In a contested election, the Director nominees who receive the plurality of votes cast are elected as Directors. Under the plurality standard, the number of persons equal to the number of vacancies to be filled who receive more votes than other nominees are elected to the Board of Directors (the "Board"), regardless of whether they receive a majority of votes cast. An election is considered contested under Section 6.3 of the Company's certificate of incorporation if there are more nominees than positions on the Board to be filled at the meeting of shareholders as of the fourteenth day prior to the date on which the Company files its definitive proxy statement with the Securities and Exchange Commission. For the election of Directors at the annual meeting of shareholders, based on a shareholder notice that the Company had received, there were more nominees than the number of Directors to be elected, and therefore, plurality voting governed the election of directors.

The shareholders elected all 13 of the Company's nominees for director. Mr. Peter W. Lindner, a shareholder who nominated himself under the Company's By-Laws as a candidate for director at the 2013 Annual Meeting, was not elected as a director of the Company.

All 13 of the Company's nominees for director received over a majority of votes cast.
