PROXY STATEMENT

2018 ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD ON MAY 29, 2018

This Proxy Statement will be first mailed to shareholders on or about May 3, 2018. It is furnished in connection with the solicitation of proxies by the Board of Directors of OptimumBank Holdings, Inc. (the “Company”) to be voted at the annual meeting of the shareholders of the Company, which will be held at 10:00 a.m. on Tuesday, May 29, 2018, at the executive offices of OptimumBank (the “Bank”), 2477 East Commercial Boulevard, Fort Lauderdale, Florida 33308, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. Shareholders who execute proxies retain the right to revoke them at any time before the shares are voted by proxy at the meeting. A shareholder may revoke a proxy by delivering a signed statement to the Secretary of the Company at or prior to the annual meeting or by executing and delivering another proxy dated as of a later date. The Company will pay the cost of solicitation of proxies.

Shareholders of record at the close of business on April 13, 2018, will be entitled to vote at the meeting on the basis of one vote for each share held. On the record date, there were 1,286,503 outstanding shares of common stock held of record by approximately 1,135 shareholders.

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

When and where will the annual meeting take place?

The annual meeting will be held on May 29, 2018 at 10:00 a.m. (local time), at the executive offices of the Bank, 2477 East Commercial Boulevard, Fort Lauderdale, Florida 33308.

Why did I receive this proxy statement?

You received this proxy statement because you held shares of the Company's common stock on April 13, 2018 (the "Record Date") and are entitled to vote at the annual meeting. The Board of Directors is soliciting your proxy to vote at the meeting.

What am I voting on?

You are being asked to vote on three items:

1. The election of five (5) Directors (see page 6);
2. The approval of the Company's 2018 Equity Incentive Plan (see page 11); and
3. The ratification of the appointment of Hacker, Johnson & Smith, PA as the Company's independent registered public accounting firm for the 2018 fiscal year (see page 16).

How do I vote?

Shareholders of Record

If you are a shareholder of record, there are four ways to vote:

By toll free telephone at 1-866-894-0537.

By internet at <http://www.cstproxyvote.com>

If you request printed copies of the proxy materials, you may vote by proxy by completing and returning your proxy card in the postage-paid envelope provided by the Company; or

By voting in person at the meeting.

Street Name Holders

Shares which are held in a brokerage account in the name of the broker are said to be held in "street name."

If your shares are held in street name, you should follow the voting instructions provided by your broker. If you requested printed copies of the proxy materials, you may complete and return a voting instruction card to your broker,

or, in many cases, your broker may also allow you to vote via the telephone or Internet. Check your notice from your broker for more information. If you hold your shares in street name and wish to vote at the meeting, you must obtain a legal proxy from your broker and bring that proxy to the meeting.

Regardless of how your shares are registered, if you request printed copies of the proxy materials, complete and properly sign the accompanying proxy card and return it to the address indicated, it will be voted as you direct.

What is the deadline for voting via Internet or telephone?

Internet and telephone voting is available through 11:59 p.m. (Eastern Daylight Time) on Monday, May 28, 2018 (the day before the annual meeting).

What are the voting recommendations of the Board of Directors?

The Board of Directors recommends that you vote in the following manner:

1. FOR each of the persons nominated by the Board of Directors to serve as Directors;
2. FOR the approval of the Company's 2018 Equity Incentive Plan; and
3. FOR the ratification of the appointment of Hacker, Johnson & Smith, PA as independent registered public accounting firm for the 2018 fiscal year.

Unless you give contrary instructions in your proxy, the persons named as proxies will vote your shares in accordance with the recommendations of the Board of Directors.

Will any other matters be voted on?

We do not know of any other matters that will be brought before the shareholders for a vote at the annual meeting. If any other matter is properly brought before the meeting, your proxy would authorize Moishe Gubin and Joel Klein of the Company to vote on such matters in their discretion.

Who is entitled to vote at the meeting?

Only shareholders of record at the close of business on the Record Date are entitled to receive notice of and to vote at the annual meeting. If you were a shareholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the annual meeting, or any postponement or adjournment of the meeting.

How many votes do I have?

You will have one vote for each share of the Company's common stock that you owned on the Record Date.

How many votes can be cast by all shareholders?

The Company had 1,286,503 outstanding shares of common stock on the Record Date. Each of these shares is entitled to one vote. There is no cumulative voting.

How many votes must be present to hold the meeting?

The holders of a majority of the Company's common stock outstanding on the Record Date must be present at the meeting in person or by proxy in order to fulfill the quorum requirement necessary to hold the meeting. This means at

least 643,252 shares must be present in person or by proxy.

If you vote, your shares will be part of the quorum. Abstentions and broker non-votes will also be counted in determining the quorum. A broker non-vote occurs when a bank or broker holding shares in street name submits a proxy that states that the broker does not vote for some or all of the proposals because the broker has not received instructions from the beneficial owners on how to vote on the proposals and does not have discretionary authority to vote in the absence of instructions.

We urge you to vote by proxy even if you plan to attend the meeting so that we will know as soon as possible that a quorum has been achieved.

What vote is required to approve each proposal?

