PROXY STATEMENT

INTRODUCTION

The Board of Directors is soliciting proxies to be used at the 2004 Annual Meeting of Stockholders of Mace Security International, Inc. (Mace or the Company). Mace will begin mailing this proxy statement and the enclosed form of proxy on or about November 3, 2004 to its stockholders entitled to vote at the Annual Meeting.

The Board of Directors is soliciting your proxy to encourage you to vote on proposals at the Annual Meeting and to obtain your support for the proposals. You are invited to attend the Annual Meeting and vote your shares directly. If you do not attend, you may vote by proxy, which allows you to direct another person to vote your shares at the Annual Meeting on your behalf, using the accompanying proxy card. **Even if you plan to attend the Annual Meeting, it is a good idea to complete, sign and return the proxy card in case your plans change. You can always vote in person at the Annual Meeting, even if you have already returned the proxy card.**

About This Proxy Solicitation

This proxy solicitation has two parts: the proxy card and this proxy statement.

The Proxy Card The proxy card permits you to vote by proxy, whether or not you attend the Annual Meeting. When you sign the proxy card, you appoint certain individuals as your representatives at the Annual Meeting. They will vote your shares of Mace common stock at the Annual Meeting as you have instructed on the proxy card. If a proposal comes up for a vote that is not on the proxy card, they will vote your shares as they deem appropriate.

This Proxy Statement This proxy statement contains important information for you to consider when deciding how to vote on the proposals. Please read it carefully. It is divided into four sections following this Introduction:

Section	Page
The Proposals	4
About the Board of Directors and Executive Officers	8
The Principal Stockholders of Mace	18
Additional Information	19

Mace will pay for soliciting these proxies. In addition to use of the mails, Mace's directors, officers and employees may solicit proxies in person, by telephone, facsimile or by other means, in all cases without additional compensation. Mace will reimburse brokers, nominees, custodians and fiduciaries for their reasonable out-of-pocket expenses in forwarding proxy materials to the beneficial owners of Mace common stock.

About the Annual Meeting

When And Where Mace will hold the Annual Meeting on November 30, 2004, at 10:30 AM, Eastern Time, at AmeriSuites Hotel, 8000 Crawford Place, Mt. Laurel, New Jersey 08054.

Record Date The Board has fixed the close of business on October 29, 2004 as the record date for the Annual Meeting. All stockholders of record at that time are entitled to notice of and are entitled to vote in person or by proxy at the Annual Meeting.

Quorum Requirement Mace's bylaws require that a majority of outstanding shares of Mace common stock must be represented at the Annual Meeting, whether in person or by proxy, constituting a quorum in order to transact business. Abstentions and broker non-votes will be counted in determining whether there is a quorum at the Annual Meeting.

The Proposals Stockholders will vote on the following proposals at the Annual Meeting:

election of five directors;

amendment of the Mace Amended and Restated Certificate of Incorporation to decrease authorized shares; and

ratification of the Board's appointment of Grant Thornton, LLP as Mace's independent auditors for fiscal year 2004.

Other Matters There were no stockholder proposals submitted for the Annual Meeting. Neither Mace nor its Board intend to bring any other matters before the Annual Meeting. The Board has no present knowledge that any other matters will be presented by others for action at the Annual Meeting. However, stockholders will be able to vote on any other matters that properly come before the Annual Meeting.

Presence of Independent Auditors Representatives of Grant Thornton LLP, Mace's independent auditors, will be present at the Annual Meeting. They will have the opportunity to make a statement at the Annual Meeting, if they choose, and they are expected to be available to respond to stockholder questions.

The Stockholders As of the record date of October 29, 2004, there were 14,253,632 shares of Mace common stock issued and outstanding. A complete list of stockholders entitled to vote at the Annual Meeting will be available for inspection by any stockholder for any purpose relating to the Annual Meeting for ten days prior to the meeting during ordinary business hours at Mace's headquarters located at 1000 Crawford Place, Suite 400, Mt. Laurel, New Jersey 08054.

