- 99.1 Press Release dated February 26, 2010 (“Turkcell Expects Negative Impact From Impairment Charges, Write-offs and Legal Reserves in Q4 2009”)
-

FOR IMMEDIATE RELEASE

**TURKCELL EXPECTS NEGATIVE IMPACT FROM IMPAIRMENT CHARGES,
WRITE-OFFS AND LEGAL RESERVES IN Q4 2009**

Istanbul, Turkey: February 26, 2010 Turkcell (NYSE: **TKC**, ISE: **TCELL**), the leading communications and technology company in Turkey, announced today, that in line with IFRS guidelines, goodwill impairment charges in Belarus, fixed asset write offs related to operations in Belarus and Turkey and legal reserves related to the Telecommunications Authority's, Tax Authority's and Competition Board's recent decisions in Turkey, have been recognized.

The total impact of these charges is expected to be approximately TRY260 million, resulting in consolidated net income of approximately TRY250 million in Q4 2009.

For Q4 2009, it is expected that Turkcell's consolidated revenue will be approximately TRY2,260 million including the impact of the one-time charges and reimbursements based on the Regulator's decisions (TRY60 million). The negative impact of these charges on EBITDA, after taking into account lower related costs, will be approximately TRY40 million. Consolidated EBITDA is expected to be approximately TRY680 million in Q4 2009.

Turkcell's Q4 2009 and full year 2009 Audited Financial results will be announced on March 10, 2010.

*All figures mentioned in this press release are preliminary and unaudited.

The table below shows the impact of related charges:

This press release contains statements that are forward looking, notably with respect to the amount of the charges, write-offs and reserves that we expect to record and the financial results that we are expecting for 2009. These statements are based on current expectations and assumptions that are subject to risks and uncertainties. In particular, the charges, write-offs and reserves are subject to continued testing and expert review, as well as our assessment of ongoing changes in the economic environment. No assurance can be given that the final amounts recorded will not vary from those contained herein, or that future charges, write-offs and reserves will not be required in respect of the same or similar matters. Furthermore, the estimated 2009 financial information given herein is still being reviewed by our accountants and auditors and changes may result from this review. These and other factors may cause our actual 2009 results to differ significantly from the estimates given herein. Please the Forward Looking Statements and Risk Factors sections in our most recent annual report on Form 20-F, as well as the discussions contained in our press releases, for a further discussion of some of the main risks and uncertainties that we face. We undertake no duty to update or revise any forward looking statements, whether as a result of new information, future events or otherwise.
