PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

JUNE 14, 2005

SOLICITATION AND REVOCATION OF PROXIES

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of United Mobile Homes, Inc. (the Company) of proxies to be voted at the Annual Meeting of Shareholders of the Company to be held on June 14, 2005, and at any adjournments thereof, for the purposes listed in the preceding Notice of Annual Meeting of Shareholders. This Proxy Statement and the accompanying Proxy card are being distributed on or about May 2, 2005 to shareholders of record on April 22, 2005.

A copy of the Annual Report, including financial statements, is being mailed herewith.

Any shareholder giving the accompanying proxy has the power to revoke it at any time before it is exercised at the Annual Meeting by filing with the Secretary of the Company an instrument revoking it, by delivering a duly executed proxy card bearing a later date, or by appearing at the meeting and voting in person. Shares represented by properly executed proxies will be voted as specified thereon by the shareholder. Unless the shareholder specifies otherwise, such proxies will be voted FOR the proposals set forth in the Notice of Annual Meeting.

The cost of preparing, assembling and mailing this Proxy Statement and form of proxy, and the cost of soliciting the proxies related to the Annual Meeting will be borne by the Company. The Company does not intend to solicit proxies otherwise than by use of the mail, but certain officers and regular employees of the Company, without additional compensation, may use their personal efforts, by telephone or otherwise, to obtain proxies.

VOTING RIGHTS

Only holders of the Company's \$.10 par value common stock (Common Stock) of record as of the close of business on April 22, 2005, are entitled to vote at the Annual Meeting. As of the record date, there were issued and outstanding 9,378,369 shares of Common Stock, each share being entitled to one vote on any matter which may properly come before the Annual Meeting. Said voting right is non-cumulative. The holders of a majority of the outstanding shares of Common Stock shall constitute a quorum. An affirmative vote of a majority of the votes cast by the holders of the Common Stock is required for approval of Proposals 1 and 2.

PROPOSAL 1

ELECTION OF DIRECTORS

Two persons have been nominated by the Nominating Committee to serve on the Board of Directors of the Company.

Your proxy will be voted for the election of the two nominees named in this proxy statement, both of whom are members of the present Board of Directors, to serve for a three-year term, unless you specifically withhold your authority. Both nominees have agreed to serve, if elected, for the new term. If for any reason any of the two nominees becomes unavailable for election, your proxy will be voted for any substitute nominee who may be selected by the Board of Directors prior to or at the meeting, or, if no substitute is selected by the Board of Directors, for a motion to reduce the membership of the Board of Directors to the number of the nominees who are available to serve.

In the event the membership of the Board of Directors is reduced, it is anticipated that it would be restored to the original number at the next annual meeting. In the event a vacancy occurs on the Board of Directors after the Annual Meeting, the Company's Bylaws provide that any such vacancy will be filled for the unexpired term only by the affirmative vote of a majority of the remaining Directors in office. The Company has no knowledge that any of the two nominees will become unavailable for election.

The proxies solicited cannot be voted for a greater number of persons than the nominees named.

Eugene Rothenberg, a nominee for Director is also a Director of Monmouth Capital Corporation, a publicly-owned affiliate of the Company. In addition, the Officers and Directors of the Company may engage in real estate transactions for their own account, which transactions may also be suitable for the Company. In most respects, the activities of the Company, Monmouth Real Estate Investment Corporation, a publicly-owned affiliate of the Company, and Monmouth Capital Corporation are not in conflict, but rather complement each other. However, the activities of the Officers and Directors of the Company on behalf of the other companies, or for their own account, may on occasion conflict with those of the Company and deprive the Company of favorable opportunities. It is the opinion of the Officers and Directors of the Company that there have been no conflicting transactions since the beginning of the last fiscal year.

The following table sets forth information regarding the Directors standing for election and the Directors whose terms continue beyond the Annual Meeting:

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION TO THE BOARD OF DIRECTORS OF EACH OF THE TWO PERSONS STANDING FOR ELECTION NAMED ABOVE

Director Independence

The Company has a Board of Directors consisting of seven members. The Board of Directors has determined that four members, James E. Mitchell, Richard H. Molke, Eugene Rothenberg and Robert G. Sampson, are independent as defined by the rules of the Securities and Exchange Commission (SEC) and the listing standards of the American Stock Exchange (AMEX). Three members, Anna T. Chew, Eugene W. Landy, and Samuel A. Landy, are not considered independent directors because of their employment as senior executives of the Company.

Committees of the Board of Directors and Meeting Attendance

The Board of Directors had four meetings during the last fiscal year. No Director attended fewer than 75% of the meetings.

The Company has a standing Audit Committee, Compensation Committee and Nominating Committee of the Board of Directors.

