This Proxy Statement and the accompanying proxy card are furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") for use at the Annual Meeting of Shareholders of Downey Financial Corp., a Delaware corporation ("Downey"), to be held at 10:00 a.m., local time, on Wednesday, April 27, 2005, at the Irvine Marriott Hotel, 18000 Von Karman Avenue, Irvine, California 92612, and any adjournments thereof (the "Annual Meeting"). Certain of the information provided in this Proxy Statement relates to Downey Savings and Loan Association, F.A. and any predecessor entity (the "Bank"), a wholly-owned subsidiary of Downey and to DSL Service Company ("DSL"), a wholly-owned subsidiary of the Bank. This Proxy Statement and the accompanying form of proxy are being mailed to shareholders on or about March 16, 2005. The mailing address of the principal office of Downey is 3501 Jamboree Road, Newport Beach, California 92660. Downey's telephone number is (949) 854-0300.

RECORD DATE AND VOTING OF SHARES

On February 25, 2005, the record date for determining the shareholders entitled to notice of and to vote at the Annual Meeting, 27,853,783 shares of Downey's common stock ("Common Stock") were outstanding. A majority of the shares entitled to vote will constitute a quorum at the Annual Meeting. The three director nominees receiving the highest number of affirmative votes at the Annual Meeting will be elected. All other proposals require the affirmative "**FOR**" vote of a majority of those shares present in person or represented by proxy and entitled to vote on those proposals at the Annual Meeting. Abstentions and broker non-votes are counted for purposes of determining a quorum, but are not considered as having voted for purposes of determining the outcome of a vote.

VOTING AND REVOCATION OF PROXIES

Proxies are being solicited on behalf of the Board of Directors of Downey. All shares represented by a properly executed proxy will be voted in accordance with the directions on such proxy. If no directions are specified, such shares will be voted **FOR** the election of the Board's nominees for directors presented under Proposal 1 and **FOR** the ratification of KPMG LLP as auditors for the year 2005 presented under Proposal 2. If for any reason one or more of the nominees should be unable or refuse to serve as a director (an event which the Board does not anticipate), the persons named in the enclosed proxy, in their discretion, will vote for substitute nominees of the Board unless otherwise instructed. If any other matters are properly presented to the Annual Meeting for action (including any proposal to adjourn the Annual Meeting), the persons named in such proxy and acting thereunder will vote in accordance with their best judgment on such matters.

Any shareholder may revoke his or her proxy at any time before it is voted by filing with the General Counsel/Corporate Secretary of Downey a written instrument revoking it or by filing a duly executed proxy bearing a later date. The execution of the enclosed proxy will not affect the right of a shareholder to vote in person if such shareholder should decide to attend the Annual Meeting and desires to vote in person.

SOLICITATION OF PROXIES

Proxies are being solicited on behalf of the Board of Directors of Downey. Downey will bear the cost of soliciting proxies. Directors and officers of Downey and directors, officers and employees of the Bank may solicit proxies personally, by mail, telephone, telecopier or other electronic transmission. Such directors, officers or employees will receive no compensation for their solicitation services other

than their regular salaries, but may be reimbursed for out-of-pocket expenses. Downey will request record holders of shares beneficially owned by others to forward this Proxy Statement and related materials to the beneficial owners of such shares and will reimburse such record holders for their reasonable expenses incurred in doing so.

PROPOSAL 1. ELECTION OF DIRECTORS

The directors of Downey are divided into three classes, as nearly equal in number as possible, with one class to be elected annually. The members of each class are elected for terms of three years and until their successors are elected and qualified, with one of the three classes of directors being elected each year. Article III, Section 3.2 of Downey's Bylaws provides that the Board shall be composed of not less than seven nor more than nine members, the exact number to be fixed by the Board.

Accordingly, at this Annual Meeting, three Class 1 Directors are to be elected to serve three-year terms and until their respective successors are elected and qualified. The following persons have been nominated by the Board to serve as directors:

For election as Class 1 Directors to hold office until the 2008 Annual Meeting of Shareholders, and until their successors are duly elected and qualified: Gerald E. Finnell, Maurice L. McAlister and Daniel D. Rosenthal.

