PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD FRIDAY, FEBRUARY 22, 2013

The Board of Directors of Flanigan's Enterprises, Inc. (the "Company"), is furnishing this proxy statement to you in connection with our solicitation of proxies to be used at our Annual Meeting of Shareholders, (the "**Annual Meeting**"), to be held Friday, February 22, 2013, at 10:00 a.m., local time, or at any postponement(s) or adjournment(s) thereof, for the purposes set forth in this proxy statement and in the accompanying Notice of Annual Meeting of Shareholders. The Annual Meeting will be held at our corporate offices at 5059 N.E. 18th Avenue, Fort Lauderdale, Florida 33334. The telephone number at that location is 954-377-1961. Unless the context indicates otherwise, all references in this proxy statement to "we", "us", "our", "Flanigan's" or the "Company" mean Flanigan's Enterprises, Inc.

The date of this proxy statement is January 22, 2013 and it was first mailed on or about January 22, 2013 to shareholders entitled to vote at the Annual Meeting.

ABOUT OUR ANNUAL MEETING

What is the purpose of our Annual Meeting?

At our Annual Meeting, shareholders will act upon the matters outlined in the notice of meeting on the cover page of this proxy, including (i) the election of three directors for a term of three years; (ii) adoption of a non-binding resolution to approve the compensation of our named executive officers; (iii) consideration of a non-binding vote with respect to the frequency of a shareholder vote to approve a non-binding resolution to approve compensation of our named executive officers; and (iv) consideration of any other matters that may properly come before the meeting. In addition, our management will report on our performance during fiscal year 2012 and respond to appropriate questions from shareholders.

What is included with these materials?

These materials include:

° This Proxy Statement for the Annual Meeting; and

° Our 2012 Annual Report to Shareholders, which is our most recently filed Annual Report of Form 10K for the year ended September 29, 2012, without exhibits as filed with the SEC on December 28, 2012.

VOTING

Who can attend the meeting?

All shareholders as of the close of business on January 8, 2013, (the “**Record Date**”), or their duly appointed proxies, may attend our Annual Meeting. Even if you currently plan to attend our Annual Meeting, we recommend that you also submit your proxy as described below so that your vote will be counted if you cannot attend our Annual Meeting.

If you hold shares in “street name”, that is, through a broker or other nominee, you will need to bring a copy of your brokerage statement reflecting your stock ownership as of the Record Date and check in with our Inspectors of Election at our Annual Meeting.

Who is entitled to vote at the meeting?

Only holders of our common stock of record on the Record Date are entitled to receive notice of and to vote the common shares held by them on that date at our Annual Meeting, or any postponement(s), adjournment(s) or continuation(s) of our meeting.

What are the voting rights of our shareholders?

On the Record Date, there were 1,859,447 shares of our common stock outstanding, each of which is entitled to one vote with respect to each matter to be voted on at our Annual Meeting. Therefore, if you owned 100 shares of our common stock on the Record Date, you may cast 100 votes for each matter properly presented at the Annual Meeting.

What constitutes a quorum?

The presence at our Annual Meeting, in person or by proxy, of the holders of a majority of the shares of our common stock outstanding as of the Record Date will constitute a “quorum”, permitting our meeting to be held and action to be validly taken. If you submit a properly executed proxy card, even if you abstain from voting or if you withhold your vote with respect to any proposal, you will be considered present for purposes of a quorum. If you hold your shares in “street name” through a broker or other representative and the broker or representative indicates on the proxy that it does

not have discretionary authority as to certain shares to vote on a particular matter, (broker non-votes), the shares represented by such broker non-votes will be counted in determining the presence of a quorum.

If less than a majority of outstanding common shares entitled to vote are represented at the meeting, a majority of the shares present at the meeting may adjourn the meeting to another date, time or place, and notice need not be given of the new date, time or place if the new date, time or place is announced at the meeting before an adjournment is taken.

Will my shares be voted if I do not provide my proxy?

If your shares are held in the name of a broker and you have given your broker instructions

4

on how to vote your shares, your shares will be voted as you direct. If you did not give instructions to your broker, your shares will not be voted by the broker because none of the items to be voted upon are considered “routine” under the rules of the NYSE MKT (f/k/a American Stock Exchange). When this happens, there is a “broker non-vote.” If you are a registered shareholder and hold your shares directly in your own name, your shares will not be voted unless you provide a proxy or fill out a written ballot in person at the meeting.