Audit Committee

The Audit Committee's responsibilities include reviewing and overseeing financial reporting, policies and procedures and internal controls, retaining the independent auditor, approving the audit fees, and discussing the independent auditors independence. It also oversees the internal audit function, legal and regulatory compliance and adherence to the Code of Business Conduct and Ethics, establishing procedures for complaints received regarding the Company's accounting, internal accounting controls and auditing matters. In addition, the Audit Committee prepares the Audit Committee Report which is included in the Company's annual proxy statements. The Audit Committee had four meetings during the fiscal year, including an executive session with the independent auditors, in which management did not attend.

The current members of the Company's Audit Committee are James E. Mitchell, Richard H. Molke and Eugene Rothenberg. The Board has determined that each member of the Audit Committee is independent as defined by the rules of the SEC and the listing standards of the AMEX, and that each of them is able to read and understand fundamental financial statements. The Board has also determined that James E. Mitchell is an audit committee financial expert within the meaning of the rules of the SEC and is financially sophisticated within the meaning of the rules of the AMEX.

Compensation Committee

The Compensation Committee evaluates the performance of the Chairman of the Board and the President in light of the Company's goals and objectives, determines the executive officers' compensation, which includes base salary and bonus, and administers the Company's 2003 Stock Option Plan. The Compensation Committee had one meeting during the last fiscal year. The current members of the Compensation Committee are Richard H. Molke, Eugene Rothenberg, James E. Mitchell and Robert Sampson. The Board has determined that each member of the Compensation Committee is independent as defined by the rules of the SEC and the listing standards of the AMEX.

Nominating Committee

The Nominating Committee identifies, considers and recommends candidates to serve as members of the Board and makes recommendations regarding the structure and composition of the Board of Directors and Committees. The Nominating Committee had one meeting during the last fiscal year. The current members of the Nominating Committee are James E. Mitchell, Richard H. Molke and Eugene Rothenberg. The Board of Directors has determined that each member of the Nominating Committee is an independent Director as defined by the rules of the SEC and the listing standards of the AMEX. Our Nominating Committee does not operate under a written charter.

The principal function of the Nominating Committee is to review and select candidates for nomination to the Board of Directors. The Nominating Committee will consider director candidates recommended by the Company's shareholders. Recommendations with regard to nominees for election to the Board of Directors may be submitted by any stockholder entitled to vote for the election of directors in writing, received by the Secretary of the Corporation at least 90 days but not more than 120 days prior to the first anniversary of the date on which the Company mailed its proxy materials for the prior year's annual meeting of shareholders. Each

notice of nomination must set forth (i) the name, age, business address and, if known, residence address of each nominee, (ii) the principal occupation or employment of each such nominee, (iii) the number of shares of common stock of the Company which are beneficially owned by each such nominee, and (iv) such other information as required by the SEC pursuant to Regulation 14A of the Securities Exchange Act of 1934, as amended (Exchange Act).

In connection with the formation of the Nominating Committee, the Company's Board of Directors established certain minimum qualifications for board members, including being at least 21 years old and possessing (1) the ability to read and understand corporate financial statements, (2) relevant business experience and professional skills, (3) high moral character and personal and professional integrity, and (4) the willingness to commit sufficient time to attend to his or her duties and responsibilities as a director of a public corporation. In addition, the Nominating Committee may consider a variety of other qualities and skills, including (i) the ability to exercise independent decision-making, (ii) the absence of conflicts of interest and, (iii) the ability to work effectively with other directors in collectively serving the long-term interests of all shareholders. Nominees must also meet any applicable requirements of SEC regulations, state law, and the Company's articles of incorporation and bylaws.

The Nominating Committee has established a process for identifying and evaluating nominees for director. The Nominating Committee will annually assess the qualifications, expertise, performance and willingness to serve of existing directors. If at this time or at any other time during the year the Board of Directors determines a need to add a new director with specific qualifications or to fill a vacancy on the Board, the Chairman of the Nominating Committee will then initiate the search, seeking input from other directors and senior management, considering nominees previously submitted by shareholders, and, if deemed necessary or appropriate, hiring a search firm. An initial slate of candidates satisfying the specific qualifications, if any, and otherwise qualifying for membership on the Board, will then be identified and presented to the Nominating Committee by the Committee Chairman. The Nominating Committee will then prioritize the candidates and determine if the Nominating Committee members, other directors or senior management have relationships with the preferred candidates and can initiate contacts. To the extent feasible, all of the members of the Nominating Committee and the President will interview the prospective candidate(s). Evaluations and recommendations of the interviewers will be submitted to the Nominating Committee for final evaluation. The Nominating Committee will meet to consider such recommendations and to approve the final candidate. The Nominating Committee will evaluate all nominees for director, including nominees recommended by a stockholder, on the same basis.

