Item 2.02 Results of Operations and Financial Condition.

On December 19, 2017, Global Power Equipment Group Inc. (the “Company”) issued a press release (the “press release”) reporting its financial results for the three months ended March 31, 2017 and the three and six months ended June 30, 2017. As noted in the press release, management will host a conference call on Wednesday, December 20, 2017, at 10:00 a.m. Eastern time (9:00 a.m. Central) to discuss such financial results, as well as recent corporate developments and strategic initiatives. Instructions on how to participate in the conference call are contained in the press release, a copy of which is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

The press release contains a discussion of adjusted EBITDA (earnings before interest expense, net, income tax (benefit) expense, depreciation and amortization, and unusual gains or charges), a non-GAAP financial measure within the meaning of Regulation G promulgated under the rules and regulations of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). The Company believes that providing non-GAAP information, such as adjusted EBITDA, is important as such information is used as analytical indicators by the Company’s management to better understand operating performance. The press release contains reconciliations of comparable GAAP to non-GAAP measures.

The information in this Item 2.02, including Exhibit 99.1, shall not be deemed “filed” for purposes of Section 18 of the Exchange Act, or otherwise subject to the liabilities of that section, and shall not be incorporated by reference into any registration statement or other document filed under the Securities Act of 1933, as amended (the “Securities Act”), or the Exchange Act, regardless of the general incorporation language contained in such filing. Without limiting the generality of the foregoing, the text of the press release set forth under the heading entitled “Forward-looking Statement Disclaimer” is incorporated by reference into this Item 2.02.

Item 7.01 Regulation FD Disclosure.

In connection with the conference call announced in the press release, the Company made available the Company Information Presentation beginning on December 20, 2017, relating to its financial results for the three months ended March 31, 2017 and the three and six months ended June 30, 2017. The Company Information Presentation may be accessed within the investor relations section of the Company’s website, <http://www.globalpower.com>. A copy of the Company Information Presentation is attached hereto as Exhibit 99.2 and is incorporated herein by reference.

The information in this Item 7.01, including Exhibit 99.2, shall not be deemed to be “filed” for purposes of Section 18 of the Exchange Act, or otherwise subject to the liabilities of that section, and shall not be incorporated by reference into any registration statement or other document filed under the Securities Act or the Exchange Act, regardless of the general incorporation language contained in such filing.
