transfer of such shares of Bank Non-Voting Common Stock to a transferee that is not an affiliate of the transferor for purposes of the Bank Holding Company Act or the Change in Bank Control Act (the “Control Regulations”).

Shares of Bank Non-Voting Common Stock may be transferred solely where such transfer is made (i) to an affiliate of the transferor of such Bank Non-Voting Common Stock for purposes of the Control Regulations, (ii) in a widespread public distribution, (iii) to a transferee that holds or controls more than 50% of any class of voting securities of the Bank (excluding any shares being transferred to such transferee), or (iv) in one or more transactions in which no transferee (or group of transferees whose ownership of the Bank’s securities must be aggregated for purposes of the Control Regulations) receives ownership or control of such securities for purposes of the Control Regulations representing 2% or more of any class of the Bank’s voting securities.

If, at any time a shareholder that is subject to the Bank Holding Company Act or is directly or indirectly “controlled” by a company that is subject to the Bank Holding Company Act holds any Bank Voting Common Stock that, together with the Bank Voting Common Stock of any parties whose Bank Voting Common Stock must be aggregated with those of such entity for purposes of the Bank Holding Company Act, would otherwise represent 10% or more of the total outstanding shares of Voting Common Stock, then the shares of Bank Voting Common Stock in excess of 9.99% of the total number of outstanding shares of Bank Voting Common Stock shall be automatically converted into Bank Non-Voting Common Stock.

Preferred Stock

The board of directors of the Bank is empowered to authorize the issuance, in one or more series, of shares of preferred stock at such times, for such purposes and for such consideration as it may deem advisable without shareholder approval and to fix the designations, voting, conversion, preference and other relative rights, qualifications and limitations of any such series of preferred stock.

The Bank board of directors, without shareholder approval, may authorize the issuance of one or more series of preferred stock with voting and conversion rights which could adversely affect the voting power of the holders of Bank Voting Common Stock and, under certain circumstances, discourage an attempt by others to gain control of the Bank.

The creation and issuance of any series of preferred stock, and the relative rights, designations and preferences of such series, if and when established, will depend upon, among other things, the future capital needs of the Bank, then existing market conditions and other factors that, in the judgment of the Bank’s board of directors, might warrant the issuance of preferred stock.

Board of Directors

Size of Board of Directors. The Amended and Restated Articles of Incorporation and Amended and Restated Bylaws of the Bank provide that the number of directors of the Bank may be set by the board of directors, provided that the total number of directors will not be fewer than five. Currently, the board of directors of the Bank consists of seven directors.

Classified Board. The Amended and Restated Articles of Incorporation of the Bank provide for a classified board of directors, with the directors being divided into three classes, as nearly equal in number as reasonably possible. At each

annual meeting of shareholders, directors elected to succeed those directors whose terms expire shall be elected for a term of office to expire at the third succeeding annual meeting of shareholders after their election.

The provision of the Amended and Restated Articles of Incorporation of the Bank providing for classification of the Bank's board of directors into three (3) separate classes may have certain anti-takeover effects. For example, at least two annual meetings of shareholders may be required for the shareholders to replace a majority of the directors serving on the Bank's board of directors.

Vacancies. Under the Amended and Restated Articles of Incorporation of the Bank, any vacancy on the Bank's board of directors shall be filled solely and exclusively by a majority of the directors then in office, even if less than a quorum is present. Any director so chosen will hold office for the unexpired term of his or her predecessor in office. Any directorship to be filled by reason of an increase in the number of directors may be filled by election by the Bank's board of directors for the remainder of the full term of the class of directors in which the new directorship was created.

Removal of Directors. The Amended and Restated Bylaws of the Bank provide that, at a meeting of shareholders called expressly for such purpose, any director may be removed by the affirmative vote of the holders of 75% of the shares entitled to vote or, if removal is for "cause", by the majority of the shares entitled to vote. The Amended and Restated Articles of Incorporation of the Company limit "cause" to final adjudication by a court of competent jurisdiction that the director is (i) liable for negligence or misconduct in the performance of his duty, (ii) guilty of a felony conviction or (iii) has failed to act or has acted in a manner which is in derogation of the director's duties.

Anti-Takeover Provisions

Certain provisions of the MBCA, federal and state banking laws, and the Amended and Restated Articles of Incorporation and Amended and Restated Bylaws of the Bank may discourage attempts to acquire control of the Bank that the majority of the bank's shareholders may determine was in their best interest. The provisions also may render the removal of one or all directors more difficult or deter or delay corporate changes of control that the Bank board of directors does not approve.

Table of Contents

Special Meeting of Shareholders

The Amended and Restated Bylaws of the bank provide that special meetings of the Bank's shareholders may be called only by (i) the Chairman of the board of directors, (ii) the president, (iii) a majority of the board of directors, or (iv) upon the written request of the holders of at least twenty-five percent (25%) of the shares entitled to vote at the meeting. The existing Bylaws of the Company also permitted special meetings of the Company's shareholders to be called by any vice-president of the Company.

Advance Notice Requirements for Director Nominations

Under the Amended and Restated Bylaws of the Bank, shareholder proposals may be brought before an annual meeting if such proposal is provided in writing to the Bank not later than the close of business on the 90th day nor earlier than the 120th day prior to the one-year anniversary of the preceding year's annual meeting. If an annual meeting is first convened more than 30 days before or more than 60 days after such anniversary date, or if no annual meeting was held in the preceding year, written notice must be received by the Bank not later than the close of business on the later of the 90th day prior to the scheduled meeting or the 10th day following the day on which public announcement of such meeting date is first made. The shareholder's written notice must contain detailed information relating to the proposal or proposals, as well as information relating to the shareholder submitting such proposal or proposals and certain related persons, as described in Article I, Section 6 of the Amended and Restated Bylaws.

Amendments to the Bank's Articles of Incorporation and Bylaws

The Amended and Restated Articles of Incorporation of the Bank may be amended by the affirmative vote of the holders of at least two-thirds of all shares entitled to vote for the election of directors.

