Re: Chevron Agreement

Dear Sirs:

The purpose of this letter is to comply with the requirements of Article 23 of Chapter VII of the Buenos Aires Stock Exchange Regulations.

In that connection, and continuing our previous communication dated March 17 and July 15, 2016, we report that YPF S.A. ("YPF" or the "Company") was notified on September 15, 2016, of the decision adopted by the Federal Administrative Court – Room I (Cámara Contencioso Administrativo Federal – Sala I) to reject the Federal Extraordinary Remedy filed by the Company against the decision of the aforementioned Room, which stipulated that YPF must comply with the delivery of the Project Investment Agreement ("PIA"), signed with Chevron on July, 16 2013.

In this regard, we inform that today the Company submitted a full copy of the PIA in compliance with the decision of the Federal Administrative Court – Room I.

It is necessary to confirm that the Agreement was submitted in accordance to and within the legal framework of Law No. 19,550 and the confidentiality of its terms was intended to safeguard geological, commercial and financial information of strategic value for both companies.

Furthermore, as it was informed on different press releases published by the Company, we recall that the purpose of this Agreement was to generate the first unconventional oil development in Argentina. Nowadays, Loma Campana is the second largest field in Argentina and the largest unconventional oil field in the world outside of the U.S.

The delivery of the aforementioned Agreement does not imply a resignation of the Company to defend its rights against any future requirement of its confidential information and/or documentation.

Yours faithfully,

Diego Celaá
Market Relations Officer
YPF S.A.