The Board of Directors unanimously recommends a vote "FOR" the election of each of the nominees.

PROPOSAL 2. RATIFY THE APPOINTMENT OF AUDITORS

The Audit Committee of the Board has appointed KPMG LLP as Downey's auditors for 2005 and this appointment is being submitted to the shareholders for ratification. In the event the appointment is not ratified by a majority of votes cast, in person or by proxy, it is anticipated that no change in auditors would be made for the current year because of the difficulty and expense of making any change so long after the beginning of the current year. However, such vote would be considered in connection with the appointment of auditors for the next year.

KPMG LLP was Downey's auditor for the year ended December 31, 2004, and their representative is expected to attend the Annual Meeting.

In 1989, the Board engaged KPMG LLP as Downey's independent auditor and the relationship which has existed has been the customary relationship between an independent accountant and client.

The Board recommends that shareholders vote "FOR" this proposal. Proxies, unless indicated to the contrary, will be voted "FOR" this proposal.

Board Meetings

During 2004, the Board met 12 times for regular meetings. All directors attended at least 75% of the aggregate meetings held during 2004 by the Board and the committees of the Board on which they served. Directors meet their responsibilities by attending Board and committee meetings, attending director education courses and reviewing director education materials and communicating with the Chairman, Vice Chairman, President and Chief Executive

Officer and other members of management on matters affecting Downey and the Bank.

During 2004, the independent directors met (without management) four times. The independent director meetings were chaired by Downey's Chairman of the Board or, if he was not present, by the Vice-Chairman.

Director Attendance At Annual Meetings

Downey's corporate governance policies state that directors are expected to attend annual meetings of shareholders. All nine directors attended the 2004 Annual Meeting.

DIRECTOR INDEPENDENCE

On November 4, 2003, the Securities and Exchange Commission ("SEC") approved the final corporate governance rules of the New York Stock Exchange ("NYSE"), including final criteria for director independence and a requirement that listed companies have a majority of independent directors. Applying the NYSE's final independence criteria, the Board has determined that six directors (Abrahams, Finnell, Hunter, McAlister, McQuarrie and Olson) are independent, because each director has no material relationship with Downey or the Bank, either directly or as a partner, shareholder or officer of an organization that has a relationship with Downey or the Bank. The Board also determined that the remaining three directors (Rosenthal, Smull and Wolfe) are not independent.

AUDIT COMMITTEE REPORT

The Audit Committee is responsible for monitoring the integrity of Downey's financial reporting process and systems of internal controls regarding financial reporting, accounting and legal compliance. In addition, the Audit Committee is responsible for the selection and hiring of the independent auditor and monitoring the independence and performance of Downey's independent auditors, the internal auditing department and the internal asset review function. The Audit Committee also facilitates communication among the independent auditors, management, the internal auditing department, the internal asset review department and the Board. The current members of the Audit Committee are Gerald E. Finnell, Chair, Michael B. Abrahams and Brent McQuarrie. The Board has determined that each member of the Audit Committee is independent under applicable listing standards and that Gerald E. Finnell qualifies as an "audit committee financial expert."

Audit Philosophy

During 2005, the Board approved a revised Audit Committee charter to comply with new rules relating to the functioning of corporate audit committees promulgated by the SEC and NYSE. The revised charter is attached to this Proxy Statement as Appendix A and is available on Downey's website at www.downeysavings.com by clicking on "Investor Relations" and then "Corporate Governance."

During 2004, the Audit Committee met 13 times. The Audit Committee reviewed and discussed with management Downey's quarterly earnings releases and financial statements as well as the annual audited financial statements. The Audit Committee discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61.

Communications with Independent Auditors

The Audit Committee discussed with the independent auditors changes in significant accounting policies, the process used by management in formulating material accounting estimates and the independent auditor's conclusions regarding the reasonableness of such policies, estimates and adjustments arising from the audit, if any, and any disagreements with management over the application of accounting principles.

