FORWARD-LOOKING INFORMATION

Except for historical information, all other information in this presentation consists of forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements are subject to risks and uncertainties that could cause actual results to differ materially from those projected, anticipated or implied. The most significant of these uncertainties are described in Cardinal Health's Form 10-K, Form 8-K and Form 10-Q reports (including all amendments to those reports) and exhibits to those reports, and include (but are not limited to) the costs, difficulties, and uncertainties related to the integration of acquired businesses, the loss of one or more key customer or supplier relationships, changes in the distribution outsourcing patterns for health-care products and/or services, the costs and other effects of governmental regulation and legal and administrative proceedings, and general economic and market conditions. Cardinal Health undertakes no obligation to update or revise any forward-looking statements.

Information regarding the identity of the persons who may, under SEC rules, be deemed to be participants in the solicitation of stockholders of Syncor International Corporation ("Syncor") in connection with the proposed merger, and their interests in the solicitation, is set forth in the definitive proxy statement/prospectus dated October 16, 2002 mailed to Syncor stockholders on October 17, 2002 and filed with the SEC as well as supplemental proxy material dated, mailed and filed with the SEC on November 25, 2002. Additional proxy materials will be filed with the SEC shortly. Cardinal Health, Inc. ("Cardinal Health") has filed a registration statement on Form S-4 in connection with the transaction. Investors and security holders of Syncor are urged to read the definitive proxy statement/prospectus and supplemental proxy material because it contains important information about Cardinal Health, Syncor and the transaction. Investors and security holders may obtain a free copy of the proxy statement/prospectus and the supplemental proxy material, as well as additional proxy materials when they are filed, at the SEC's web site at www.sec.gov. A free copy of the proxy statement/prospectus and the supplemental proxy material, as well as any additional proxy materials once they are filed, may also be obtained from Cardinal Health or Syncor. Cardinal Health and Syncor and their respective executive officers and directors may be deemed to be participants in

the solicitation of proxies from the stockholders of Syncor in favor of the transaction. In addition to the registration statement on Form S-4 filed by Cardinal Health in connection with the transaction, and the proxy statement/prospectus and supplemental proxy material mailed to the stockholders of Syncor in connection with the transaction, as well as any additional proxy materials once they are filed, each of Cardinal Health and Syncor file annual, quarterly and special reports, proxy and information statements, and other information with the SEC. Investors may read and copy any of these reports, statements and other information at the SEC's public reference room located at 450 5th Street, N.W., Washington, D.C., 20549. Investors should call the SEC at 1-800-SEC-0330 for further information. The reports, statements and other information filed by Cardinal Health and Syncor with the SEC are also available for free at the SEC's web site at www.sec.gov. A free copy of these reports, statements and other information may also be obtained from Cardinal Health or Syncor. Investors should read the proxy statement/prospectus, the supplemental proxy materials, as well as any additional proxy materials once they are filed, carefully before making any voting or investment decision.
