[GIBRALTAR LOGO]

Fellow Shareholders,

Fiscal 2003 began with high expectations for a successful year building upon the strong finish we achieved in the fourth quarter of fiscal 2002. Many of our goals were met for the year as net sales were up by \$3.6 million over the prior year. This, coupled with our continuous pursuit of cost reductions enabled Gibraltar to make great strides throughout the year.

In the midst of this growth, Gibraltar also experienced some disappointments in fiscal 2003. As our industry continued to struggle with overcapacity and fierce competition, we began to feel a stronger impact of these tough market conditions as two pieces of business totaling \$8.5 million were lost through bidding scenarios in the third quarter of fiscal 2003. Although our sales were not greatly impacted by these losses in the second half of fiscal 2003, we are now feeling the effect starting in the first quarter of fiscal 2004.

These losses have created a major challenge for the Gibraltar management team in fiscal 2004 but we are determined to rebound from these set-backs. We have been making a strong push for new business at each facility and have made great strides in our cross-selling efforts among our divisions. Our sales team has been able to capitalize on the multiple product lines we offer, and with recent enhancements that have been made to our flexible packaging line, we expect these efforts to flourish. In addition, the new equipment upgrades at our facilities have also begun to show great results in improving efficiencies and enhancing our competitive position in the industry.

These initiatives, along with continued emphasis on cost containment and cash flow, will enable Gibraltar to emerge from these turbulent market conditions even stronger than before.

Sincerely,

/s/ Walter E. Rose

PROXY STATEMENT

-----

The accompanying proxy is solicited by the Board of Directors of Gibraltar Packaging Group, Inc. (the "Company") for use at the 2003 Annual Meeting of Stockholders to be held on November 12, 2003, and at any adjournments thereof (the "Annual Meeting"). The Annual Meeting will be held at 12:00 p.m., Central Time, at the Lochland Country Club, 601 West Lochland Road, Hastings, Nebraska. If the accompanying proxy is properly executed and returned, the shares it represents will be voted at the meeting in accordance with the directions noted on the proxy or, if no direction is indicated, it will be voted in favor of the proposals described in this Proxy Statement. In addition, the proxy confers discretionary authority to the persons named in the proxy authorizing those persons to vote, in their discretion, on any other matters properly presented at the Annual Meeting. The Board of Directors is not currently aware of any other matters to be considered. Any stockholder giving a proxy has the power to revoke it by oral or written notice to the Secretary of the Company at any time before it is voted.

The approximate date on which this Proxy Statement and the accompanying proxy, together with the Company's annual report to stockholders on Form 10-K for the fiscal year ended June 28, 2003, will first be sent to stockholders is October 6, 2003.

#### VOTING RIGHTS AND QUORUM

At the close of business on September 15, 2003, the record date for the determination of stockholders of the Company entitled to receive notice of and to vote at the Annual Meeting, 5,041,544 shares of the Company's common stock, par value \$0.01 per share (the "Common Stock"), were outstanding. Each share of Common Stock is entitled to one vote upon each of the matters to be voted on at the Annual Meeting. The presence, in person or by proxy (including abstentions and "broker non-votes"), of at least a majority of the outstanding shares of Common Stock is required for a quorum. A broker non-vote occurs when a broker holding stock in "street name" indicates on the proxy that it does not have discretionary authority to vote with respect to non-routine matters.

The affirmative vote of the holders of a plurality of the votes of the shares of Common Stock present in person or represented by proxy at the Annual Meeting is required for the election of directors. Ratification of Deloitte & Touche LLP as the Company's independent public accountants requires the affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting.

With respect to the election of directors, votes may be cast in favor or withheld. Votes that are withheld will be excluded entirely from the vote and will have no effect. Abstentions may be specified on the ratification of Deloitte & Touche LLP as the Company's independent public accountants and will be counted as shares that are present and entitled to vote for a proposal, but will not be counted as votes in favor of such proposal. Accordingly, an abstention from voting by a stockholder present in person or represented by proxy at the Annual Meeting will have the same legal effect as a vote "against" the ratification of Deloitte & Touche LLP as the Company's independent public accountant even though the stockholder or interested parties analyzing the results of the voting may interpret such vote differently. Broker non-votes are not shares entitled to vote, will not be counted in the total number of votes, and thus will have no effect on the outcome of voting.

All directors hold office until the next annual meeting of the stockholders of the Company or until their successors have been duly elected and qualified. The Company's Certificate of Incorporation and Bylaws provide that the number of directors shall be fixed from time to time by the Board of Directors, but shall not be less than two, nor more than 15 persons. The Board, in its discretion and in accordance with such authority, has fixed its size at five persons. No proxy will be voted for more than five persons.