How do I vote?

You can vote in any of the following ways:

- (1)
- Mark, sign and date each proxy card that you receive; and
 - Return it in the enclosed prepaid envelope.

To vote by mail:

- (2)
- Attend our Annual Meeting;
 - Bring valid photo identification; and
 - Deliver your completed proxy card or ballot in person.

To vote in person if you are a registered shareholder:

- (3)
- Attend our Annual Meeting;
 - Bring valid photo identification; and
 - Obtain a legal proxy from your bank or broker to vote the shares that are held for your benefit, attach it to your completed proxy card and deliver it in person.

To vote in person if your shares are held in “street name”:

Prior to the Annual Meeting, we will select one or more Inspectors of Election. These Inspectors will determine the number of common shares represented at the meeting, the existence of a quorum, the validity of proxies and will count the ballots and votes and will determine and report the results to us.

What does it mean if I get more than one proxy card?

It means you hold shares registered in more than one account. Please vote or provide a proxy for all accounts in one of the manners described above to ensure that all your shares are voted.

Can I change my vote after I return my proxy card?

Yes, even after you have submitted your proxy card you may change your vote at any time before the proxy is exercised by filing with our Secretary either a notice of revocation or a duly executed proxy bearing a later date. The powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

What are the Board's recommendations?

The enclosed proxy is solicited on behalf of our Board of Directors. Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of our Board of Directors. Our Board of Directors recommends a vote:

◦ “FOR” the election of Jeffrey D. Kastner, Michael B. Flanigan and M. E. Betsy Bennett to serve on our Board of Directors for the next three years and until their successors are elected.

◦ “FOR” the approval of the non-binding resolution to approve the compensation of our named executive officers; and

◦ “THREE YEARS” with respect to the frequency of a shareholder vote to approve the non-binding resolution to approve compensation of our Named Executive Officers (as defined herein);

Our Board of Directors does not foresee or have any reason to believe that the proxy holders will have to vote for substitute or alternate board nominees. In the event that any nominee is not available for election and a substitute nominee is designated by the Board of Directors, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in accordance with their best judgment.

What vote is required to approve each item?

A plurality of the votes cast at the meeting is required for the election of directors and adoption of the non-binding resolution to approve the compensation of our named executive officers (the “Say on Pay Proposal”). The option of one year, two years or three years that receives the highest number of votes cast by stockholders will be the frequency for the non-binding advisory vote on future Say on Pay Proposals (the “Say on Frequency Proposal”). A properly executed proxy marked “WITHHOLD AUTHORITY” with respect to one or more directors will not be voted with respect to the director or directors indicated, although it will be counted for purposes of determining whether there is a quorum. Shareholders do not have the right to cumulate their votes for directors. The Say on Pay Proposal and the Say on Frequency Proposal are advisory and not binding on the Board of Directors or the Company in any way.

Other Items: For most other items which may properly come before the meeting, the affirmative vote of a majority of the common shares present, either in person or by proxy, and voting will be required for approval, unless otherwise required by law.

If you sign your proxy card or broker voting instruction card with no further information, your shares will be voted in accordance with the recommendations of our Board.

So far as our management is aware, no matters other than those described in this proxy statement will be acted upon at our Annual Meeting. In the event any other matters properly come before our Annual Meeting for a vote of shareholders, the persons named as proxies on the proxy card will vote in accordance with their best judgment on such other matters.

Who pays for the preparation of the proxy statement and the cost of soliciting votes for our Annual Meeting?

We will pay the cost of preparing, assembling and mailing the proxy statement, notice of meeting and enclosed proxy card. In addition to the use of mail, our employees may solicit proxies personally and by telephone. Our employees will receive no compensation for soliciting proxies other than their regular salaries. We may request banks, brokers and other custodians, nominees and fiduciaries to forward copies of the proxy material to their principals and to request authority for the execution of proxies and we may reimburse those persons for their expenses incurred in connection with these activities. We will compensate only independent third party agents that are not affiliated with us to solicit proxies. At this time, we do not anticipate that we will be retaining a third party solicitation firm, but should we determine, in the future, that it is in our best interests to do so, we will retain a solicitation firm and pay for all costs and expenses associated with retaining this solicitation firm.

