For more information on each nominee, please turn to Information as to Nominees for Election to the Board of Directors beginning on page 5.

Our Board also is seeking your approval to increase the number of shares of stock that are available to reward employee performance under our 2003 Stock Option Plan and increase the number of shares that may be granted to any person per year. For more information on this proposal, please turn to Proposal Two Amending the Stock Option Plan beginning on page 29.

### **Q: WHO IS ENTITLED TO VOTE?**

As of the record date, \_\_\_\_\_ shares of common stock were issued and outstanding. Each share of common stock is entitled to one vote on each matter which holders of shares of common stock are entitled to vote. As of the record date, there were \_\_\_\_\_ shares of Globix preferred stock outstanding.

---

**Q: HOW DO I VOTE?**

**A:** You can vote in any one of the following ways:

*You can vote by mail* by signing and dating your proxy card, and mailing it in the enclosed prepaid envelope. If you mark your voting instructions on the proxy card, your shares will be voted as you instruct. If you return a signed card but do not provide voting instructions, your shares will be voted **for** the named nominees for election as directors, **for** the proposal to increase the number of shares authorized for issuance under our stock option plan, and **in favor of** the ratification of the appointment of Amper, Politzner & Mattia, P.C. as Globix's independent accountants for the fiscal year ending September 30, 2006.

*You can vote in person at the Annual Meeting* by delivering your completed proxy card in person at the Annual Meeting or by completing a ballot available upon request at the meeting. However, if you hold your shares in a bank or brokerage account rather than in your own name, you must obtain a legal proxy from your stockbroker in order to vote at the meeting.

Regardless of how you choose to vote, your vote is important and we encourage you to vote promptly.

**Q: WILL ANY OTHER MATTERS BE VOTED ON?**

**A:** We do not expect any other matters to be considered at the Annual Meeting. However, if a matter not listed on the proxy card is legally and properly brought before the Annual Meeting by a stockholder, the proxies will vote on the matter in accordance with their judgment of what is in the best interest of Globix.

**Q: HOW MANY VOTES ARE NEEDED TO HOLD THE MEETING?**

**A:** The presence in person or by proxy at the Annual Meeting of the holders of one-third of the votes entitled to be cast at the Annual Meeting shall constitute a quorum.

**Q: HOW MANY VOTES ARE NEEDED TO ELECT THE NOMINEES FOR DIRECTOR?**

**A:** Directors are elected by a plurality of the votes, which means the nine nominees who receive the largest number of votes will be elected. There is no cumulative voting.

**Q: HOW MANY VOTES ARE NEEDED TO APPROVE THE AMENDMENT OF THE STOCK OPTION PLAN?**

**A:** The affirmative vote of a majority of those votes cast at the meeting is required to approve the increase in the number of shares of stock available for award under our stock option plan.

**Q: HOW MANY VOTES ARE NEEDED TO APPROVE THE RATIFICATION OF AMPER, POLITZINER & MATTIA, P.C. AS GLOBIX'S INDEPENDENT ACCOUNTANTS FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2006?**

**Q: WHO WILL COUNT THE VOTES?**

**A:** Representatives of Mellon Investor Services LLC, our Transfer Agent, will count the votes. A representative from Mellon Investor Services LLC will act as inspector of elections.

**Q: HOW ARE VOTES COUNTED?**

**A:** In determining whether we have a quorum, we count all properly submitted proxies and ballots, including abstentions, broker non-votes and withheld votes, as present and entitled to vote. However, abstentions and broker non-votes, as well as votes withheld, are not considered votes cast and will not be counted for or against a matter or nominee.

**Q: WHAT SHARES ARE COVERED BY MY PROXY CARD?**

**A:** You should have been provided a proxy card for each account in which you own shares of Globix common or preferred stock either:  
directly in your name as the stockholder of record; or

indirectly through a broker, bank or other holder of record.

**Q: WHAT DOES IT MEAN IF I RECEIVE MORE THAN ONE PROXY CARD?**

**A:** It means that you have multiple accounts in which you own shares of Globix common or preferred stock. Please vote all proxy cards you receive to ensure that all your shares are voted. However, for your convenience we recommend that you contact your broker, bank or our transfer agent to consolidate as many accounts as possible under a single name and address. Our transfer agent is Mellon Investor Services LLC. All communications concerning shares you hold in your name, including address changes, name changes, requests to transfer shares and similar issues, can be handled by making a toll-free call to Mellon Investor Services LLC at 1-800-370-1163 or contacting them on the internet at [www.melloninvestor.com](http://www.melloninvestor.com).

**Q: HOW CAN I CHANGE MY VOTE?**

signing another proxy with a later date; or  
voting again at the meeting.

## REPORT OF THE COMPENSATION COMMITTEE

---

To our Stockholders:

The following shall not be deemed to be soliciting material or to be filed with the Securities and Exchange Commission nor shall such information be incorporated by reference into any future filing of Globix under the Securities Act of 1933 or the Securities Exchange Act of 1934.