### MEETINGS OF THE BOARD OF DIRECTORS AND COMMITTEES

The Company's Board of Directors has an Audit Committee and a Compensation Committee. The Audit Committee is responsible for oversight of the quality and integrity of the accounting, auditing, internal control, and financial reporting practices of the Company and the appointment, compensation, and retention of the Company's independent auditors. It may also have such other duties as may from time to time be assigned to it by the Board. In November of 2002, the Board of Directors unanimously approved an amendment of the Audit Committee Charter, reducing the size of the Audit Committee from three members to two. This amendment was the result of Mr. David Chandler, a previous member of the Board of Directors and the Audit and Compensation Committees, voluntarily declining to run for re-election to the Board in 2002. The current members of the Audit Committee are Messrs. Shaw and Strautnieks. The Compensation Committee makes recommendations concerning compensation, including incentive arrangements, for the Company's officers. The Compensation Committee also administers the Company's 1992 Incentive Stock Option Plan, Director Stock Option Plan, 1998 Stock Appreciation Rights Plan, and the Company's Non-Qualified Deferred Incentive Compensation Plan. In January of 2003, the Board of Directors nominated Mr. Strautnieks to serve as a member of the Compensation Committee, to fill the position previously held by Mr. Chandler. The Board unanimously approved Mr. Strautnieks' nomination. The current members of the Compensation Committee are Messrs. Shaw and Strautnieks.

During fiscal 2003, the Board of Directors had four meetings, the Audit Committee had five meetings, and the Compensation Committee had two meetings. During fiscal 2003, no director of the Company attended fewer than 75% of the number of board meetings and meetings of the committee(s) on which he served.

### DIRECTOR COMPENSATION

Members of the Board of Directors are reimbursed for out-of-pocket expenses incurred in attending Board of Directors and committee meetings. Messrs. Shaw and Strautnieks receive \$3,000 each quarter as director compensation. Mr. Lloyd receives \$2,000 a month as compensation for serving as a consultant and director of the Company. No additional compensation is paid for committee meetings. In addition, each director who is not an employee of the

Company, or of a subsidiary or affiliate of the Company, is eligible to receive stock options under the Company's Director Stock Option Plan. During fiscal 2003, no options to purchase shares of Common Stock were awarded under the Director Stock Option Plan.

### REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF DIRECTORS

The Compensation Committee of the Board of Directors of the Company currently consists of Messrs. Shaw and Strautnieks, neither of whom are officers or employees of the Company. The Committee is responsible for evaluating and establishing the level of executive compensation and administering the Company's stock option and stock appreciation rights plans.

It is the philosophy of the Company and the Compensation Committee that in order to achieve continual growth and financial success, the Company must be able to attract and retain qualified executives. The Company's executive compensation programs are designed to attract and retain executives capable of leading the Company to meet its business objectives and to motivate them to enhance long-term stockholder value. The Compensation Committee regularly reviews the Company's compensation programs to insure that salary levels and incentive opportunities are competitive and reflect the performance of the Company. The Company's compensation package for its executive officers can consist of a cash salary, a cash incentive bonus, deferred incentive compensation, stock option grants, and stock appreciation rights.

Base salary levels are largely determined through comparisons with industrial companies of similar size, complexity, and performance. The determination of the comparable companies was based upon choices made by the Compensation Committee and the Board of Directors. Actual salaries are based on individual performance contributions within a competitive salary range for each position that is established through job evaluation and market comparisons. The Company previously paid Rostra a management fee for Mr. Rose's services as Chief Executive Officer. However, in 2003, in recognition of Mr. Rose's contributions to the Company, the Compensation Committee approved a compensation package for Mr. Rose. This package includes an annual base salary of \$50,000, commensurate with Mr. Rose's time allocation to the Company, as well as a performance-based bonus ranging from \$0 to \$100,000, to be paid directly by the Company. The \$50,000 current year bonus was based on the Company achieving improved results in fiscal 2003 over the prior year.