The Audit Committee received, reviewed and discussed with the independent auditors, the auditor's written disclosures regarding independence and the letter from the auditor required by Independence Standards Board Standard No. 1, *Independence Discussions with Audit Committees*. Based on the review of such disclosures and giving consideration to the non-audit services provided by KPMG LLP during 2004, the Audit Committee has concluded that KPMG's independence has not been impaired or compromised.

Section 404 of the Sarbanes-Oxley Act of 2002

The Audit Committee reviewed and discussed Downey's compliance with Section 404 of the Sarbanes-Oxley Act of 2002, including the Public Company Accounting Oversight Board's Auditing Standard No. 2 regarding the audit of internal control over financial reporting. The Audit Committee also reviewed and discussed Downey's guidelines for risk assessment and risk management and the major risk exposures of Downey and its business units, as

appropriate.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The current members of the Compensation Committee are Michael B. Abrahams, Chair, Cheryl E. Olson and James H. Hunter. The Board has determined that each member of the Compensation Committee is independent under applicable listing standards. The Board has approved a written charter for the Compensation Committee to comply with SEC and NYSE requirements. The charter is available on Downey's website at www.downeysavings.com by clicking on "Investor Relations" and then "Corporate Governance."

Executive Compensation Philosophy

The Compensation Committee's goal is to align compensation programs with the strategic direction of Downey and the Bank and to attract, motivate and retain the best qualified employees. In carrying out its duties, the Compensation Committee evaluates compensation and benefits programs, including both qualified and nonqualified programs, and other benefits programs affecting all employees to ensure they are cost effective, competitive and fair.

The Compensation Committee periodically compares Downey's pay policies to peer group institutions. The Compensation Committee strives to implement benefits programs which, based upon competitive and cost considerations, deliver the highest level of value consistent with corporate and shareholder interests. Total compensation (including benefits) is established in the context of overall job responsibilities, achieving corporate and individual performance goals and objectives, as well as competitive compensation conditions.

2004 Components of Executive Compensation

During 2004, the components of the compensation programs included a base salary, a bonus program ("Annual Incentive Plan"), the 1994 Long-Term Incentive Plan, a Deferred Compensation Plan, a Section 125 Cafeteria Plan (i.e., medical, vision, dental and life coverages) and an Employees' Retirement and Savings Plan (401(k) Plan).

Base Salary

During 2004 and early 2005, the Compensation Committee recommended and the Board approved the base salaries of Daniel D. Rosenthal, the current President and Chief Executive Officer and Marangal I. Domingo, the former President and Chief Executive Officer. The Compensation Committee also approved the base salaries of other executive officers in accordance with the Compensation Committee charter. The Compensation Committee based its recommendations and approvals on assessment of market conditions and competitive factors, including salary surveys from nationally recognized third parties and salary surveys among the Bank's competitors.

Annual Incentive Plan

During 2004, the Compensation Committee reviewed and the Board approved an Annual Incentive Plan for Downey. Individual performance objectives were established for all eligible participants in the Annual Incentive Plan based upon their individual responsibilities and Downey's 2004 approved corporate performance target for net income and net expense (general and administrative expense less non-interest income), which aligned each participant's compensation with Downey's approved business plan. During 2004, bonus incentives targeted under the Annual Incentive Plan for the current President (who is also the Chief Executive Officer) were targeted at 120% of the base salary. Other executive officers and eligible participants of Downey and the Bank were targeted at between 10% and 100% of their base salary. Pursuant to the Annual Incentive Plan, those targeted amounts may be adjusted based upon individual and corporate performance goals which provide for a potential bonus payment of

Page 13

[Navigation Links](#)

up to 144% of an individual's targeted bonus amount. However, to the extent that actual corporate performance was below 80% of the approved corporate performance goal, no bonus amounts were to be paid to participants pursuant to the Annual Incentive Plan.

