PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

To Be Held June 9, 2016

The enclosed proxy is solicited by and on behalf of the Board of Directors (the “Board”) of Scott’s Liquid Gold-Inc., a Colorado corporation (the “Company”), for use at the Company’s Annual Meeting of Shareholders to be held at 9:00 a.m., Mountain Time, on Thursday, June 9, 2016 at the Doubletree by Hilton, 3203 Quebec Street, Denver, Colorado 80207, or any adjournment thereof. This Proxy Statement and the accompanying form of proxy are first being mailed or given to the shareholders of the Company on or about April 28, 2016.

Any shareholder signing and mailing the enclosed proxy may revoke it at any time before it is voted by giving written notice of the revocation to the Company’s Corporate Secretary, delivering a later executed proxy before the meeting or voting in person at the meeting. If you would like to obtain directions to be able to attend the Company’s Annual Meeting of Shareholders and vote in person, you should contact the Company’s Corporate Secretary by telephone at (303) 373-4860.

All voting rights are vested exclusively in the holders of the Company’s \$0.10 par value common stock. Each share of the Company’s common stock is entitled to one vote. Cumulative voting in the election of directors is not permitted. Holders of a majority of shares entitled to vote at the meeting, when present in person or by proxy, constitute a quorum. On April 21, 2016, the record date for shareholders entitled to vote at the meeting, the Company had 11,728,478 shares of its \$0.10 par value common stock issued and outstanding.

When a quorum is present, in the election of directors, those five nominees having the highest number of votes cast in favor of their election will be elected to the Company’s Board. Consequently, any shares not voted (whether by abstention, broker non-vote or otherwise) have no impact in the election of directors except to the extent the failure to vote for an individual results in another individual receiving a larger number of votes. With respect to any other matter, unless a greater number of votes are required by law, a matter is approved by the shareholders if the votes cast in favor of the matter exceed the votes cast in opposition. Any shares not voted (whether by abstention, broker non-vote or otherwise) have no impact on the vote for such other matters, if any, so long as a quorum is present.

Neither Colorado law nor the Company’s certificate of incorporation or bylaws entitle shareholders to any appraisal or similar rights of dissenters with respect to any of the proposals to be acted upon at the Annual Meeting.

CONSENT TO ELECTRONIC DELIVERY OF PROXY MATERIALS

If you are a shareholder of record or a member of the Company’s Employee Stock Ownership Plan, you may, if you wish, receive future proxy statements and annual reports online rather than receiving proxy materials in paper form. Electronic delivery of proxy materials reduces the costs and environmental impact incurred by the Company in printing and mailing proxy materials. If you elect this feature, you will receive an e-mail message notifying you when the materials are available, along with a web address for viewing the materials and instructions for voting by telephone or on the Internet. You may sign up for electronic delivery at any time by visiting www.proxyvote.com. If you received this proxy statement electronically, you do not need to do anything to continue receiving proxy materials electronically in the future. If you hold your shares in a brokerage account, you may also have the opportunity to receive proxy materials electronically. Please follow the instructions of your broker.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" EACH OF THE DIRECTOR NOMINEES

PROPOSAL 2: ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

This proposal gives our shareholders the opportunity to vote to approve or not approve, on an advisory basis, the compensation of our named executive officers. This vote is not intended to address any particular component of any compensation package, but rather the overall compensation of our named executive officers and our compensation philosophy, policies and practices, as disclosed under the "Executive Compensation" section of this Proxy Statement. We are providing this vote as required by Section 14A of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Accordingly, we are asking our shareholders to vote to approve, on an advisory basis, the compensation of the Company's named executive officers, as disclosed in this Proxy Statement under the heading entitled "Executive Compensation."

The Company's compensation packages for its executive officers are designed to enable the Company to recruit, retain and motivate its officers, to synchronize executive compensation with the Company's performance, to motivate executive officers to achieve the Company's business objectives, to provide performance incentives and minimize undue risk to the Company. The Board of Directors believes that the Company's approach to compensating its executive officers, as described in this Proxy Statement, effectively accomplishes these objectives.