The Company uses annual bonuses to motivate its executive officers and reward individuals for their initiative and outstanding performance. Bonuses are determined annually based upon achievement of performance-oriented indicators, which include improvement in sales and net income, the control of working capital and cash flow, and the achievement of specified operating objectives that favorably impact the Company's overall financial performance. In fiscal 2003 the Company established and the Compensation Committee approved a long term incentive program entitled The Gibraltar Packaging Group Non-Qualified Deferred

## Edgar Filing: GIBRALTAR PACKAGING GROUP INC - Form DEF 14A

Incentive Compensation Plan. Within this plan, participants will share in 5% of the net growth of the fair market value of the Company, as defined by the plan, over the base year. Additional information regarding this plan is located in the "Long Term Incentive Plans - Awards in Last Fiscal Year" table included under "Executive Compensation" below.

The Compensation Committee believes that by providing the executives who have substantial responsibility for the management and growth of the Company with an opportunity to increase their ownership of Common Stock of the Company, the best interest of stockholders and executives will be closely aligned. Therefore, executives are eligible to receive stock options from time to time, giving them the right to purchase Common Stock of the Company. While various factors such as the potential of the recipient, prior grants, and the performance of the Company are considered in selecting the recipients and determining the size of the grant, the Company does not adhere to any firmly established formulas or schedules for the issuance of options, and options are awarded when considered appropriate. No stock options were awarded in fiscal 2003.

The Committee believes that granting stock appreciation rights ("SARs"), like stock options, can increase stockholder value by aligning the interests of the SARs recipient with the Company's stockholders. Once the SARs reach maturity, they will provide cash incentives to key executives only if the then current value of the Common Stock has exceeded predetermined levels. SARs previously granted reached maturity in fiscal 2003. Cash payouts are further explained in the "Fiscal Year End SAR Values" table included under "Executive Compensation" below.

The foregoing report is given by the following members of the Compensation Committee:

Robert G. Shaw  
John D. Strautnieks

### COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee consists of Messrs. Shaw and Strautnieks. No member of the Compensation Committee was an officer or employee of the Company, or any of its subsidiaries, during fiscal 2003. Messrs. Rose and Strautnieks serve on the Board of Directors of Rostra, which board makes all compensation-related decisions for that company.

The annual amount deferred under this Plan in any given fiscal year is reduced by the amount paid to the participant as a cash bonus for that fiscal year, as determined by the sole discretion of the Compensation Committee. Participants vest in the deferred portion of their annual allocation at 20% per year, beginning with fiscal 2003, the first plan year. Disbursements are governed by the Plan and generally cannot occur until the relevant annual allocation is 100% vested, termination of the participant, or a change of control of the Company. ### PERFORMANCE GRAPH

The following performance graph compares the performance of the Company's Common Stock to the NASDAQ Market Index and two peer group indexes for the period beginning June 30, 1998 and ending June 30, 2003. ### EMPLOYMENT CONTRACTS, TERMINATION OF EMPLOYMENT AND CHANGE-IN-CONTROL ARRANGEMENTS

The Company entered into an employment agreement with Mr. Hinrichs, dated January 15, 1999, which supercedes all prior employment agreements between Mr. Hinrichs and the Company. The agreement provides that Mr. Hinrichs would receive an annual base salary of not less than \$201,000 and be entitled to receive a bonus not to exceed 40% of his base salary each fiscal year. The employment agreement also provides Mr. Hinrichs with the right to participate in the 1998 Stock Appreciation Rights Plan (see "Report of the Compensation Committee of the Board of Directors"). In addition, the agreement provides that if the Company terminates Mr. Hinrichs' employment without just cause, or in the event of a change-in-control (as defined in the agreement), Mr. Hinrichs would be entitled to receive severance pay, for the one-year period from termination, equal to his annual base salary at the time of termination.

The Company entered into an agreement with Mr. Lloyd on September 1,

2000, based upon his resignation as Chief Financial Officer of the Company, effective September 5, 2000. This agreement supercedes all previous employment agreements between Mr. Lloyd and the Company. As a part of this agreement, Mr. Lloyd serves as a consultant to the Company and is paid a retainer of \$2,000 per month, for so long as he remains a consultant and director to the Company. The agreement also states that so long as Mr. Lloyd remains employed as a consultant for the Company, he retains his rights under the 1998 Stock Appreciation Rights Plan.

### SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's directors and officers, and persons who own more than ten percent of the Company's Common Stock, to file initial reports of ownership and reports of changes in ownership of Common Stock with the SEC. Officers, directors, and greater than ten percent stockholders are required by SEC regulation to furnish the Company with copies of all such forms that they file.

To the Company's knowledge, based solely on the Company's review of the copies of such reports received by the Company, and on written representations by certain reporting persons, the Company believes that during the fiscal year ended June 28, 2003, all Section 16(a) filing requirements applicable to its officers, directors, and ten percent stockholders were made.

