Item 1.01 Entry into a Material Definitive Agreement.

A. August 15, 2011 Fixed Dollar Collared Accelerated Share Repurchase Agreement

On August 15, 2011, Forest Laboratories, Inc. (“Forest”) entered into a fixed dollar collared accelerated share repurchase agreement (the “August 2011 ASR Contract”) with Morgan Stanley & Co. LLC (“Morgan Stanley”) under which Forest will repurchase \$350 million of its common shares. Forest will acquire these common shares under the 50 million share repurchase program authorized by its Board of Directors that was previously announced on May 18, 2010.

Pursuant to the August 2011 ASR Contract, Forest paid \$350 million to Morgan Stanley on August 15, 2011, and Forest received 7,103,508 shares. Additional shares are expected to be delivered over the term of the August 2011 ASR Contract which is expected to end no later than the quarter ending September 30, 2012. The exact number of shares to be repurchased generally will be determined by the discounted average of the daily volume weighted average prices of shares traded during a forward price calculation period, subject to collar provisions that will establish minimum and maximum numbers of shares to be repurchased. The minimum and maximum share numbers will be fixed based on per share prices of 110% and 97.7%, respectively, of the average of the daily volume weighted average prices of shares traded during an initial valuation period.

The August 2011 ASR Contract contains the principal terms and provisions governing the accelerated share repurchase, including, but not limited to, the mechanism used to determine the number of shares that will be delivered, the required timing of delivery of the shares, the circumstances under which Morgan Stanley is permitted to make adjustments to valuation periods, the circumstances under which the August 2011 ASR Contract may be terminated early, circumstances under which Morgan Stanley could be entitled to deliver fewer than the minimum number of shares specified by the collar provisions (or Forest could be required to deliver shares or cash (at Forest’s option) to Morgan Stanley) and various acknowledgements, representations and warranties made by Forest and Morgan Stanley to one another.

The foregoing description of the August 2011 ASR Contract is a summary and is qualified in its entirety by the terms of the August 2011 ASR Contract, a copy of which will be filed as an exhibit to Forest’s Quarterly Report on Form 10-Q for the period ending September 30, 2011.

B. June 3, 2011 Fixed Dollar Collared Accelerated Share Repurchase Agreement

On August 15, 2011, Forest and Morgan Stanley amended and restated the fixed dollar collared accelerated share repurchase agreement that they previously entered into (and which Forest previously disclosed under the cover of the Current Report on Form 8-K that it filed with the Securities and Exchange Commission on June 9, 2011) on June 3, 2011 (as amended to date, the “June 2011 ASR Contract”) to, among other things, extend the potential term of the June 2011 ASR Contract. As amended and restated, the term of the June 2011 ASR Contract is expected to end no later than the quarter ending September 30, 2012.

The foregoing description of the amended terms of the June 2011 ASR Contract is a summary and is qualified in its entirety by the terms of the amended and restated June 2011 ASR Contract, a copy of which will be filed as an exhibit to Forest’s Quarterly Report on Form 10-Q for the period ending September 30, 2011.
