ANNUAL MEETING OF SHAREHOLDERS
OF
CENTRAL VALLEY COMMUNITY BANCORP
To Be Held on May 15, 2002**

600 Pollasky Avenue, Clovis, California 93612

GENERAL INFORMATION FOR SHAREHOLDERS

The following information is furnished in connection with the solicitation of the accompanying proxy by and on behalf of the Board of Directors of Central Valley Community Bancorp (the "Company" or "Central Valley") for use at the Annual Meeting of Shareholders to be held at the Company's headquarters office located at 600 Pollasky Avenue, Clovis, California on Wednesday, May 15, 2002, at 7:00 p.m. Only shareholders of record at the close of business on March 26, 2002, (the "Record Date") will be entitled to notice of and to vote at the Annual Meeting. On the Record Date, the Company had outstanding 1,295,489 shares of its common stock, all of which will be entitled to vote at the Annual Meeting and any adjournments thereof. This proxy statement will be first mailed to shareholders on or about April 1, 2002.

Vote By Proxy

As many of the Company's shareholders are not expected to personally attend the Annual Meeting, the Company solicits proxies so that each shareholder is given an opportunity to vote. Shares represented by a duly executed proxy in the accompanying form, received by the Board of Directors prior to the Annual Meeting, will be voted at the Annual Meeting. A shareholder executing and delivering the enclosed proxy may revoke the proxy at any time prior to exercise of the authority granted by the proxy by (i) filing with the secretary of the Company an instrument revoking it or a duly executed proxy bearing a later date; or (ii) attending the meeting and voting in person. A proxy is also revoked when written notice of the death or incapacity of the maker of the proxy is received by the Company before the vote is counted. If a shareholder specifies a choice with respect to any matter on the accompanying form of proxy, the shares will be voted accordingly. If no specification is made, the shares represented by the proxy will be voted in favor of the specified proposal.

Method of Counting Votes

Holders of common stock of the Company ("Common Stock") are entitled to one vote for each share held except that for the election of directors each shareholder has cumulative voting rights and is entitled to as many votes as shall equal the number of shares held by such shareholder multiplied by the number of directors to be elected and such shareholder may cast all his or her votes for a single candidate or distribute such votes among any or all of the candidates as he or she chooses. However, no shareholder shall be entitled to cumulate votes (in other words, cast for any candidate a number of votes greater than the number of shares of stock held by such shareholder) unless such candidates' names have been placed in nomination prior to the voting and the shareholder has given notice at the Meeting prior to the voting of the shareholder's intention to cumulate votes. If any shareholder has given such notice, all shareholders may cumulate their votes for candidates in nomination. An opportunity will be given at the Meeting prior to the voting for any shareholder who desires to do so, to announce his or her intention to cumulate his or her votes. The proxy holders are given, under the terms of the Proxy, discretionary authority to cumulate votes represented by shares for which they are named in the Proxy.

1

The proxy holders, Daniel J. Doyle and Wanda L. Rogers, both of whom are directors of the Company, will vote all shares of Common Stock represented by the proxies unless authority to vote such shares is withheld or the proxy is revoked. However, the proxy holders cannot vote the shares of the shareholder unless the shareholder signs and returns a proxy card. Proxy cards also confer upon the proxy holders discretionary authority to vote the shares represented thereby on any matter that was not known at the time this Proxy Statement was mailed, which may properly be presented for action at the Annual Meeting, including a motion to adjourn, and with respect to procedural matters pertaining to the conduct of the Annual Meeting. The total expense of soliciting the proxies in the accompanying form will be borne by the Company. While proxies are normally solicited by mail, proxies may also be solicited directly by officers, directors and employees of the Company or its subsidiary, Clovis Community Bank (the "Bank"). Such officers, directors and employees will not be compensated for this service beyond normal compensation to them.