### AUDIT COMMITTEE REPORT

The Company's Audit Committee is responsible for oversight of the quality and integrity of the accounting, auditing, internal control, and financial reporting practices of the Company and the appointment, compensation, and retention of the Company's independent auditors. It may also have such other duties as may from time to time be assigned to it by the Board. The Audit Committee members satisfy the regulations of the National Association of Securities Dealers ("NASD") requiring that all audit committee members be "independent directors" as defined in the NASD listing standards. While the Company is not required to adopt a written charter for the Audit Committee, it nevertheless adopted a formal charter in 2002. The Audit Committee's charter is attached to this Proxy Statement as Attachment I.

During fiscal 2003, the Committee met five times, and discussed the interim financial information contained in each quarterly earnings announcement with management and independent auditors prior to public release. In connection with the Company's June 28, 2003 audited financial statements, the Audit Committee reviewed and discussed the financial statements with management. The Audit Committee also discussed with the Company's independent public accountants the matters required by Statement on Auditing Standards ("SAS") No. 61, "Communication with Audit Committees," as amended by SAS No. 90.

## Edgar Filing: GIBRALTAR PACKAGING GROUP INC - Form DEF 14A

In discharging its oversight responsibility as to the audit process, the Audit Committee obtained from Deloitte & Touche LLP, the Company's independent public accountants, a formal written statement describing all relationships between the independent public accountants and the Company that might bear on the auditor's independence consistent with the Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," and discussed with the auditors any relationships that may impact their objectivity and independence. In considering the auditor's independence, the Audit Committee also considered whether the non-audit services performed by the auditors on the Company's behalf were compatible with maintaining the independence of the auditors. In addition, all non-audit and audit related services performed by the auditors must be approved in advance by the Audit Committee. Based on this review, the Audit Committee believes appropriate independence is maintained.

Based on the Audit Committee's review and discussions with management and the Company's independent public accountants, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended June 28, 2003, for filing with the SEC. The Audit Committee also recommended the reappointment of the independent public accountants and the Board concurred in this recommendation, subject to the ratification of the appointment by the stockholders at the Annual Meeting.

### PROPOSAL NUMBER 2:

#### APPROVAL OF INDEPENDENT AUDITORS

The Board of Directors of the Company has appointed the firm of Deloitte & Touche LLP as the Company's independent public accountants for the fiscal year ending July 3, 2004, subject to ratification by the Company's stockholders. Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting of Stockholders and will have an opportunity to make a statement, if they desire to do so, and to respond to appropriate questions from those attending the meeting. Deloitte & Touche LLP has served as auditors for the Company since 1986.

For ratification, this proposal will require the affirmative vote of the holders of a majority of the shares of Common Stock represented at the meeting in person or by proxy. If the resolution is rejected, or if Deloitte &

Touche LLP declines to act or becomes incapable of action, or if its employment is discontinued, the Board of Directors will appoint other independent accountants. The enclosed proxy will be voted for ratification of Deloitte & Touche LLP unless the proxy holders are otherwise instructed.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" RATIFICATION OF DELOITTE & TOUCHE LLP'S APPOINTMENT.

### PROPOSALS OF STOCKHOLDERS

Any proposal of a stockholder intended to be presented at the next annual meeting must be in the form required by the Company's By-laws and received at the Company's principal executive offices no later than June 12, 2004, if the proposal is to be considered for inclusion in the Company's proxy statement relating to next year's meeting.

A stockholder may also present a proposal directly to the Company's stockholders at the 2004 Annual Meeting. However, if the Company does not receive notice of the stockholder proposal prior to the close of business on August 26, 2004, SEC rules permit management to vote proxies in their discretion on the proposed matter. If the Company receives notice of the stockholder proposal on or before the close of business on August 26, 2004, management can only vote proxies in their discretion if they advise stockholders in the Company's 2004 proxy statement about the nature of the proposed matter and how management intends to vote on the matter.

## AUDIT COMMITTEE CHARTER

This Audit Committee Charter (Charter) has been adopted by the Board of Directors (the Board) of Gibraltar Packaging Group, Inc. (the Company). The Audit Committee of the Board (the Committee) shall review and reassess this charter annually and recommend any proposed changes to the Board for approval.

