ITEM 4. DESCRIPTION OF SECURITIES

Not applicable

ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL

Raymond S. Willoch, who is providing the legal opinion attached as Exhibit 5.1 hereto, is Senior Vice President-Administration, General Counsel and Secretary of the Registrant, owns shares of the Registrant's Common Stock, has received past awards under the Omnibus Plan, and is eligible to participate in the Omnibus Plan.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS

As provided under Georgia law, the Registrant's Articles of Incorporation, as amended, provide that a director shall not be personally liable to the Registrant or its shareholders for monetary damages for breach of duty of care or any other duty owed to the Registrant as a director, except that such provision shall not eliminate or limit the liability of a director (1) for any appropriation, in violation of his duties, of any business opportunity of the Registrant, (2) for acts or omissions which involve intentional misconduct or a knowing violation of law, (3) for unlawful corporate distributions, or (4) for any transaction from which the director received an improper benefit.

Under Article VII of the Registrant's Bylaws, as amended, the Registrant is authorized to indemnify its officers and directors for any liability and expense incurred by them in connection with or resulting from any threatened, pending or completed legal action or other proceeding or investigation by reason of his or her being or having been an officer or director. An officer or director may only be indemnified if he or she acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Registrant, and, with respect to a criminal

matter, he or she did not have reasonable cause to believe that his or her conduct was unlawful. No officer or director who has been adjudged liable for the improper receipt of a personal benefit is entitled to indemnification.

- 2 -

Any officer or director who has been wholly successful on the merits or otherwise in an action or proceeding in his or her official capacity is entitled to indemnification as to expenses by the Registrant. All other determinations in respect of indemnification shall be made by either: (1) a majority vote of a quorum of disinterested directors; (2) independent legal counsel selected in accordance with the Bylaws and at the request of the Board; or (3) the holders of a majority of the Registrant's stock who at such time are entitled to vote for the election of directors.

The provisions of the Registrant's Bylaws on indemnification are consistent in all material respects with the laws of the State of Georgia, which authorize indemnification of corporate officers and directors.

Subject to the foregoing, the Registrant has entered into indemnification agreements with each of its executive officers and directors providing such officers and directors indemnification and expense advancement to the fullest extent permitted by applicable law and the Registrant's Articles of Incorporation and Bylaws, subject to certain limitations and procedural requirements. The Registrant's directors and officers are also insured against losses arising from any claim against them as such for wrongful acts or omissions, subject to certain limitations.

ITEM 9. UNDERTAKINGS

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act");

- 3 -

- To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;
- (ii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the Registration Statement is on Form S-8 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), that are incorporated by reference in the Registration Statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the provisions of the Articles of Incorporation or Bylaws or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
