Prospectus Supplement No. 1 to Prospectus Dated October 24, 2001

QUIDEL CORPORATION

2,486,514 Shares of Common Stock of Quidel Corporation

The following information supplements, and must be read in connection with, the information contained in the prospectus, dated October 24, 2001 (the "Prospectus"), of Quidel Corporation, a Delaware corporation. This Prospectus Supplement must be delivered with a copy of the Prospectus. All capitalized terms not otherwise defined herein have the respective meanings ascribed to them in the Prospectus. The following information replaces in its entirety the information provided in the Prospectus under the caption "Selling Stockholders".

The date of this Prospectus Supplement No. 1 is January 4, 2002.

SELLING STOCKHOLDERS

The shares of our common stock covered by this prospectus were issued to former shareholders and certain option holders of Litmus, in a transaction in which Litmus became a wholly owned subsidiary of ours. In a series of private transactions, we issued approximately 3,250,000 shares of our common stock to former shareholders and certain option holders of Litmus, pursuant to the terms of the merger agreement between us and Litmus. Almost all of these shares were prohibited from being sold until June 6, 2001, pursuant to lock-up agreements executed by us and certain of the selling stockholders. Of these shares, 2,486,514 shares are the subject of this prospectus. The remaining 763,486 shares issued in connection with the merger are subject to an escrow agreement as security against breaches of certain representations and warranties made by Litmus. Of these escrowed shares, 32,580 have been released to us from escrow, due to a cash payment made by us to a third party on behalf of Litmus for financial advisory fees, and 730,906 remain in escrow. Under a registration rights agreement dated December 8, 2000, we agreed to register the shares that were not placed in escrow and maintain the effectiveness of the registration statement until the earlier of one year from effectiveness or the date on which all the shares covered by this prospectus have been sold. For more information on distribution of the shares, see "Plan of Distribution" on page 16 of this Prospectus. The selling stockholders may from time to time offer and sell pursuant to this Prospectus, any or all of the 2,486,514 shares of our common stock. The table below describes, on or prior to December 27, 2001, the number of shares of our common stock covered by this prospectus that each selling stockholder beneficially owns. The term "selling stockholders" includes the holders listed below and their transferees, pledgees, donees or other successors. We have prepared this table based upon information furnished to us by or on behalf of the selling stockholders.

The selling stockholders confirmed at the time they acquired the shares listed below that they acquired the shares for investment purposes only and not with a view toward their resale, and acknowledged the existence of restrictions on resale that apply to these shares. This offering relates only to the sale of shares held or to be held by the selling stockholders named in the following table. Since the date on which they provided us with the information below, the selling stockholders may have sold, transferred or otherwise disposed of some or all of their shares of our common stock in transactions exempt from the Securities Act's registration requirements.