During 2004, Downey achieved 120% of its corporate performance target. Based upon 2004 corporate and individual participant performance, bonuses paid, relative to the targeted amounts for all such participants, represented, on average, 133% of the bonus target.

1994 Long-Term Incentive Plan

In 1994, the Bank's Board approved a Long-Term Incentive Plan (the "LTIP"). The LTIP was submitted to the Bank's shareholders for approval at a special meeting of shareholders held on December 21, 1994. Thereafter, the LTIP was adopted and ratified by Downey and, pursuant thereto, shares of Downey are to be issued upon the exercise of options or payments of other awards for which payment is to be made in stock.

The LTIP was adopted to promote and advance the interests of Downey and its shareholders by providing a means by which selected officers and employees would be given an opportunity to acquire stock in Downey and other incentive-based awards, to assist in attracting and retaining the services of employees holding key positions and to provide incentives for such key employees to exert maximum efforts toward results that are in the best interests of all shareholders. Incentive stock options may be granted under the LTIP only to officers and key employees, including directors if they are employees. Currently, approximately 33 officers and key employees are eligible to receive awards under the LTIP. The LTIP is administered by the Compensation Committee and, during 2004, no stock option grants or other awards were made under the LTIP. There are 131,851 shares of common stock available for issuance under the LTIP.

Deferred Compensation Program

During 1995, the Compensation Committee reviewed and the Board approved implementation of a Deferred Compensation Plan for key management employees and directors. The Deferred Compensation Plan is considered to be an essential element in a comprehensive competitive benefits package designed to attract and retain individuals who contribute to the success of Downey. Participants are eligible to defer compensation on a pre-tax basis, including director fees, and earn a competitive interest rate on the amounts deferred. During 1999, the Board terminated the 1995 Deferred Compensation Plan and a 1999 Deferred Compensation Program was approved for key management employees and directors. Salary deferred pursuant to the 1999 Deferred Compensation Program earns interest at the current rate paid on one year certificates of deposit. The rate of interest paid in 2004 was 1.70%. Currently, 99 management employees and the directors are eligible to participate in the program. During 2004, 21 management

employees elected to defer compensation pursuant to the 1999 Deferred Compensation Program.

Employees Retirement and Savings Plan

The Bank offers to its employees a 401(k) plan. It is called the Downey Savings and Loan Association, F.A. Employees Retirement and Savings Plan. Participants are permitted to make contributions on a pre-tax basis, a portion of which is matched by the Bank. For 2004, the Bank contributed \$1.8 million as the employer match to the Downey Savings and Loan Association, F.A. Employees Retirement and Savings Plan.

Employee Stock Purchase Plan

Downey offers its employees participation in Downey's Employee Stock Purchase Plan. Downey believes that ownership of Downey's stock by employees will foster greater employee interest in

Downey's success, growth and development and will be to the mutual benefit of the employee and Downey. The Employee Stock Purchase Plan is designed to provide employees a continued opportunity to purchase Downey stock through systematic payroll deductions. Downey bears all costs of administering the Employee Stock Purchase Plan, including broker's fees, commissions, postage and other costs incurred with stock purchases. If an employee elects to terminate participation in the Employee Stock Purchase Plan, or sells stock acquired through the Employee Stock Purchase Plan, the employee is responsible for the associated costs.

President and Chief Executive Officer Compensation

Daniel D. Rosenthal served as President and Chief Executive Officer of Downey and the Bank from January 1 to February 1, 2004 and from September 1 through December 31, 2004. Marangal I. Domingo served in that capacity from February 2 through August 31, 2004. Accordingly, information regarding compensation provided to each of Mr. Rosenthal and Mr. Domingo is set forth below.

Mr. Rosenthal: After Mr. Rosenthal was reappointed President and Chief Executive Officer, the Compensation Committee recommended and the Board approved an increase in Mr. Rosenthal's base salary to \$550,000 per year, effective October 27, 2004. In accordance with the Annual Incentive Plan and achievement of Downey's 2004 corporate performance target, the Compensation Committee recommended and Downey's Board also approved an incentive compensation payment to Mr. Rosenthal of \$691,200, which amount represents 144% of the targeted incentive amount.

