In such capacity, XAM possesses the power to vote and direct the disposition of all securities held by Xmark LP and Xmark Ltd. As of January 25, 2005, Xmark LP is the holder of (i) 50,337 shares (the "Xmark LP Preferred") of the Series A-1 Preferred Stock, par value \$0.001 per share (the "Preferred Stock") of Aerogen, Inc., a Delaware corporation (the "Company"), which are presently convertible into 503,370 shares of the Company's common stock, par value \$0.001 per share (the "Common Stock"), and (ii) 23,560 shares of Common Stock issued in lieu of the cash payment of quarterly dividends on the Preferred Stock held by Xmark LP for the quarters ended March 31, 2004, June 30, 2004 and September 30, 2004 (which September 30, 2004 dividends were declared by the Board of Directors of the Company but not yet issued as of the date of this Amendment No. 1 to Schedule 13D). The terms of the Xmark LP Preferred and the Xmark Ltd Preferred preclude each of Xmark LP and

Edgar Filing: AEROGEN INC - Form SC 13D/A

Xmark Ltd from converting the Xmark LP Preferred and the Xmark Ltd Preferred if the conversion thereof would result in Xmark LP, Xmark Ltd and/or their affiliates beneficially owning in excess of 4.99% of the Company's outstanding Common Stock following any such conversion (the "Issuance Limitation"). Each such Issuance Limitation is waivable by Xmark LP and Xmark Ltd, respectively,

During the sixty days prior to January 25, 2005, there were no transactions in Common Stock, or securities convertible into, exercisable for or exchangeable for Common Stock, by XAM or any person or entity controlled by XAM or any person or entity for which XAM possesses voting or investment control over the securities thereof, except that Xmark LP and Xmark Ltd sold: (1) on January 19, 2005, warrants to purchase up to an aggregate of 1,666,660 shares of the Company's Common Stock for an aggregate purchase price of \$383,331.80 and (2) on January 24, 2005, 53,333 shares of the Company's Preferred Stock for an aggregate purchase price of \$960,000.00, in each case, as more fully described in Item 6 of this Amendment No. 1 to Schedule 13D. On or about January 20, 2005, XAM was notified that the Board of Directors of the Company had declared that Xmark LP would receive 15,149 shares of Common Stock and Xmark Ltd would receive 18,958 shares of Common Stock from the Company, as payment in lieu of cash dividends on the Preferred Stock for the quarter ended September 30, 2004.

SECURITIES PURCHASE AGREEMENT  
-----

This SECURITIES PURCHASE AGREEMENT, dated as of January 19, 2005 (this "Agreement"), is by and between Xmark Fund, L.P, a Delaware limited partnership (the "Seller"); and The Convertible Fund Offshore, Ltd., a corporation duly organized under the laws of the British Virgin Islands (the "Purchaser")

WHEREAS, the Seller own warrants (the "Warrants") to purchase an aggregate of (i) 339,600 shares (the "March Warrant Shares") of Common Stock of Aerogen Inc. (the "Issuer") having an exercise price of \$3.25 and an expiration date of March 22, 2009 and (ii) 400,650 shares (the "May Warrant Shares" and together with the March Warrant Shares, the "Shares") of Common Stock of Aerogen having an exercise price of \$3.25 and an expiration of May 11, 2009; and

WHEREAS, the Seller wishes to sell the Warrants to the Purchaser and the Purchaser is willing to purchase the Warrants from the Seller.

NOW, THEREFORE, in consideration of the foregoing and the covenants, agreements and warranties contained herein, the sufficiency of which as consideration is hereby acknowledged, the parties agree as follows:

1. Definitions. When used herein, the following terms shall have the indicated meanings:

"Encumbrance" means any material pledge, hypothecation, assignment, lien, restriction, charge, claim, security interest, option, preference, priority or other preferential arrangement of any kind or nature whatsoever.