Vote Required

The say-on-pay proposal is advisory and non-binding. The approval or disapproval of this proposal by shareholders will not require the Board of Directors or the Compensation Committee to take any action regarding the Company's executive compensation practices. The final decision on the compensation and benefits of the Company's executive officers and on whether, and if so, how, to address shareholder disapproval remains with the Board and the Compensation Committee. Although the say-on-pay vote is non-binding, the Board of Directors will review and consider the voting results when making future executive compensation decisions. Our executive compensation will be approved, on an advisory basis, if the votes cast by shareholders in favor of advisory approval exceed those votes cast in opposition of advisory approval.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE EXECUTIVE COMPENSATION

BOARD LEADERSHIP STRUCTURE AND ROLE IN RISK OVERSIGHT

The Board is actively involved in assessing and managing risks that could affect the Company. Part of the Board's role is to periodically assess the processes utilized by management with respect to risk assessment and risk management, including identification by management of the primary risks of the Company's business, and the implementation by management of appropriate systems to address such risks. The Board fulfills these responsibilities either directly, through delegation to committees of the Board, or, as appropriate, through delegation to individual directors. When the Board determines to delegate any risk management oversight responsibilities, typically such delegation is made to the standing committees of the Board.

Mr. Goldstein serves as both the Chairman of the Board and the Chief Executive Officer of the Company. The Company believes this is appropriate in light of Mr. Goldstein's significant experience and leadership roles with the Company, and his in-depth knowledge of consumer products and the Company's management, marketplace, customers, marketing, sales and strategic vision. The Company further believes Mr. Goldstein's effectiveness in promoting the Company's products and forming new business relationships is significantly enhanced by his role as both Chairman of the Board and Chief Executive Officer. The Board does not have a lead independent director.

EXECUTIVE OFFICERS

The Company has three executive officers. They are Mr. Goldstein, Mr. Levine and Mr. Hyman. Information regarding Mr. Goldstein and Mr. Levine is stated above under "Election of Directors." Information concerning Mr. Hyman is as follows:

Mr. Hyman, 60, has been employed by the Company as Senior Vice President of Sales beginning in 2013. Prior to joining the Company, Mr. Hyman served as an independent sales and marketing consultant from August 2012 through December 2012, Vice President of Sales OOK Division for the Hillman Group from December 2011 through July 2012, and Vice President of Sales for Impex Systems Group from August 2007 through December 2011.

The officers of the Company are elected annually at the first meeting of the Company's Board held after each annual meeting of shareholders and serve at the pleasure of the Board.

DIRECTORS' MEETINGS AND COMMITTEES

During the year ended December 31, 2015, the Board had three regular meetings and acted by written consent twice, three Audit Committee meetings, and two Compensation Committee meetings. No member of the Board attended fewer than 75% of the meetings of the Board or of committees for which such member served during 2015. Although the Company is not listed on NASDAQ, the Board has elected to apply NASDAQ's independence standards to the Board. During 2015, Mr. Laber, Mr. Neri and Ms. Garrett satisfied the NASDAQ independence standards.

Audit Committee

The Audit Committee's primary responsibilities include appointing the independent auditor for the Company, pre-approving all audit and non-audit services, and assisting the Board in monitoring the integrity of the financial statements of the Company, the independent auditor's qualifications, independence and performance and the Company's compliance with legal requirements. The Audit Committee operates under a written charter adopted by the Board, a copy of which has been filed with the SEC and is available at the Company's website at www.slginc.com.^{*} During 2015 the members of the Audit Committee were Mr. Laber (Chairperson), Mr. Neri and Ms. Garrett. Each member of the Audit Committee is an independent director as defined in the NASDAQ rules. Mr. Laber has the professional experience deemed necessary to qualify as an audit committee financial expert under rules of the SEC.

^{*}Unless specified, we do not incorporate by reference herein information presented at our website.

Compensation Committee

The primary responsibilities of the Compensation Committee include, without limitation, overseeing the development of a compensation philosophy for the Company, reviewing the compensation packages for executive officers and engaging and overseeing compensation consultants and advisers. The Compensation Committee may not delegate its authority. The Compensation Committee operates under resolutions adopted by the Board of Directors that may constitute a charter, a copy of which is attached hereto as Appendix A. The Compensation Committee consists of three directors, each of whom is an independent director as defined under the NASDAQ rules. During 2015, the members of the Compensation Committee were Mr. Neri (Chairperson), Mr. Laber and Ms. Garrett.

In making decisions regarding executive compensation, the Compensation Committee requests the comments of the Chief Executive Officer and the other executive officers about their compensation and considers a number of factors. In determining the executive compensation in 2014 and 2015, the Committee considered, among other things, the following matters:

Overview

- The objectives of the Company's compensation program;
- What the compensation program is designed to reward;
- Each element of compensation;
- How the Company determines the amount (and, where applicable, the formula) for each element; and
- How each compensation element and the Company's decisions regarding that element fit into the Company's overall compensation objectives and affect decisions regarding other elements.