The Amended and Restated Bylaws of the Bank may be amended by the majority of the entire board of directors, subject to repeal or change by a vote of the holders of two-thirds of the shares entitled to vote on the matter at a meeting expressly called for such purpose.

Amendments to the Amended and Restated Articles of Incorporation or Amended and Restated Bylaws of the Bank are subject to any applicable notice periods of or approval by the FDIC or the MBFI. Amendments to the existing Articles of Incorporation or Bylaws of the Company are not subject to similar regulatory approvals.

Indemnification of Directors, Officers and Employees

Under the Amended and Restated Bylaws of the Bank, the Bank shall indemnify any director or officer against all expenses and liabilities incurred or paid by such director or officer in connection with any proceeding, or any claim, issue or matter in such proceeding, which such director or officer is, or is threatened to be made a party to or participant in by reason of such director or officer's service as an officer or director of the Bank or as a partner, trustee, officer, employee or agent of any other entity if serving at the Bank's request ("corporate status") if such director or officer acted in good faith and in a manner reasonably believed, in the case of conduct in such person's official capacity, to be in the best interests of the Bank or, in all other cases, that such person's conduct was not opposed to the best interests of the Bank and, with respect to any criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful. The Bank shall not, however, indemnify any director or officer with respect to any liability for conduct for which such director or officer was adjudged liable on the basis that he or she received a financial benefit to which he or she was not entitled, whether or not involving action in such director or officer's official capacity.

In addition, the Bank shall indemnify any director or officer with respect to any derivative action, by or in the right of the Bank, against expenses (including attorneys' fees) incurred by such person, provided that the person acted in good faith and in a manner reasonably believed, in the case of conduct in such person's official capacity, to be in the best interests of the Bank or, in all other cases, that such person's conduct was not opposed to the best interests of the Bank. The Bank shall not, however, indemnify any person with respect to any claim, issue or matter as to which that person is finally adjudged by a court of competent jurisdiction to be liable to the Bank unless, and only to the extent that, another court in which such proceeding was brought determines that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses which such court shall deem proper.

Table of Contents

Under the Amended and Restated Bylaws, the Bank may, at the discretion of its board of directors, indemnify any non-officer employee with respect to any proceeding, or any claim, issue or matter in such proceeding, which such non-officer employee is, or is threatened to be made a party to or participant in by reason of such non-officer employee's corporate status, provided that the person acted in good faith and in a manner reasonably believed, in the case of conduct in such person's official capacity, to be in the best interests of the Bank or, in all other cases, that such person's conduct was not opposed to the best interests of the Bank and, with respect to any criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful.

The Amended and Restated Bylaws provide that any indemnification shall be made by the Bank only as authorized in the specific case upon a determination that indemnification of the director, officer or employee is proper in the circumstances because he or she has met the applicable standard of conduct described above, as determined by (i) a majority vote of the disinterested directors, (ii) a majority of a committee comprised of disinterested directors, such committee having been designated by a majority vote of the disinterested directors, (iii) if there are fewer than two such disinterested directors, or if a majority of disinterested directors so directs, by independent legal counsel in a written opinion, or (iv) by the Bank's shareholders.

The Amended and Restated Bylaws provide that the Bank shall advance all expenses incurred by or on behalf of any director in connection with any proceeding in which such director is involved by reason of such director's corporate status within 30 days after the receipt by the Bank of a written statement from such director requesting such advance, whether prior to or after final disposition of such proceeding. Such statement or statements shall reasonably evidence the expenses incurred by such director and shall be preceded or accompanied by (i) a written affirmation of such director's good faith belief that he or she has met the relevant standard of conduct and (ii) an undertaking by or on behalf of such director to repay any expenses so advanced if it shall ultimately be determined that such director is not entitled to be indemnified against such expenses.

The Amended and Restated Bylaws also provide that the Bank may, at the discretion of the Bank's board of directors, advance any or all expenses incurred by or on behalf of any officer or any non-officer employee in connection with any proceeding in which such person is involved by reason of his or her corporate status as an officer or non-officer employee upon the receipt by the Bank of a statement from such officer or non-officer employee requesting such advance or advances from time to time, whether prior to or after final disposition of such proceeding. Such statement shall reasonably evidence the expenses incurred by such officer or non-officer employee and shall be preceded or accompanied by (i) a written affirmation of such officer's or non-officer employee's good faith belief that he or she has met the relevant standard of conduct and (ii) an undertaking by or on behalf of such person to repay any expenses so advanced if it shall ultimately be determined that such officer or non-officer employee is not entitled to be indemnified against such expenses.

Elimination of Certain Liabilities of Directors

Pursuant to the Amended and Restated Articles of Incorporation of the Bank, a director of the Bank shall not be personally liable to the corporation or its shareholders for money damages for any actions taken, or failure to take action, as a director, except for liability for: (i) the amount of a financial benefit received by a director to which he is not entitled; (ii) an intentional infliction of harm on the Bank or its shareholders; (iii) a violation of Section 833 of the MBCA; or (iv) an intentional violation of criminal law.

Second The name of its Clerk, a noncommercial Clerk, who must be a Maine resident, and the address of its initial registered office shall be:

500 Canal Street, Lewiston, Maine 04240

Third Pursuant to Me. Rev. Stat. Title 5, Section 108.3, the Clerk listed above has consented to serve as the Clerk for this bank.

Fourth SHARES

(a) The total number of shares of all classes of stock that the bank shall have authority to issue is 29,000,000, of which 25,000,000 shares, \$1.00 par value, shall be a separate class designated as Voting Common Stock (“**Voting Common Stock**”); 3,000,000 shares, \$1.00 par value, shall be a separate class designated as Non-Voting Common Stock (“**Non-Voting Common Stock**,” and together with Voting Common Stock, “**Common Stock**”); and 1,000,000 shares, \$1.00 par value, shall be a separate class designated as Preferred Stock (“**Preferred Stock**”).