To date, there are no third parties being compensated for identifying and evaluating candidates.

Independent Director Meeting

The Company's independent directors, as defined under the listing standards of the AMEX, have established a policy to meet separately from the other directors in a regularly scheduled executive session at least annually, and at such times as may be deemed appropriate by the Company's independent directors. Any independent director may call an executive session of independent directors at any time.

Shareholder Communications

The Company has established procedures for shareholders to communicate with the Board of Directors on a confidential basis. Shareholders who wish to communicate with the Board or with a particular director may send a letter to the Secretary of the Company at 3499 Route 9 North, Suite 3-C, Freehold, NJ 07728. The mailing envelope must contain a clear notation indicating that the enclosed mailing is a Stockholder-Board Communication or Stockholder-Director Communication . All such letters must identify the author as a stockholder and clearly state whether the intended recipients of the letter are all of the members of the Board or just certain specified individual directors. The Secretary will make copies of all such letters and circulate them to the directors addressed. If a stockholder wishes the communication to be confidential, such shareholder must clearly indicate on the envelope that the communication is Confidential . The Secretary will then forward such communication, unopened, to the intended recipient.

Code of Conduct

The Company has adopted a Code of Business Conduct and Ethics, which applies to all directors, officers, and employees of the Company, including its principal executive officers and principal financial officer. This code is posted on our website at <http://www.umh.com>. During 2004, no violations of the Code of Business Conduct and Ethics were reported nor were any waivers granted.

PROPOSAL 2

APPROVAL OF INDEPENDENT AUDITORS

It is proposed to approve the appointment of KPMG LLP as Independent Auditors for the purpose of making the annual audit of the books of account of the Company for the year ending December 31, 2005, and shareholder approval of said appointment is requested. KPMG LLP has served as independent auditors of the Company since 1994. There are no affiliations between the Company and KPMG LLP, its partners, associates or employees, other than its employment as Independent Auditors for the Company. KPMG LLP informed the Company that it has no direct or indirect financial interest in the Company. The Company expects a representative of KPMG LLP to be present at the Annual Meeting either to make a statement or to respond to appropriate questions.

The approval of the appointment of the Independent Auditors must be by the affirmative vote of a majority of the votes cast at the Annual Meeting. If the stockholders ratify the appointment, the Audit Committee may still, in its discretion, appoint a different independent public accounting firm at any time during the year 2005 if it concludes that such a change would be in the best interests of the Company. If the stockholders fail to ratify the appointment, the Audit Committee will reconsider, but not necessarily rescind, the appointment of KPMG LLP.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

Overview and Philosophy

The Company has a Compensation Committee consisting of two independent outside Directors. This Committee is responsible for making recommendations to the Board of Directors concerning executive compensation. The Compensation Committee takes into consideration three major factors in setting compensation.

The first consideration is the overall performance of the Company. The Board believes that the financial interests of the executive officers should be aligned with the success of the Company and the financial interests of its shareholders. Increases in funds from operations, the enhancement of the Company's equity portfolio, and the success of the Dividend Reinvestment and Stock Purchase Plan all contribute to increases in stock prices thereby maximizing shareholders' return.

The second consideration is the individual achievements made by each officer. The Company is a small real estate investment trust (REIT). The Board of Directors is aware of the contributions made by each officer and makes an evaluation of individual performance based on their own familiarity with the officer.

The final criterion in setting compensation is comparable wages in the industry. In this regard, the REIT industry maintains excellent statistics.

Evaluation

Mr. Eugene Landy is under an employment agreement with the Company. His base compensation under his amended contract was increased in 2004 to \$175,000 per year. (The Summary Compensation Table for Mr. Eugene Landy shows a salary of \$175,000 and \$19,430 in director's fees and fringe benefits).

The Committee also reviewed the progress made by Mr. Samuel A. Landy, President, including funds from operations. Mr. Samuel Landy is under an employment agreement with the Company. His base compensation under this contract is \$314,212 for 2004. Mr. Samuel Landy also received bonuses totaling \$37,035. REPORT OF THE AUDIT COMMITTEE

The Board of Directors adopted a written charter for the Audit Committee.

The Company has an Audit Committee consisting of three independent Directors, as defined by the listing standards of the AMEX. The Audit Committee's role is to act on behalf of the Board of Directors in the oversight of all material aspects of the Company's reporting, internal control and audit functions.

We have reviewed and discussed with management the Company's audited financial statements as of and for the year ended December 31, 2004.

We have discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees.

We have received and reviewed the written disclosures and the letter from the independent auditors required by Independence Standard No. 1, Independence Discussions with Audit Committees, and have discussed with the auditors the auditors' independence.