Mr. Domingo: On February 2, 2004, Marangal I. Domingo became President and Chief Executive Officer of Downey and the Bank. Prior to that date, the Compensation Committee recommended and the Board approved an employment agreement for Mr. Domingo. The employment agreement provided for Mr. Domingo to receive a base salary of \$750,000 per year plus a bonus of up to \$1 million per year tied to Downey's annual return on equity performance. Mr. Domingo also received a signing bonus of \$250,000, a \$39,000 relocation package plus up to \$25,000 for moving expenses. The employment agreement also provided for severance to Mr. Domingo of \$750,000 if he was terminated without cause or demoted, his base salary or bonus was reduced or a change in control occurred. For 2004, the severance to Mr. Domingo would also include a pro-rated portion of his bonus.

On August 31, 2004, Downey announced that Mr. Domingo had resigned his position of President and Chief Executive officer and director of Downey, the Bank, and their affiliated companies. In connection therewith, and in accordance with the terms of the employment agreement, Downey and the Bank entered into a severance agreement and general release with Mr. Domingo pursuant to which he received a severance payment of \$750,000 in September

2004 and a pro-rated incentive compensation payment of \$583,333 in February 2005. Mr. Domingo also received a salary of \$435,095 for the portion of 2004 he was employed at Downey.

Retirement Package for Chief Administrative Officer

In January 2004, in recognition of Ms. Wolfe's valuable service to the Bank since 1974, the Compensation Committee recommended and the Board approved a retirement package.

Ms. Wolfe retired on May 28, 2004 and received (i) a lump-sum retirement payment equal to her annual base salary and pro-rated 2004 bonus of \$566,667; (ii) a retirement benefit of \$1,500 per month for 60 consecutive months (total \$90,000); (iii) accrued vacation of \$2,638; and (iv) the company match for the 401(k) Plan of \$6,150. Ms. Wolfe served as a consultant to the Bank for the balance of 2004 and received consulting fees totaling \$104,762.

Review of Non-Employee Director Compensation

During 2004 and early 2005, the Compensation Committee also reviewed director compensation at Downey and comparable financial institutions and trends in director compensation as a result of increased workload and risk under the Sarbanes-Oxley Act of 2002. Based upon its review and analysis, in January and February 2005, the Compensation Committee recommended and the Board approved changes in non-employee director compensation, as described in "Director Compensation" below.

Conclusion

The Compensation Committee believes that the management team is dedicated to achieving significant improvement in Downey's long-term financial performance. The Compensation Committee further believes that Downey's compensation policies are designed to align closely the financial interests of senior executive management with the interests of Downey's shareholders and, as administered by the Compensation Committee, will enhance management's efforts in these areas.

⁽³⁾ Approved in 2005, made retroactive to January 1, 2004.

⁽⁴⁾ There is no annual retainer paid to DSL Board members and no DSL Board meeting fee is paid if the meeting is on the same day as a Downey or Bank Board meeting.

Non-employee directors who review the Thrift Financial Reports and Consolidated Maturity/Rate Schedules required to be filed quarterly with the Office of Thrift Supervision receive a fee of \$500 per quarter. Directors are reimbursed for reasonable out-of-pocket expenses and are entitled to receive the same medical coverage benefits provided to the Bank's employees.

Employee directors receive no compensation for Board service.