Abstentions and broker non-votes are each included in the determination of the number of shares present and voting for the purpose of determining whether a quorum is present, and each is tabulated separately. In determining whether a proposal has been approved, abstentions are counted in tabulations of the votes cast on proposals presented to shareholders and broker non-votes are not counted as votes for or against a proposal or as votes present and voting on the proposal.

Unless contrary instructions are indicated on the Proxy, all shares represented by valid Proxies received pursuant to this solicitation (and not revoked before they are voted) will be voted as follows:

FOR the election of all nominees for director named herein; and

Edgar Filing: CENTRAL VALLEY COMMUNITY BANCORP - Form DEF 14A

FOR ratification of the selection of Perry-Smith LLP as the Company's independent public accountants.

In the event a shareholder specifies a different choice on the Proxy, his or her shares will be voted in accordance with the specification so made. In addition, such shares will, at the proxy holders' discretion, be voted on such other matters, if any, which may come before the Meeting (including any proposal to adjourn the Meeting). Boxes and a designated blank space are provided on the proxy card for shareholders to mark if they wish either to abstain on one or more of the proposals or to withhold authority to vote for one or more nominees for director.

A copy of the Company's Annual Report to Shareholders for the fiscal year ended December 31, 2001 is enclosed with this Proxy Statement.

Vote Required

The nine (9) nominees receiving the highest number of votes of the shares of the Company's Common Stock represented and entitled to vote at the Meeting will be elected directors of the Company.

The affirmative vote of the holders of a majority of the shares of the Company's Common Stock represented and entitled to vote at the Meeting is necessary for the ratification of the selection of auditors.

Shareholders Entitled to Vote

Only shareholders of record at the close of business on March 26, 2002, are entitled to notice of, and to vote at, the Annual Meeting. At the close of business on that date, the Company had outstanding 1,295,489 shares of its no par value Common Stock.

Meetings and Committees of the Board of Directors

The Board of Directors of the Company conducts its business through meetings of the Company's Board of Directors, Strategic Planning Committee and Audit/Compliance Committee, and through committees of the Bank's Board of Directors. The Company became the holding company for the Bank on November 15, 2000. Currently, the Bank's committees make recommendations regarding the nominating and personnel functions to the Company's Board of Directors. Furthermore, the Audit/Compliance Committee of the Bank's Board of Directors makes recommendations to the Audit/Compliance Committee of the Company's Board of Directors. During 2001 the Company's Board of Directors held 12 meetings and the Bank's Board of Directors held 12 meetings. No director attended less than 75 percent of the total meetings of the Company's and the Bank's Boards of Directors and of the Company's and the Bank's committees on which he or she served during 2001.

The Strategic Planning Committee of the Company's Board of Directors is composed of Mr. Lou McMurray as Chairman, and Messrs. Cox, Cunningham, Darden, Doyle, McDonald and Smittcamp.

The Company's Strategic Planning Committee held eight (8) meetings during 2001. The Strategic Planning Committee; (1) provides overall strategic planning direction for the Company; (2) makes recommendations to the Board for the payment of dividends, Directors' fees and stock option grants and other benefits for the Directors; (3) reviews and monitors the Bank's investment policy, the Bank's

liquidity position and the Bank's investment portfolio; (4) reviews all advertising materials and establishes and reviews the advertising budget.

The Company's Audit/Compliance Committee held nine (9) meetings during 2001. The functions of the Audit/Compliance Committee are to recommend the appointment of and to oversee a firm of independent public accountants who audit the books and records of the Company for the fiscal year for which they are appointed, to approve each professional service rendered by such accountants and to evaluate the possible

effect of each such service on the independence of the Company's accountants. The Audit/Compliance Committee also reviews internal controls and reporting procedures of the Bank's branch offices and periodically consults with the independent auditors with regard to the adequacy of internal controls.