For the election of Directors (Proposal No. 1), the affirmative vote of a plurality of the votes present in person or by proxy and entitled to vote at the meeting is required. A proxy that has properly withheld authority with respect to the election of one or more Directors will not be voted with respect to the Director or Directors indicated, although it will be counted for the purposes of determining whether there is a quorum.

For approval of the Company's 2018 Equity Incentive Plan (Proposal No. 2), the affirmative vote of a plurality of the votes present in person or by proxy and entitled to vote at the meeting is required. As such, abstentions and broker non-votes will not affect the outcome of the vote, but will be counted for determining the existence of a quorum.

For the ratification of the appointment of Hacker, Johnson & Smith, PA (Proposal No. 3), the affirmative vote of a majority of the shares represented in person or by proxy and entitled to vote at the meeting will be required for approval. An abstention with respect to this proposal will be counted for the purposes of determining the number of shares entitled to vote that are present in person or by proxy. Accordingly, an abstention will have the effect of a negative vote.

Can I change my vote?

Yes. If you are a shareholder of record, you may change your vote at any time before your proxy is voted at the annual meeting. You can do this in one of three ways. First, you can send a written notice stating that you would like to revoke your proxy. Second, you can submit new proxy instructions either on a new proxy card, by telephone or via the Internet. Third, you can attend the meeting, and vote in person. Your attendance alone will not revoke your proxy. If you have instructed a broker to vote your shares, you must follow directions received from your broker to change those instructions.

Who can attend the annual meeting?

Any person who was a shareholder of the Company on April 13, 2018 may attend the meeting. If you own shares in street name, you should ask your broker or bank for a legal proxy to bring with you to the meeting. If you do not receive the legal proxy in time, bring your most recent brokerage statement so that we can verify your ownership of the Company's stock and admit you to the meeting. However, you will not be able to vote your shares at the meeting without a legal proxy.

What happens if I sign and return the proxy card but do not indicate how to vote on an issue?

If you return a proxy card without indicating your vote, your shares will be voted as follows:

FOR each of the nominees for Director named in this proxy statement;

FOR approval of the Company's 2018 Equity Incentive Plan; and

FOR ratification of the appointment of Hacker, Johnson & Smith, PA as the independent registered public accounting firm for the Company for the 2018 fiscal year.

Who can help answer my questions?

If you are a shareholder, and would like additional copies, without charge, of this proxy statement or if you have questions about the annual meeting, including the procedures for voting your shares, you should contact:

Mary Franco, Operations Assistant

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR ALL DIRECTOR NOMINEES.

CORPORATE GOVERNANCE

Director Independence

The Board of Directors analyzed the independence of each director and determined that Moishe Gubin, Joel Klein, Martin Schmidt and Avi Zwelling, each meet the standards of independence under the listing standards of The NASDAQ Stock Market (“NASDAQ”).

The Board of Directors Meetings and Committees

The Company’s Board of Directors met 13 times during 2017. The independent directors did not meet in executive session without management during 2017. Each of the current members of the Board of Directors attended at least 75% of the meetings of the Board and committees on which he served held while he has been a Director. The Company’s Board of Directors has established several standing committees, including the following:

Compensation Committee

The Compensation Committee currently consists of Moishe Gubin (Chairman), Joel Klein and Avi Zwelling. Mr. Gubin, Mr. Klein and Mr. Zwelling are independent under the NASDAQ listing standards. The Compensation Committee reviews and recommends to the Board of Directors the compensation arrangements for executive management and non-employee directors. The Compensation Committee met once during 2017 and operates under a written charter. A copy of the current Compensation Committee Charter can be viewed on the Company’s website at www.optimumbank.com/information-center/corporate-governance/.

In 2017, no executive officer had a role in determining or recommending the amount or form of outside director compensation. The Compensation Committee does not delegate its authority to any other persons. The Compensation Committee does not use consultants to determine or recommend the amount or form of compensation arrangements.

Nominating Committee

The Nominating Committee currently consists of Mr. Gubin (Chairman), Mr. Klein, and Mr. Zwelling. The committee evaluates new candidates and current directors, and recommends candidates to the Board to fill vacancies occurring between annual shareholder meetings. A copy of the charter for the Nominating Committee can be viewed on the Company's website at www.optimumbank.com/information-center/corporate-governance.

All of the director nominees of the Company set forth in the Proposal entitled "Election of Directors" were recommended by a majority of the independent directors of the Company. The independent directors, acting in their capacity as the nominating committee, held one meeting during 2018.

The Nominating Committee will initially consider nominating the Company's existing directors for re-election to the Board as appropriate or to other director nominees proposed, as appropriate, by the directors, and in doing so considers each director's independence, if required, share ownership, skills, performance and attendance at a minimum of 75% of the Board and respective committee meetings. In evaluating any candidates for potential director nomination, the Nominating Committee will consider candidates that are independent, if required, who possess personal and professional integrity, have good business judgment, relevant experience and skills, including banking, financial, real estate and/or legal expertise, who would be effective as a director in conjunction with the full Board, who would commit to attend Board and committee meetings, and whose interests are aligned with the long-term interests of the Company's shareholders.

