CGI renews its Normal Course Issuer Bid

Montréal, Quebec, February 1, 2017 - CGI Group Inc. (TSX: GIB.A) (NYSE: GIB) (the “Company” or “CGI”) announced today that its Board of Directors has authorized the renewal of its Normal Course Issuer Bid (“NCIB”), subject to acceptance by the Toronto Stock Exchange (the “TSX”).

The Company’s management and Board of Directors believe that the purchase for cancellation of Class A subordinate voting shares (“Class A Shares”) of the Company is a proper use of the Company’s funds, and the NCIB will provide the Company with the flexibility to purchase Class A Shares from time to time as the Company considers it advisable, as part of its strategy to increase shareholder value.

At the close of business on January 25, 2017, there were 266,980,846 Class A Shares outstanding, of which approximately 79% were widely held (representing a public float of 211,905,649 Class A Shares for TSX purposes). Under the terms of the NCIB, subject to TSX acceptance, the Company may purchase for cancellation on the open market through the facilities of the TSX and the New York Stock Exchange and through alternative trading systems, as well as outside the facilities of the TSX pursuant to exemption orders issued by securities regulatory authorities, up to 21,190,564 Class A Shares, representing approximately 10% of the Company’s public float as of the close of business on January 25, 2017. The average daily trading volume of the Class A Shares on the TSX for the six-month period ended December 31, 2016 was 482,128 (the “ADTV”). Consequently and in accordance with the requirements of the TSX, the daily purchase limit under the NCIB on the TSX will be 120,532 Class A Shares, representing 25% of the ADTV. All Class A Shares will be purchased at their market price at the time of acquisition, except for purchases effected outside the facilities of the TSX pursuant to exemption orders issued by securities regulatory authorities which will be at a discount to the market price as provided in such exemption orders. All Class A Shares purchased under the NCIB will be cancelled.

Purchases of Class A Shares may commence on February 6, 2017 and will end on the earlier of February 5, 2018 or the date on which the Company has either acquired the maximum number of Class A Shares allowable under the NCIB or otherwise decided not to make any further purchases for cancellation under the NCIB.

The current NCIB commenced on February 11, 2016 and will end on February 3, 2017. As at January 25, 2017, 13,210,075 Class A Shares have been purchased under the current NCIB.

CGI has implemented an automatic share purchase plan with its designated broker in connection with the NCIB in order to allow for share purchases for cancellation during self-imposed blackout periods.