Report of Audit Committee

NOTWITHSTANDING ANYTHING TO THE CONTRARY SET FORTH IN ANY OF THE COMPANY'S FILINGS UNDER THE SECURITIES ACT OF 1933 OR THE SECURITIES EXCHANGE ACT OF 1934, THE FOLLOWING REPORT OF THE AUDIT COMMITTEE SHALL NOT BE INCORPORATED BY REFERENCE INTO ANY SUCH FILINGS AND SHALL NOT OTHERWISE BE DEEMED FILED UNDER SUCH ACTS.

The Audit/Compliance Committee of the Central Valley Community Bancorp Board of Directors (the "Audit Committee") is composed of five independent directors and operates pursuant to a Charter that was adopted by the Board on February 21, 2001, a copy of which was attached as Appendix A to the Company's Proxy Statement for the Company's 2001 Annual Meeting of Shareholders. The members of the Audit Committee are Steven McDonald (Chair), Elaine Bernard, Daniel N. Cunningham, David E. Cook, and Joseph B. Weirick. The Audit Committee recommends to the Board of Directors, subject to shareholder ratification, the selection of the Company's independent accountants.

The function of the Audit Committee is to assist the Board of Directors in its oversight of the Company's financial reporting process. As set forth in the Charter, management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements, the Company's accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing the Company's financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States of America.

In the performance of its oversight function, the Committee has considered and discussed the audited financial statements with management and the independent auditors. The Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as currently in effect. Finally, the Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect, and written confirmations from management with respect to information technology consulting services relating to financial information systems design and implementation, and internal audit services provided by the auditors, has considered whether the provision of information technology consulting services relating to financial information systems design and implementation and internal audit and other non-audit services by the independent auditors to the Company is compatible with maintaining the auditor's independence and has discussed with the auditors the auditors' independence.

8

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, including in respect to auditor independence. Members of the Committee rely without independent verification on the information provided to them and on the representations made by management and the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with auditing standards generally accepted in the United States of America, that the financial statements are presented in accordance with accounting principles generally accepted in the United States of America or that the Company's auditors are in fact "independent".

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Committee referred to above and in the Charter, the Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-KSB for the year ended December 31, 2001 to be filed with the Securities and Exchange Commission.

Employment Contracts*Daniel J. Doyle*

The Bank entered into an employment agreement with Mr. Doyle effective as of May 28, 1998, pursuant to which Mr. Doyle is employed as President and Chief Executive Officer of the Bank. The agreement provided that the initial term of the agreement would end on December 31, 2001, but also

provided that the agreement will be renewed annually for additional one-year terms unless terminated by either party not later than sixty days prior to the end of the particular term. The agreement provided for an annual salary during 1998 and 1999 of \$160,000, with base salary to be set thereafter by the Board of Directors at no less than \$160,000. For fiscal year 2001 Mr. Doyle's annual salary was \$170,000. Additionally, the agreement provided that for 1998, Mr. Doyle was entitled to receive a target bonus of 25% of salary upon the achievement by December 31, 1998 of certain specified performance goals and a target bonus of 30% of salary upon the achievement by December 31, 1999 of performance goals agreed upon by the parties. For fiscal years 2001 and 2000, Mr. Doyle received a bonus of \$96,500 and \$58,856, respectively. Mr. Doyle's performance in 2001 and 2000 exceeded the goals established for those years, and therefore, per the terms of the employment agreement, the bonuses paid to Mr. Doyle during those years exceeded the target bonus percentages specified in the employment agreement. The Board of Directors provided that Mr. Doyle would be entitled to receive a target bonus of 40% of salary upon achievement by December 31, 2001 of certain specified performance goals agreed upon by the Board of Directors and Mr. Doyle. For further fiscal years, the specific goals for the bonus shall be set by mutual agreement of the Board and Mr. Doyle. The Board of Directors provided that Mr. Doyle would be entitled to receive a target bonus of 40% of salary upon achievement by December 31, 2002 of certain specified performance goals agreed upon by the Board of Directors and Mr. Doyle. The actual bonus Mr. Doyle may receive under the employment agreement for his performance during 2002 may be higher or lower than the target bonus of 40% of his base salary for 2002 depending on actual performance. The Board of Directors has set Mr. Doyle's base salary for 2002 at \$180,000.