Director Retirement Benefits Plan

During 2004, the Board approved a revised Director Retirement Benefits Plan (the "DRB Plan"). To be eligible for the DRB Plan benefits, the director must have retired from the Board, not been an employee of Downey or the Bank while a director, and served as a director for a minimum of either three years (if he or she joined the Board before April 23, 2003) or five years (if he or she joined the Board on or after April 23, 2003). The total benefit an eligible director receives under the DRB Plan equals one-third of the months the director served (up to a maximum of 60 months) multiplied by the average monthly director compensation received during the 36 months preceding retirement. The total benefit will be paid to each eligible director or his or her designated beneficiary, in 60 equal monthly installments, without interest, beginning the month after retirement. If a majority interest of Downey's outstanding stock is transferred or acquired (other than by will or by the laws of descent and distribution), then the entire earned benefit becomes payable immediately, and the three-year (or five year) minimum service requirement

does not apply. If a retired director so requests, Downey, at its option, may make a single lump-sum payment of the total benefit. Any such accelerated payment would be discounted to the present value at the interest rate then in effect for the Bank's two-year certificates of deposit.

Founder Retirement Agreement

On December 21, 1989, the Bank entered into a retirement agreement (the "Founder Retirement Agreement") with Mr. McAlister, pursuant to which Mr. McAlister's compensation was \$32,167 per month, which payments commenced upon Mr. McAlister's retirement as President of DSL Service Company, a subsidiary of the Bank, in 1993. The Founder Retirement Agreement provides for adjustments to compensation payments every three years, based on the Consumer Price Index, as defined under the Founder Retirement Agreement. Pursuant to these adjustments, Mr. McAlister's compensation was adjusted to \$39,210 per month, effective as of July 1, 2003.

During 2000, in consideration and in recognition of Mr. McAlister having completed more than thirty years of service and his continuing involvement with the growth of Downey and the Bank, the Bank agreed to amend the Founder Retirement Agreement pursuant to which Mr. McAlister and the Bank agreed that Mr. McAlister would be entitled to receive monthly compensation for so long as Mr. McAlister lives but not less than 120 months from June 28, 2000. Thus, the payments will be made to Mr. McAlister's estate through June 2010 should he die prior to that date. During 2004, Mr. McAlister received \$470,518 under the Founder Retirement Agreement. If a majority interest of Downey's Common Stock is transferred or acquired, then such compensation shall continue as scheduled or, at Downey's option, a lump-sum payment equal to the then present value of any remaining compensation shall be paid.

NOMINATING AND CORPORATE GOVERNANCE COMMITTEE REPORT

The current members of the Nominating and Corporate Governance Committee ("NCGC") are Cheryl E. Olson, Chair, Maurice L. McAlister and Brent McQuarrie. The Board has determined that each member of the NCGC is independent under applicable listing standards. In accordance with SEC and NYSE requirements, the Board has approved (i) a written charter for the NCGC; (ii) corporate governance guidelines; (iii) a code of ethical conduct for directors and financial officers; and (iv) a code of ethical conduct for all employees. Items (i)-(iii) and a summary of item (iv) are available on Downey's website at www.downeysavings.com by clicking on "Investor Relations" and then "Corporate Governance."

Nomination of Director Candidates

The NCGC is primarily responsible for identifying qualified director candidates, including shareholder nominees, and the NCGC considers, among other things, a candidate's age, diversity, skills, background, experience and ability to represent the long-term interests of shareholders as a whole.

The NCGC will consider shareholder nominations for director in accordance with Downey's Bylaws. The nominating shareholder must be eligible to vote for the election of directors at the annual meeting for which the shareholder's director candidate is nominated. To be timely, a shareholder's nomination must be delivered to or received at Downey's principal executive offices not less than 20 days prior to the annual meeting; provided, however, that if Downey gives shareholders less than 30 days' notice of the date of the annual meeting (which notice must be accompanied by a proxy or information statement which identifies the nominees of the Board), to be timely Downey must receive the shareholder nomination by the close of business on the 10th day following the day on which such notice of the date of the meeting was mailed. Such shareholder's nomination notice shall set forth as to each director

nominee (i) the name, age, business address and residence address of such nominee; (ii) the principal occupation or employment of such nominee; and (iii) such nominee's written consent to serve as a director, if elected; and as to the shareholder giving the notice (i) the name and address of such shareholder; and (ii) the class and number of shares of Downey which are owned of record by such shareholder.

