PART II
 INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

AMENDMENT TO THE REGISTRATION STATEMENT

The Registrant's Form S-8 Registration Statement filed with the Securities and Exchange Commission (the "Commission") on March 14, 2003 (Registration No. 333-103846) (the "Registration Statement") is hereby amended to provide that the Registrant suspended its Amended and Restated 1997 Stock Option Plan (the "1997 Plan") with respect to issuances of new stock option grants thereunder, effective March 3, 2004, and adopted a new plan, the 2004 Equity Incentive Plan (the "2004 Plan"), effective as of March 3, 2004. Up to 682,000 shares available for issuance but not issued or subject to outstanding options under the 1997 Plan (the "Unissued Option Shares") are no longer issuable under the 1997 Plan and may now be issued under the 2004 Plan. In addition, up to 1,210,250 shares subject to outstanding options under the 1997 Plan that cease to be subject to such options, other than by reason of exercise or settlement of the options to the extent they are exercised for or settled in shares (the "Unexercised Option Shares"), 750,000 of which were registered on the Registration Statement, will no longer be available for issuance under the 1997 Plan but will be available for issuance under the 2004 Plan. A registration statement on Form S-8 with respect to the Unissued Option Shares and the Unexercised Option Shares (the "New Registration Statement"), is being filed with the Commission concurrently with this Post-Effective Amendment No. 1.

The Registration Statement shall remain in effect for purposes of outstanding stock options granted under the 1997 Plan; however, \$908.21 paid by the Registrant in connection with the registration fee associated with an aggregate of 750,000 of the Unexercised Option Shares will be carried forward from the Registration Statement to the New Registration Statement.

The contents of the Registration Statement are otherwise incorporated by reference into this Post-Effective Amendment No. 1 to such Registration Statement, except as described herein. Required consents and signatures are