The Nominating Committee will consider director candidates recommended by shareholders, provided the recommendation is in writing and delivered to the Corporate Secretary of the Company at the principal executive offices of the Company not later than the close of business on the 120th day prior to the first anniversary of the date on which the Company first mailed its proxy materials to shareholders for the preceding year's annual meeting of shareholders. For the 2019 annual meeting, recommendations must be received by December 21, 2018. The nomination and notification must contain the nominee's name, address, principal occupation, total number of shares owned, consent to serve as a director, and all information relating to the nominee and the nominating shareholder as would be required to be disclosed in solicitation of proxies for the election of such nominee as a director pursuant to the SEC's proxy rules.

Audit Committee

The Audit Committee of the Board of Directors is responsible for the oversight of the Company's financial and accounting reporting processes and the audits of the Company's financial statements. The Audit Committee is currently composed of two non-employee directors consisting of Moishe Gubin (Chairman) and Martin Schmidt. The Audit Committee ordinarily has three members. On March 12, 2018, the third member of the committee, John H. Clifford resigned as a Director of the Company. The Company is currently seeking a third member for the committee. The Audit Committee operates under a written charter adopted and approved by the Board of Directors. A copy of the current Audit Committee Charter can be viewed on the Company's website at www.optimumbank.com/information-center/corporate-governance.

Prior to 2015, the Board determined that all of the members of the Audit Committee were financially literate and independent in accordance with the NASDAQ listing standards applicable to audit committee members. The Board has determined that Moishe Gubin is an "audit committee financial expert" as defined by SEC rules. The Audit Committee met four times during 2017. A Report from the Audit Committee is included on page 17.

Attendance by Directors at Annual Shareholders' Meetings

The Company expects its directors to attend the annual meeting. All of the current directors attended the 2017 annual meeting (held in April 2017), with the exception of Mr. Zwelling, who did not join the Board until December 2017.

Shareholder Communications with the Board of Directors

The Board of Directors has adopted a formal process by which shareholders may communicate with the Board. Our Whistleblower Policy is available on the Company's website at www.optimumbank.com/information-center/corporate-governance.

Board Leadership Structure and Role in Risk Oversight

The Company's policy is to separate the roles of chairman and chief executive officer of the Company. At the present time, the Company does not have any person serving as the Chairman of the Board.

The Board believes that risk management is an important component of the Company's corporate strategy. While we assess specific risks at the Company's committee levels, the Board, as a whole, oversees the Company's risk management process, and discusses and reviews with management major policies with respect to risk assessment and risk management. The Board is regularly informed through committee reports about the Company's risks. The Audit Committee reviews and assesses the Company's processes to manage financial reporting risk. It also reviews the Company's policies for risk assessment and assesses steps management has taken to control significant risks. The Compensation Committee oversees risks relating to compensation practices and policies.

PROPOSAL NO. 2

APPROVAL OF THE 2018 EQUITY INCENTIVE PLAN

On April 24, 2018, our Board of Directors approved the 2018 Equity Incentive Plan for directors and employees, subject to shareholder approval. The plan will allow us to provide equity compensation to employees and directors, under a shareholder-approved plan, in order to enable us to attract and retain qualified persons to serve as directors and employees. The Company also has in effect the 2011 Equity Incentive Plan, under which 1,119 shares of common stock currently remain available for awards to employees and directors. If the 2018 Equity Incentive Plan is adopted by shareholders, it will not replace the 2011 Equity Incentive Plan but instead each will be in effect and be available for awards pursuant to their respective terms.

The plan contains a number of provisions that the Board of Directors believes are consistent with the interests of shareholders and sound corporate governance practices. These include:

No Discount Stock Options. Stock options may not be granted or awarded with an exercise price of less than the market value of our common stock on the date of the grant or award.

No Repricings. The repricing of stock options is prohibited without the approval of shareholders. This provision applies to both direct repricings - lowering the exercise price of a stock option - and indirect repricings - cancelling an outstanding stock option and replacing it with a lower-priced option.

Summary of the Plan

The principal features of the plan are summarized below. The summary does not contain all information that may be important to you. The complete text of the plan is set forth at **Appendix A** to this proxy statement.

Plan Administration. The plan is administered by our Board of Directors, a majority of whom meet the NASDAQ standard for director independence, and/or our Board's Compensation Committee, which consists of at least two members of the Board, each of whom meets the NASDAQ standard for director independence. The Board through its Compensation Committee, has the sole authority, among other things, to:

Select participants and grant awards,

Determine the number of shares to be subject to the types of awards,

Determine the terms and conditions upon which awards will be granted under the plan, including the vesting requirements of awards,

Prescribe the form and terms of award agreements,

Establish procedures and regulations for the administration of the plan,

Interpret the plan, and

Make all determinations necessary or advisable for administration of the plan.

Eligibility. The directors and employees of the Company and its subsidiaries are eligible to participate in the plan.

Awards. The plan provides for the grant of incentive and non-statutory options, bonus shares, restricted shares, and performance shares, as such terms are defined in the plan.

Shares Subject to the Plan. The plan authorizes the issuance of up to 250,000 shares of the Company common stock. If any shares are subject to an award under the plan that is forfeited, cancelled, expires, lapses or otherwise terminates without the issuance of such shares, those shares will again be available for grant under the plan. Likewise, shares that are tendered to the Company by a participant as full or partial payment of the exercise price of any stock option granted under the plan or in payment of any withholding tax incurred in connection with any award under the plan will be available for issuance under the plan. The shares issued under the plan may consist, in whole or in part, of authorized but unissued shares or treasury shares.