How and when may I submit proposals or director nominations for inclusion in the Proxy Statement for our 2014 Annual Meeting?

If you would like to submit a proposal for the 2014 Annual Meeting of Shareholders, it must be received by our Secretary, Jeffrey D. Kastner, at our corporate headquarters located at 5059 N.E. 18th Avenue, Fort Lauderdale, Florida 33334, at any time prior to September 24, 2013, and must otherwise comply with Rule 14a-8 under the Exchange Act, in order to be eligible for inclusion in the proxy statement for that meeting, unless the date of the next annual meeting changes by more than 30 days from the date of this Annual Meeting, in which case notice must be received a reasonable time before mailing.

In general, advance notice of nominations of persons for election to the Board or the proposal of business to be considered by the shareholders must be given to our Secretary not less than 120 days prior to the first anniversary of the date of the mailing of materials regarding the prior year's annual meeting, which mailing date is identified above in this Proxy Statement, unless the date of the next annual meeting changes by more than 30 days from the date of this Annual Meeting, in which case notice must be received a reasonable time before.

A shareholder's notice of nomination should set forth (i) as to each person whom the shareholder proposes to nominate for election or re-election as a director all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Exchange Act, (including such person's written consent to being named in the proxy statement as a nominee

and to serving as a director, if elected); (ii) as to any other business that the shareholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the reason for conducting such business at the

7

meeting and any material interest to such business of such shareholder and the beneficial owner, if any, on whose behalf the nomination or proposal is made; and (iii) as to the shareholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made, (A) the name and address of such shareholder, as they appear on our books, and of such beneficial owner, (B) the number of shares of common stock that are owned, (beneficially or of record), by such shareholder and such beneficial owner, (C) a description of all arrangements or understandings between such shareholder and such beneficial owner and any other person or persons, (including their names), in connection with the proposal of such business by such shareholder and any material interest of such shareholder and of such beneficial owner in such business, and (D) a representation that such shareholder or its agent or designee intends to appear in person or by proxy at the annual meeting to bring such business before the meeting.

You should review the information contained in this proxy statement separately from our 2012 Annual Report to Shareholders. Our principal corporate offices are located at 5059 N.E. 18th Avenue, Fort Lauderdale, Florida 33334, and our telephone number is (954) 377-1961. A list of shareholders entitled to vote at the Annual Meeting will be available at our offices for a period of ten days prior to the meeting and at the meeting itself for examination by any shareholder.

Where can I find the voting results?

The preliminary voting results will be announced at the Annual Meeting. The final voting results will be tallied by the Inspectors of Election and published in the Company's Current Report on Form 8-K, which we are required to file with the SEC within four business days following the Annual Meeting. To view this Form 8-K online, go to our website www.flanigans.net under the link "Financial."

Can shareholders and other interested parties communicate directly with our Board? If so, how?

Yes. You may communicate directly with one or more members of our Board of Directors by writing to the Company's Corporate Secretary, Flanigan's Enterprises, Inc., 5059 N.E. 18th Avenue, Fort Lauderdale, Florida 33334. The Company's Secretary will then forward all questions or comments directly to our Board of Directors or a specific Director, as the case may be.

**SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND
MANAGEMENT**

The following table shows, as of January 8, 2013, the beneficial ownership of our Common Stock by (i) any person or group who is known by us to be the beneficial owner of more than 5% of our Common Stock; (ii) each of our current

directors, including the nominees for director; (iii) each of the Named Executive Officers, (as defined herein); and (iv) all individuals who served as directors or Named Executive Officers at January 8, 2013, as a group. A beneficial owner of stock is a person who has voting power, meaning the power to control voting decisions, or investment power, meaning the power to

cause the sale of the stock. Unless otherwise indicated, the address for each beneficial owner is c/o Flanigan's Enterprises, Inc., 5059 N.E. 18th Avenue, Fort Lauderdale, Florida 33334.

