Item 8.01. Other Events

On August 14, 2014, Masimo Corporation (“Masimo”) announced that it had received a warning letter (the “Warning Letter”) from the U.S. Food and Drug Administration (“FDA”) regarding compliance with current Good Manufacturing Practices at Masimo’s Irvine, California manufacturing facility.

On May 26, 2017, Masimo received a letter from the FDA indicating that FDA has completed an evaluation of Masimo’s corrective actions in response to the Warning Letter, and that, based on the FDA’s evaluation, it appears that Masimo has addressed the violations contained in the Warning Letter. The letter indicated that future FDA inspections and regulatory activities will further assess the adequacy and sustainability of the corrections. A copy of the letter is filed as Exhibit 99.1 and is incorporated herein by reference.

Forward-Looking Statements

This Current Report on Form 8-K includes forward-looking statements as defined in Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, in connection with the Private Securities Litigation Reform Act of 1995. These forward-looking statements are based on current expectations about future events affecting us and are subject to risks and uncertainties, all of which are difficult to predict and many of which are beyond our control and could cause our actual results to differ materially and adversely from those expressed in our forward-looking

statements as a result of various risk factors, including, but not limited to: risks related to our assumptions regarding whether the corrective actions taken have addressed all violations contained in the Warning Letter, additional or future actions by or requests from the FDA and unanticipated costs or delays associated with resolution of these matters; as well as other factors discussed in the “Risk Factors” section of our most recent reports filed with the Securities and Exchange Commission (“SEC”), which may be obtained for free at the SEC’s website at www.sec.gov. Although Masimo believes that the expectations reflected in our forward-looking statements are reasonable, it does not know whether our expectations will prove correct. All forward-looking statements included in this Current Report on Form 8-K are expressly qualified in their entirety by the foregoing cautionary statements. You are cautioned not to place undue reliance on these forward-looking statements, which speak only as of today’s date. Masimo does not undertake any obligation to update, amend or clarify these forward-looking statements or the “Risk Factors” contained in Masimo’s most recent reports filed with the SEC, whether as a result of new information, future events or otherwise, except as may be required under the applicable securities laws.