The employment agreement with Mr. Doyle also provided for: (a) a Bank-paid membership in a local country club; (b) an automobile allowance of \$1,000 per month; (c) participation in medical, dental and similar plans offered by the Bank for Mr. Doyle and his dependents, as well as Bank-paid term life insurance coverage of at least \$100,000; and (d) four weeks of vacation annually.

The employment agreement with Mr. Doyle is terminable by the Bank at any time for "cause," as defined in the agreement, upon which Mr. Doyle would be eligible to receive no payments or benefits other than those accrued through the date of termination. The agreement provides for termination upon the disability of Mr. Doyle under certain circumstances, as well as the payment of Mr. Doyle's salary for six months following such disability if certain conditions are met. The Bank may terminate Mr. Doyle's employment without cause, in which case, Mr. Doyle would be entitled to continue to receive payments based on his base salary for two years, subject to his finding comparable employment. In the event of a merger in which the Bank is not the surviving entity or a change in control of 50% or more of the Common Stock of the Bank (other than as a result of the organization of a holding company for the Bank) (a "Reorganization"), then the employment agreement shall not be terminated but instead the surviving or resulting corporation or the transferee of the Company's stock or assets (the "Successor") shall be bound by the employment agreement. However, in the event that Mr. Doyle elects to leave the employ of the Successor, he will be entitled to a lump sum severance payment equal to two times the average total annual cash compensation paid to him by the Bank during the most recent three fiscal years. Additionally, during the 24 months following a Reorganization, Mr. Doyle will be entitled to receive the lump sum payment mentioned in the preceding sentence upon a demotion in title, decrease in total compensation, material changes in duties and authority and/or change in office location of more than 30 miles from Clovis, California.

Salary Deferral Plan

The Bank adopted a Salary Deferral Plan, effective as of January 1, 1983, for the benefit of its employees. The Salary Deferral Plan is intended to qualify for favorable tax treatment under Sections 401(a) and 501(a) of the Internal Revenue Code of 1986 (the "Code"), commonly referred to as a "401(k) plan". The Salary Deferral Plan has two components consisting of a deferred salary portion

and a profit sharing portion. The purpose of the Salary Deferral Plan is to provide eligible employees of the Bank with a means of deferring a portion of their compensation to encourage retirement savings, to enable them to share in profits of the Bank, and to provide benefits in the event of death or disability.

Under the profit sharing portion of the Salary Deferral Plan, the Bank may, but is not required to, make annual profit-sharing contributions to the Salary Deferral Plan. For fiscal year 2001, the Bank made a \$125,000 profit sharing contribution. Additionally, the Bank may elect to make a matching contribution to the participants' accounts. The matching contribution is announced by the Bank at the beginning of the plan year. In 2001, the Bank made a 50% matching contribution on all deferred amounts up to 5% of eligible compensation, totaling \$70,156. For 2002, the Bank announced a 100% matching contribution on all deferred amounts up to 3% of eligible compensation and a 50% match on the next 2% of eligible compensation deferred.

Deferred Compensation Agreements

Edgar Filing: CENTRAL VALLEY COMMUNITY BANCORP - Form DEF 14A

Six of the Bank's non-employee directors have entered into deferred compensation agreements with the Bank, electing to defer some or all of their fees in exchange for the Bank's promise to pay a deferred benefit in the future. A deferred compensation agreement allows a non-employee director to reduce current taxable income in exchange for larger payments at retirement, when the recipient could be in a lower tax bracket. Deferred director fees are expensed by the Bank and are set aside in a separate liability account. Credited on the account balance at a rate determined annually by the Board of Directors, interest on deferred fees continues to accrue until the director's service terminates and payment of benefits commences. Payment of accrued benefits, represented by the account balance, can be made in a lump sum or in installments, at each participating director's election. After retirement, benefit payments are taxable income to the participating director and are deductible expenses to the Bank as they are paid. The deferred compensation arrangement with non-employee directors is an unfunded plan, which means that a participating director has no rights beyond those of a general creditor of the Bank, and no specific Bank assets are set aside for payment of account balances. A director whose service terminates for cause forfeits all accrued interest and is entitled solely to the fees previously deferred.