Adjustments. In the event of a merger or consolidation (in each case where the shares of the Company are converted into stock and/or cash of another entity), or any corporate structure affecting Company common stock, adjustments and other substitutions will be made to the plan, including adjustments in the maximum number of shares subject to the plan and other numerical limitations. Adjustments will also be made to awards under the plan as the Board in its sole discretion deems equitable or appropriate.

Options. Incentive and non-statutory options to purchase shares of Company common stock may be granted under the plan, either alone or in addition to other awards and for no consideration or for such consideration as the Board and/or Compensation Committee may determine or as may be required by applicable law. The price at which a share may be purchased under an option may not be less than the market value of a share on the date the option is granted. Market value means the last reported sale price of Company common stock reported on The Nasdaq Capital Market on the relevant date of determination. The plan permits the Board and/or Compensation Committee to establish the term of each option, but its term may not exceed ten years. Options may be exercised for whole shares only. If an option would otherwise be exercisable for fractional shares, the option is rounded down to the nearest whole share amount. Options may vest and become fully exercisable in the event a change in control occurs as described below. The plan contains various provisions governing the participant's right to exercise an option upon the termination of the participant's employment with the Company.

Restricted Stock. Restricted stock awards may be issued to participants for no cash consideration, or for such minimum consideration as may be required by applicable law, either alone or in addition to other awards granted under the plan. Restricted stock vests and becomes fully exercisable as determined by the Board. Restricted stock vests and becomes fully exercisable in the event: (i) a change in control occurs, as described below, and service is terminated within 12 months thereafter; or (ii) of the death or disability of the participant. If a participant's service with the Company is terminated, the participant will forfeit any unvested restricted stock (except in certain cases following a change in control).

Performance Share Awards. Other awards of Company common stock that are valued in whole or in part by reference to, or are otherwise based on, Company common stock or the attainment by the Company of certain performance goals, may be granted to participants, either alone or in addition to other awards. Stock awards are paid in shares of Company common stock. Shares granted as stock awards may be issued for no cash consideration or for such minimum consideration as may be required by applicable law. At the time the performance goals established have been attained or otherwise satisfied within the performance cycle, the payment of the performance shares in the name of the participant will be made at the end of the performance cycle.

Bonus Shares and Awards in Lieu of Obligations. Bonus share awards may be issued to participants as a bonus or in consideration for past services actually rendered for the Company, or in lieu of obligations of the Company to pay cash or deliver other property under the plan or under other plans or compensation arrangements. The bonus shares can be awarded under terms and agreements that are determined by the Compensation Committee and/or the Board.

Change in Control. Unless otherwise determined by the Board and/or Compensation Committee at the time of the grant of an award, in the event of a change in control of the Company, all outstanding stock options will become fully vested. If a participant's service with the Company is involuntarily terminated at any time within twelve months after a change in control, and unless otherwise determined by the Board and/or Compensation Committee at the time of the grant of an award, any restricted period with respect to restricted shares will lapse and all such shares will become fully vested.

A "change in control" means, with certain exceptions: (i) an acquisition of beneficial ownership of 50% or more of the outstanding common stock; (ii) a merger in which the Company is not the surviving entity, or a sale by the Company or the Bank of all or substantially all of its assets; or (iii) the acquisition by any person or group by means of a merger, consolidation or purchase of 80% or more of its outstanding shares.

Effective Date, Term, Amendment and Termination. If approved by shareholders, the plan will become effective as of the date of such approval and will remain in effect until the earlier of (a) the date that no additional shares are available for issuance, (b) the date the plan is terminated by the Board of Directors in accordance with its terms or (c) the tenth anniversary of such shareholder approval. Termination will not affect grants and awards then outstanding under the plan. The Board of Directors may terminate or amend the plan at any time without shareholder approval, unless such approval is necessary to comply with the Securities Exchange Act of 1934, the Internal Revenue Code, NASD rules, or other applicable law. No termination, amendment or modification of the plan may in any manner affect any award previously granted under the plan without the consent of the participant to whom the award was granted or the transferee of the award.

Restriction on Transfer. Awards granted under the plan are generally non-transferable, except by will or the laws of descent and distribution. The Board may permit participants to transfer awards (other than stock options) to members of their immediate family, to one or more trusts solely for the benefit of such immediate family members, and to partnerships into which such family members or trusts are the only partners.

Other Provisions. The Board may establish procedures providing for the delivery of shares of Company common stock, in satisfaction of withholding tax obligations.

Federal Income Tax Consequences. Under present law, the following are the U.S. federal income tax consequences generally arising with respect to stock options, restricted stock, bonus shares and performance share awards:

Upon exercising a non-statutory option, a participant must recognize ordinary compensation income equal to the difference between the fair market value of the shares on the date of exercise and the exercise price. The Company will be entitled to a deduction for the same amount. Upon sale of such shares by the optionee, any difference between the sales price and fair market value on the date of exercise will be treated as a long-term capital gain (loss) if the stock has been held for at least 12 months.