### ROLE AND INDEPENDENCE: ORGANIZATION

The Committee is responsible for oversight of the quality and integrity of the accounting, auditing, internal control and financial reporting practices of the Company and the appointment, compensation and retention of the Company's independent auditors. It may also have such other duties as may from time to time be assigned to it by the Board. The membership of the Committee shall consist of at least two directors, who are each free of any relationship that, in the opinion of the Board, may interfere with such member's individual exercise of independent judgment. Each Committee member shall also meet the independence and financial literacy requirements for serving on audit committees, and at least one member shall have accounting or related financial management expertise, all as set forth in the applicable rules of the NASDAQ. The Committee shall maintain free and open communication with the independent auditors and Company management. In discharging its oversight role, the Committee is empowered to investigate any matter relating to the Company's accounting, auditing, internal control or financial reporting practices brought to its attention, with full access to all Company books, records, facilities and personnel. The Committee may retain outside counsel, auditors or other advisors.

One member of the Committee shall be appointed as chair. The chair shall be responsible for leadership of the Committee, including scheduling and presiding over meetings, preparing agendas, and making regular reports to the Board. The chair will also maintain regular liaison with the CEO, Vice Presidents of Finance, and the lead independent audit partner.

The Committee shall meet at least four times a year in person or by telephone, or more frequently as the Committee considers necessary. At least once each year the Committee shall have separate private meetings with the independent auditors and management.

### RESPONSIBILITIES

Although the Committee may wish to consider other duties from time to time, the general recurring activities of the Committee in carrying out its oversight role are described below. The Committee shall be responsible for:

- o Recommending to the Board the independent auditors to be retained (or nominated for shareholder approval) to audit the financial statements of the Company. Such auditors are ultimately accountable to the Board and the Committee, as representatives of the shareholders.
- o Evaluating, together with the Board and management, the performance of the independent auditors and, where appropriate, replacing such auditors.
- o Obtaining annually from the independent auditors a formal written statement describing all relationships between the auditors and the Company, consistent with Independence Standards Board Standard Number 1. The Committee shall actively engage in a dialogue with the independent auditors with respect to any relationships that may impact the objectivity and independence of the auditors and shall take, or recommend that the Board take, appropriate actions to

oversee and satisfy itself as to the auditor's independence.

- o Reviewing the audited financial statements and discussing them with management and the independent auditors. These discussions shall include a review of the annual management letter and matters required to be discussed under Statement of Auditing Standards No. 61, as amended by SAS 89 and 90, and consideration of the quality of the Company's accounting principals as applied in its financial reporting, including a review of particularly sensitive accounting estimates, reserves and accruals, judgmental areas, audit adjustments (whether or not recorded), and other such inquiries as the Committee or the independent auditors shall deem appropriate. Based on such review, the Committee shall make its recommendation to the Board as to the inclusion of the Company's audited financial statements in the Company's Annual Report on Form 10-K.

1

- o Issuing annually a report to be included in the Company's proxy statement as required by the rules of the Securities and Exchange Commission.
- o Overseeing the relationship with the independent auditors, including discussing with the auditors the nature and rigor of the audit process, receiving and reviewing audit reports, and providing the auditors full access to the Committee (and the Board) to report on any and all appropriate matters.
- o Discussing with a representative of management and the independent auditors: (1) the interim financial information contained in the Company's Quarterly Report on Form 10-Q prior to its filing, and (2) the results of the review of such information by the independent auditors. (These discussions may be held with the Committee as a whole or with the Committee chair in person or by telephone.)
- o Discussing with management and the independent auditors the quality and adequacy of and compliance with the Company's internal controls.
- o Discussing with management and/or the Company's general counsel any legal matters (including the status of pending litigation) that may have a material impact on the Company's financial statements, and any material reports or inquiries from regulatory or governmental agencies.
- o Reviewing alleged fraudulent actions or violations of law reported by internal compliance programs or, under the terms of the Private Securities Litigation Reform Act of 1995, by the independent auditors.
- o Reviewing management "conflict of interest" transactions.
- o Self-assessing audit committee performance.
- o Reviewing the range and cost of audit and non-audit services performed by the independent accountants.

Edgar Filing: GIBRALTAR PACKAGING GROUP INC - Form DEF 14A

- o Pre-approving all engagements in connection with the audit, review or attestation of reports required under the securities laws, as well as all permissible non-audit services.

The Committee's job with respect to the Company's financial statements is one of oversight. Management is responsible for the preparation of the Company's financial statements and the independent auditors are responsible for auditing those financial statements. The Committee and the Board recognize that management and the independent auditors have more resources and time, and more detailed knowledge and information regarding the Company's accounting, auditing, internal control and financial reporting practices than the Committee does; accordingly the Committee's oversight role does not provide any expert or special assurance as to the financial statements and other financial information provided by the Company to its shareholders and others.