The following table is based upon information supplied by our officers, directors, principal shareholders and schedules 13D and 13G filed with the United States Securities and Exchange Commission, (the "SEC"). The number of shares of our common stock is determined under the rules of the SEC and the information does not necessarily indicate beneficial ownership for any other purpose. Under the SEC rules, beneficial ownership includes any shares as to which the individual or entity has sole or shared voting power or investment power and also includes any shares that the individual or entity has the right to acquire through the exercise of stock options or warrants and any references in the footnotes to this table to shares subject to stock options or warrants refers only to stock options or warrants that are so exercisable. For purposes of computing the percentage of outstanding shares of our common stock held by each person or entity, any shares that such person or entity has the right to acquire are deemed to be outstanding, but are not deemed to be outstanding for the purpose of computing the percentage ownership of any other person. Unless otherwise indicated in the footnotes to this table and subject to community property laws where applicable, we believe that the shareholders named in this table have sole voting and investment power with respect to the shares of our common stock indicated as beneficially owned. The inclusion in the table of any shares deemed beneficially owned does not constitute an admission of beneficial ownership of those shares.

SECTION 16 (a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, (the "Exchange Act"), requires the Company's officers, directors and persons who beneficially own more than 10% of a registered class of the Company's equity securities to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than 10% shareholders are

required by regulation to furnish the Company with copies of all Section 16(a) reports they file.

Based solely upon review of the copies of such reports and any amendments thereto furnished to us during and with respect to our 2012 fiscal year or written representations from certain reporting persons that were not required to file, we believe that during fiscal year 2012, our executive officers, directors and greater-than-10% stockholders complied with all applicable Section 16(a) filing requirements.

BOARD OF DIRECTORS STRUCTURE AND COMPENSATION

Board of Director Structure and Committees

Our business, property and affairs are managed under the direction of our Board of Directors, except with respect to those matters reserved for our shareholders. Our Board of Directors establishes our overall corporate policies, reviews the performance of management in executing our business strategy and managing our day-to-day operations and acts as an advisor to management. Our Board's mission is to further the long-term interest of our shareholders. Members of the Board of Directors are kept informed of our business through discussions with management, primarily at meetings of the Board of Directors and its committees and through reports and analyses presented to them. Significant communications between our directors and management may occur apart from these meetings.

James G. Flanigan serves as our Chairman of our Board of Directors as well as our Chief Executive Officer and President. The Board has determined that selecting our Chief Executive Officer and President as Chairman of the Board of Directors is in the best interests of the Company and its stockholders because this leadership structure promotes a unified vision for the Company, strengthens the ability of the Chief Executive Officer to develop and

14

implement strategic initiatives and facilitates our Board's efficient functioning. The Board of Directors also believes the combination of Chairman of the Board of Directors, Chief Executive Officer and President is appropriate in light of the independent oversight provided by the Board and the Independent Committee. Although we have established an Independent Committee of the Board of Directors, consisting of all of our independent directors, we have not designated any director as a "Lead Independent Director" because we believe the independent directors on our Board have full access to and direct communication with management. The Board of Directors held a total of four meetings during our 2012 fiscal year, which ended on September 29, 2012. Every director attended at least 75% of the total number of meetings of the Board of Directors and at least 75% of all meetings of the committees of the Board of Directors on which the director served. The Board of Directors has determined that we are a "controlled" company as defined by the NYSE MKT and SEC rules since more than 50% of our issued and outstanding common stock is owned by the immediate family of our Chairman of the Board of Directors, including through revocable and irrevocable trusts established by our former Chairman, Joseph G. Flanigan, for his children and grandchildren, and other officers and directors of the Company. As a "controlled" company, the majority of the Board of Directors need not be independent and the Board of Directors has determined that only Barbara J. Kronk and Germaine M. Bell are independent as defined by the NYSE MKT and SEC rules. The Board of Directors determined that former Director, Mike Roberts, was independent as defined by the NYSE MKT and SEC rules.

The Board of Directors has overall responsibility for the oversight of risk management of the Company. Day to day risk management is the responsibility of management. In addition, certain of the risk oversight responsibility is administered through the three committees of the Board of Directors described below and the committees' reports to the Board of Directors.

Audit Committee

The Audit Committee of the Board of Directors currently consists of two independent directors, Barbara J. Kronk and Germaine M. Bell. Former Director, Mike Roberts, was a member of the Audit Committee until his death in December, 2012. This committee operates under a written charter adopted by the Board of Directors, a copy of which is available on our website at www.flanigans.net under the link "Corporate Governance" which committee annually reviews and assesses for adequacy. All of the committee members are independent as required by applicable NYSE MKT and SEC rules. The Board of Directors has determined that Barbara J. Kronk satisfies the definition of "audit committee financial expert" as promulgated by the SEC by virtue of her educational and work experience as described above.