Voting at the Annual Meeting

You are entitled to one vote for each share of Mace common stock that you owned of record at the close of business on October 29, 2004. The presence, in person or by proxy, of the holders of a majority of shares of common stock issued and outstanding and entitled to vote at the Annual Meeting is necessary to constitute a quorum. Abstentions are counted as shares present at the meeting for purposes of determining whether a quorum exists. Abstentions have the effect of a vote against any matter to which they are specified. Proxies submitted by brokers that do not indicate a vote for some or all of the proposals because they do not have discretionary voting authority and have not received instructions as to how to vote on those proposals (so-called broker non-votes) are considered shares present at the meeting for purposes of determining whether a quorum exists. Broker non-votes will not affect the outcome of the vote on any matter unless the matter requires the affirmative vote of a majority of the outstanding shares and in such case will have the effect of a vote against that matter.

The five nominees for director receiving the highest number of affirmative votes shall be elected as directors. Stockholders do not have the right to cumulate their votes in the election of directors. The other proposals require the approval of a majority of all shares of Mace common stock entitled to vote for such proposals that are represented at the Annual Meeting in person or by proxy.

How To Vote Your Shares

You may vote in one of two ways:

return your completed, signed and dated proxy card before the Annual Meeting; or

cast a written ballot in person at the Annual Meeting (you will need a legal proxy from your stockbroker if you hold your shares in street name).

Voting By Proxy The proxy card has simple instructions. By returning a completed proxy card before the Annual Meeting, you will direct the appointed persons (known as proxies) to vote your shares at the Annual Meeting in accordance with your instructions. Gregory M. Krzemien and Ronald R. Pirollo will serve as your proxies for the Annual Meeting. If you complete the entire proxy card except for the voting instructions, then the proxies will vote your shares **for** the election of the nominated directors, **for** the ratification of Grant Thornton LLP as Mace's independent auditors, and **for** the approval of the amendment to the Amended and Restated Certificate of Incorporation. If any nominee for election to the Board is unable to serve, which is not anticipated, then the designated proxies will vote your shares **for** any substitute nominee chosen by the Board. If any other matters properly come before the Annual Meeting, then the designated proxies will vote your shares *in their discretion* on such matters.

How To Revoke Your Proxy You may revoke your proxy at any time before it is exercised at the Annual Meeting by any of the following means:

notifying Mace's Secretary in writing (notice to be sent to Mace's executive offices, the address for which is located on the first page of this proxy statement);

submitting another proxy card with a later date; or

attending the Annual Meeting and voting by written ballot (mere attendance at the Annual Meeting will not by itself revoke your proxy).

Proposal 2. Amendment of the Amended and Restated Certificate of Incorporation

Approval and adoption of an amendment to Mace's Amended and Restated Certificate of Incorporation to decrease the number of authorized shares of Common Stock from 100,000,000 to 35,000,000 and decrease the number of authorized shares of Preferred Stock from 10,000,000 to 5,000,000.

The Board of Directors has unanimously approved and is proposing for stockholder approval an amendment to Mace's Amended and Restated Certificate of Incorporation to decrease the number of authorized shares of Common Stock from 100,000,000 to 35,000,000 and decrease the number of authorized shares of Preferred Stock from 10,000,000 to 5,000,000.

The Board of Directors is in favor of Proposal 2 for the following reasons:

The Board of Directors does not foresee a need in the near term to issue numbers of shares approaching the amounts that are currently authorized and unissued; and

Reducing the number of authorized shares will significantly reduce the amount of the franchise tax payable by Mace to the State of Delaware, where Mace is incorporated.

The approval and adoption of the amendment to reduce the number of authorized shares will not affect in any way the validity of currently outstanding stock certificates and will not require you to surrender or exchange any stock certificates that you currently hold. The rights of the Company's stockholders will not be affected by the decrease in the number of authorized shares of Common Stock and Preferred Stock. The general effect of the amendment will be to reduce the amount of authorized shares issuable by Mace which will reduce Mace's Delaware franchise taxes.