For an incentive stock option, the optionee generally will recognize no taxable income upon grant or exercise of the option. If the acquired stock is held for at least two years from date of grant and one year from date of exercise, any gain or loss realized upon disposition of the shares will be treated as long-term capital gain (loss). If the acquired stock is sold prior to the satisfaction of these holding period requirements, the difference between the option price and the fair market value of the shares on the date of exercise will be treated as ordinary compensation income. The Company will be entitled to a deduction for the same amount. If compensation is recognized and the stock is sold, any difference between fair market value on date of exercise and the sales price will be recognized as either short or long term capital gain or loss, depending upon the amount of time the acquired stock was held. For alternative minimum tax purposes, the exercise of an incentive stock option will create an adjustment item in the year of exercise equal to the difference between the option price and fair market value on date of exercise. This adjustment item will create an adjusted tax basis for alternative minimum tax purposes different from regular tax purposes in the stock equal to the fair market value on date of exercise.

Recipients of restricted stock awards will recognize ordinary income in an amount equal to the fair market value of the shares of Company common stock granted to them at the time that the shares vest and become transferable. A recipient of a restricted stock award may, however, elect to accelerate the recognition of income with respect to his or her grant to the time when shares of common stock are first transferred to him or her, notwithstanding the vesting schedule of such awards. The Company will be entitled to deduct as a compensation expense for tax purposes the same amounts recognized as income by recipients of restricted stock awards in the year in which such amounts are included in income.

Performance share and bonus share awards result in the recognition of ordinary income in an amount equal to the fair market value of shares of Company common stock paid to participants. The Company will be entitled to deduct as a compensation expense for tax purposes the same amounts recognized as income by plan participants.

Other Information. The Board has not made any determination as to the allocation of benefits or amounts under the plan if approved by shareholders. If the plan is not approved by shareholders, the Board of Directors will consider other alternatives. The plan is not exclusive and does not limit the authority of the Board or its Committees to grant awards or authorize any other compensation, with or without reference to shares, under any other plan or authority.

Vote Required and Recommendation of Board of Directors. Assuming the existence of a quorum, this proposal will be approved if the number of shares voted in favor of this Proposal No. 2 exceeds the number of shares voted against the proposal. As such, abstentions and broker non-votes will not affect the outcome of the vote, but will be counted for determining the existence of a quorum.

Furthermore, no Option shall be cancelled and replaced by issuance to the same participant of an Option having a lower Exercise Price without further approval of the shareholders of the Company.

8. Exercise of Options.

Except as provided in Section 16, an Option granted under the Plan will be exercisable only by the Participant, and except as provided in Section 9 of the Plan, no Option may be exercised unless at the time the Participant exercises the Option, the Participant has maintained Continuous Service since the date of the grant of the Option. Options may be exercised for whole shares only. If an option would otherwise be exercisable for fractional shares, the option is rounded down to nearest whole share amount.

To exercise an Option under the Plan, the Participant must give written notice to the Company specifying the number of Shares with respect to which the Participant elects to exercise the Option together with full payment of the Exercise Price. The date of exercise will be the date on which the notice is received by the Company. Payment may be made either (i) in cash (including check, bank draft or money order), (ii) by tendering Shares already owned by the Participant for at least six (6) months prior to the date of exercise and having a Market Value on the date of exercise equal to the Exercise Price, or (iii) by any other means determined by the Compensation Committee and/or the Board in its sole discretion.

9. Termination of Options. Unless otherwise specifically provided elsewhere in the Plan or by the Compensation Committee and/or the Board in the Award Agreement or any amendment thereto, Options will terminate as provided in this Section.

Unless sooner terminated under the provisions of this Section, Options will expire on the earlier of the date specified in the Award Agreement or the expiration of ten (10) years from the date of grant.

If the Continuous Service of a Participant is terminated for reason of Retirement, the Participant may exercise outstanding Options to the extent that the Participant was entitled to exercise the Options at the date of cessation of Continuous Service, but only within the period of three (3) months immediately succeeding the Participant's cessation of Continuous Service. Any unvested options at the date of cessation of continuous service will be forfeited by the Participant.

If the Continuous Service of a Participant is terminated for Cause, all rights under any Options granted to the Participant will terminate immediately upon the Participant's cessation of Continuous Service, and the Participant will (unless the Compensation Committee and/or the Board, in its sole discretion, waives this requirement) repay to the Company within ten (10) days the amount of any gain realized by the Participant upon any exercise of an Option, awarded under the Plan, within three (3) months prior to the cessation of Continuous Service.

If the Continuous Service of a Participant is terminated voluntarily by the Participant for any reason other than death, Disability, or Retirement, the Participant may exercise outstanding Options to the extent that the Participant was entitled to exercise the Options at the date of cessation of Continuous Service, but only within the period of three (3) months immediately succeeding the Participant's cessation of Continuous Service, and in no event after the applicable expiration dates of the Options.

