We believe that our audit provides a reasonable basis for our opinion.

The Property was acquired on August 10, 2001 by Great Lakes REIT, from an unrelated party.

2. Summary of Significant Accounting Policies

Basis of Presentation

The accompanying Statements of Revenue and Certain Expenses were prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission for inclusion in the Form 8-K of Great Lakes REIT. The statements are not representative of the actual operations of the Property for the periods presented nor indicative of future operations as certain expenses, primarily depreciation, amortization, and interest expense, which may not be comparable to the expenses expected to be incurred by Great Lakes REIT in future operations of the Property, have been excluded.

Revenue and Expense Recognition

Revenue is recognized on a straight-line basis over the terms of the related leases. Expenses are recognized in the period in which they are incurred.

Use of Estimates

The preparation of the Statements of Revenue and Certain Expenses in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of revenue and expenses during the reporting periods. Actual results could differ from these estimates.

Unaudited Interim Statement

The interim financial statement for the 2001 interim period includes the revenue and certain expenses for the period prior to acquisition by Great Lakes REIT. In the opinion of management, such financial statement reflects all adjustments necessary for a fair presentation of the results of the interim period. All such adjustments are of a normal, recurring nature.

3. Rentals

The Property has entered into tenant leases that provide for tenants to share in the operating expenses and real estate taxes on a pro rata basis, as defined.

4. Related Party Transactions

Pizzuti Management, LLC, an affiliate of the former owner of the Property, provided property management services to the Property in return for a fee of 4% of monthly gross receipts, as defined in the Management Agreement (Agreement). For the year ended December 31, 2000, management fee expense incurred was \$57,389. In addition, the Agreement provides for reimbursement of payroll costs to Pizzuti Management, LLC, for an on-site manager. For the year ended December 31, 2000 and period from January 1, 2001 to July 31, 2001, payroll costs reimbursed totaled \$30,000 and \$17,500, respectively, and are included in property operating and maintenance in the Statements.
