### INTRODUCTION

#### Solicitation of Proxies

This Proxy Statement is being sent to you in connection with the solicitation of proxies by the Board of Directors (the "Board") of Farmstead Telephone Group, Inc., a Delaware corporation (the "Company" or "Farmstead"), for the 2005 Annual Meeting of Stockholders (the "Meeting") to be held on Thursday, July 14, 2005 at 10:00 a.m. local time, or any adjournments or postponements thereof, for the purposes set forth in the attached Notice of Annual Meeting of Stockholders. This Proxy Statement and the accompanying proxy are first being mailed to stockholders on or about May 23, 2005. A copy of the Company's Annual Report for the year ended December 31, 2004, is included with this Proxy Statement.

#### Voting Rights and Required Votes

Only the holders of record of the Company's common stock, par value \$.001 per share ("Common Stock"), as of the close of business on May 16, 2005 (the "Record Date"), are entitled to notice of, and to vote on, all matters properly brought before the Meeting or any adjournments or postponements thereof. As of March 31, 2005 there were 3,342,730 common shares outstanding.

Each stockholder is entitled to one vote for each share of Common Stock held by him or her at the close of business on the Record Date. Pursuant to the Company's Amended and Restated By-laws, to constitute a quorum for the transaction of business at any meeting of stockholders, there must be present, in person or by proxy, the holders of no less than one-third of the voting power of the issued and outstanding shares of voting stock of the Company. Abstentions and "broker non-votes" are counted as present and entitled to vote for purposes of determining a quorum. A broker non-vote occurs when a bank, broker or other holder of record holding shares for a beneficial owner does not vote on a particular proposal because that holder does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. If you are a beneficial owner, your bank, broker or other holder of record is permitted to vote your shares on the election of Directors and the ratification of Carlin, Charron & Rosen LLP as our independent auditors

## Edgar Filing: FARMSTEAD TELEPHONE GROUP INC - Form DEF 14A

even if the broker does not receive voting instructions from you. Once a share is represented for any purpose at the meeting, it is deemed present for quorum purposes for the remainder of the meeting.

Directors are elected by the affirmative vote of a plurality of the shares present at the Meeting, in person or by proxy, and entitled to vote in the election of Directors. Under applicable Delaware law, in determining whether such nominees have received the requisite number of affirmative votes, withheld votes and broker non-votes are not treated as votes cast and, therefore will have no effect on the outcome of the vote.

Approval of the proposal relating to the ratification of the appointment of independent auditors of the Company's financial statements requires the affirmative vote of a majority of the shares of Common Stock present, in person or by proxy, and entitled to vote at the Meeting. Under applicable Delaware law, in determining whether such proposal has received the requisite number of affirmative votes, abstentions will be counted and will have the same effect as a vote against each proposal. Broker non-votes are not treated as votes cast and, therefore will have no effect on the outcome of the vote.

When proxies in the enclosed form are returned properly executed, the shares represented thereby will be voted at the Meeting and, where instructions have been given by the stockholder, will be voted in accordance therewith. If the stockholder does not otherwise specify, the stockholder's shares will be voted FOR each of the nominees for director and FOR the proposal to ratify the appointment of the independent auditors, all as set forth in

1

this Proxy Statement. As to any other business, which may come before the Meeting, the proxy holders will vote in accordance with their best judgment.

Votes will be counted manually. A stockholder executing the accompanying proxy has the power to revoke it at any time prior to the exercise thereof by appearing at the Meeting and voting in person or by filing with the Secretary of the Company, a properly executed, later-dated proxy (including an Internet or telephone vote), or a written instrument revoking the proxy. Most stockholders have a choice of voting over the Internet, by using a toll-free telephone number or by completing a proxy card and mailing it in the postage-paid envelope provided. Please refer to your proxy card or the information forwarded by your bank, broker or other holder of record to see which options are available to you. Please be aware that if you vote over the Internet, you may incur costs such as telephone and Internet access charges for which you will be responsible, and that there may be some risk a stockholder's vote might not be properly recorded or counted because of an unanticipated electronic malfunction.

### Costs of Solicitation

The solicitation of proxies in the accompanying form is made by, and on behalf of, the Board of Directors. We have engaged the services of Computershare Trust Co., Inc., the Company's Transfer Agent, and ADP Investor Communication Services, to assist us in the distribution and processing of proxies, for which total fees and expenses of approximately \$7,000 will be paid. There will be no solicitation by officers and employees of the Company. The Transfer Agent will make arrangements with brokerage houses and other custodians, nominees and fiduciaries for the

## Edgar Filing: FARMSTEAD TELEPHONE GROUP INC - Form DEF 14A

forwarding of proxy materials to the beneficial owners of shares held of record by such persons, and such persons will be reimbursed for reasonable expenses incurred by them in connection therewith.

### PROPOSAL 1 - ELECTION OF DIRECTORS

The Amended and Restated By-laws of the Company provide that the Board of Directors shall be fixed solely and exclusively by resolution duly adopted from time to time by the Board of Directors. The Board has fixed the current number of directors at six. Each director presently is elected for a one-year term at each annual meeting of the stockholders. Officers are elected by, and serve at the pleasure of, the Board of Directors.