At the request of the Board, any person nominated by the Board for election as a director shall furnish to the General Counsel/Corporate Secretary of Downey the information required to be set forth in a shareholder's notice of nomination which pertains to the nominee together with the required written consents. Ballots bearing the names of all persons nominated by the NCGC and by shareholders shall be provided for use at the annual meeting. If the NCGC fails or refuses to act at least 20 days prior to the annual meeting, nominations for directors may be made at the Annual Meeting by any shareholder entitled to vote and shall be voted upon. No person shall be elected as a director of Downey unless nominated in accordance with the procedures set forth in this section.

The NCGC nominated only one new director in 2004 - Jane Wolfe. In August 2004, after Mr. Domingo resigned from the Board, the NCGC met and discussed the nomination of Ms. Wolfe, based upon her extensive banking knowledge and years of services as a senior officer of Downey. The Board accepted the nomination and Ms. Wolfe became a director of Downey and the Bank on September 1, 2004.

Downey does not currently employ or pay a fee to any third party to assist in identifying or evaluating director candidates.

Shareholder-Director Communications

The Board welcomes communications from shareholders. You may send communications to the Board or any particular director(s) in care of Downey's General Counsel/Corporate Secretary, 3501 Jamboree Road, North Tower, Newport Beach, California 92660, who shall forward the communications to the director(s) and may review such communications and distribute a copy to Downey's senior management.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Transactions with Management and Certain Business Relationships

During 2004, employees of Downey and the Bank provided accounting and related services to Maurice L. McAlister, Chairman of Downey's Board of Directors, certain members of Mr. McAlister's family and certain of his controlled affiliates. The aggregate value of these services was approximately \$70,724. Downey and the Bank have been fully reimbursed for the services provided.

From time to time, the Bank's Board has approved having the Bank enter into commercial leases with California partnerships in which Lester C. Smull, a director of Downey and the Bank, is the managing general partner. These commercial leases are for a total of five Bank branches, one each in Huntington Beach, Dana Point, Chino, Simi Valley and Mission Viejo, California, and a branch regional office in Chino, California. The Bank's aggregate rental obligations on the six leases as of February 2005 is approximately \$36,656 per month. Management believes that the terms of the leases, including the monthly rent, are at least as favorable to the Bank as prevailing terms that could be obtained from a non-affiliated person.

Loans to Management and Directors

The Bank offers loans to directors, officers and employees of Downey, the Bank and their respective subsidiaries. These loans are made in the ordinary course of business and, in the judgment of management, do not involve more than the normal risk of collectability or present other unfavorable features. The loans are made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions involving non-affiliated persons.

Over a period of approximately 29 years, the Bank has made various loans to Director Smull, in his individual capacity, to the Smull Family Trust and to a number of California partnerships in which Director Smull is a managing general partner. As of December 31, 2004, the Bank had loans outstanding to Director Smull or his related partnerships in an aggregate amount of approximately \$21.3 million. Each of the loans to Director Smull or his related partnerships (i) was made in the ordinary course of business and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions involving non-affiliated persons; and (ii) did not involve more than the normal risk of collectability or present other unfavorable features.

The Bank has made various loans to McMillin Companies, LLC, where Director Hunter is Executive Vice President of Planning and Acquisition. As of December 31, 2004, the Bank had loans outstanding to McMillin Companies, LLC and related entities in an aggregate amount of \$14.6 million. In addition, DSL has equity investments in real estate ventures associated with McMillin Companies, LLC, specifically (as of December 31, 2004) a \$4.5 million investment in Cristal @ Morgan Hill, LLC, a \$12.6 million investment in Montevina @ Morgan Hill, LLC, and a \$10.7 million investment in Ruffino @ Morgan Hill, LLC. Each of the loans to, and equity investments with, the McMillin-related entities (i) was made in the ordinary course of business and on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions involving non-affiliated persons; and (ii) did not involve more than the normal risk of collectability or present other unfavorable features.