REPORT OF AUDIT COMMITTEE

The Audit Committee held four meetings during fiscal year 2012. The Audit Committee meets separately with our Chief Financial Officer and our independent public accountants, Marcum, LLP, at selected meetings. The Audit Committee oversees the financial accounting and reporting processes, system of internal control, audit process and process for monitoring

compliance with laws and regulations. The Audit Committee is responsible for, among other things, the appointment of the independent auditors and the preparation of the report to be included in our annual proxy statement pursuant to rules of the SEC.

Our management has primary responsibility for the preparation, presentation and integrity of our financial statements and for the appropriateness of the accounting principles and reporting policies that are used. Management is also responsible for testing the system of internal controls and reports to the Audit Committee on any deficiencies found. Our independent auditors were responsible for auditing the financial statements and for reviewing the unaudited interim financial statements and for expressing an opinion about whether our financial statements are fairly presented in all material respects in conformity with accounting principles generally accepted in the United States. The Audit Committee's responsibility is to monitor and oversee these procedures.

The Audit Committee hereby reports as follows:

1. The Audit Committee has reviewed and discussed the audited financial statements with management and with the independent auditors, with and without management present.
2. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 as amended by Statement on Auditing Standards No. 90 (Communication with Audit Committees), as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200 T.
3. The Audit Committee has received the written disclosures and the letter from our independent auditors required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditors' communications with the Audit Committee concerning independence, and has discussed with the independent auditors the independent auditors' independence.

Based upon the review and discussion referred to in paragraphs (1) through (3) above, the Audit Committee recommended to our Board of Directors and the Board approved, that the audited financial statements be included in our Annual Report on Form 10-K for the fiscal year ended September 29, 2012 for filing with the SEC.

Independent Committee

The members of the Independent Committee are all of the independent directors, Barbara J. Kronk and Germaine M. Bell. Former Director, Mike Roberts, was a member of the Independent Committee until his death in December, 2012. The primary function of the Independent Committee is to assist the Board of Directors on matters that may come before it requiring independent investigation and/or guidance. During our fiscal year 2012, no matters were referred to the Independent Committee by the Board of Directors. This committee met once during our fiscal year 2012.

Corporate Governance and Nominating Committee

The members of the Corporate Governance and Nominating Committee, are James G. Flanigan and Barbara J. Kronk. Former Director, Mike Roberts, was a member of the Corporate Governance and Nominating Committee until his death in December, 2012. This committee is responsible for nominating individuals to serve as members of our Board of Directors and for establishing policies affecting corporate governance. Committee member, Barbara J. Kronk is considered independent as defined under applicable NYSE MKT and SEC rules. Former committee member, Mile Roberts, was considered independent as defined under applicable NYSE MKT and SEC rules. The committee will consider properly recommended shareholder nominations for directors. This committee operates under a written charter adopted by the Board of Directors, a copy of which is available on our website at www.flanigans.net under the link "Corporate Governance." The committee's policy is to identify and consider candidates for election as directors, including candidates recommended by our shareholders. A shareholder may nominate a person for election as a director at an annual meeting of the shareholders only if written notice of such shareholder's intent to make such nomination has been given to the Company's Corporate Secretary as described in the applicable proxy statement for the previous year's annual meeting of shareholders. Each written notice must set forth: (a) as to each person whom the shareholder proposes to nominate for election as a director, (i) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or that is otherwise required, in each case pursuant to and in accordance with Regulation 14A under the Securities Exchange Act of 1934, as amended, and (ii) such person's written consent to being named in the proxy statement as a nominee and to serve as a director if elected; and (b) as to the shareholder making such nomination, (i) the name and address of such shareholder, as they appear on the Company's books, (ii) the class and number of shares of stock of the Company which are owned by such shareholder, (iii) a representation that the shareholder is a holder of record of stock of the Company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to propose such nomination, and (iv) a representation whether the shareholder intends or is a part of a group which intends (y) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Company's outstanding capital stock required to elect the nominee and/or (z) otherwise to solicit proxies from shareholders in support of such nomination. The Committee will evaluate the suitability of potential candidates nominated by shareholders in the same manner as other candidates identified to the Committee. For a further description of the process for nominating directors, see "About the Proxy Materials and the Annual Meeting

