Item 3.02. Unregistered Sales of Equity Securities.

On March 6, 2012, The Brink's Company (the "Company") made a contribution of 361,446 shares of the Company's common stock, par value \$1.00 per share (the "Shares"), to The Brink's Company Pension-Retirement Plan Trust (the "Trust") created under The Brink's Company Pension-Retirement Plan (the "Plan") in consideration for a credit against the Company's funding obligations to the Plan. The Shares were valued for purposes of the contribution at \$24.90 per share, or \$9.0 million in the aggregate. The Shares were contributed to the Trust in a private placement transaction made in reliance upon the exemption from registration provided by Section 4(2) of the Securities Act of 1933, as amended.

The Company has filed a registration statement with the Securities and Exchange Commission naming the Trust as a selling security holder thereunder (the "Registration Statement"). Concurrently with the contribution, the Company filed a supplement to the prospectus contained in the Registration Statement, pursuant to which the Trust is selling the Shares from time to time.

The Company will be required to make approximately \$22.5 million in additional contributions to the Trust in 2012, and will evaluate over the course of the year whether to satisfy these obligations through cash or stock contributions.