The decrease in the authorized stock is set forth in the Second Restated Certificate of Incorporation, attached as Appendix A to this proxy statement. If approved by the stockholders of Mace, the change to the number of authorized shares in the Second Restated Certificate of Incorporation will become effective upon its filing with the Secretary of State of the State of Delaware on or about November 30, 2004.

The Board of Directors recommends that you vote FOR approval and adoption of an amendment to Mace's Amended and Restated Certificate of Incorporation to decrease the number of authorized shares of Common Stock from 100,000,000 to 35,000,000 and decrease the number of authorized shares of Preferred Stock from 10,000,000 to 5,000,000.

Proposal 3. Ratification of the Board's Appointment of Independent Auditors

Ratification of the Board's appointment of Grant Thornton LLP as Mace's independent auditors for fiscal year 2004.

The Audit Committee of the Board of Directors selects the independent public accountants to audit Mace's books of account and other corporate records. The Audit Committee's selection of Grant Thornton LLP to audit Mace's books of account and other corporate records for 2004, which has been approved by the Board of Directors, is being submitted to you for ratification.

About Prior Audits

The rules and regulations of the Securities and Exchange Commission require Mace to make the following disclosures to you:

The reports of Grant Thornton LLP on Mace's consolidated financial statements for the fiscal years ended December 31, 2003, 2002, 2001 and 2000, did not contain any adverse opinion or disclaimer of opinion, or modification or qualification as to uncertainty, audit scope or accounting principles. In connection with its audits for each of the last three fiscal years, there have been no disagreements between Mace and Grant Thornton LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Grant Thornton LLP, would have caused them to refer to any such disagreements in their report on Mace's consolidated financial statements for such years.

Audit Fees and Related Matters

Audit Fees. The Company was billed \$115,103 through March 5, 2004, by Grant Thornton LLP for the audit of Mace's annual financial statements for the fiscal year ended December 31, 2003, and for the review of the financial statements included in Mace's Quarterly Reports on Forms 10-Q filed during 2003. The company estimates approximately \$25,000 of fees remain unbilled related to the 2003 audit as of March 5, 2004. The Company was billed \$98,819 by Grant Thornton LLP for the audit of Mace's annual financial statements for the fiscal year ended December 31, 2002, and for the review of the financial statements included in Mace's Quarterly Reports on Forms 10-Q filed during 2002.

Tax Services. The Company was billed \$20,260 and \$11,290 for tax compliance services rendered by Grant Thornton LLP during 2003 and 2002, respectively.

All Other Fees. Mace was billed \$17,983 for non-audit services, principally SEC compliance services, rendered by Grant Thornton LLP during 2002.

Other Matters. The Audit Committee of the Board of Directors has considered whether the provision of financial information systems design and implementation services and other non-audit services is compatible with maintaining the independence of Mace's independent auditors, Grant Thornton LLP. The Audit Committee pre-approves 100% of the auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by its independent auditor, subject to the de minimus exceptions for non-audit services described in Section 10A (i) (1) (B) of the Exchange Act which are approved by the Committee prior to the completion of the audit. The Audit Committee may form and delegate authority to subcommittees consisting of one or more members when appropriate, including the authority to grant pre-approvals of audit and permitted non-audit services, provided that decisions of such subcommittee to grant pre-approvals shall be presented to the full Audit Committee at its next scheduled meeting.

Presence of Independent Auditors

Representatives of Grant Thornton LLP will be at the Annual Meeting, will have the opportunity to make a statement at the Annual Meeting if they desire to do so, and will be available to respond to appropriate questions.

The Board of Directors recommends that you vote FOR the ratification of Grant Thornton LLP as Mace s independent auditors for fiscal year 2004.

ABOUT THE BOARD OF DIRECTORS AND EXECUTIVE OFFICERS

About the Board and its Committees

Mace's Board is currently comprised of five directors: Louis D. Paolino, Jr., Mark S. Alsentzer, Constantine Papadakis, Ph.D., Matthew J. Paolino, and Burton Segal. Each director position is elected annually for a one-year term.