– How and when may I submit proposals or director nominations for inclusion in the Proxy Statement for the 2014 Annual Meeting?” This committee met once during our fiscal year 2012

Consideration of Director Nominees

The Corporate Governance and Nominating Committee utilizes a variety of methods for identifying and evaluating nominees for director. The committee regularly assesses the appropriate size of the Board and whether any vacancies of the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the Corporate Governance and Nominating Committee will consider various potential candidates for director. Candidates may come to the attention of the committee through current Board members, shareholders or other persons. The committee has not paid fees to any third party to identify, evaluate or to assist in identifying or evaluating, potential nominees, but may determine it necessary in the future. These candidates will be evaluated at meetings of the Corporate Governance and Nominating Committee. Nominees recommended by persons other than the current Board members or executive officers will be subject to the process described in “About the Proxy Materials and the Annual Meeting – How and when may I submit proposals or director nominations for inclusion in the Proxy Statement for the 2014 Annual Meeting?”

In evaluating nominations for candidates for membership on our Board of Directors, the Corporate Governance and Nominating Committee will seek to achieve a balance of knowledge, experience and capability on the Board and to address the following membership criteria. Members of the Board should have the highest professional and personal ethics and values. They should have broad experience at the policy-making level in business, government, education, technology or public interest. They should be committed to enhancing shareholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Their service on other boards of public companies should be limited to a number that permits them, given their individual circumstances, to perform responsibly all of their directors’ duties. We believe that the backgrounds and qualifications of our directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will best allow our Board to fulfill its responsibilities. Although we may do so in the future, to date, we have not considered diversity in identifying nominees for director. All nominees for director included on the Company’s proxy card are currently serving as Directors of the Company, except M. E. Betsy Bennett.

Shareholder Communications and Director Attendance at Annual Shareholder Meetings

Our Board welcomes communications from shareholders and has adopted a procedure for receiving and addressing such communications. Shareholders may send written communications to the entire Board or individual directors, addressing them to Flanigan’s Enterprises, Inc., 5059 N.E. 18th Avenue, Fort Lauderdale, Florida 33334, Attention: Corporate Secretary. All such communications will be forwarded to the full Board of Directors or to any individual director or directors to whom the communication is directed

unless the communication is clearly junk mail or a mass mailing, a business solicitation, advertisement or job inquiry, or is unduly hostile, threatening, illegal or similarly inappropriate, in which case the Company has the authority to discard the communication or take appropriate legal action regarding the communication.

Recognizing that director attendance at the Company's annual meeting of shareholders can provide shareholders with an opportunity to communicate with members of the Board of Directors, it is the policy of the Board of Directors to strongly encourage, but not require, the members of the Board to attend such meetings. All of our directors attended the 2012 Annual Meeting of Shareholders.

Our policies regarding shareholder communications and director attendance, (which may be modified from time to time), can be found on our website at www.flanigans.net under the link "Corporate Governance."

Director Compensation

Members of our Board of Directors who are employed by the Company presently receive no additional remuneration for acting as directors. We compensate our non-employee directors at the rate of \$7,500 per year, plus \$250 for each Board of Directors meeting and committee meeting attended. In addition, we also reimburse directors for reasonable out-of-pocket expenses incurred in connection with their attendance at Board of Director meetings. Four regularly scheduled Board of Director meetings are typically held during the fiscal year.

The following table sets forth the compensation paid by us during our fiscal year 2012 to our non-employee directors:

PROPOSAL 2: TO ADOPT A NON-BINDING RESOLUTION TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

Under the rules of the SEC the Company is required to provide its shareholders with the opportunity to cast an advisory (non-binding) vote on the executive compensation program for the Company's Named Executive Officers disclosed in the proxy statement. This proposal is commonly known as a "say on pay" proposal. This allows our shareholders the opportunity to communicate to the Board of Directors their views on the compensation of our Named Executive Officers.