"Transfer Restriction" means, with respect to any security or other property, any condition to or restriction on the ability of the holder thereof to sell, assign or otherwise transfer such security or other property or to enforce the provisions thereof or of any document related thereto, whether set forth in such security or other property itself or in any document related

thereto or arising by operation of law, including, without limitation, such conditions or restrictions arising under federal, state or foreign securities laws or under contract.

2. Sale and Purchase. (a) Simultaneously herewith, the Seller is selling to the Purchaser, and the Purchaser is purchasing from the Seller (the "Transaction"), the Warrants for an aggregate purchase price (the "Purchase Price") of \$170,257.50.

(b) Simultaneously herewith, the Seller is delivering to (i) the Purchaser, at the address set forth in Section 7 hereof, the Warrants and (ii) the Purchaser and the Issuer an Assignment Form (to the extent required by the terms of the Warrants), in the form (if any) attached to the Warrants, duly executed by an authorized representative of such Seller.

(c) Simultaneously herewith, the Purchaser is delivering to the Seller the Purchase Price by wire transfer of immediately available funds to the account designed in writing by Seller.

### 3. Representations, Warranties and Agreements of the Seller.

The Seller hereby represents, warrants and agrees on the date hereof as follows:

(a) The Seller has full power and authority to enter into this Agreement and to consummate the Transaction. This Agreement has been duly and validly executed and delivered by the Seller and constitutes the legal, valid and

binding obligation of the Seller, enforceable in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, moratorium, reorganization or similar laws from time to time in effect that affect creditors' rights generally, and by legal and equitable limitations on the availability of specific remedies.

(b) The execution, delivery and performance by the Seller of this Agreement and consummation by the Seller of the Transaction do not and will not: (i) violate any decree or judgment of any court or other governmental authority applicable to or binding on the Seller; (ii) violate any provision of any federal or state statute, rule or regulation which is, to the Seller's knowledge, applicable to the Seller; or (iii) violate any contract to which the Seller or any of its assets or properties are bound. To the Seller's knowledge, no consent or approval of, or filing with, any governmental authority or other person not a party hereto is required for the execution, delivery and performance by the Seller of this Agreement or the consummation of the Transaction, except for such consents or approvals of the Issuer required pursuant to the terms of the Warrants or any of the transaction documents executed in connection with the Seller's acquisition of the Warrants.

(c) Seller paid full purchase price for, became beneficial owner of and acquired from the Issuer the Warrants on a date that was at least thirty (30) days prior to the date hereof.

(d) With respect to the Transaction, (a) the Seller is the record and beneficial owner of the Warrants, free and clear of any Encumbrances, except for those Encumbrances imposed by securities laws generally; (b) the Warrants to be delivered are not subject to any Transfer Restriction, other than (i) any restrictions, if any, set forth in the terms of the Warrants or the purchase agreement pursuant to which such Warrants were acquired and (ii) the restriction

## Edgar Filing: AEROGEN INC - Form SC 13D/A

that the Warrants and the Shares have not been registered under the Securities Act and, therefore, cannot be resold unless they are registered under the Securities Act and applicable state securities laws in a transaction exempt from or not subject to the registration requirements of the Securities Act and applicable state securities laws (the "Permitted Securities Law Restriction"); and (c) upon the transfer of the Warrants to Purchaser, Purchaser will acquire good and marketable title thereto (assuming that Purchaser is a bona fide purchaser within the meaning of Section 8-302 of the New York Uniform Commercial Code), and will be the legal and beneficial owner of such Warrants, free and clear of any Encumbrances or Transfer Restrictions, other than the Permitted Securities Law Restriction.

(e) No proceedings relating to the Warrant are pending or, to the knowledge of the Seller, threatened before any court, arbitrator or administrative or governmental body that would adversely affect the Seller's right to transfer the Warrant to the Purchaser.