(b) Common Stock

(i) Common Stock may be issued by the bank from time to time by vote of the Board of Directors without the approval of the holders of the Common Stock. Upon payment of lawful consideration, such shares shall be deemed fully paid and nonassessable. Dividends, as declared by the Board of Directors out of lawfully available funds, shall be payable on the Common Stock subject to any rights or preferences of the Preferred Stock.

(ii) Except as may be provided in these Amended and Restated Articles of Incorporation or required by law and subject to the rights, powers and preferences of the Preferred Stock and except as provided in any articles of amendment designating any series of Preferred Stock, the Voting Common Stock shall have exclusive voting rights in the election of directors and on all other matters presented to shareholders, with each holder of Voting Common Stock being entitled to one vote for each share of Voting Common Stock held of record by such holder on such matters.

(iii) The holders of Non-Voting Common Stock, as such, shall have no voting power and shall not be entitled to vote on any matter except as otherwise required by law, including, without limitation, Section 1004(1) of the Maine Business Corporation Act (Me. Rev. Stat. Title 13-C) or any successor provision (“**MBCA**”), or as otherwise expressly provided for herein. Except as otherwise provided herein, Non-Voting Common Stock shall in all other respects carry the same rights and privileges as Voting Common Stock (including in respect of dividends and in respect of distributions upon any dissolution, liquidation or winding up of the bank) and be treated the same as Voting Common Stock (including in any merger, consolidation, share exchange or other similar transaction); provided that, if the bank shall in any manner split, subdivide or combine (including by way of a dividend payable in shares of Voting Common Stock or Non-Voting Common Stock) the outstanding shares of Voting Common Stock or Non-Voting Common Stock, the outstanding shares of the other such class of Common Stock shall likewise be split, subdivided or combined in the same manner proportionately and on the same basis per share, and provided further, that any dividend on the Common Stock that is payable in Common Stock shall be paid only in Non-Voting Common Stock on the Non-Voting Common Stock and only in Voting Common Stock on the Voting Common Stock.

Table of Contents

(iv) Subject to the rights of the holders of any series of Preferred Stock, if any, holders of Common Stock shall be entitled to receive such dividends and distributions (whether payable in cash or otherwise) as may be declared on the Common Stock from time to time out of assets or funds of the bank legally available therefor. Subject to the rights of the holders of any series of Preferred Stock, if any, in the event of any liquidation, dissolution or winding-up of the bank (whether voluntary or involuntary), the assets of the bank available for distribution to shareholders shall be distributed in equal amounts per share to the holders of Common Stock.

(v) If, at any time a BHC Entity (as defined below) holds any Voting Common Stock that, together with the Voting Common Stock of any parties whose Voting Common Stock must be aggregated with those of such BHC Entity (a “**BHC Aggregated Interest**”) for purposes of the Bank Holding Company Act of 1956, as amended (the “**BHC Act**”), would otherwise represent 5% or more of the total outstanding shares of Voting Common Stock, then the shares of Voting Common Stock comprising such BHC Aggregated Interest held directly by a BHC Entity that represent in excess of 4.99% of the total number of outstanding shares of Voting Common Stock shall be automatically converted into Non-Voting Common Stock and such BHC Entity and any successor to or assignee of such Non-Voting Common Stock held by such BHC Entity shall be prohibited from voting such Non-Voting Common Stock, except to the extent otherwise expressly provided in these Amended and Restated Articles of Incorporation. In the event that a BHC Entity holds a number of shares of Voting Common Stock such that the conversion of shares of Voting Common Stock into shares of Non-Voting Common Stock pursuant to this paragraph would not decrease the BHC Aggregated Interest of such BHC Entity below 5% of the total number of outstanding shares of Voting Common Stock, then the shares of Voting Common Stock held by each shareholder whose Voting Common Stock is included in the BHC Aggregated Interest shall be converted, on a pro rata basis as among such shareholders (including the BHC Entity), into shares of Non-Voting Common Stock such that the BHC Aggregated Interest of such BHC Entity shall represent less than 5% of the total number of outstanding shares of Voting Common Stock. For purposes of this Article Fourth, “**BHC Entity**” means a shareholder that (a) is subject to the BHC Act or is directly or indirectly “controlled” (as the term is defined in the BHC Act) by a company that is subject to the BHC Act, and (b) so indicates in writing to the bank that such holder elects to be subject to this paragraph of Article Fourth. A BHC Entity may at any time elect to no longer be governed by the provisions of this paragraph by providing written notice to the bank; provided, however, that any shares of Voting Common Stock automatically converted to Non-Voting Common Stock by operation of this paragraph of Article Fourth prior to the bank’s receipt of such notice shall remain Non-Voting Common Stock unless otherwise expressly provided herein.

(vi) If any holder of Voting Common Stock that elects to be governed by this paragraph of Article Fourth (an “**Electing Section 13 Holder**”), after having obtained the consent of the board of directors of the bank to make such election, at any time holds any Voting Common Stock that, together with the Voting Common Stock of any parties whose Voting Common Stock is deemed to be beneficially owned by such holder (the “**Section 13(d) Aggregated Interest**”) by virtue of Section 13, including without limitation Section 13(d)(3), of the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), would otherwise represent 5% or more of the total outstanding shares of Voting Common Stock, then shares of Voting Common Stock comprising such Section 13(d) Aggregated Interest held directly by an Electing Section 13 Holder that represent in excess of 4.99% of the total number of outstanding shares of Voting Common Stock shall be automatically converted into Non-Voting Common Stock and such Electing Section 13 Holder and any successor to or assignee of such Non-Voting Common Stock held by such Electing Section 13 Holder shall be prohibited from voting such Non-Voting Common Stock, except to the extent otherwise expressly provided in these Amended and Restated Articles of Incorporation. In the event that an Electing Section 13 Holder holds a number of shares of Voting Common Stock such that the conversion of shares of Voting Common Stock into

shares of Non-Voting Common Stock pursuant to this paragraph would not decrease the Section 13(d) Aggregated Interest of such Electing Section 13 Holder below 5% of the total number of outstanding shares of Voting Common Stock, then the shares of Voting Common Stock held by each shareholder whose Voting Common Stock is included in the Section 13(d) Aggregated Interest shall be converted, on a pro rata basis as among such shareholders (including the Electing Section 13 Holder), into shares of Non-Voting Common Stock such that the Section 13(d) Aggregated Interest of such Electing Section 13 Holder shall represent less than 5% of the total number of outstanding shares of Voting Common Stock. An Electing Section 13 Holder may at any time elect to no longer be governed by the provisions of this paragraph by providing written notice to the bank; provided; however, that any shares of Voting Common Stock automatically converted to Non-Voting Common Stock by operation of this paragraph of Article Fourth prior to the bank's receipt of such notice shall remain Non-Voting Common Stock unless otherwise expressly provided herein.