If the Continuous Service of a Participant is terminated by the Company without Cause, the Participant may exercise outstanding Options to the extent that the Participant was entitled to exercise the Options at the date of cessation of Continuous Service, but only within the period of three (3) months immediately succeeding the Participant's cessation of Continuous Service, and in no event after the applicable expiration dates of the Options; provided, however, that if a Participant is terminated by the Company without Cause within twelve months after a Change of Control, such Participant may exercise outstanding Options to the extent he or she was entitled to exercise the Options at the date of cessation of Continuous Service, within the period of three (3) months immediately succeeding the cessation of Continuous Service but in no event after the applicable expiration dates of the Options.

In the event of the Participant's death or disability, all Options heretofore granted and not fully exercisable will terminate immediately. The Participant or the Participant's beneficiary, as the case may be, may exercise all vested Options within the period of one (1) year immediately succeeding the Participant's cessation of Continuous Service by reason of death or Disability, and in no event after the applicable expiration date of the Options.

Notwithstanding the provisions of the foregoing paragraphs of this Section 9, the Compensation Committee and/or the Board may, in its sole discretion, establish different terms and conditions pertaining to the effect of the cessation of Continuous Service, to the extent permitted by applicable federal and state law. Additionally, notwithstanding the provisions of the foregoing paragraphs of this Section 9, the Compensation Committee and/or the Board may, in its sole discretion, allow the exercise of an expired Option if the Compensation Committee and/or the Board determines that: (i) the expiration was solely the result of the Company's inability to execute the exercise of an Option due to conditions beyond the Company's control, and (ii) the Participant made valid and reasonable efforts to exercise the Award. In the event the Compensation Committee and/or the Board makes such a determination, the Company shall allow the exercise to occur as promptly as possible following its receipt of exercise instructions subsequent to such determination.

10. **Restrictive Covenants.** In its discretion, the Compensation Committee and/or the Board may condition the grant of any Award under the Plan upon the Participant agreeing to reasonable covenants in favor of the Company and/or any Affiliate (including, without limitation, covenants not to compete, not to solicit employees and customers, and not to disclose confidential information) that may have effect following the termination of employment with the Company or any Affiliate.

Incentive and Non-Qualified Stock Options.

Incentive Stock Options may be granted only to Participants who are Employees. Any provisions of the Plan to the contrary notwithstanding, (i) no Option will be granted more than ten (10) years from the earlier of the date the Plan is adopted by the Compensation Committee and/or the Board of the Company or approved by the Company's shareholders, (ii) no Option will be exercisable more than ten (10) years from the date the Option is granted, (iii) the Exercise Price of each Option will not be less than the Market Value per Share on the date such Option is granted, (iv) no Incentive Stock Option will be transferable by the Participant to whom such Incentive Stock Option is granted other than by will or the laws of descent and distribution and will be exercisable during the Participant's lifetime only by such Participant, (v) no Incentive Stock Option will be granted that would permit a Participant to acquire, through the exercise of Incentive Stock Options in any calendar year, under all plans of the Company and its Affiliates, Shares having an aggregate Market Value (determined as of the time any Incentive Stock Option is granted) in excess of \$100,000 (determined by assuming that the Participant will exercise each Incentive Stock Option on the date that such Option first becomes exercisable), and (vi) no Option may be exercised more than three (3) months after the Participant's cessation of Continuous Service (one (1) year in the case of Disability) for any reason other than death. Notwithstanding the foregoing, in the case of any Participant who, at the date of grant, owns as defined in Code section 424(d), shares possessing more than 10% of the total combined voting power of all classes of capital stock of the Company or any Affiliate, the Exercise Price of any Incentive Stock Option will not be less than 110% of the Market Value per Share on the date such Incentive Stock Option is granted and such Incentive Stock Option shall not be exercisable more than five years from the date such Incentive Stock Option is granted.

Notwithstanding any other provisions of the Plan, if for any reason an Option granted under the Plan that is intended to be an Incentive Stock Option fails to qualify as an Incentive Stock Option, such Option will be deemed to be a Non-Qualified Stock Option, and such Option will be deemed to be fully authorized and validly issued under the

Plan.

11. **Terms and Conditions of Restricted Shares.** The Compensation Committee and/or the Board will have full and complete authority, subject to the limitations of the Plan, to grant Awards of Restricted Shares and to prescribe the terms and conditions (which need not be identical among Participants) in respect of the Awards. Unless the Compensation Committee and/or the Board otherwise specifically provides in the Award Agreement, an Award of Restricted Shares will be subject to the following provisions:

At the time of an Award of Restricted Shares, the Compensation Committee and/or the Board will establish for each Participant a Restricted Period during which, or at the expiration of which, the Restricted Shares will vest; but in no event earlier than one year from grant date. Subject to paragraph (e) of this Section, the Participant will have all the rights of a shareholder with respect to the Restricted Shares, including, but not limited to, the right to receive all dividends paid on the Restricted Shares and the right to vote the Restricted Shares. The Compensation Committee and/or the Board will have the authority, in its discretion, to accelerate the time at which any or all of the restrictions will lapse with respect to any Restricted Shares prior to the expiration of the Restricted Period, or to remove any or all restrictions, whenever it may determine that such action is appropriate by reason of changes in applicable tax or other laws or other changes in circumstances occurring after the commencement of the Restricted Period.

