ITEM 8.01. OTHER EVENTS.

On March 30, 2007, the *Autorité des Marchés Financiers* (the "AMF") published the final results of the exchange offer by NYSE Euronext, Inc. ("NYSE Euronext"), through its indirect wholly-owned subsidiary NYSE Euronext (Holding) N.V., for all outstanding shares of Euronext. According to the AMF, 91.42 % of the outstanding capital and 92.20 % of the voting rights of Euronext were tendered in the initial offer period of the exchange offer. Also on March 30, 2007, the AMF announced the opening of the subsequent offer period with respect to the exchange offer, which subsequent offering period commenced on April 2, 2007 and will end at midnight Paris time on April 17, 2007.

The terms of this subsequent offer period will be identical to those of the initial offer period. The standard offer consideration that Euronext shareholders will receive for each Euronext share that they tender in the subsequent offer period of the exchange offer is €21.32 in cash and 0.98 of a share of NYSE Euronext common stock. In lieu of receiving this standard consideration, Euronext shareholders have the right to elect to receive for each of their tendered Euronext shares:

- 1.2633 shares of NYSE Euronext common stock (which is referred to as the stock election); or
- €95.07 in cash, without interest (which is referred to as the cash election).

The stock election and cash election are subject to proration and allocation to ensure that the total amount of cash paid, and the total number of shares of NYSE Euronext common stock issued, during the subsequent offering period will equal the total amount of cash and number of shares that would be paid and issued if all tendering Euronext shareholders in the subsequent offering period received the standard offer consideration.

Euronext shareholders are urged to read the offering materials filed by NYSE Euronext and Euronext, which contain important information about the exchange offer.