Table of Contents

(vii) If, at any time any holder of Voting Common Stock electing to be governed by this paragraph of Article Fourth (an “**Electing CIBC Holder**”) holds any Voting Common Stock that, together with the Voting Common Stock of any parties whose Voting Common Stock must be aggregated with those of such holder (a “**CIBC Aggregated Interest**”) for purposes of the BHC Act or the Change in Bank Control Act (the “**Control Regulations**”), would otherwise represent 10% or more of the total outstanding shares of Voting Common Stock, then the shares of Voting Common Stock comprising such CIBC Aggregated Interest held directly by an Electing CIBC Holder that represent in excess of 9.99% of the total number of outstanding shares of Voting Common Stock shall be automatically converted into Non-Voting Common Stock and such Electing CIBC Holder and any successor to or assignee of such Non-Voting Common Stock held by such CIBC Holder shall be prohibited from voting such Non-Voting Common Stock, except to the extent otherwise expressly provided in these Amended and Restated Articles of Incorporation. In the event that an Electing CIBC Holder holds a number of shares of Voting Common Stock such that the conversion of shares of Voting Common Stock into shares of Non-Voting Common Stock pursuant to this paragraph would not decrease the CIBC Aggregated Interest of such an Electing CIBC Holder below 10% of the total number of outstanding shares of Voting Common Stock, then the shares of Voting Common Stock held by each shareholder whose Voting Common Stock is included in the CIBC Aggregated Interest shall be converted, on a pro rata basis among such shareholders (including the Electing CIBC Holder), into shares of Non-Voting Common Stock such that the Aggregated CIBC Interest of such Electing CIBC Holder shall represent less than 10% of the total number of outstanding shares of Voting Common Stock. Such holder may at any time elect to no longer be governed by the provisions of this paragraph by providing written notice to the bank; provided; however, that any shares of Voting Common Stock automatically converted to Non-Voting Common Stock by operation of this paragraph of Article Fourth prior to the bank’s receipt of such notice shall remain Non-Voting Common Stock unless otherwise expressly provided herein.

(viii) Notwithstanding any provision herein to the contrary, shares of Non-Voting Common Stock shall be entitled to vote with respect to matters as to which shares of Non-Voting Common Stock are otherwise permitted to vote pursuant to 12 C.F.R. § 225.2(q)(2) and Section 1004(1) of the MBCA, as in effect from time to time, or any successor provisions thereto. Notwithstanding any provision herein to the contrary, shares of Non-Voting Common Stock shall remain Non-Voting Common Stock in the hands of the holder thereof and shall automatically convert into shares of Voting Common Stock solely upon a transfer of such shares of Non-Voting Common Stock solely as permitted herein to a transferee that is not an affiliate of the transferor for purposes of the Control Regulations.

(ix) Shares of Non-Voting Common Stock may be transferred, and the bank shall recognize such transfer, solely where such transfer is made (i) to an affiliate of the transferor of such Non-Voting Stock for purposes of the Control Regulations, (ii) in a widespread public distribution, (iii) to a transferee that holds or controls more than 50% of any class of voting securities of the bank (not including such shares of Non-Voting Common Stock or shares of Voting Common Stock or other voting securities of the bank that the transferor or any affiliate of the transferor is proposing to transfer to such transferee), or (iv) in one or more transactions in which no transferee (or group of transferees whose ownership of the bank’s securities must be aggregated for purposes of the Control Regulations) receives ownership or control of such securities for purposes of the Control Regulations representing 2% or more of any class of the bank’s voting securities.

(x) Until presented and surrendered for cancellation following any such conversion, each certificate representing shares of Voting Common Stock in respect of which a conversion has occurred in accordance with this Article Fourth

shall be deemed to represent the number of shares of Non-Voting Common Stock into which such shares have been converted, and upon presentation and surrender of such certificate the holder thereof shall be entitled to receive a certificate for the appropriate number of shares of Non-Voting Common Stock. Upon a conversion pursuant to this Article Fourth, each converted share of Voting Common Stock shall be retired.

(xi) Until presented and surrendered for cancellation following any such conversion, each certificate representing shares of Non-Voting Common Stock in respect of which a conversion has occurred in accordance with this Article Fourth shall be deemed to represent the number of shares of Voting Common Stock into which such shares have been converted, and upon presentation and surrender of such certificate the holder thereof shall be entitled to receive a certificate for the appropriate number of shares of Voting Common Stock. Upon a conversion pursuant to this Article Fourth, each converted share of Non-Voting Common Stock shall be retired.

(c) Preferred Stock. The Board of Directors or any authorized committee thereof is expressly authorized, to the fullest extent permitted by law, to provide for the issuance of the shares of Preferred Stock in one or more series of such stock, and by filing articles of amendment pursuant to applicable law of the State of Maine, to determine from time to time the number of shares of each such series, and to fix the designations, powers, including voting powers, full or limited, or no voting powers, preferences and the relative, participating, optional or other special rights of the shares of each series, including any variations among holders of the same series, and any qualifications, limitations and restrictions thereof.

(d) Upon any liquidation, dissolution or winding up of the affairs of the bank, whether voluntary or involuntary, holders of Common Stock are entitled to receive pro rata the remaining assets of the bank after the holders of Preferred Stock have been paid in full any sums to which they may be entitled.