Specific Factors

- Services performed and time devoted to the Company by the executive;
- Amounts paid to executives in comparable companies;
- The size and complexities of the Company's business;
- Successes achieved by the executive;
- The executive's abilities;
- The executive's tenure;
- The Company's financial results;
- Prevailing economic conditions;
- Compensation paid to other employees of the Company; and
- The amount previously paid to the executive.

The Compensation Committee did not use an outside consultant for compensation matters during 2014 and 2015.

The Compensation Committee also determines the fees paid to the non-employee directors, with input from the Company's executive officers.

DIRECTOR NOMINATION PROCESS

The Board of the Company does not have a nominating committee. The full Board performs the functions of a nominating committee. The Board believes that it does not need a separate nominating committee because the full Board is relatively small, has the time to perform the functions of selecting Board nominees and in the past has acted unanimously in regard to nominees.

In considering an incumbent director whose term of office is to expire, the Board reviews the director's overall service during the person's term, the number of meetings attended, level of participation and quality of performance. In the case of new directors, the directors on the Board are asked for suggestions as to potential candidates, discuss any candidates suggested by a shareholder of the Company and apply the criteria stated below. The Company may engage a professional search firm to locate nominees for the position of director of the Company. However, to date the Board has not engaged professional search firms for this purpose.

The Board seeks candidates for nomination to the position of director who have excellent decision-making ability, business experience, particularly experience relevant to consumer products, personal integrity, diverse backgrounds and who meet such other criteria as may be set forth in a writing adopted by a majority vote of the Board. While the Board values a diversity of viewpoints and backgrounds, it does not have a formal policy regarding the consideration of diversity in identifying director nominees.

Pursuant to a policy adopted by the Board, the directors will take into consideration a director nominee submitted to the Company by a shareholder; provided that the shareholder submits the director nominee and reasonable supporting material concerning the nominee by the due date for a shareholder proposal to be included in the Company's Proxy Statement for the applicable annual meeting as set forth in Section 2.14 of the Company's Bylaws and the rules of the SEC then in effect. See "Shareholder Proposals and Director Nominations" below.

DIRECTOR ATTENDANCE AT COMPANY ANNUAL MEETINGS

The Company does not have a policy regarding attendance by members of the Board at the Company's annual meeting of shareholders. The Company has always encouraged its directors to attend its annual meeting. All directors who were then serving attended the Company's most recent annual meeting of shareholders.

SHAREHOLDER COMMUNICATIONS WITH THE BOARD

Historically, the Company has not had a formal process for shareholder communications with the Board. The Company does not believe a formal process for handling shareholder communications is necessary because the Board reviews and considers all material communications from shareholders.

CODE OF BUSINESS CONDUCT AND ETHICS POLICY

The Company has a Code of Business Conduct and Ethics Policy ("Code of Conduct") that reflects long-standing positions of the Company and contains additional provisions that address the Company's expectations relating to ethical business conduct. The Code of Conduct applies to all employees, including executive officers, and to directors. The Code of Conduct concerns, among other things, compliance with applicable law, the avoidance of conflicts of interest, trading restrictions imposed on persons who are aware of material non-public information, a prohibition on taking corporate opportunities, competing fairly and honestly, diversity as an asset, the Company's efforts to provide a safe and healthful work environment, recordkeeping, confidentiality, proper use of Company assets and payments to government personnel. A copy of the Code of Conduct may be obtained free of charge upon request to: Corporate Secretary, Scott's Liquid Gold-Inc., 4880 Havana Street, Suite 400, Denver, Colorado 80239. The Code of Conduct is

also available at the Company's website at www.slginc.com.

EXECUTIVE COMPENSATION

The following Summary Compensation Table shows the annual and other compensation of the Chief Executive Officer and all other executive officers of the Company during the year ended December 31, 2015, for services in all capacities provided to the Company and its subsidiaries for the past two years. The Company's compensation packages to the executive officers, as determined by the Compensation Committee, are designed to enable the Company to recruit, retain and motivate a talented group of people who contribute to the Company's success. The packages are also intended to synchronize executive compensation with the Company's performance, motivate executive officers to achieve the Company's business objectives, provide performance incentives and minimize undue risk to the Company. The Company's Chief Executive Officer provides input regarding compensation packages of the executive officers other than himself.

In 2015 and 2014, the Company had a performance-based bonus plan for the Chief Executive Officer, the Chief Financial Officer and the Senior Vice President of Sales. Under the bonus plan, Mr. Goldstein and Mr. Levine each had the potential to earn a bonus equal to up to 35% and 30% of their respective salaries in 2015 and 2014, respectively, if the Company achieved net income targets established by the Compensation Committee. Mr. Hyman had the potential to earn a bonus equal to up to 14.5% and 13% of his salary in 2015 and 2014, respectively, if the Company achieved net income targets established by the Compensation Committee. The Company exceeded the pre-established net income targets for both 2015 and 2014. The Compensation Committee can increase the foregoing bonus percentages if warranted by the circumstances.