The duties of the Compensation Committee include approval of salary and other compensation arrangements for our executive officers. No member of the Compensation Committee is a current or former officer or employee of Globix.

Our compensation policies are designed to reinforce our strategic and operational goals and enhance long-term stockholder value. Thus we seek to:

Set compensation levels to attract, retain and motivate executive officers and employees;

Align compensation with business objectives and performance and with the interests of the stockholders; and

Position compensation to reflect the individual's performance as well as the level of responsibility, skill and strategic value of the employee.

Globix attempts to target its compensation programs to provide compensation opportunities that are perceived by its officers and employees to justify continued service to Globix.

Compensation decisions for the fiscal year ended September 30, 2005 were based on the following considerations:

Existing contractual compensation arrangements with the senior executive officers;

Compensation opportunities perceived to be necessary to attract and retain executive officers; and

The contribution of the individual executive officers to our operating performance and their role in the implementation of our operating plan.

Stock options granted to executive officers during fiscal 2005 will vest (all or in part) based on the achievement by Globix (as determined by the Compensation Committee) of revenue and EBITDA (earnings before interest, taxes, depreciation and amortization) components of the Globix operating plan as of December 31, 2005 and 2006.

The Committee also adopted a cash incentive (bonus) compensation plan for executive officers and other key employees. Payment of a portion of the target compensation under the plan will depend in part on the achievement by Globix (as determined by the Compensation Committee) of revenue and EBITDA components of the Globix operating plan as of December 31, 2005 and 2006. The remaining portion of the compensation payable under the plan will depend on the achievement by the individual executives of goals related to the Globix business plan. The target amount payable, expressed as a percentage of base salary, will be 50% (in the case of the Chief Executive Officer), 33% (in the case of certain other senior executive officers) and 20% (in the case of other members of senior management) assuming achievement of 100% of the performance goals. The payout for the revenue and EBITDA goals will be based on a sliding scale with a portion of the target bonus amount being payable starting at 85% achievement for each of these goals, subject to a maximum of 120% of the bonus amount per goal based on achievement of at least 120% of such goal. The percentages will be applied separately to achievement of the EBITDA and revenue objectives. Achievement of the personal objectives will be determined by the Compensation Committee in the case of the Chief Executive Officer and other senior officers and will be reviewed by the Compensation Committee in the case of other members of senior management.

*Chief Executive Officer Compensation*

Effective April 15, 2002, we entered into an employment agreement with Peter K. Stevenson that extended until July 31, 2003. As of August 1, 2003, the agreement was amended to extend the term until July 31, 2004, subject to extension for successive six month periods with the mutual consent of Globix and Mr. Stevenson. As of September 15, 2005, the agreement was superseded by a new agreement that extended the employment term to December 31, 2006 and made certain other changes to the terms of Mr. Stevenson's employment, including his compensation. Under the new agreement, Mr. Stevenson's base salary is \$350,000 per year and he is also eligible for an annual bonus in an amount up to 50 percent of his base salary under the cash incentive plan described above. In addition, Mr. Stevenson received an option to purchase up to 320,888 shares of stock under our 2003 Stock Option Plan. These options will vest based on the achievement by Globix of revenue and EBITDA performance goals as of December 31, 2005 and 2006, as described above, and will also vest if he is terminated without cause or if he terminates his employment for good reason. The Committee believes that these bonus and option grants will provide appropriate incentives for Mr. Stevenson to work for long-term growth and stock performance.

This report is furnished by the members of the Compensation Committee.

**CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

---

In January 2004, Globix paid Steven G. Singer, then Chairman of the Board of Directors, a success fee in the amount of \$169,000 in connection with his work on the sale by Globix of its property located at 415 Greenwich Street, New York, New York. Various members of management were also paid a success fee in connection with this transaction, which enabled Globix to repurchase approximately \$44 million in principal amount, plus accrued interest, of its 11% senior notes.

Capital & Technology Advisors, Inc. ( CTA ) provides consulting and business development services to Globix in exchange for a fee of \$60,000 per month, plus out of pocket expenses, pursuant to an agreement which is due to expire on May 14, 2006. Additionally, under a letter agreement between Globix and CTA, we will negotiate in good faith for the payment to CTA of a success fee if Globix consummates a sale, merger or a similar transaction with CTA's assistance. Wayne Barr, Jr., who is currently a member of our Board of Directors, is the President of CTA.

CTA provided services to both Globix and NEON prior to their merger and had done so since Globix and NEON each emerged from bankruptcy in 2002. The fee paid by Globix was \$65,000 per month, while the fee paid by NEON was \$35,000 per month. On May 15, 2005, CTA and Globix entered into a new consulting agreement under which CTA received a fee of \$120,000 per month in exchange for assistance in the integration of Globix and NEON and other business and consulting services. Effective January 15, 2006, the CTA fee was reduced to \$60,000 per month for the remaining term of the consulting agreement, and the scope of services was also reduced. For the fiscal years ended September 30, 2003, 2004 and 2005, CTA received \$810,000, \$827,000 and \$1,272,000, respectively, in fees and expense reimbursements from Globix.