(e) There shall be no cumulative voting for directors or otherwise.

Fifth The bank will have a Board of Directors.

Sixth BOARD OF DIRECTORS

(a) The number of directors of the bank shall be at least five (5) directors, and such number shall otherwise be fixed solely and exclusively by resolution duly adopted from time to time by the Board of Directors. The directors, except as otherwise provided for those who may be elected by the holders of any series of Preferred Stock, shall be classified, with respect to the term for which they severally hold office, into three classes, as nearly equal in number as reasonably possible. The initial Class I directors of the bank shall be Robert R. Glauber and Richard Wayne; the initial Class II directors of the bank shall be Matthew B. Botein and Cheryl Lynn Dorsey; and the initial Class III directors of the bank shall be John C. Orestis, David A. Tanner, and Judith E. Wallingford. The initial Class I directors shall serve for a term expiring at the annual meeting of shareholders to be held in 2020; the initial Class II directors shall serve for a term expiring at the annual meeting of shareholders to be held in 2021; and the initial Class III directors shall serve for a term expiring at the annual meeting of shareholders to be held in 2019. At each annual meeting of shareholders, directors elected to succeed those directors whose terms expire shall be elected for a term of office to expire at the third succeeding annual meeting of shareholders after their election. The shareholders may remove a director only for cause, if such shareholder action is undertaken in a manner consistent with the MBCA. Notwithstanding the foregoing, the directors elected to each class shall hold office until their successors are duly elected and qualified or until their earlier resignation, death or removal.

(b) Notwithstanding the foregoing, whenever, pursuant to the provisions of Article Fourth of these Amended and Restated Articles of Incorporation, the holders of any one or more series of Preferred Stock shall have the right, voting separately as a series or together with holders of other such series, to elect directors at an annual or special meeting of shareholders, the election, term of office, filling of vacancies and other features of such directorships shall be governed by the terms of these Amended and Restated Articles of Incorporation and any articles of amendment

applicable thereto.

Seventh There are no preemptive rights.

Eighth The purpose of this bank is to conduct the business of a financial institution as limited by the Maine Revised Statutes, Title 9-B or any rules, orders or certificates under Title 9B.

Ninth INTERNAL AFFAIRS OF THE CORPORATION

(a) Removal of Directors. At any meeting of shareholders called expressly for the purpose, any director may be removed from office by the affirmative vote of the holders of 75% of the shares entitled to vote or if removal is for cause, then by a majority of the shares then entitled to vote. For "cause" shall mean a final adjudication by a court of competent jurisdiction that the director (i) is liable for negligence or misconduct in the performance of his or her duty, (ii) guilty of a felony conviction, (iii) has failed to act or has acted in a manner which is in derogation of the director's duties.

(b) Vacancies. Any vacancy in the Board of Directors caused by death, resignation, retirement, disqualification, removal, or other cause, including a vacancy resulting from an increase in the number of directors, may be filled solely by a majority vote of the remaining directors, though less than a quorum. Any director appointed in accordance with the preceding sentence shall hold office for the remainder of the full term of the class of directors in which the new directorship was created or the vacancy occurred and until such director's successor shall have been duly elected and qualified or until his or her earlier resignation, death or removal.

(b) Any repeal or modification of this Article Eleventh by either of (i) the shareholders of the bank or (ii) an amendment to the MBCA, shall not adversely affect any right or protection existing at the time of such repeal or modification with respect to any acts or omissions occurring before such repeal or modification of a person serving as a director at the time of such repeal or modification.

Section 2 Indemnification of Directors and Officers. Subject to the operation of Article X, Section 4, each Director and Officer shall be indemnified and held harmless by the Bank to the fullest extent authorized by the MBCA, as the same exists or may hereafter be amended (but, in the case of any such amendment, only to the extent that such amendment permits the Bank to provide broader indemnification rights than such law permitted the Bank to provide prior to such amendment), but only to the extent permitted under applicable federal banking laws and regulations, including without limitation, 12 U.S.C. Section 1828(k) and the regulations issued thereunder by the Federal Deposit Insurance Corporation (the “FDIC”), and to the extent authorized in this Article X, Section 2.

(a) Actions, Suits and Proceedings Other than By or In the Right of the Bank. Each Director and Officer shall be indemnified and held harmless by the Bank against any and all Expenses and Liabilities that are incurred or paid by such Director or Officer or on such Director’s or Officer’s behalf in connection with any Proceeding or any claim, issue or matter therein (other than an action by or in the right of the Bank), which such Director or Officer is, or is threatened to be made, a defendant or respondent to or in by reason of such Director’s or Officer’s Corporate Status, if (A) such Director or Officer acted in good faith and in a manner such Director or Officer reasonably believed, in the case of conduct in such person’s official capacity, to be in the best interests of the Bank, or, in all other cases, that such person’s conduct was not opposed to the best interests of the Bank, and, with respect to any criminal proceeding, had

no reasonable cause to believe his or her conduct was unlawful, or (B) such Director or Officer engaged in conduct for which broader indemnification has been made permissible or obligatory under the Bank's Articles of Incorporation as authorized by Section 202(2)(E) of the MBCA, provided that (i) the Bank shall not indemnify any Director or Officer with respect to any Liability for conduct for which such Director or Officer was adjudged liable on the basis that such Director or Officer received a financial benefit to which such Director or Officer was not entitled, whether or not involving action in such Director or Officer's official capacity, and (ii) the Bank shall not indemnify any Officer with respect to any Liability for which such Officer was adjudged liable on the basis that such Officer intentionally inflicted harm on the Bank or its shareholders or intentionally violated a criminal law. The conduct of a Director or Officer with respect to an employee benefit plan for a purpose the Director or Officer reasonably believed to be in the best interests of the participants in, and the beneficiaries of, the plan is conduct that satisfies clause (A) of the preceding sentence.