At a Board meeting held on September 26, 2003, the Board voted to decrease the size of the Board to five directors, effective with the election of directors at the 2003 Annual Meeting. At the September 26, 2003 Board meeting the directors also voted to adopt Corporate Governance Guidelines. The Corporate Governance Guidelines provide that a majority of the Company's directors should be independent, as established by the rules of the NASDAQ Stock Market, and set forth other corporate governance requirements. A majority of the Company's directors will continue to be independent under these rules, if all of the nominees listed in Proposal 1 are elected at the 2004 Annual Meeting. The Corporate Governance Guidelines also established that, commencing in 2004, the Board shall have an Audit Committee, a Compensation Committee and an Ethics and Corporate Governance Committee. At the September 8, 2004 Board meeting, the directors voted to constitute a Nominating Committee to the Board of Directors and adopt a Nominating Committee Charter. The Corporate Governance Guidelines, Audit Committee Charter, Compensation Committee Charter, Ethics and Corporate Governance Committee Charter and the Nominating Committee Charter are posted on the Corporation's website at www.mace.com.

Mace's Board held seven formal meetings during 2003. During 2003, all directors, other than Matthew J. Paolino and Louis D. Paolino, Jr., attended at least 93% of Mace's Board meetings and the meetings of the committees of the Board on which they served. Matthew J. Paolino attended 86% of Mace's Board meetings. Louis D. Paolino, Jr. attended 100% of Mace's Board meetings and none of the meetings of the Compensation Committee of which he was a member. Mr. Paolino recused himself from the Compensation Committee meetings at which Mr. Paolino's compensation was discussed. All members of the Audit Committee and the Ethics and Corporate Governance Committee must be, and are, independent directors. The Board has determined that Burton Segal is an Audit Committee financial expert serving on the Audit Committee as defined in the rules and regulations of the Securities and Exchange Commission. In 2003 the Corporation's Board had standing Audit, Compensation, and Acquisition Committees. The following chart describes the composition and functions of those Committees.

Allocation of available options and vesting schedules are at the discretion of the Compensation Committee and are

determined by potential contribution to, or impact upon, the overall performance of the Company by the executives and employees. Stock options are also issued to members of the Board of Directors at the discretion of the Compensation Committee. These options may have similar terms as those issued to officers or may vest immediately. The purpose of the Stock Option Plan, which has been approved by the stockholders of the Company, is to provide a means of performance-based compensation in order to provide incentive for the Company's employees. Warrants have been issued in connection with the purchase and sale of certain businesses and to a director. The terms of the warrants have been established by the Board of Directors of the Company. Certain of the warrants have been approved by stockholders.

The following table sets forth certain information regarding the Company's Stock Option Plan and warrants as of December 31, 2003.

The Compensation Committee of the Company's Board of Directors consisted of directors Louis D. Paolino, Jr., Richard B. Muir, and Constantine N. Papadakis, Ph.D. Mr. Muir resigned due to other business commitments from the Board of Directors as well as his position on the Compensation Committee effective October 15, 2003.

The following report of the Compensation Committee is required by the rules of the Securities and Exchange Commission to be included in the Company's Proxy Statement or the Company's Annual Report on Form 10-K and addresses the Company's executive compensation policies for the fiscal year ended December 31, 2003. This report shall not be deemed incorporated by reference into any filing under the Securities Act of 1933, as amended (the Securities Act), or the Securities Exchange Act of 1934, as amended (the Exchange Act), by virtue of any general statement in such filing incorporating this Form 10-K by reference, except to the extent that the Company specifically incorporates the information contained in this section by reference, and shall not otherwise be deemed filed under either the Securities Act or the Exchange Act.

General. The Company's compensation policies for executives are intended to further the interests of the Company and its stockholders by encouraging growth of its business through securing, retaining, and motivating management employees of high caliber who possess the skills necessary to the development and growth of the Company.

The Company's current compensation package consists of two components: base salaries and stock options. Together these elements comprise total compensation value. The total compensation paid to the Company's executive officers is influenced significantly by the need (i) to attract management employees with a high level of expertise, and (ii) to motivate and retain key executives for the long-term success of the Company and its stockholders.