(f) The Seller has provided or made available to the Purchaser upon Purchaser's written request a copy of the Warrant, as well as any other information and documents reasonably requested by the Purchaser, and such information provided to the Purchaser completely and accurately describes any Transfer Restrictions applicable to the Warrant.

#### 4. Representations, Warranties and Agreement of the Purchaser.

The Purchaser hereby represents, warrants and agrees as of the date hereof as follows:

(a) The Purchaser is authorized to do business under the laws of the British Virgin Islands.

(b) The Purchaser has full power and authority to enter into this Agreement and to consummate the Transaction. The execution, delivery and performance of this Agreement by the Purchaser have been duly authorized by all necessary corporate proceedings on the part of the Purchaser. This Agreement has been duly and validly executed and delivered by the Purchaser and constitutes the legal, valid and binding obligation of the Purchaser, enforceable in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, moratorium, reorganization or similar laws in effect that affect the enforcement of creditors' rights generally and by equitable limitations on the availability of specific remedies.

(c) The execution, delivery and performance by the Purchaser of this Agreement and consummation by the Purchaser of the Transaction do not and will not: (i) violate any decree or judgment of any court or other governmental authority applicable to or binding on the Purchaser; (ii) violate any provision of any federal or state statute, rule or regulation which is, to the Purchaser's knowledge, applicable to the Purchaser; (iii) violate any contract to which the Purchaser is a party or by which the Purchaser or any of its assets or properties are bound; or (iv) violate or conflict with any provision of the charter or by-laws of the Purchaser. No consent or approval of, or filing with, any governmental authority or other person not a party hereto is required for the execution, delivery and performance by the Purchaser of this Agreement or the consummation of the Transaction.

(d) The Purchaser is an "accredited investor" within the meaning of Regulation D under the Securities Act. The Purchaser acknowledges that (i) the Warrant is a "restricted security" for purposes of Rule 144 and (ii) the Warrants have not been registered under the Securities Act and, therefore,

## Edgar Filing: AEROGEN INC - Form SC 13D/A

cannot be resold unless they are registered under the Securities Act and applicable state securities laws or in a transaction exempt from or not subject to the registration requirements of the Securities Act and applicable state securities laws.

(e) The Purchaser is aware of the Issuer's business affairs and financial condition, and has acquired sufficient information about the Issuer to reach an informed and knowledgeable decision to acquire the Warrants. The Purchaser acknowledges that neither the Seller or any of its agents, representatives, officers, directors, partners, members or affiliates thereof has made any representations and warranties of any nature or kind concerning the Warrants, the Shares and/or the Issuer.

(f) If any opinion of counsel is required to be delivered to the Issuer pursuant to any Transfer Restriction or otherwise in connection with the transfer of the Warrants from Seller to Purchaser, the Purchaser shall cause such opinion to be provided at its own expense.

5. Representation by Purchaser that it is aware that Xmark may have Confidential Information

The Purchaser acknowledges, agrees and represents to Seller the following:

- (i) The Purchaser is aware that Seller and Xmark Fund, Ltd. (collectively, the "Xmark Funds") may be in possession of certain nonpublic information concerning the Company and the Warrants (the "Xmark Information"), and that the Xmark Funds have agreed with the Company to keep the Xmark Information confidential. The Purchaser acknowledges that a reasonable investor could deem that the Xmark Information is material to an investment decision, and that the Xmark Information could be of an adverse nature to an investor in the Warrants. The Purchaser is freely deciding to purchase the Warrants at the agreed-upon price for its own reasons based on the information it currently possesses, which it deems sufficient, notwithstanding that it may lack access to the Xmark Information, to make its decision to participate in the purchase and sale of the Warrants. The Purchaser does not and will not request, desire or require either of the Xmark Funds, now or in the future, to disclose any or all of the Xmark Information to the Purchaser or any of its affiliates, agents or representatives.
- (ii) The Purchaser is a sophisticated investor and has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of its purchase of and investment in the Warrants. The Purchaser is aware that an investment in the Warrants involves a high degree of risk and that the Purchaser may lose the entire amount of its investment in the Warrants. The Purchaser is able to bear the economic risk of its investment in the Warrants and can afford the complete loss of such investment.