Six directors are to be elected at the Meeting to hold office until the next Meeting or until their successors have been duly elected and qualified. The Board of Directors has determined that three of the six nominees are independent under the guidelines of the American Stock Exchange. It is the intention of the persons named in the accompanying Proxy Card to vote FOR the election of the six persons named in the table below as directors of the Company, unless authority to do so is withheld. All of the nominees are currently serving as directors of the Company, and they have consented to being nominated and named herein, and to serve as directors if elected at the Meeting. In the event that any of the nominees for director is unable to serve as a director, the shares represented by all valid proxies will be voted for the election of such other person as the Board may nominate.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF THE NOMINEES AS DIRECTOR.

For each nominee, each of whom is an incumbent, and for each officer of the Company other than such nominees, there follows a brief listing of their principal occupation for at least the past five years, other major affiliations, and age as of January 1, 2005.

The Audit Committee, consisting of Messrs. Pettrossi (Chairman), Hansen and Kelley, consults with the independent auditors and management with respect to the adequacy of internal controls and the Company's audited financial statements. In the Board's judgment, each member of the Audit Committee is financially literate. ### PROPOSAL 2 - RATIFY THE APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee of the Board of Directors has selected Carlin, Charron & Rosen, LLP ("CC&R") as our independent auditors for the year ending December 31, 2005. CC&R, and its predecessor company, DiSanto Bertoline & Company, P.C., have been our independent auditors since October 2001. We are submitting the selection of CC&R for stockholder ratification at the Annual Meeting. In the event the stockholders fail to ratify the appointment, the Audit Committee will reconsider this appointment. Even if the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent auditing firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of Farmstead and its stockholders.

4

A representative of CC&R is expected to be present at the Meeting, will be afforded the opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions from stockholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF CARLIN, CHARRON & ROSEN, LLP AS INDEPENDENT AUDITORS OF THE COMPANY FOR THE YEAR ENDING DECEMBER 31, 2005.

### Independence of Directors

No director qualifies as independent unless the Board affirmatively determines that the director has no material relationship with Farmstead either directly or as a partner, stockholder or officer of an organization that has a relationship with Farmstead. Our Board of Directors has determined that all non-management directors are independent in accordance with the American Stock Exchange listing standards, except for Mr. George J. Taylor, Jr. and Mr. Hugh M. Taylor. The Board has made this determination based on the following objective standards, in addition to any other relevant facts and circumstances:

- \* A director who is an employee or whose immediate family member is an executive officer of Farmstead is not independent until

## Edgar Filing: FARMSTEAD TELEPHONE GROUP INC - Form DEF 14A

three years after the end of such employment relationship.

- \* A director who receives, or whose immediate family member receives, more than \$100,000 per year in direct compensation from Farmstead, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), is not independent until three years after he or she ceases to receive more than \$100,000 per year in such compensation.
- \* A director who is affiliated with or employed by, or whose immediate family member is affiliated with or employed in a professional capacity by, a present or former internal or external auditor of Farmstead is not independent until three years after the end of either the affiliation or the auditing relationship.
- \* A director who is employed, or whose immediate family member is employed, as an executive officer of another company where any of Farmstead's present executives serves on that company's compensation committee is not independent until three years after the end of such service or the employment relationship.
- \* A director who is an executive officer or an employee, or whose immediate family member is an executive officer, of another company that makes payments to, or receives payments from, Farmstead for property or services in an amount which, in any single fiscal year, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues is not independent until three years after falling below such threshold

### Executive Sessions

Our non-management, independent directors meet at least once per year in executive session without management. Executive sessions are led by a "Presiding Director." An executive session may be held in conjunction with a regularly scheduled Board meeting and other sessions may be called by the Presiding Director in his or her own discretion or at the request of the Board. Mr. Pettirossi has been designated as the Presiding Director. During 2004, the non-management independent directors met twice.

### Nomination of Directors

It is the policy of the Board of Directors to consider candidates for director that are recommended by stockholders. In order to recommend a candidate, stockholders must submit the individual's name and qualifications in writing to the Board (in care of the Secretary at Farmstead's principal executive office at 22 Prestige Park Circle, East Hartford, CT 06108) and otherwise in accordance with all of the procedures outlined under "Nominations and Stockholders' Proposals for year 2006 Annual Meeting of Stockholders" for a director nomination.

In identifying and evaluating nominees for Director, the Board of Directors takes into account the applicable requirements for directors under the Securities Exchange Act of 1934, as amended, and the listing standards of the American Stock Exchange. In addition, the Board of Directors may take into consideration such factors and criteria as it deems appropriate, including the nominee's character, judgment, business experience and acumen. In addition to nominees recommended by stockholders, the Board of Directors also considers candidates recommended by management

## Edgar Filing: FARMSTEAD TELEPHONE GROUP INC - Form DEF 14A

or other members of the Board. The Board evaluates candidates recommended for Director by stockholders in the same way that it evaluates any other nominee.

6

### Communications with the Board of Directors

The Board has established a process for stockholders and other interested parties to communicate with the Board or an individual director, including the Presiding Director or the non-management directors as a group. A stockholder may contact the Board of Directors or an individual director by writing to their attention at Farmstead's principal executive offices at 22 Prestige Park Circle, East Hartford, CT 06108. Communications received in writing are distributed to the Board or to individual directors as appropriate in accordance with procedures approved by Farmstead's independent directors.