The fiscal year ended December 31, 2003 was a challenging year for the Company. In 2003, Mace focused its management efforts on maximizing operating profits in an economy which had suffered a downturn. Management's efforts were also focused on developing the Company's security electronics surveillance business. Additionally, the financing and re-financing of the Company's long-term debt demanded significant time and attention. The Compensation Committee considered these numerous factors and the Company's financial results in formulating its executive compensation policies and practices for fiscal 2003. The Committee also considered the Amper, Politziner and Mattia, P.C. study of compensation levels dated May 2003 for each executive position when determining compensation. The May 2003 compensation study by Amper, Politziner and Mattia, P.C. concluded that the total compensation packages for the top four executive officers fell below the peer group's 25th percentile. After considering all factors and through negotiation of a new employment agreement by Mr. Paolino, an annual base salary increase was given to Louis D. Paolino, Jr. in the amount of \$50,000 bringing Mr. Paolino's base salary to \$400,000. Other than the annual salary increase given in 2003, Mr. Paolino, had not been given a salary increase from the date he was hired by the Company in 1999. Additionally on July 14, 2003, options to purchase 150,000 shares of the Company's common stock were granted each of Louis D. Paolino, Jr., Robert M. Kramer and Gregory Krzemien and on November 14, 2003 options to purchase 100,000 shares of the Company's common stock were granted to Ronald R. Pirollo. The options have an exercise price of the market price at the date of grant.

Base Compensation. The Committee established annual base salary levels for its executives based on competitive data, level of experience, position, responsibility, and individual and Company performance. The Committee has used comparative data provided by Amper, Politziner and Mattia, P.C. The Company has maintained total compensation levels for executives, below the median in the range of survey data, which included companies providing consumer services on a national basis. The primary terms of the employment agreements of Robert M. Kramer, Gregory M. Krzemien, and Ronald R. Pirollo expired on March 26, 2003. Messrs. Kramer and Krzemien are working on a month-to-month at will-basis. Mr. Pirollo or the Company may terminate Mr. Pirollo's employment at any time.

Stock Options. The Company grants stock options to its executive management under its employee stock option plans. Option grants are intended to offer significant returns if the Company is successful and, therefore, create significant incentives to devote the effort called for in order to implement the Company's strategic plan. The Compensation Committee believes that executives' interests are directly tied to enhanced stockholder value. Thus, stock options are used to provide the executive management team with a strong incentive to perform in a manner that should result in the long-term success of the Company.

Performance Bonuses. The Company maintains the option to supplement base compensation with awards of performance bonuses in the form of cash and/or stock options to reward efforts undertaken by its key executive officers which are extraordinary in nature.

Chief Executive Officer Compensation. Mr. Paolino, in his capacity as Chairman of the Board, Chief Executive Officer, and President, participates in the same compensation programs as the other executive officers. The Committee increased Mr. Paolino's compensation on August 12, 2003 to \$400,000. The Committee believes that Mr. Paolino's compensation is competitive with the amount paid by companies in similar industries and competitive situations, as supported by a competitive compensation analysis conducted by Amper, Politziner and Mattia, P.C. and the Compensation Committee's review of Mr. Paolino's salary in the context of (i) the Company's performance and growth, and (ii) compensation packages of chief executive officers at comparable companies.

ADDITIONAL INFORMATION

Certain Relationships and Related Party Transactions

Effective August 1, 2000, Mace entered into a five-year lease with Bluepointe, Inc., a corporation fifty percent owned by Louis D. Paolino, Jr., Mace's Chairman, Chief Executive Officer and President and fifty percent owned by Mr. Paolino's father Louis D. Paolino, Sr., for Mace's executive offices in Mt. Laurel, New Jersey. Bluepointe, Inc. sold the building to an unrelated party in May, 2004. The lease terms, which were assumed by the new owner, were subject to a survey of local real estate market pricing and approval by the Company's Audit Committee and provide for an initial monthly rental payment of \$15,962, which increases by 5% per year in the third through fifth years of the lease. Mace believes that the terms of this lease (based on an annual rate of \$19.00 per square foot) were competitive when the lease was executed.