### 6. Purchaser Release and Waiver

The Purchaser agrees not to pursue and to release fully any potential suits, claims, causes of action, remedies, damages and other actions whatsoever, at law or in equity, against any of the Xmark Funds and their respective affiliates, officers, directors, agents, employees, representatives and assigns, arising out of the purchase of the Warrants or the nondisclosure of the Xmark Information to the Purchaser. The Purchaser hereby acknowledges receipt of satisfactory

## Edgar Filing: AEROGEN INC - Form SC 13D/A

consideration for the agreements set forth in this paragraph, including but not limited to the consummation of the purchase and sale of the Warrants at the agreed-upon purchase price. The Purchaser acknowledges and agrees that Seller is relying on this Section 6 in engaging in the sale herein, and would not engage in the sale of the Warrants in the absence of this Section 6.

7. Further Assurances. Each of the Purchaser and the Seller will, upon the reasonable request of the other, execute and deliver all other such documents and instruments reasonably deemed necessary or desirable by the other party to fully effect the purchase and sale contemplated hereby.

8. Amendment. This Agreement may be amended, modified or supplemented but only in a writing signed by the Seller and the Purchaser.

9. Notices. Any notice, request, instruction or other document to be given hereunder by a party hereto (other than the Warrants to be delivered by the Seller to the Purchaser pursuant to Section 2, which shall be delivered as described therein) shall be in writing and shall be deemed to have been given, (a) when received if given in person or by a courier or a courier service or (b) on the date of transmission if sent by facsimile transmission:

or to such other person or address as a party hereto may designate for itself by notice given as herein provided.

10. Counterparts. This Agreement may be executed in any number of counterparts (including by facsimile transmission), each of which shall be deemed an original, but all of which together shall constitute one and the same agreement.

11. APPLICABLE LAW. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK (without reference to choice of law doctrine).

12. Expenses. Except as otherwise expressly provided herein, each party hereto will bear its own expenses in connection with the purchase(s) and sale(s) of the Warrants contemplated hereby, except that the Seller shall bear all transfer and issuance taxes imposed on such purchase and sale.

13. Entire Agreement. This Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and understandings between such parties with respect to such subject matter.

Edgar Filing: AEROGEN INC - Form SC 13D/A

14. Severability. If any provision of this Agreement shall be held invalid, illegal or unenforceable, the validity, legality and enforceability of the other provisions hereof shall not be affected thereby.

The Purchaser acknowledges that a reasonable investor could deem that the Xmark Information is material to an investment decision, and that the Xmark Information could be of an adverse nature to an investor in the Warrants. The Purchaser is freely deciding to purchase the Warrants at the agreed-upon price for its own reasons based on the information it currently possesses, which it deems sufficient, notwithstanding that it may lack access to the Xmark Information, to make its decision to

participate in the purchase and sale of the Warrants. The Purchaser does not and will not request, desire or require either of the Xmark Funds, now or in the future, to disclose any or all of the Xmark Information to the Purchaser or any of its affiliates, agents or representatives.

- (ii) The Purchaser is a sophisticated investor and has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of its purchase of and investment in the Warrants. The Purchaser is aware that an investment in the Warrants involves a high degree of risk and that the Purchaser may lose the entire amount of its investment in the Warrants. The Purchaser is able to bear the economic risk of its investment in the Warrants and can afford the complete loss of such investment.

