See the information set forth under "Item 4. Purpose of Transaction," which is incorporated by reference in response to this Item 3.

In the ordinary course of its business, from 1995 through 1999, the Bank made loans and advances, and extended credit and other financial accommodations to or for the benefit of Trace

International and/or Trace Foam Sub (collectively "Trace") pursuant to, or in connection with, certain loan agreements, credit agreements, pledge agreements, security agreements, demand notes, guarantees and other agreements, instruments and documents, including without limitation the following (collectively, the "Loan Documents"): Margin Loan Credit Agreement, dated as of August 15, 1997, between Trace International and the Bank, as amended, amended and restated, supplemented or otherwise modified from time to time; Second Amended and Restated Credit Agreement, dated as of December 24, 1997, between Trace International and the Bank, as amended, amended and restated, supplemented or otherwise modified from time to time; Guaranty, dated July 28, 1995, by Trace International in favor of the Bank, as amended, amended and restated, supplemented or otherwise modified from time to time; Demand Note, dated May 7, 1999, between Trace International and the Bank, as amended, amended and restated, supplemented or otherwise modified from time to time; Amended and Restated Pledge Agreement, dated as of June 30, 1998, by Trace International in favor of the Bank, as amended, amended and restated, supplemented or otherwise modified from time to time; Pledge Agreement, dated as of August 15, 1997, by Trace International in favor of the Bank, as amended, amended and restated, supplemented or otherwise modified from time to time; Trace Foam Sub Guaranty, dated as of December 30, 1998, by Trace Foam Sub in favor of the Bank, as amended, amended and restated, supplemented or otherwise modified from time to time; Demand Note, dated December 1, 1998, between Trace Foam Sub and the Bank, as amended, amended and restated, supplemented or otherwise modified from time to time; Note Pledge Agreement, dated as of March 29, 1999, by Trace Foam Sub in favor of the Bank, as amended, amended and restated, supplemented or otherwise modified from time to time; and Borrower Pledge Agreement, dated as of May 7, 1999, made by Trace Foam Sub in favor of the Bank, as amended.

On July 21, 1999, Trace filed voluntary petitions for relief under Chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York. The Bank's claims of in excess of US \$167,000,000 at the time Trace filed its petitions in addition to the assigned claims of certain other Trace creditors were secured by liens and security interests on certain Trace assets, including as to the assigned claims, 7,000,247 shares of Company Common Stock.

Pursuant to the Stipulation of Settlement (the "Settlement") between the Bank and John S. Pereira, in his capacity as the Chapter 7 Trustee of Trace (the "Trustee"), entered as an Order by the U.S. Bankruptcy Court for the Southern District of New York on October 18, 2000, and which became final and non-appealable on or about October 31, 2000, the Bank became the owner of

Edgar Filing: FOAMEX INTERNATIONAL INC - Form SC 13D/A

1,500,000 shares of Company Common Stock.

Pursuant to the Share Exchange Agreement, dated as of July 31, 2000, as amended October 25, 2000, by and between the Bank and the Company (the "Share Exchange Agreement"), on November 2, 2000 the Bank transferred 1,500,000 shares of Company Common Stock to the Company in exchange for 15,000 shares of Company Series B Preferred Stock (the "Company Preferred Stock") to be held the Nominee. At any time, the holders of the Company Preferred Stock may convert each share of Company Preferred Stock, for no further consideration, into 100 shares of Company Common Stock, subject to adjustment; provided that, until (A) the termination of (1) the Credit Agreement, dated as of June 12, 1997, as amended and restated as of February 27, 1998, as further amended and restated as of June 29, 1999, among

Page 5 of 17 Pages

Foamex L.P., FMXI, Inc., the lenders and issuing banks named therein, and Citicorp USA, Inc. and The Bank of Nova Scotia, as administrative agents, (2) the Credit Agreement, dated as of February 27, 1998, as amended or as may be amended, among Foamex Carpet Cushion, Inc., the lenders and issuing banks named therein, and Citicorp USA, Inc. and The Bank of Nova Scotia, as administrative agents, (3) the Indenture, dated as of June 12, 1997, as supplemented from time to time, by and among Foamex L.P., Foamex Capital Corporation, General Felt Industries, Inc., Foamex Fibers, Inc. and the Bank of New York, as trustee, and (4) the Indenture, dated as of December 23, 1997, as supplemented from time to time, by and among Foamex L.P., Foamex Capital Corporation, General Felt Industries, Inc., Foamex Fibers, Inc., Foamex LLC, Crain Holdings Corp. and the Bank of New York, as trustee, or (B) the elimination of the change of control provisions in such Credit Agreements and Indentures, such conversion would not result in any holder becoming the owner of 25% or more of the voting stock of the Company.