From November, 2001 through July 2002, the Company prepaid LP Learjets, LLC \$5,109 per month for the right to use a Learjet 31A for 100 hours per year. LP Learjets, LLC is a company owned by Louis D. Paolino, Jr., the Company's Chairman, Chief Executive Officer and President. When the Learjet 31A is used, the prepaid amount is reduced by the hourly usage charge as approved by the Audit Committee, and the Company pays to third parties unaffiliated with Louis D. Paolino, Jr., the direct costs of the Learjet's per-hour use, which include fuel, pilot fees, engine insurance and landing fees. The balance of unused prepaid flight fees total \$31,659 at June 30, 2004.

From February 2000 through April 2002, the Company and Mark Sport, Inc. (Mark Sport) were parties to a Management Agreement. Mark Sport is a Vermont corporation controlled by Jon E. Goodrich, a former director and current employee of the Company. Mr. Goodrich was a director from December 1987 through December 2003. Under the Management Agreement, as amended, Mark Sport operated the Company's Security Products Segment and received all profits or losses from January 1, 2000 to April 30, 2002 in exchange for certain payments to the Company. At March 31, 2004, Mark Sport owed the Company \$127,000 in payments under the Management Agreement. In April 2004, the outstanding balance owed by Mark Sport to the Company was paid in full.

The Company's Consumer Products Division leases manufacturing and office space under a five-year lease with Vermont Mill, Inc. (Vermont Mill), which provides for monthly lease payments of \$9,167 through November 2004. The Company has exercised an option to continue the lease through November 2009. The rent will increase by a CPI factor in November 2004. Vermont Mill is controlled by Jon E. Goodrich, a former director and current employee of the Company. The Company believes that the lease rate is lower than lease rates charged for similar properties in the Bennington, Vermont area. On July 22, 2002, the lease was amended to provide Mace the option and right to cancel the lease with proper notice and a payment equal to six months of the then current rent for the leased space occupied by Mace.

Vermont Mill borrowed a total of \$228,671 from the Company through December 31, 2001. On February 22, 2002, Vermont Mill executed a three year promissory note with monthly installments of \$7,061 including interest at a rate of 7%. At March 31, 2004, the balance owed on this promissory note was \$82,100. In April 2004, the balance on the promissory note was paid in full.

From January 1, 2003 through June 30, 2004, the Company's Electronic Surveillance Products Division sold approximately \$148,000 of electronic security equipment to two companies of which Louis Paolino, III, the son of the Company's CEO, Louis D. Paolino, Jr., is a partial owner of each company. The pricing extended to these companies is no more favorable than the pricing given to third party customers who purchase in similar volume. Additionally, one of these companies was hired by the Company to install security cameras in four of the Company's car washes at an installation fee of \$6,800. At June 30, 2004, the balance owed from these companies was approximately \$21,000.

Deadline For Stockholder Proposals

June 15, 2005, is the deadline for stockholders to submit proposals pursuant to Rule 14a-8 of the Exchange Act for inclusion in Mace's Proxy Statement for Mace's 2005 Annual Meeting of Stockholders, which is expected to be held on September 15, 2005. If a stockholder gives notice of a proposal after this deadline, the proxies will be allowed to use their discretionary authority to vote against such matter when and if raised at the 2005 meeting. However, if less than 70 days' notice or prior public disclosure of the date of the 2005 Annual Meeting is given, to be timely, a stockholder notice must be delivered not later than the 10th day following the earlier of the day on which the notice of the Annual Meeting date was mailed or the day on which the public disclosure was made.

A copy of Mace's 2003 Annual Report to Stockholders (including its Annual Report on Form 10-K, with financial statements and schedules, but excluding exhibits) accompanies this Proxy Statement, but it is not to be regarded as proxy solicitation material. **Upon request and with the payment of a reasonable fee, Mace will furnish to record and beneficial holders of its common stock copies of exhibits to the Form 10-K.