(b) Actions, Suits and Proceedings By or In the Right of the Bank. Each Director and Officer shall be indemnified and held harmless by the Bank against any and all Expenses that are incurred by such Director or Officer or on such Director's or Officer's behalf in connection with any Proceeding or any claim, issue or matter therein by or in the right of the Bank, which such Director or Officer is, or is threatened to be made, a defendant or respondent to or in by reason of such Director's or Officer's Corporate Status, if (A) such Director or Officer acted in good faith and in a manner such Director or Officer reasonably believed, in the case of conduct in such person's official capacity, to be in the best interests of the Bank, or, in all other cases, that such person's conduct was not opposed to the best interests of the Bank, or (B) such Director or Officer engaged in conduct for which broader indemnification has been made permissible or obligatory under the Bank's Articles of Incorporation as authorized by Section 202(2)(E) of the MBCA. The conduct of a Director or Officer with respect to an employee benefit plan for a purpose the Director or Officer reasonably believed to be in the best interests of the participants in, and the beneficiaries of, the plan is conduct that satisfies clause (A) of the preceding sentence. No indemnification shall be made under this this Article X, Section 2(b) in respect of any claim, issue or matter as to which such Director or Officer shall have been finally adjudged by a court of competent jurisdiction to have not satisfied the standard of conduct in the preceding sentence, unless otherwise so ordered by a court of competent jurisdiction.

(c) Survival of Rights. The rights of indemnification provided by this Article X, Section 2 shall continue as to a Director or Officer after he or she has ceased to be a Director or Officer and shall inure to the benefit of his or her heirs, executors, administrators and personal representatives.

(d) Actions by Directors or Officers. Notwithstanding the foregoing, the Bank shall indemnify any Director or Officer seeking indemnification in connection with a Proceeding initiated by such Director or Officer only if such Proceeding (including any parts of such Proceeding not initiated by such Director or Officer) was authorized in advance by the Board of Directors of the Bank, unless such Proceeding was brought to enforce an Officer or Director's rights to indemnification or, in the case of Directors, advancement of Expenses under these By-laws in accordance with the provisions set forth herein.

Section 3 Indemnification of Non-Officer Employees. Subject to the operation of Article X, Section 4, each Non-Officer Employee may, in the discretion of the Board of Directors of the Bank, be indemnified by the Bank to the fullest extent authorized by the MBCA, as the same exists or may hereafter be amended, but only to the extent permitted under applicable federal banking laws and regulations, including without limitation, 12 U.S.C. Section 1828(k) and the regulations issued thereunder by the FDIC, against any or all Expenses and Liabilities that are incurred by such Non-Officer Employee or on such Non-Officer Employee's behalf in connection with any threatened, pending or completed Proceeding, or any claim, issue or matter therein, which such Non-Officer Employee is, or is threatened to be made, a defendant or respondent to or in by reason of such Non-Officer Employee's Corporate Status, if (A) such Non-Officer Employee acted in good faith and in a manner such Non-Officer Employee reasonably believed, in the case of conduct in such person's official capacity, to be in the best interests of the Bank, or, in all other cases, that such person's conduct was not opposed to the best interests of the Bank, and, with respect to any criminal proceeding, had no reasonable cause to believe his or her conduct was unlawful or (B) such Non-Officer Employee engaged in conduct for which broader indemnification has been made permissible or obligatory under the Bank's Articles of Incorporation as authorized by Section 202(2)(E) of the MBCA, provided that (i) the Bank shall not indemnify any Non-Officer Employee with respect to any Liability for conduct for which such Non-Officer Employee

was adjudged liable on the basis that such Non-Officer Employee received a financial benefit to which such Non-Officer Employee was not entitled, whether or not involving action in such Non-Officer Employee's official capacity and (ii) the Bank shall not indemnify any Non-Officer Employee with respect to any Liability for which such Non-Officer Employee was adjudged liable on the basis that such Non-Officer Employee intentionally inflicted harm on the Bank or its shareholders or intentionally violated a criminal law. The rights of indemnification provided by this Article X, Section 3 shall exist as to a Non-Officer Employee after he or she has ceased to be a Non-Officer Employee and shall inure to the benefit of his or her heirs, personal representatives, executors and administrators. The conduct of a Non-Officer Employee with respect to an employee benefit plan for a purpose the Non-Officer Employee reasonably believed to be in the best interests of the participants in, and the beneficiaries of, the plan is conduct that satisfies clause (A) of the first sentence of this Article X, Section 3. Notwithstanding the foregoing, the Bank may indemnify any Non-Officer Employee seeking indemnification in connection with a Proceeding initiated by such Non-Officer Employee only if such Proceeding was authorized in advance by the Board of Directors of the Bank.

Section 4 Determination. Unless ordered by a court, no indemnification shall be provided pursuant to this Article X to a Director, to an Officer or to a Non-Officer Employee unless a determination shall have been made that such person acted in accordance with the applicable standards of conduct set forth herein. Such determination shall be made (a) if there are two or more Disinterested Directors, by a majority vote of the Disinterested Directors, by a majority of whom for this purpose constitutes a quorum, (b) if there are two or more Disinterested Directors, by a majority of a committee comprised of two or more Disinterested Directors, such committee having been designated by a majority vote of the Disinterested Directors, (c) if there are two or more Disinterested Directors and a majority of Disinterested Directors so directs in accordance with clause (a) or (b) above, by independent legal counsel in a written opinion, (d) if there are fewer than two Disinterested Directors and a majority of the Board of Directors so directs, by independent legal counsel in a written opinion, or (e) by the shareholders of the Bank (provided that shares owned or voted under the control of a Director who is not a Disinterested Director may not be voted on such action).

Section 5 Advancement of Expenses to Directors Prior to Final Disposition.

