BRT REALTY TRUST
ANNOUNCES RESULTS OF OPERATIONS
FOR THE QUARTER AND NINE MONTHS ENDED JUNE 30, 2003

Great Neck, New York, August 12, 2003 -- BRT Realty Trust (NYSE:BRT) today announced that for the three months ended June 30, 2003 it had total revenues of \$3,765,000 and net income of \$4,754,000, or \$0.63 per share on a diluted basis. Net income for the three months ended June 30, 2003 includes a net realized gain on sale of available-for-sale securities and net gain from sale of real estate assets of \$2,668,000, or \$0.35 per share. This compares with total revenues, net income and net income per share on a diluted basis of \$3,658,000, \$2,122,000 and \$0.28 per share, respectively, for the three months ended June 30, 2002. If the net gains on sale of available-for-sale securities and real estate assets in the 2003 quarter is not taken into account, revenues, net income and net income per share for the quarter ended June 30, 2003 would be \$3,765,000, \$2,086,000 and \$.27, respectively. The weighted average number of common shares outstanding on a diluted basis was 7,599,922 and 7,530,756 for the three months ended June 30, 2003 and 2002, respectively.

BRT also announced that for the nine months ended June 30, 2003 it had total revenues of \$11,409,000 and net income of \$9,795,000, or \$1.29 per share on a diluted basis. Net income for the nine months ended June 30, 2003 includes a net realized gain on sale of available-for-sale securities and net gain on sale of real estate assets of \$3,009,000, or \$0.40 per share. For the nine months ended June 30, 2002, BRT reported total revenues of \$12,282,000 and net income of \$8,921,000, or \$1.19 per share on a diluted basis. The nine months ended June 30, 2002 includes \$500,000 of revenues, or \$.07 per share, from the reversal of a previously provided provision and a net gain on sale of real estate assets of \$607,000, or \$.08 per share. If the gains from sale of securities and real estate assets in the 2003 nine month period and the reversal of the previously provided provision and the net gain on sale of real estate assets in the 2002

Edgar Filing: BRT REALTY TRUST - Form 8-K

nine month period are not taken into account revenues, net income and net income per share for the nine months ended June 30, 2003 would be \$11,409,000, \$6,786,000 and \$0.90, respectively, and for the nine months ended June 30, 2002 \$11,782,000, \$7,814,000, and \$1.04, respectively. The weighted average number of common shares outstanding on a diluted basis was 7,569,255 and 7,497,900 for the nine months ended June 30, 2003 and June 30, 2002, respectively.

Commenting on the results of operations, Jeffrey Gould, President and Chief Executive Officer of BRT noted that interest and fees on real estate loans increased by \$137,000, or 5.8%, quarter versus quarter. He also noted that an increase in the average balance of loans outstanding quarter versus quarter more than offset a slight decrease in the average interest rate earned on the loan portfolio.

Commenting further, Mr. Gould noted that for the nine months ended June 30, 2003, interest and fees on loans decreased by \$378,000, or 4.7%, primarily because of \$1,182,000 of additional interest income generated from participating loans in the nine months ending June 30, 2002. Mr. Gould noted that additional interest on participating loans is "non recurring" in nature. The 2003 nine month period benefited from interest of \$105,000 upon the payoff in full of a non-earning loan, an increase in the average balance of loans outstanding and increased fee income.

Referring to expenses, Mr. Gould pointed out that total expenses were up 4.6% and 3.7% in the three and nine months ended June 30, 2003 as compared to the comparable periods in the prior fiscal year. Interest expense increased \$32,000, or 80% quarter versus quarter and \$123,000, or 148%, nine months versus nine months due to an increase in outstanding borrowings. BRT also incurred increased general and administrative expenses in the June 30, 2003 quarter (\$99,000 or 13.8%) and in the June 30, 2003 nine month period (\$48,000 or 2.2%), as a result of increases in a number of categories, such as payroll, travel and public company expenses, offset in part by decreases in other general and administrative expense items. There were increases and decreases in various other expense items, none of which, individually, is significant. BRT Realty Trust is a mortgage-oriented real estate investment trust.