After effectuating the transfer of 1,500,000 shares of Company Common Stock to the Company in exchange for 15,000 shares of Company Preferred Stock to be held by the Nominee, the Trustee released the remaining shares of Company Common Stock and the Bank, through its Nominee, became the owner of 5,697,426 shares of Company Common Stock pursuant to the Settlement.

As a result of these transactions and its prior holdings of 53,000 shares of Company Common Stock, the Bank had become the owner of 5,750,426 shares of Company Common Stock and 15,000 shares of Company Preferred Stock, of which 5,697,426 of such shares of Company Common Stock and all of the 15,000 shares of Company Preferred Stock were held through its Nominee.

The foregoing descriptions of the Settlement and the Share Exchange Agreement do not purport to be complete and are qualified in their entirety by reference to the Settlement, the Share Exchange Agreement, as amended, the Series B Preferred Stock Certificate of Designations, and the Calder & Co. Partnership Agreement, respectively, each of which was previously filed as Exhibits 99.1, 99.2, 99.3, 99.4 and 99.5 to the Schedule 13D, and is incorporated herein by reference.

The Bank intends to review its investment in the Company on a continuing basis and, depending upon price and availability of Company securities, subsequent developments affecting the Company, the business and prospects of the Company, general stock market and economic conditions, tax considerations and other factors deemed relevant, to consider decreasing the size of the Bank's

Edgar Filing: FOAMEX INTERNATIONAL INC - Form SC 13D/A

investment in the Company.

On December 15, 2004, the Bank entered into a written sales plan (the "Sales Plan") with Morgan Stanley & Co. Incorporated, acting as agent for the Bank ("Morgan Stanley"), for the purpose of establishing a trading plan that complies with the requirements of Rule 10b5-1(c) under the Securities Exchange Act of 1934, as amended. Pursuant to, but subject to the terms and conditions of, the Sales Plan and the requirements of Rule 144 of the Securities Act of 1933, as amended, Morgan Stanley may sell in the open market, on behalf of the Bank, up to the maximum number of shares of Company Common Stock permitted under the volume limitations of Rule 144(e), in any given time period. The maximum number of shares that potentially could

Page 6 of 17 Pages

be sold under the Sales Plan is 5,697,426. If not earlier terminated in accordance therewith, the Sales Plan will terminate on the earlier to occur of (i) the date on which all the shares covered by the Sales Plan are sold or (ii) December 15, 2006.

During the period from December 15, 2004 to January 31, 2005, 254,000 shares of Company Common Stock were sold by the Bank pursuant to the Sales Plan.

Effective February 7, 2005, the Company suspended selling of additional shares under the Sales Plan until further notice.

Item 5. Interest in Securities of the Issuer.

(a) As of January 31, 2005, the Bank beneficially owns 5,496,426 shares of Company Common Stock, 5,443,426 of which are held in the name of its Nominee. The total number of shares beneficially owned by the Bank represent in the aggregate approximately 22.49% of the outstanding shares of Company Common Stock. The calculation of the foregoing percentage is based on 24,444,617 shares of Company Common Stock disclosed as outstanding as of November 1, 2004 by the Company in its quarterly report on Form 10-Q for the quarterly period ended September 26, 2004.

(b) The Bank holds sole power to vote and to dispose of the 5,496,426 shares of Company Common Stock described in (a) above.

(c) Except as described in Item 4, the Bank has not effected any transaction in the Company Common Stock during the past 60 days from January 31, 2005.

(d) No other person is known to the Bank to have the right to receive or power to direct dividends from, or proceeds from the sale of, the shares of Company Common Stock held by the Bank.

(e) Not applicable.

As of the date hereof, the Bank beneficially owns 15,000 shares of Company Preferred Stock, which are held on behalf of the Bank in the name of its Nominee. Such 15,000 shares of Company Preferred Stock are convertible into an aggregate of 1,500,000 shares of Company Common Stock upon the occurrence of the events described in Item 4. The Bank disclaims beneficial ownership over such 1,500,000 shares of Company Common Stock on the basis that the Company Preferred Stock is not convertible within the next 60 days into such shares of Company

Edgar Filing: FOAMEX INTERNATIONAL INC - Form SC 13D/A

Common Stock. If the Bank were to be deemed to beneficially own such shares, it would hold an aggregate of 28.62% of the Company Common Stock.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer.

See the information set forth under "Item 4. Purpose of Transaction" which is incorporated by reference in response to this Item 6.