(a) The Bank shall advance all Expenses incurred by or on behalf of any Director in connection with any Proceeding in which such Director is involved by reason of such Director's Corporate Status within 30 days after the receipt by the Bank of a written statement from such Director requesting such advance or advances from time to time, whether prior to or after final disposition of such Proceeding. Such statement or statements shall reasonably evidence the Expenses incurred by such Director and shall be preceded or accompanied by (i) a written affirmation of such Director's good faith belief that he or she has met the relevant standard of conduct described in Article X, Section 2(a) or that the Proceeding involves conduct for which liability has been eliminated under a provision of the Bank's Articles of Incorporation to the extent permitted by law and (ii) an undertaking by or on behalf of such Director to repay any Expenses so advanced if it shall ultimately be determined that such Director is not entitled to be indemnified against such Expenses. Notwithstanding the foregoing, the Bank shall advance all Expenses incurred by or on behalf of any Director seeking advancement of expenses hereunder in connection with a Proceeding initiated by such Director only if such Proceeding (including any parts of such Proceeding not initiated by such Director) was (i) authorized by the Board of Directors of the Bank, or (ii) brought to enforce such Director's rights to indemnification or advancement of Expenses under these By-laws.

(b) If a claim for advancement of Expenses hereunder by a Director is not paid in full by the Bank within 30 days after receipt by the Bank of documentation of Expenses and the required undertaking, such Director may at any time thereafter bring suit against the Bank to recover the unpaid amount of the claim and if successful in whole or in part, such Director shall also be entitled to be paid the expenses of prosecuting such claim.

(c) In any suit brought by the Bank to recover an advancement of expenses pursuant to the terms of an undertaking, the Bank shall be entitled to recover such expenses upon a final adjudication that the Director has not met any applicable standard for indemnification set forth in the MBCA or applicable federal banking laws and regulations, including without limitation, 12 U.S.C. Section 1828(k) and the regulations issued thereunder by the FDIC.

Section 6 Advancement of Expenses to Officers and Non-Officer Employees Prior to Final Disposition.

(a) The Bank may, at the discretion of the Board of Directors of the Bank, advance any or all Expenses incurred by or on behalf of any Officer or any Non-Officer Employee in connection with any Proceeding in which such person is involved by reason of his or her Corporate Status as an Officer or Non-Officer Employee upon the receipt by the Bank of a statement or statements from such Officer or Non-Officer Employee requesting such advance or advances from time to time, whether prior to or after final disposition of such Proceeding. Such statement or statements shall reasonably evidence the Expenses incurred by such Officer or Non-Officer Employee and shall be preceded or accompanied by (i) a written affirmation of such Officer's or Non-Officer Employee's good faith belief that he or she has met the relevant standard of conduct described in Article X, Section 2(a) and (ii) an undertaking by or on behalf of such person to repay any Expenses so advanced if it shall ultimately be determined that such Officer or Non-Officer

Employee is not entitled to be indemnified against such Expenses.

(b) In any suit brought by the Bank to recover an advancement of expenses pursuant to the terms of an undertaking, the Bank shall be entitled to recover such expenses upon a final adjudication that the Officer or Non-Officer Employee has not met any applicable standard for indemnification set forth in the MBCA or applicable federal banking laws and regulations, including without limitation, 12 U.S.C. Section 1828(k) and the regulations issued thereunder by the FDIC.

Section 7 Contractual Nature of Rights.

(a) The provisions of this Article X shall be deemed to be a contract between the Bank and each Director and Officer entitled to the benefits hereof at any time while this Article X is in effect, in consideration of such person's past or current and any future performance of services for the Bank. Neither amendment, repeal or modification of any provision of this Article X nor the adoption of any provision of the Articles of Incorporation inconsistent with this Article X shall eliminate or reduce any right conferred by this Article X in respect of any act or omission occurring, or any cause of action or claim that accrues or arises or any state of facts existing, at the time of or before such amendment, repeal, modification or adoption of an inconsistent provision (even in the case of a proceeding based on such a state of facts that is commenced after such time), and all rights to indemnification and advancement of Expenses granted herein or arising out of any act or omission shall vest at the time of the act or omission in question, regardless of when or if any proceeding with respect to such act or omission is commenced. The rights to indemnification and to advancement of expenses provided by, or granted pursuant to, this Article X shall continue notwithstanding that the person has ceased to be a director or officer of the Bank and shall inure to the benefit of the estate, heirs, executors, administrators, legatees and distributees of such person.

(b) If a claim for indemnification hereunder by a Director or Officer is not paid in full by the Bank within 60 days after receipt by the Bank of a written claim for indemnification, such Director or Officer may at any time thereafter bring suit against the Bank to recover the unpaid amount of the claim, and if successful in whole or in part, such Director or Officer shall also be entitled to be paid the expenses of prosecuting such claim. The failure of the Bank (including its Board of Directors or any committee thereof, independent legal counsel, or shareholders) to make a determination concerning the permissibility of such indemnification under this Article X shall not be a defense to an action brought by a Director or Officer for recovery of the unpaid amount of an indemnification claim and shall not create a presumption that such indemnification is not permissible. The burden of proving that a Director or Officer is not entitled to indemnification shall be on the Bank.

(c) In any suit brought by a Director or Officer to enforce a right to indemnification hereunder, it shall be a defense that such Director or Officer has not met any applicable standard for indemnification set forth in the MBCA or applicable federal banking laws and regulations, including without limitation, 12 U.S.C. Section 1828(k) and the regulations issued thereunder by the FDIC.

Section 8 Non-Exclusivity of Rights. The rights to indemnification and to advancement of Expenses set forth in this Article X shall not be exclusive of any other right which any Director, Officer, or Non-Officer Employee may have or hereafter acquire under any statute, provision of the Articles of Incorporation or these By-laws, agreement, vote of shareholders or Disinterested Directors or otherwise.

Section 9 Insurance. The Bank may maintain insurance, at its expense, to protect itself and any Director, Officer or Non-Officer Employee against any liability of any character asserted against or incurred by the Bank or any such

Director, Officer or Non-Officer Employee, or arising out of any such person's Corporate Status, whether or not the Bank would have the power to indemnify such person against such liability under the MBCA or the provisions of this Article X.

