As discussed in Exhibit 99.1 to our Form 8-K filed on February 20, 2003 with the Securities Exchange Commission, the company's results for the quarter ended December 31, 2002 included certain material negative charges. Certain matters related to charges in 2001 and 2002 are presently under inquiry by independent counsel retained by the company's audit committee. The financial statements and other disclosures regarding our financial condition, reported results, management's discussion and analysis of financial condition and results of operations and the liquidity and capital resources discussions to be set forth in our Annual Report on Form 10-K may vary materially as a result of the ongoing inquiry. Accordingly, we are not in a position to complete and file our Annual Report on Form 10-K at this time.