### 6. Purchaser Release and Waiver

The Purchaser agrees not to pursue and to release fully any potential suits, claims, causes of action, remedies, damages and other actions whatsoever, at law or in equity, against any of the Xmark Funds and their respective affiliates, officers, directors, agents, employees, representatives and assigns, arising out of the purchase of the Warrants or the nondisclosure of the Xmark Information to the Purchaser. The Purchaser hereby acknowledges receipt of satisfactory consideration for the agreements set forth in this paragraph, including but not limited to the consummation of the purchase and sale of the Warrants at the agreed-upon purchase price. The Purchase acknowledges and agrees that Seller is relying on this Section 6 in engaging in the sale herein, and would not engage in the sale of the Warrants in the absence of this Section 6.

7. Further Assurances. Each of the Purchaser and the Seller will, upon the reasonable request of the other, execute and deliver all other such documents and instruments reasonably deemed necessary or desirable by the other party to fully effect the purchase and sale contemplated hereby.

To the Seller's knowledge, no consent or approval of, or filing with, any governmental authority or other person not a party hereto is required for the execution, delivery and performance by the Seller of this Agreement or the consummation of the Transaction, except for such consents or approvals of the Issuer required pursuant to the terms of the Preferred Shares or any of the transaction documents executed in connection with the Seller's acquisition of the Preferred Shares.

(c) Seller paid full purchase price for, became beneficial owner of and acquired from the Issuer the Preferred Shares on a date that was at least thirty (30) days prior to the date hereof.

(d) With respect to the Transaction, (a) the Seller is the record and beneficial owner of the Preferred Shares, free and clear of any Encumbrances, except for those Encumbrances imposed by securities laws generally; (b) the Preferred Shares to be delivered are not subject to any Transfer Restriction, other than (i) any restrictions, if any, set forth in the terms of the Preferred Shares or the purchase agreement pursuant to which such Preferred Shares were acquired and (ii) the restriction that the Preferred Shares and the shares of the Issuer's common stock underlying the Preferred Shares have not been registered under the Securities Act and, therefore, cannot be resold unless they are registered under the Securities Act and applicable state securities laws in a transaction exempt from or not subject to the registration requirements of the Securities Act and applicable state securities laws (the "Permitted Securities Law Restriction"); and (c) upon the transfer of the Preferred Shares to Purchaser, Purchaser will acquire good and marketable title thereto (assuming

that Purchaser is a bona fide purchaser within the meaning of Section 8-302 of the New York Uniform Commercial Code), and will be the legal and beneficial owner of such Preferred Shares, free and clear of any Encumbrances or Transfer Restrictions, other than the Permitted Securities Law Restriction.

(e) No proceedings relating to the Preferred Shares are pending or, to the knowledge of the Seller, threatened before any court, arbitrator or administrative or governmental body that would adversely affect the Seller's right to transfer the Preferred Shares to the Purchaser.

(f) The Seller has provided or made available to the Purchaser upon Purchaser's written request a copy of the Preferred Shares, as well as any other information and documents reasonably requested by the Purchaser, and such information provided to the Purchaser completely and accurately describes any Transfer Restrictions applicable to the Preferred Shares.

#### 4. Representations, Warranties and Agreement of the Purchaser.

The Purchaser hereby represents, warrants and agrees as of the date hereof, as follows:

(a) The Purchaser is duly organized, validly existing and in good standing in its jurisdiction of organization.

(b) The Purchaser has full power and authority to enter into this Agreement and to consummate the Transaction. The execution, delivery and performance of this Agreement by the Purchaser have been duly authorized by all necessary corporate/company/partnership proceedings on the part of the Purchaser. This Agreement has been duly and validly executed and delivered by the Purchaser and constitutes the legal, valid and binding obligation of the Purchaser, enforceable in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, moratorium, reorganization or similar laws in effect that affect the enforcement of creditors' rights generally and by equitable limitations on the availability of specific remedies.