The Bank has a universal life insurance policy insuring the life of each participating director. The Bank is the owner of each policy. Each non-employee director who has entered into a deferred compensation agreement has also entered into a related Split Dollar Agreement and Endorsement. Under the latter Split Dollar Agreement and Endorsement, the Bank and each participating director agree to a division of death benefits under the life insurance policies. A Split Dollar Agreement and Endorsement provides that a director's designated beneficiary(ies) is entitled at the director's death to receive life insurance proceeds:

- (a) In an amount intended to approximate the projected deferred compensation agreement account balance at the director's retirement, if the director dies before terminating service with the Bank.
- (b) In an amount intended to approximate the deferred compensation agreement account balance remaining unpaid, if the director dies after terminating service with the Bank.

In either case, the Bank's obligations under a deferred compensation agreement are extinguished by the director's death. The Bank is entitled to any insurance policy death benefits remaining after payment to the director's beneficiary(ies). The Bank expects to recover in full from its portion of the policies' death benefits all life insurance premiums previously paid by the Bank. The policies serve informally as a source of financing for the Bank's deferred compensation obligations arising out of a director's death before retirement, as well as an investment to finance post-retirement payment obligations. Although the Bank expects the policies to serve as a source of funds for death benefits

payable under the deferred compensation agreements, as noted above the directors' contractual entitlements are not funded. These contractual entitlements remain contractual liabilities of the Bank, payable after the directors' termination of service.

Senior Management Incentive Plan

The Board of Directors of the Bank approved a Senior Management Incentive Plan ("SMIP") effective January 1, 1999 for the purpose of advancing the interests of the Bank and its shareholders through annual incentive compensation that will attract, retain and motivate key executives of the Bank. The Board of Directors has discretion to determine which executives are eligible to participate in the SMIP, to determine the bases for and the amount of any incentive awards (based generally on Board-established targets) and to consider any additional or extraordinary performance factors for a particular participant.

The Board of Directors allocated contributions to the SMIP for the fiscal year ended December 31, 2001 and, accordingly, payments were made to executives thereunder totaling \$132,292, which are included under Bonus in the Summary Compensation Table.

Executive Salary Continuation Agreements

During 2000 and 2001, the Board of Directors of the Bank adopted and entered into with each of Ms. Graham, Mrs. Wilburn and Messrs. Doyle, Quisenberry and Sommer an Executive Salary Continuation Agreement (each, a "Salary Continuation Agreement" and collectively, the "Salary Continuation Agreements"). The Salary Continuation Agreements provide for an annual payment for a period of 15 years following retirement from service as an executive of the Bank. Mr. Doyle's benefits under his Salary Continuation Agreement vested 20% upon execution, and will continue to vest at a rate of 10% per year thereafter. Ms. Graham's benefits under her Salary Continuation Agreement are subject to an annual vesting percentage of 10% for each full year of service from the first anniversary of the effective date of the agreement. Mrs. Wilburn's benefits, under her Salary Continuation Agreement, will be 40% vested on the third anniversary of employment with

the Bank, an additional 10% on each of the fourth and fifth anniversaries of employment, an additional 20% on the sixth anniversary and an additional 10% on each of the seventh and eighth anniversaries of employment. Messrs. Quisenberry and Sommer's benefits under each of their Salary Continuation Agreements are subject to an annual vesting percentage of 10% for each full year of service from the second anniversary of the effective date of the agreement. Each person's annual benefit is determined at the time of retirement, on the basis of (i) the individual's age upon retirement, (ii) the percentage of benefit vested upon retirement, and (iii) the maximum annual benefit assigned in the individual's Salary Continuation Agreements.

