3. To issue Stock Acquisition Rights for the purpose of granting stock options.

It is proposed that the Corporation will issue stock acquisition rights to directors, corporate executive officers and employees of the Corporation and of its subsidiaries, for the purpose of granting stock options, pursuant to the provisions of Articles 236, 238 and 239 of the Companies Act of Japan, and that the Corporation will delegate the determination of the terms of such stock acquisition rights to the Board of Directors of the Corporation.

I. The reason why the Corporation needs to offer stock acquisition rights on favorable terms.

The Corporation will issue stock acquisition rights to directors, corporate executive officers and employees of the Corporation and of its subsidiaries for the purpose of giving directors, corporate executive officers and employees of the Corporation and of its subsidiaries an incentive to contribute towards the improvement of the business performance of the Corporation and of its group companies (collectively the Group) and thereby improving the business performance of the Group by making the economic interest which such directors, corporate executive officers or employees will receive correspond to the business performance of the Group.

II. Terms and conditions of issue of stock acquisition rights (Stock Acquisition Rights), the terms of which the Board of Directors of the Corporation may determine pursuant to the delegation of such determination upon approval at the Meeting.

1. Maximum Limit of Aggregate Numbers of Stock Acquisition Rights

Not exceeding 27,500.

2. Payment in exchange for Stock Acquisition Rights

Stock Acquisition Rights are issued without payment of any consideration to the Corporation.

3. Matters regarding Stock Acquisition Rights

(1) Class and Number of Shares to be Issued or Transferred upon Exercise of Stock Acquisition Rights

The class of shares to be issued or transferred upon exercise of Stock Acquisition Rights shall be shares of common stock, and the number of shares to be issued or transferred upon exercise of each Stock Acquisition Right (the Number of Granted Shares) shall be 100 shares.

The aggregate number of shares to be issued or transferred upon exercise of Stock Acquisition Rights shall not exceed 2,750,000 shares of common stock of the Corporation (the Common Stock). However, in the event that the Number of Granted Shares is adjusted pursuant to (2) below, the aggregate number of shares to be issued or transferred upon exercise of Stock Acquisition Rights shall not exceed the number obtained by multiplying the Number of Granted Shares after adjustment by the maximum limit of the aggregate number of Stock Acquisition Rights as prescribed in 1. above.

(2) Adjustment of Number of Granted Shares

In the event that the Corporation conducts a stock split (including free distribution of shares (*musho-wariate*)) or a consolidation of the Common Stock after the date of a resolution of the Meeting, the Number of Granted Shares shall be adjusted in accordance with the following formula:

$$\begin{array}{l} \text{Number of} \\ \text{Granted Shares} \\ \text{after adjustment} \end{array} = \begin{array}{l} \text{Number of} \\ \text{Granted Shares} \\ \text{before adjustment} \end{array} \times \begin{array}{l} \text{Ratio of split} \\ \text{or consolidation} \end{array}$$

Any fraction less than one (1) share resulting from the adjustment shall be disregarded.

(3) Amount of Assets to be Contributed upon Exercise of Stock Acquisition Rights

The amount of assets to be contributed upon exercise of each Stock Acquisition Right shall be the amount obtained by multiplying the amount to be paid per share to be issued or transferred upon exercise of Stock Acquisition Rights (the Exercise Price), which is provided below, by the Number of Granted Shares.

(i) Initial Exercise Price

The Exercise Price shall initially be as follows:

(A) Stock Acquisition Rights with Exercise Price Denominated in Yen

The Exercise Price shall initially be the average of the closing prices of Common Stock in the regular trading thereof on the Tokyo Stock Exchange (each the Closing Price) for the ten (10) consecutive trading days (excluding days on which there is no Closing Price) immediately prior to the allotment date of such Stock Acquisition Rights (any fraction less than one (1) yen arising as a result of such calculation shall be rounded up to the nearest one (1) yen); provided, however, that if such calculated price is lower than either (a) the average of the Closing Prices for the thirty (30) consecutive trading days (excluding days on which there is no Closing Price) commencing forty-five (45) trading days immediately before the date (being the allotment date of Stock Acquisition Rights) on which the Corporation fixes the Exercise Price (any fraction less than one (1) yen arising as a result of such calculation shall be rounded up to the nearest one (1) yen), or (b) the Closing Price on the allotment date of Stock Acquisition Rights (if there is no Closing Price on such date, the Closing Price on the immediately preceding trading day), the Exercise Price shall be the higher price of (a) or (b) above.

(B) Stock Acquisition Rights with Exercise Price Denominated in U.S. Dollars

The Exercise Price shall initially be the U.S. dollar amount obtained by dividing the average of the Closing Prices for the ten (10) consecutive trading days (excluding days on which there is no Closing Price) immediately prior to the allotment date of such Stock Acquisition Rights (the Reference Yen Price) by the average of the exchange rate quotations by a leading commercial bank in Tokyo for selling spot U.S. dollars by telegraphic transfer against yen for such ten (10) consecutive trading days (the Reference Exchange Rate) (any fraction less than one (1) cent arising as a result of such calculation shall be rounded up to the nearest one (1) cent); provided, however, that if the Reference Yen Price is lower than either (a) the average of the Closing Prices for the thirty (30) consecutive trading days (excluding days on which there is no Closing Price) commencing forty-five (45) trading days immediately before the date (being the allotment date of Stock Acquisition Rights) on which the Corporation fixes the Exercise Price, or (b) the Closing Price on the allotment date of Stock Acquisition Rights (if there is no Closing Price on such date, the Closing Price on the immediately preceding trading day), the Exercise Price shall be the U.S. dollar amount obtained by dividing the higher price of (a) or (b) above by the Reference Exchange Rate (any fraction less than one (1) cent arising as a result of such calculation shall be rounded up to the nearest one (1) cent).