(c) The execution, delivery and performance by the Purchaser of this Agreement and consummation by the Purchaser of the Transaction do not and will not: (i) violate any decree or judgment of any court or other governmental authority applicable to or binding on the Purchaser; (ii) violate any provision of any federal or state statute, rule or regulation which is, to the Purchaser's

knowledge, applicable to the Purchaser; (iii) violate any contract to which the Purchaser is a party or by which the Purchaser or any of its assets or properties are bound; or (iv) violate or conflict with any provision of the charter or by-laws of the Purchaser. No consent or approval of, or filing with, any governmental authority or other person not a party hereto is required for the execution, delivery and performance by the Purchaser of this Agreement or the consummation of the Transaction.

(d) The Purchaser is an "accredited investor" within the meaning of Regulation D under the Securities Act. The Purchaser is acquiring the Preferred Shares pursuant to the Transaction hereunder for its own account and not with a view to the distribution thereof (within the meaning of the Securities Act) in violation of applicable securities laws. Purchaser has no present intention of selling, granting any participation in, or otherwise distributing the Preferred Shares. The acquisition by Purchaser of the Preferred Shares shall constitute confirmation of the representation by the Purchaser that Purchaser does not have any contract, undertaking, agreement or arrangement with any person to sell,

transfer or grant participations to such person or to any third person, with respect to the Preferred Shares. The Purchaser acknowledges that (i) each of the Preferred Shares is a "restricted security" for purposes of Rule 144 and (ii) the Preferred Shares, and the shares of the Issuer's common stock underlying such Preferred Shares, have not been registered under the Securities Act and, therefore, cannot be resold unless they are registered under the Securities Act or in a transaction exempt from or not subject to the registration requirements of the Securities Act.

(e) The Purchaser is aware of the Issuer's business affairs and financial condition, and has acquired sufficient information about the Issuer to reach an informed and knowledgeable decision to acquire the Preferred Shares.

(f) The Purchaser is aware that the Seller, Xmark Fund, Ltd. and Xmark Asset Management, LLC (collectively, the "Xmark Funds") may be in possession of certain nonpublic information concerning the Company and the Preferred Shares (the "Xmark Information"), and that the Xmark Funds have agreed with the Company to keep the Xmark Information confidential. The Purchaser acknowledges that a reasonable investor could deem that the Xmark Information is material to an investment decision, and that the Xmark Information could be of an adverse nature to an investor in the Preferred Shares. The Purchaser is freely deciding to purchase the Preferred Shares at the agreed-upon price for its own reasons based on the information it currently possesses, which it deems sufficient, notwithstanding that it may lack access to the Xmark Information, to make its decision to participate in the purchase and sale of the Preferred Shares. The Purchaser does not and will not request, desire or require any of the Xmark Funds, now or in the future, to disclose any or all of the Xmark Information to the Purchaser or any of its affiliates, agents or representatives.

(g) The Purchaser is a sophisticated investor and has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of its purchase of and investment in the Preferred Shares. The Purchaser is aware that an investment in the Preferred Shares involves a high degree of risk and that the Purchaser may lose the entire amount of its investment in the Preferred Shares. The Purchaser is able to bear the economic risk of its investment in the Preferred Shares and can afford the complete loss of such investment.

5. Purchaser Release and Waiver. The Purchaser agrees not to pursue and to release fully any potential suits, claims, causes of action, remedies, damages and other actions whatsoever, at law or in equity, against any of the Xmark Funds and their respective affiliates, officers, directors, agents, employees, representatives and assigns, arising out of the purchase of the Preferred Shares or the nondisclosure of the Xmark Information to the Purchaser. The Purchaser hereby acknowledges receipt of satisfactory consideration for the agreements set forth in this paragraph, including but not limited to the consummation of the purchase and sale of the Preferred Shares at the agreed-upon purchase price. The Purchaser acknowledges and agrees that Seller is relying on this Section 6 in engaging in the sale herein, and would not engage in the sale of the Preferred Shares in the absence of this Section 6.

6 Conditions Precedent to Obligations of the Purchaser. The obligations of the Purchaser are subject to the satisfaction of the following conditions precedent:
