Item 5. Other Events

We recently discovered that our Tulsa, Oklahoma subsidiary, which has a permit to treat and store hazardous waste in certain areas of its facility, had been improperly accepting and storing a substantial amount of hazardous and non-hazardous waste in violation of certain environmental laws in areas not permitted to accept and/or to store hazardous and non-hazardous waste. We voluntarily reported this matter to the appropriate Oklahoma state authorities and have removed this waste to permitted treatment, storage and/or disposal facilities. We are working with the Oklahoma authorities to provide the information requested by the Oklahoma authorities as to this matter. As of the date of this report, we have not been notified by the Oklahoma authorities as to what action or actions, if any, the Oklahoma authorities will take against our subsidiary as a result of this improper acceptance and storage of waste. The Oklahoma authorities could assert monetary fines or penalties or take other action against our subsidiary (including, but not limited to, loss of permits), which may have a material adverse effect on us.
