the truckload industry. In the first quarter of 2005, for the second year in a row, the Company is increasing driver pay by \$0.03 per mile. These increases along with the increase implemented this past quarter for miles driven in the upper Northeastern United States has solidified Heartland's industry leading driver compensation package.

During the quarter, Heartland Express declared a regular quarterly cash dividend. The quarterly dividend of \$1,500,000 at the rate of \$0.02 per share was paid on January 3, 2005 to shareholders of record at the close of business on December 23, 2004. The Company has now paid a cash dividend for six consecutive quarters. In addition, the Company declared a 3-for-2 stock split, paid as a 50% stock dividend in the third quarter of 2004. This stock split increased the Company's outstanding common stock from 50.0 million to 75.0 million shares.