Subject to Section 15, if a Participant ceases Continuous Service for any reason before the Restricted Shares have vested, a Participant's rights with respect to the unvested portion of the Restricted Shares will terminate and be returned to the Company.

Each certificate issued in respect to Restricted Shares will be registered in the name of the Participant and deposited by the Participant, together with a stock power endorsed in blank, with the Company and will bear a legend referring to the terms, conditions and restrictions applicable to such shares.

At the time of an Award of Restricted Shares, the Participant will enter into an Award Agreement with the Company in a form specified by the Compensation Committee and/or the Board agreeing to the terms and conditions of the Award.

At the expiration of the restrictions imposed by this Section, the Company will redeliver to the Participant the certificate(s) and stock powers, deposited with the Company pursuant to paragraph (c) of this Section and the Shares represented by the certificate(s) will be free of all restrictions.

No Award of Restricted Shares may be assigned, transferred or encumbered.

12. **Performance Shares.**

The Compensation Committee and/or the Board, may from time to time authorize the grant of Performance Shares upon the achievement of performance goals (which may be cumulative and/or alternative) within a designated Performance Cycle as may be established, in writing, by the Compensation Committee and/or the Board based on any one or any combination of the following business criteria (the “Performance Goals”): (i) earnings per Share; (ii) return on equity; (iii) return on assets; (iv) operating income; (v) market value per Share; (vi) EBITDA; (vii) cash flow; (viii) net income (before or after taxes); (ix) changes in the Company’s efficiency ratio (the ratio of non-interest expense to the sum of non-interest income plus taxable equivalent net-interest income); (x) improvements in the Company’s credit quality as measured by changes to the Company’s allowance for loan losses, the ratio of the allowance for loan losses to total loans, net of unearned income, or the ratio of net charge-offs to average loans, net of unearned income; (xi) enterprise value added (“EVA”); (xii) market value added (“MVA”); (xiii) fee income; (xiv) net interest income; (xv) growth in loans; (xvi) growth in deposits; (xvii) total return to shareholders; and (xviii) other criteria determined by the Compensation Committee and/or the Board.

As determined in the discretion of the Compensation Committee and/or the Board of Directors, performance goals may differ among Participants and/or relate to performance on a Company-wide or divisional basis.

At such time as it is certified, in writing, by the Compensation Committee and/or the Board that the Performance Goals established by the Compensation Committee and/or the Board have been attained or otherwise satisfied within the Performance Cycle, the Compensation Committee and/or the Board will authorize the payment of Performance Shares in the form of Shares registered in the name of the Participant. Payment shall be made in a lump sum following the close of the applicable Performance Cycle.

The grant of an Award of Performance Shares will be evidenced by an Award Agreement containing the terms and conditions of the Award as determined by the Compensation Committee and/or the Board.

Subject to Section 15, if the Participant ceases Continuous Service before the end of a Performance Cycle for any reason other than Disability or death, the Participant will forfeit all rights with respect to any Performance Shares that were being earned during the Performance Cycle. The Compensation Committee and/or the Board may establish guidelines providing that if a Participant ceases Continuous Service before the end of a Performance Cycle by reason of Disability or death, the Participant will be entitled to a prorated payment with respect to any Performance Shares that were being earned during the Performance Cycle.

13. **Bonus Shares and Awards in Lieu of Obligations.** The Compensation Committee and/or the Board is authorized to grant to Participants Shares as a bonus or in consideration for past services actually rendered for the Company or an Affiliate, or to grant Shares or other Awards in lieu of obligations of the Company or an Affiliate to pay cash or deliver other property under the Plan or under other plans or compensatory arrangements, subject to such terms and/or agreements with the Participant as shall be determined by the Compensation Committee and/or the Board.

14. **Adjustments Upon Changes in Capitalization.** In the event of any change in the outstanding Shares subsequent to the effective date of the Plan by reason of any reorganization, recapitalization, stock split, stock dividend, combination or exchange of Shares, merger or consolidation (in each case where the shares of the Company are converted into stock and/or cash of another entity), or any change in the corporate structure affecting the Shares of the Company, the maximum aggregate number and class of Shares as to which Awards may be granted under the Plan and the number and class of Shares, and the exercise price and base price, with respect to which Awards theretofore have been granted under the Plan will be appropriately adjusted by the Compensation Committee and/or the Board to prevent the dilution or diminution of Awards. The Compensation Committee and/or the Board's determination with respect to any adjustments will be conclusive. Any Shares or other securities received, as a result of any of the foregoing, by a Participant with respect to Restricted Shares will be subject to the same restrictions and the certificate(s) or other instruments representing or evidencing the Shares or other securities will be legended and deposited with the Company in the manner provided in Section 12 of this Agreement.

15. **Effect of Change of Control.**

If the Continuous Service of any Participant of the Company or any Affiliate is involuntarily terminated, for whatever reason except for Cause, at any time within twelve (12) months after a Change of Control, unless the Compensation Committee and/or the Board has otherwise provided in the Award Agreement, (i) any Restricted Period with respect to an Award of Restricted Shares will lapse upon the Participant's termination of Continuous Service and all Restricted Shares will become fully vested in the Participant to whom the Award was made; and (ii) with respect to Performance Shares, the Participant will be entitled to receive a prorata payment to the same extent as if the Participant ceases Continuous Service by reason of death or Disability under Section 12 of the Plan.