Based on the reviews and discussions referred to above, we recommend to the Board of Directors that the financial statements referred to above be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2004.

Fees Billed by Independent Auditors

KPMG LLP served as the Company's independent auditors for the years ended December 31, 2004 and 2003. The following are the fees billed by KPMG in connection with services rendered:

	<u>2004</u>	<u>2003</u>
Audit Fees	\$155,000	\$ 46,000
Audit-Related Fees	6,500	-0-
Tax Fees	50,750	47,250
All Other Fees	<u>-0-</u>	<u>-0-</u>
Total Fees	\$212,250	\$ 93,250
	=====	=====

Audit fees include professional services rendered by KPMG LLP for the audit of the Company's annual financial statements and reviews of financial statements included in the Company's quarterly reports on Form 10-Q. Audit fees also include services that are normally provided by the Company's independent registered public accounting firm in connection with statutory and regulatory filings, such as consents and assistance with and review of documents filed with the Securities and Exchange Commission.

Tax fees include professional services rendered by KPMG LLP for the preparation of the Company's federal and state corporate tax returns and supporting schedules as may be required by the Internal Revenue Service and applicable state taxing authorities. Tax fees also include other work directly affecting or supporting the payment of taxes, including planning and research of various tax issues.

Audit Committee Pre-Approval Policy

The Audit Committee has adopted a policy for the pre-approval of audit and permitted non-audit services provided by the Company's independent registered public accounting firm. The policy requires that all services provided by KPMG LLP to the Company, including audit services, audit-related services, tax services and other services, must be pre-approved by the Committee. The pre-approval requirements do not prohibit day-to-day normal tax consulting services, where each individual matter will not exceed \$5,000 and in the aggregate will not exceed \$25,000 for 2003 and 2004.

The Audit Committee has determined that the provision of the non-audit services described above is compatible with maintaining KPMG LLP's independence.

There are two Directors of the Company who are also Directors and shareholders of MREIC, and there are four Directors of the Company who were also Directors and shareholders of MCC.

The Company had purchased shares of MREIC common stock primarily through its Dividend Reinvestment and Stock Purchase Plan. Other Matters

Prior to the adoption of Sarbanes Oxley Act of 2002, Section 202, prohibiting loans to directors and executive officers, the Board of Directors of the Company granted Samuel A. Landy, President, loans in accordance with his Employment Agreement. The total balance of these loans outstanding at March 31, 2005 amounted to \$163,755 at interest rates ranging from 6.36% to 7.5% and maturity dates ranging from 2005 to 2006.

There is no family relationship between any of the Directors or executive officers of the Company, except that Samuel A. Landy and Michael P. Landy are the sons of Eugene W. Landy, the Chairman of the Board of the Company.

Eugene W. Landy and Samuel A. Landy are partners in the law firm of Landy & Landy, which firm, or its predecessor firms, have been retained by the Company as legal counsel since the formation of the Company, and which firm the Company proposes to retain as legal counsel for the current fiscal year. The Company now uses outside counsel for most of the legal services required. The New Jersey Supreme Court has ruled that the relationship of directors also serving as outside counsel is not per se improper, but the attorney should fully discuss the issue of conflict with the other directors and disclose it as part of the proxy statement so that shareholders can consider the conflict issue when voting for or against the attorney/director nominee.

The Company has employment agreements with certain executive officers, which in addition to base compensation, bonuses and fringe benefits, provides for specified retirement benefits. The Company has accrued these benefits on a present value basis over the terms of the agreements. Amounts accrued under these agreements were \$747,058 and \$780,058 at December 31, 2004 and 2003, respectively.

In August, 1999, the Company entered into a lease for its corporate offices. The lease is for a five-year term at market rates with monthly lease payments of \$12,000, plus its proportionate share of real estate taxes and common area maintenance. The lessor of the property is owned by certain officers and directors of the Company. The lease

payments and the resultant lease term commenced on May 1, 2000. Approximately 50% of the monthly lease payment of \$12,000, plus its proportionate share of real estate taxes and common area maintenance is reimbursed by other related entities utilizing the leased space (MREIC and MCC).

COMPLIANCE WITH EXCHANGE ACT FILING REQUIREMENTS

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's Officers and Directors, and persons who own more than 10% of the Company's Common Stock, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, Directors and greater than 10% shareholders are required by Securities and Exchange Commission regulations to furnish the Company with copies of all Section 16(a) forms they file. Based solely on review of the copies of such forms furnished to the Company, the Company believes that, during the fiscal year, all Section 16(a) filing requirements applicable to its Officers, Directors and greater than 10% beneficial owners were met.