(ii) Adjustment of Exercise Price

In the event that the Corporation conducts a stock split (including free distribution of shares (*musho-wariate*)) or consolidation of the Common Stock after the allotment date of Stock Acquisition Rights, the Exercise Price shall be adjusted in accordance with the following formula, and any fraction less than one (1) yen or one (1) cent resulting from the adjustment shall be rounded up to the nearest one (1) yen or one (1) cent.

$$\begin{array}{l} \text{Exercise} \\ \text{Price} \\ \text{after} \\ \text{adjustment} \end{array} = \begin{array}{l} \text{Exercise Price} \\ \text{before} \\ \text{adjustment} \end{array} \times \frac{1}{\text{Ratio of split or consolidation}}$$

In addition, in the case of a merger with any other company, corporate split or reduction of the amount of capital of the Corporation, or in any other case similar thereto where an adjustment of Exercise Price shall be required, in each case after the allotment date of Stock Acquisition Rights, the Exercise Price shall be adjusted appropriately to the extent reasonable.

(4) Period during which Stock Acquisition Rights May be Exercised

The period during which Stock Acquisition Rights may be exercised will be the period from the day on which one (1) year has passed from the allotment date of Stock Acquisition Rights to the day on which ten (10) years have passed from such allotment date.

(5) Conditions for the Exercise of Stock Acquisition Rights

(i) No Stock Acquisition Right may be exercised in part.

(ii) In the event of a resolution being passed at a general meeting of shareholders of the Corporation for an agreement for any consolidation, amalgamation or merger (other than a consolidation, amalgamation or merger in which the Corporation is the continuing corporation), or in the event of a resolution being passed at a general meeting of shareholders of the Corporation (or, where a resolution of a general meeting of shareholders is not necessary, at a meeting of the Board of Directors of the Corporation) for any agreement for share exchange (*kabushiki-kokan*) or any plan for share transfer (*kabushiki-iten*) pursuant to which the Corporation is to become a wholly-owned subsidiary of another corporation, Stock Acquisition Rights may not be exercised on and after the effective date of such consolidation, amalgamation or merger, such share exchange (*kabushiki-kokan*), or such share transfer (*kabushiki-iten*).

(iii) Conditions for the exercise of Stock Acquisition Rights other than the conditions referred to above shall be determined by the Board of Directors of the Corporation.

(6) Mandatory Repurchase of Stock Acquisition Rights

Not applicable.

(7) Matters concerning the Amount of Capital and the Additional Paid-in Capital Increased by the Issue of the Shares upon Exercise of Stock Acquisition Rights

(i) The amount of capital increased by the issue of the shares upon exercise of Stock Acquisition Rights shall be the amount obtained by multiplying the maximum limit of capital increase, as calculated in accordance with the provisions of Paragraph 1, Article 17 of the Company Accounting Ordinance, by 0.5, and any fraction less than one (1) yen arising as a result of such calculation shall be rounded up to the nearest one (1) yen.

(ii) The amount of additional paid-in capital increased by the issue of the shares upon exercise of Stock Acquisition Rights shall be the amount obtained by deducting the capital to be increased, as provided in (i) above, from the maximum limit of capital increase, as

also provided in (i) above.

(8) Restrictions on the Acquisition of Stock Acquisition Rights through Transfer

The Stock Acquisition Rights cannot be acquired through transfer, unless such acquisition is expressly approved by the Board of Directors of the Corporation

Note: For a summary of the Stock Acquisition Rights issued by the Corporation in the past, please refer to pages 16 and 17. In light of the granting purpose (contributing to the improvement of the mid- and long- term business performance of Sony Group and thereby improving such business performance of Sony Group), the exercise of Stock Acquisition Rights is restricted during the above mentioned period (for one-year period from the allotment date of the Stock Acquisition Rights), and the Allocation Agreement provides restrictions on the exercise of Stock Acquisition Rights such as limitation on the number of exercisable Stock Acquisition Rights (one-third of the total number of the allocated Stock Acquisition Rights will be vested and exercisable each year after the restricted period, and all of the allocated Stock Acquisition Rights will be exercisable on and after the date on which three (3) years have passed from the allotment date of the Stock Acquisition Rights), eligibility rules and others. The Corporation intends that Stock Acquisition Rights issued by the Corporation in the future will be under the same restrictions as the Stock Acquisition Rights issued in the past.

Outline of Limited Liability Agreement

Pursuant to the Articles of Incorporation, the Corporation entered into the Limited Liability Agreement with all 12 outside Directors (who are defined under the Companies Act of Japan as individuals who have been in a director position of the Corporation after the date following the last annual shareholders meeting, including individuals who resigned on or before the end of the fiscal year ended March 31, 2009). A summary of that Agreement is as follows:

- (1) In a case where the outside Director is liable to the Corporation after the execution of this Agreement for damages caused by the negligence of his/her duties as a director of the Corporation pursuant to Article 423, Paragraph 1 of the Companies Act, such liabilities shall be limited to the higher of either thirty million yen (30,000,000 yen) or an aggregate sum of the amounts prescribed in Article 425, Paragraph 1 of the Companies Act only where the outside Director acted in good faith without any gross negligence in performing his/her duties.
- (2) In a case where the outside Director is reelected as an outside Director of the Corporation and reassumes his/her office as such on the expiration of the term of his/her office as an outside Director of the Corporation, this Agreement shall continue to be effective after the reelection and re-assumption without any action or formality.