Mr. Doyle's Salary Continuation Agreement provides for a maximum annual benefit of \$75,000, and provides that he will receive the maximum benefit if he reaches the age of 62 prior to retiring. The Salary Continuation Agreement covering Ms. Graham provides for a maximum annual benefit of \$40,000, and provides that she will receive the maximum benefit if she reaches the age of 62 prior to retiring. The Salary Continuation Agreements covering Mrs. Wilburn and Messrs. Quisenberry and Sommer, provide for each to receive a maximum annual benefit of \$40,000, and provide that each will receive the maximum benefit if she or he reaches the age of 65 prior to retiring.

The Salary Continuation Agreements terminate upon death prior to retirement, voluntary termination of service prior to retirement, or involuntary termination of service for cause. The Salary Continuation Agreements provide for payment of a lump sum in the event of a Change Of Control of the Bank, defined as the cumulative transfer of more than fifty percent (50%) of the voting stock of the Bank.

15

The Salary Continuation Agreements specifically provide that the Bank has no obligation to fund the obligations to pay the retirement or lump sum benefits described therein. However, coincident with the execution of the Salary Continuation Agreements the Bank and each of Ms. Graham, Mrs. Wilburn and Messrs. Doyle, Quisenberry and Sommer entered into a Life Insurance Endorsement Method Split Dollar Plan Agreement. The Bank purchased flexible premium adjustable life insurance policies insuring the life of each participant. The Bank owns the policies and is entitled to the policies' cash value. The participant's beneficiaries are entitled to a share of the death proceeds should the participant die before attaining the maximum benefit age as defined in the Salary Continuation Agreements or be retired from the Bank and die on or subsequent to attaining the maximum benefit age or die after involuntary termination from the Bank.

Compensation of Directors

The Board of Directors of the Company has not approved payment of fees in connection with attendance at Company Board or Board Committee meetings.

The Chairman of the Board of the Bank receives \$1,200 and all other directors of the Bank receive \$1,000 per month for Bank Board meeting attendance.

Aggregate Bank directors' fees in the sum of \$120,400 were paid (including amounts deferred under Deferred Compensation Agreements between the Bank and certain of its directors) during the fiscal year ended December 31, 2001. No remuneration is received for attendance at Bank Board Committee meetings.

Certain Relationships and Related Transactions

There have been no material transactions, except as disclosed below, since January 1, 2001, nor are there any currently proposed transactions, to which the Company or any of its subsidiaries was or is to be a party, in which the amount involved exceeds \$60,000 and in which any director, executive officer, five-percent shareholder or any member of the immediate family of any of the foregoing persons had, or will have, a direct or indirect material interest.

Reimbursement and Tax Sharing Agreement

The Company has entered into an agreement with the Bank pursuant to which the Bank has agreed to reimburse the Company for certain expenses incurred by the Company in rendering management services on terms and conditions consistent with the requirements of Section 23A of the Federal Reserve Act. In addition, the Company has entered into a tax sharing agreement with the Bank providing for the allocation of tax obligations among the Company and the Bank in compliance with regulatory requirements.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the "SEC"). Officers, directors and greater than ten-percent shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. To the best knowledge of the Company, the only greater than ten-percent holder of the Company's Common Stock is Mr. Louis McMurray and his related interests. See Principal Shareholders.

Based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons that no Forms 4 and 5 were required for those persons, the Company believes that for the 2001 fiscal year, the officers and directors of the Company complied with all applicable filing requirements, except that Thomas Sommer failed to include on his initial Form 5 one transaction involving a sale of stock, which was subsequently reported on an amended Form 5.