The executive officers named in the Summary Compensation Table and deemed to be "Named Executive Officers" are James G. Flanigan, Jeffrey D. Kastner, August Bucci and Jean Picard. Reference is made to the Summary Compensation Table and disclosures set forth under "Executive Compensation" in this proxy statement. This vote is advisory in nature and non-binding; however, the Board of Directors will have the ability to consider the shareholder vote when determining executive compensation through the following resolution:

"Resolved, that the shareholders of the Company approve, on an advisory basis, the compensation of the Named Executive Officers as described in the proxy statement for the 2013 Annual Meeting of Shareholders."

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE NON-BINDING RESOLUTION TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS. UNLESS YOU SPECIFY OTHERWISE, THE BOARD INTENDS THE ACCOMPANYING PROXY TO BE VOTED FOR THIS PROPOSAL.

PROPOSAL 3. ADVISORY VOTE ON THE FREQUENCY OF THE NON-BINDING RESOLUTION TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

In addition to the non-binding advisory vote on executive compensation, the rules of the SEC also require the Company to provide shareholders with the opportunity to cast an advisory vote on whether the say on pay vote will occur every one, two or three years, or whether the shareholders wish to abstain from this vote. If you are a registered shareholder (that is, if you own shares directly in your own name and they are either kept at our transfer agent or are in your possession) the enclosed proxy card provides you with a choice of voting on the Company holding say on pay every one, two or three years, or to abstain from voting on this proposal. If you are a beneficial owner (that is, if your shares are held for you by your bank, broker or other holder of record) please refer to the voting instruction card provided by your bank, broker, or other holder of record, which should include these same four voting choices. While this proposal is advisory and is not binding on the Company, the Board appreciates and values shareholders' views on

this issue, and believes that a say on pay vote every three years provides a reasonably cost efficient timeframe for the shareholders to determine the appropriateness of the compensation of our Named Executive Officers and for the Company

20

to respond to shareholder feedback. While the Board is recommending that shareholders vote in favor of holding say on pay every three years, you are not voting to approve or disapprove the Board's recommendation. The proxy card provides you with a choice of voting for the Company holding say on pay every one, two or three years, or abstaining from voting on this proposal.

The Board of Directors has determined that a frequency of every three years will be the most efficient timeframe for the shareholder to determine the appropriateness of the compensation of our Named Executive Officers and for the Company to respond to shareholder feedback.

The Board of Directors recommends a vote FOR the Company holding say on pay every THREE YEARS. Unless you specify otherwise, the Board intends the accompanying proxy to be voted in accordance with its recommendation.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE NON-BINDING RESOLUTION TO VOTE EVERY THREE YEARS TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

EXECUTIVE COMPENSATION

We do not have a compensation committee. Our Board of Directors is responsible for establishing and administering our policies governing the compensation of our executive officers, who are appointed by our Board of Directors. Because we are a "controlled" company as defined by the NYSE MKT and SEC rules since more than 50% of our issued and outstanding common stock is owned by the immediate family of our Chairman of the Board of Directors and other officers and directors of the Company, we are not required to have either (i) a compensation committee comprised of independent directors, or (ii) a majority of our independent members of our Board determine or recommend to our Board, the compensation levels of our executive officers.

The primary objective of our executive compensation program is to attract, motivate and retain the executive talent needed to facilitate our business strategies and long-range plans and to optimize shareholder value in a competitive environment.

Our Board of Directors employs the following principles to provide an overall framework for the compensation of our executive officers:

- reward outstanding performance;
- motivate executive officers to perform to the fullest of their abilities;
- tie a significant portion of executives' total compensation to our annual and long-term financial performance and the creation of incremental shareholder value;
- offer compensation opportunities that attract and motivate the best talent; and
- retain those with leadership abilities and skills necessary for building long-term shareholder value.

Compensation Categories

Our Board of Directors considers all elements of compensation when determining total compensation and the individual components of total compensation. Our Board of Directors allocates total compensation between currently paid and long-term compensation, cash and non-cash compensation. Our Board of Directors believes that each of these compensation categories provides incentives and rewards that address different elements of the compensation program's objective and when considered together serve to achieve our overall compensation objectives. The Board of Directors' decisions regarding compensation policies and decisions were not affected by the results of the say on pay vote at our 2011 Annual Shareholders Meeting. Our Board of Directors examines each of these factors in determining the basis for allocating compensation to each different form of award, such as the relationship of the award to the achievement of our long-term goals, management's exposure to downside equity performance risk and the analysis of cost to the Company versus expected benefit to the executive. As part of this analysis, our Board of Directors believes that a meaningful portion of each executive's compensation should be placed at-risk and linked to the accomplishment of specific results that are expected to lead to the creation of value for our shareholders from both the short-term and long-term perspectives.