Other Indemnification. The Bank's obligation, if any, to indemnify or provide advancement of Expenses to any person under this Article X as a result of such person serving, at the request of the Bank, as a director, partner, trustee, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise shall be reduced by any amount such person may collect as indemnification or advancement of Expenses from such other corporation, partnership, joint venture, trust, employee benefit plan or enterprise (the "**Primary Indemnitor**"). Any indemnification or advancement of Expenses under this Article X owed by the Bank as a result of a person serving, at the request of the Bank, as a director, partner, trustee, officer, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other enterprise shall only be in excess of, and shall be secondary to, the indemnification or advancement of Expenses available from the applicable Primary Indemnitor(s) and any applicable insurance policies.

Section 4 If, as a consequence of an emergency, the President of the Bank cannot be located or is unable to assume and continue his or her normal executive duties, then his or her powers and duties shall, without further action of the Board of Directors, be assumed by one of the following officers in the seniority set forth:

Section 5 If, as a consequence of an emergency, the Treasurer of the Bank cannot be located or is unable to assume and continue his or her normal duties, then the powers and duties of the Treasurer shall, without further action of the Board of Directors, be assumed by one of the following officers in the seniority set forth:

- (a) President

- (b) Executive Vice President

- (c) Senior Vice Presidents (in order of seniority)

Anyone dealing with the Bank may accept a certificate of two or more officers that a specified individual is the acting Treasurer hereunder and rely upon that certificate to remain in full force and effect until modified or cancelled by a certificate of change signed by three officers of the Bank.

Section 6 If during such emergency, or as a consequence thereof, the business of the Bank cannot be conducted and managed at its principal office, business may be conducted and managed at such temporary location or locations as may be designated by the Board of Directors or by its interim Executive Committee for which provision is made above; and the business of the Bank shall be returned from the temporary location or locations to the principal office of the Bank as soon as practicable.

**ARTICLE XII
AMENDMENT**

The By-laws of the Bank may be amended at any time by the affirmative vote of a majority of the entire Board of Directors, subject to repeal, change or adoption of any contravening or inconsistent provision only by vote of the holders of at least two-thirds of all the shares entitled to vote on the matter at a meetings expressly called for that purpose.

Subchapter 1: APPRAISAL RIGHTS AND PAYMENT FOR SHARES

§1301. DEFINITIONS

As used in this chapter, unless the context otherwise indicates, the following terms have the following meanings.

1. **Affiliate.** “Affiliate” means:

A. A person that directly, or indirectly through one or more intermediaries, controls, is controlled by, or is under common control with another person; or

B. A senior executive of a person described in paragraph A.

For purposes of section 1303, subsection 3, paragraph B, a person is deemed to be an affiliate of its senior executives.

2. **Beneficial shareholder.** “Beneficial shareholder” means a person who is the beneficial owner of shares held in a voting trust or by a nominee on the beneficial owner’s behalf.

3. **Corporation.** “Corporation” means the issuer of the shares held by a shareholder demanding appraisal and, for matters covered in sections 1323 to 1332, includes the surviving entity in a merger.

4. **Fair value.** “Fair value” means the value of a corporation’s shares determined:

A. Immediately before the effectuation of the corporate action to which a shareholder objects;

B. Using customary and current valuation concepts and techniques generally employed for similar businesses in the context of the transaction requiring appraisal; and

C. Without discounting for lack of marketability or minority status except, if appropriate, for amendments to the corporation's articles of incorporation pursuant to section 1302, subsection 5.

5. Interest. "Interest" means interest from the effective date of a corporate action until the date of payment, at the rate of interest on judgments in this State on the effective date of the corporate action.

5-A. Interested transaction. "Interested transaction" means a corporate action described in section 1302, subsection 1, other than a merger pursuant to section 1105, involving an interested person in which any of the shares or assets of the corporation are being acquired or converted. For the purposes of this subsection:

"Beneficial owner" means any person who, directly or indirectly, through any contract, arrangement or understanding, other than a revocable proxy, has or shares the power to vote, or to direct the voting of, shares; except that a member of a national securities exchange is not considered to be a beneficial owner of securities held directly or indirectly by it on behalf of another person solely because the member is the record holder of the securities if the member is precluded by the rules of the exchange from voting without instruction on contested matters or matters that may affect substantially the rights or privileges of the holders of the securities to be voted. When 2 or more persons agree to act together for the purpose of voting their shares of the corporation, each member of the group formed thereby is considered to have acquired beneficial ownership, as of the date of the agreement, of all voting shares of the corporation beneficially owned by any member of the group;

Table of Contents

“Excluded shares” means shares acquired pursuant to an offer for all shares having voting power if the offer was made within one year prior to the corporate action for consideration of the same kind and of a value equal to or less than that paid in connection with the corporate action; and

“Interested person” means a person, or an affiliate of a person, who at any time during the one-year period immediately preceding approval by the board of directors of the corporate action:

(1) Was the beneficial owner of 20% or more of the voting power of the corporation, other than as owner of excluded shares;

(2) Had the power, contractually or otherwise, other than as owner of excluded shares, to cause the appointment or election of 25% or more of the directors to the board of directors of the corporation; or

Was a senior executive or director of the corporation or a senior executive of any affiliate thereof and will receive, as a result of the corporate action, a financial benefit not generally available to other shareholders as such, other than:

(a) Employment, consulting, retirement or similar benefits established separately and not as part of or in contemplation of the corporate action;

Employment, consulting, retirement or similar benefits established in contemplation of, or as part of, the corporate action that are not more favorable than those existing before the corporate action or, if more favorable, that have been approved on behalf of the corporation in the same manner as is provided in section 873; or

(c) In the case of a director of the corporation who will, in the corporate action, become a director of the acquiring entity in the corporate action or one of its affiliates, rights and benefits as a director that are provided on the same basis as those afforded by the acquiring entity generally to other directors of the entity or the affiliate.

6. Preferred shares. “Preferred shares” means a class or series of shares whose holders have preference over any other class or series of shares with respect to distributions.

7. Record shareholder. “Record shareholder” means a person in whose name shares are registered in the records of a corporation or the beneficial owner of shares to the extent of the rights granted by a nominee certificate on file with the corporation.