If a Change of Control occurs, unless the Compensation Committee and/or the Board has otherwise provided in the Award Agreement, all Option Awards theretofore granted and not fully exercisable will become exercisable in full upon the happening of such event and will remain exercisable in accordance with their terms; provided, however, that no Option which has previously been exercised or otherwise terminated will become exercisable.

16. **Assignments and Transfers.** No Award nor any right or interest of a Participant in any Award under the Plan may be assigned, encumbered or transferred otherwise than by will or the laws of descent and distribution. Notwithstanding the foregoing, the Compensation Committee and/or the Board may, in its sole discretion, set forth in an Award Agreement at the time of grant or thereafter, that the Award (other than Options) may be transferred to members of the Participant's immediate family, to one or more trusts solely for the benefit of such immediate family members and to partnerships in which such family members or trusts are the only partners. For this purpose, immediate family means the Participant's spouse, parents, children, step-children, grandchildren and legal dependents. Any transfer of an Award under this provision will not be effective until notice of such transfer is delivered to the Company.

17. **Employee Rights Under the Plan.** No officer, Director, Employee or other person will have a right to be selected as a Participant nor, having been so selected, to be selected again as a Participant, and no officer, Director, Employee or other person will have any claim or right to be granted an Award under the Plan or under any other incentive or similar plan of the Company or any Affiliate. Neither the Plan nor any action taken under the Plan will be construed as giving any Employee, Director or other person, any right to Continuous Service.

18. **Delivery and Registration of Shares.** The Company's obligation to deliver Shares with respect to an Award will, if the Company requests, be conditioned upon the receipt of a representation as to the investment intention of the Participant to whom such Shares are to be delivered, in such form as the Compensation Committee and/or the Board will determine to be necessary or advisable to comply with the provisions of the Securities Act or any other applicable federal or state securities laws. It may be provided that any representation requirement will become inoperative upon a registration of the Shares or other action eliminating the necessity of the representation under the Securities Act or other state securities laws. The Company will not be required to deliver any Shares under the Plan prior to (a) the admission of such Shares to listing on any stock exchange or system on which Shares may then be listed, and (b) the completion of any registration or other qualification of the Shares under any state or federal law, rule or regulation, as the Company determines to be necessary or advisable.

19. **Withholding Tax.** Prior to the delivery of any Shares or cash pursuant to an Award, the Company has the right and power to deduct or withhold, or require the Participant to remit to the Company, an amount sufficient to satisfy all applicable tax withholding requirements. The Board, in its sole discretion and pursuant to such procedures as it may specify from time to time, may permit or require a Participant to satisfy all or part of the tax withholding obligations in connection with an Award by (a) having the Company withhold otherwise deliverable Shares, or (b) delivering to the Company Shares already owned for a period of at least six months and having a value equal to the amount required to be withheld. The amount of the withholding requirement will be deemed to include any amount that the Compensation Committee and/or the Board determines, not to exceed the amount determined by using the maximum federal, state or local marginal income tax rates applicable to the Participant with respect to the Award on the date that the amount of tax to be withheld is to be determined for these purposes. For these purposes, the value of the Shares to be withheld or delivered will be equal to the Market Value as of the date that the taxes are required to be withheld.

A-11

20. **Termination, Amendment and Modification of Plan.** The Compensation Committee and/or the Board may at any time terminate, and may at any time and from time to time and in any respect amend or modify the Plan; provided, however, that to the extent necessary and desirable to comply with Rule 16b-3 under the Exchange Act or Code section 422 (or any other applicable law or regulation, including requirements of any stock exchange or quotation system on which the Company's common stock is listed or quoted), shareholder approval of any Plan amendment will be obtained in the manner and to the degree as is required by the applicable law or regulation; and provided further, that no termination, amendment or modification of the Plan will in any manner affect any Award theretofore granted pursuant to the Plan without the consent of the Participant to whom the Award was granted or the transferee of the Award.

21. **Effective Date and Term of Plan.** The Plan will become effective upon its adoption by the Compensation Committee and/or the Board and shareholders of the Company. Unless sooner terminated pursuant to Section 20, no further Awards may be made under the Plan after ten (10) years from the effective date of the Plan.

22. **Governing Law.** The Plan and Award Agreements will be construed in accordance with and governed by the internal laws of the State of Florida.

23. **Repricing of Options.** Nothing in this Plan shall permit the repricing of any outstanding options other than (a) with the prior approval of the Company's shareholders, or (b) pursuant to Section 15. The foregoing restriction shall also apply to any other transaction which would be treated as a repricing of outstanding options under generally accepted accounting principles.

24. **Compliance with Section 409A of the Code.** To the extent applicable, it is intended that this Plan comply with the provisions of Section 409A of the Code, so that the income inclusion provisions of Section 409A(a)(1) do not apply to a Participant. This Plan shall be administered in a manner consistent with this intent, and any provision that would cause the Plan to fail to satisfy Section 409A of the Code shall have no force and effect until amended to comply with Section 409A of the Code (which amendment may be retroactive to the extent permitted by Section 409A of the Code and may be made by the Company without the consent of the Participant).