Our Board of Directors believes that currently paid cash compensation provides our executives with short-term rewards for success in achieving individual and Company performance goals. Currently paid cash consideration includes base salary and annual cash incentive bonuses. Our Board of Directors believes that providing executives with competitive currently paid cash consideration is the central element of attracting, retaining and motivating high quality executives.

Our Board of Directors believes that currently paid non-cash compensation provides our executives with the same benefits as currently paid cash compensation. Items of currently paid non-cash compensation for certain executive officers include a Company provided vehicle or car allowance, Company sponsored health insurance and other non-cash benefits.

Compensation Elements

Our executive compensation program consists primarily of the following elements:

Base Salary

Base salary is used to recognize the experience, skills, knowledge and responsibilities required of our executive officers in their roles. When establishing the 2012 base salaries of our executive officers other than the Chief Executive Officer, the Board of Directors considered a number of factors, including the seniority of the individual, the functional role of the position, the level of the individual's responsibility, the historical base salary of the individual and recommendations from the Chief Executive Officer. The Board of Directors considered these same factors in establishing the base salary of the Chief Executive Officer, as well as additional factors such as the Chief Executive Officer's industry experience and profile. In addition, the Board of Directors considered competitive market practices with

respect to these salaries, although it did not set base salaries according to specific benchmarking standards.

The salaries of our executive officers are reviewed on an annual basis, as well as at the time of promotion or other changes in responsibilities and modified for merit, the general performance of the Company, the executive's success in meeting or exceeding individual performance objectives and if significant corporate goals were achieved. If necessary, the Board of Directors also realigns base salaries with market levels for the same positions in companies of similar size to the Company represented in the compensation data it reviews.

Annual Incentive Bonuses

Our variable compensation program includes eligibility for annual performance-based and discretionary cash bonuses for senior management, including each of our executive officers. In all cases, the amount of the cash bonus is impacted by our results of operations. The awards of variable compensation to the Chief Executive Officer and our executive officers are reflected in the Summary Compensation Table below.

Employee Benefit Plans

We provide group life and health insurance plans for our hourly and salary employees. We also maintain a 401(k) retirement plan for our hourly and salary employees. Pursuant to the plan, participants may elect to make pre-tax contributions to the plan, subject to certain limitations imposed under the plan and the Internal Revenue Code of 1986, as amended. In addition, we may make periodic discretionary contributions to the plan.

Other Benefits and Perquisites

We provide the opportunity for our executive officers to receive certain perquisites and general health and welfare benefits. We offer these benefits to provide an additional incentive for our executives, to remain competitive in the general marketplace for executive talent and to enable our executives to better focus on their performance.

We have or may provide the following personal benefits and perquisites to our executive officers:

- eligibility to participate in our health, dental, vision, disability insurance and life insurance programs;
- a Company provided vehicle or car allowance, along with the reimbursement of expenses related to operating, maintaining and insuring the vehicle; and
- eligibility to participate in our 401(k) retirement plan, subject to certain limitations imposed under the plan and the Internal Revenue Code of 1986.

Stock Option Grants in Last Fiscal Year.

We granted no stock options during our fiscal year 2012.

Stock Ownership Guidelines

We have not implemented stock ownership guidelines for our executive officers. We will continue to periodically review best practices and re-evaluate our position with respect to stock ownership guidelines.

The following table sets forth information regarding the compensation paid or distributed for services rendered by our principal executive, our principal financial officer and our other executive officers whose total compensation exceeded \$100,000 (collectively the “Named Executives”) for services rendered in all capacities to us during the years indicated. For purposes of this table, compensation paid or distributed in one fiscal year may include payment of bonuses accrued in a prior fiscal year.

If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, or if you are receiving multiple copies of the proxy statement and wish to receive only one, please notify your broker if your shares are held in a brokerage account or us if you hold registered shares. You can notify us by sending a written request to our Corporate Secretary, at 5059 N.E. 18th Avenue, Fort Lauderdale, Florida 33334 or by calling us at 954-377-1961.