The Company intends to continue the bonus plan in 2016, with a target bonus for the Chief Executive Officer and the Chief Financial Officer of 35% of their respective salaries and 14.5% for the Senior Vice President of Sales if the Company achieves net income targets established by the Compensation Committee. The Compensation Committee can increase the foregoing bonus percentages if warranted by the circumstances.

Prior to its expiration on March 31, 2015, executive officers and non-employee directors of the Company were eligible to receive stock awards under the Company’s 2005 Stock Incentive Plan (the “2005 Plan”) and awards under the 2005 Plan remain outstanding currently. Following the expiration of the 2005 Plan, the Company adopted the 2015 Equity and Incentive Plan (the “2015 Plan”). The number of common shares authorized under the 2005 Plan was 3,000,000 and the number of common shares authorized under the 2015 Plan is 2,000,000.

All options granted in or prior to 2006 were 100% vested on the date of grant. Options granted after 2006 generally vested $\frac{1}{48}$ of the shares subject to the options each month after the date of grant and vested fully upon a change in control, with the exception of option awards to our three non-employee directors which vested immediately, as described below.

The 2015 Plan provides for the issuance of stock awards consisting of incentive and non-qualified stock options, stock appreciation rights, restrictive stock or restrictive stock units, performance share awards and performance compensation awards. With certain exceptions, options granted under the 2015 Plan generally vest $\frac{1}{48}$ of the shares subject to the options each month after the date of grant.

EMPLOYMENT AGREEMENTS

On March 26, 2014, the Company entered into employment agreements with Mr. Goldstein and Mr. Levine. Pursuant to the employment agreements, each executive is eligible to receive a base salary and an annual bonus of between 25-50% of the executive's base salary during the applicable bonus period, provided the executive remains employed the entire calendar year, and the Board, in its sole discretion, determines that the executive and the Company, as applicable, met or exceeded all of the goals and objectives of the written annual bonus plan approved by the Board or Compensation Committee.

The agreements are for a three-year term, but may be terminated by either party before that time, with or without cause. The agreements also include terms and provisions to protect our business and confidential information, including standard non-compete, non-solicitation of clients and employees, and no-hire obligations during the term of employment. Upon either Mr. Goldstein's or Mr. Levine's termination of employment by the Company not for "cause," or by Mr. Goldstein or Mr. Levine for "good reason" (as each term is defined in the employment agreement), in addition to already earned salary and any earned but unpaid bonus for the prior year, Mr. Goldstein and Mr. Levine are entitled to receive certain payments and benefits, including: (1) a severance payment equal to 18 months of their then current base salary in effect on the day of termination payable over a period of 18 months; and (2) reimbursement for the costs of continuing health benefits for a period of 18 months following termination. All severance payments and benefits are subject to compliance with the restrictive covenants in the employment agreement (such as the nondisclosure, non-solicitation, and non-competition provisions) for the 18 months after termination of employment, as well as the receipt of a release from the executive officer.

STOCK OWNERSHIP REQUIREMENTS

Each non-employee director must hold the number of shares of common stock equal in value to at least the annual cash compensation of such director, determined as of September 19, 2013. Directors have three years within which to acquire such number of shares (including such number of shares to reflect any increase in cash compensation that occurs during such three year period). In the event the cash compensation of directors is increased after such three year period, directors will have an additional year to raise their ownership to reflect the increased amount of compensation, using the closing price on the day of approval of such compensation increase. Future directors will have three years within which to satisfy initial stock ownership requirements and thereafter, one year to increase their ownership following any increase in cash compensation to directors. Ms. Garrett, Mr. Laber and Mr. Neri all exceed the foregoing stock ownership requirements. For information regarding Ms. Garrett's, Mr. Laber's and Mr. Neri's current beneficial ownership of shares, see the table "Security Ownership of Management" above.

COMPENSATION OF DIRECTORS

As of December 31, 2015, two directors, Mr. Goldstein and Mr. Levine, were full-time executive officers of the Company and received no additional compensation for their service as a director, and Mr. Laber, Mr. Neri and Ms. Garrett were the Board's non-employee directors. As of December 31, 2015, the annual director fees were \$31,500 for the Audit Chair and \$30,000 for the other non-employee directors. In addition, directors were eligible for option award grants under the Company's 2015 Plan.