Mr. Barr, along with certain affiliates of CTA, holds warrants exercisable for 500,000 shares of Globix common stock at \$3.00 per share through March 13, 2013, which warrants were purchased from Globix for \$25,000. Certain other current and former affiliates of CTA and their designees hold warrants purchased from NEON that were converted in the merger into the right to purchase 95,610 shares of Globix common stock at \$4.75 per share expiring October 23, 2008 and warrants to purchase 111,545 shares of Globix common stock at \$4.16 per share expiring December 3, 2007.

For the years ended December 31, 2003 and 2004, CTA received \$925,000 and \$435,000, respectively, in fees from NEON.

Effective February 13, 2003, NEON entered into an employment agreement with Stephen E. Courter for his services as NEON's President, Chief Executive Officer and Chairman of the board of directors. The original term of the employment agreement was extended until December 31, 2003 and provided for the agreement to be automatically extended for successive twelve-month periods, subject to early termination. Under the agreement, Mr. Courter's base salary was \$275,000 per year and he was eligible for an annual bonus at 50 percent of his base salary, payable in accordance with NEON's compensation program established and administered by NEON's board of directors. In addition, under the terms of Mr. Courter's employment agreement, NEON granted to Mr. Courter options to acquire 450,000 shares of NEON common stock, which were converted into options to purchase 573,660 shares of Globix common stock in the merger. These options became fully vested and immediately exercisable in the merger.

In addition, Mr. Courter's employment agreement provided that in the event that NEON terminated his employment with NEON for any reason (other than for cause, as defined in the employment agreement), then Mr. Courter would be entitled to twelve months' salary and incentive compensation at the then current compensation rate and twelve months' benefit continuation at the then current level. Pursuant to this agreement, Mr. Courter will receive salary and bonus compensation through May, 2006. Mr. Courter also served as a consultant to NEON for a period of six months following the merger in exchange for \$50,000.

On December 13, 2005, Globix issued and sold \$5 million in principal amount of its 9% senior notes to a group of investors. The notes mature on May 1, 2008. Interest on the notes is payable quarterly in arrears, beginning January 1, 2006. The notes are secured by a first priority security interest in domestic accounts receivable in the amount of 150% of the principal amount of the notes. Covenants and events of default under the notes are generally the same as those contained in the indenture relating to our outstanding 11% senior notes, except that the new notes limit the incurrence of additional senior debt that might be permitted under the 11% senior notes. The new notes were permitted under a provision of the 11% note indenture that allows the issuance of certain additional debt in the form of bonds or other securities. The new notes can be prepaid without penalty or premium at any time following 30 days' notice.

Purchasers of the 9% senior notes included: LC Capital Master Fund Ltd., an investment fund managed by an investment advisor with which one member of Globix's Board of Directors, Steven G. Lampe, is affiliated; Karen Singer, the sister-in-law of another Board member, Steven G. Singer; and Metronome LPC 1, Inc., an affiliate of Loeb Partners Corp., which (together with its affiliates) is the beneficial owner of approximately 7.9% of Globix common stock. LC Capital Corp. Ltd. is the beneficial owner of approximately 10.9% of Globix common stock (including 462,462 shares that may be acquired upon conversion of our convertible preferred stock). Karen Singer is the sole trustee of the Singer Children's Management Trust, which is the beneficial owner of approximately 8.3% of Globix common stock (including 699,099 shares that may be acquired on conversion of the preferred stock). The principal amounts purchased by these holders are \$1 million for LC Capital Master Fund Ltd., \$1 million for Karen Singer and \$1 million for Metronome.

Mr. Singer disclaims any beneficial ownership interest in the 9% notes. The transaction was approved by all of the disinterested members of our Board of Directors

## PROPOSAL TWO - AMENDING THE STOCK OPTION PLAN

---

In order to address current and future needs, we are seeking stockholder approval to increase the number of shares available for stock option grants under Globix's 2003 Stock Option Plan (the "Plan") to provide for the issuance of up to 3,500,000 shares and to increase the maximum number of shares of stock subject to options that can be granted under the Plan to any person in any year by 225,000 shares.

Options grants are a necessary component of our compensation system and help to align the interests of employees with those of stockholders. In summer 2005, we determined that we did not have enough shares authorized under the Plan to cover grants to employees for 2005 and 2006 in amounts that we believed would provide appropriate incentives in line with our 2005-2006 operating plan. Accordingly, a portion of the options granted in September 2005 are subject to stockholder approval. The options granted in September 2005 will vest only upon achievement of our revenue and EBITDA objectives under the 2005-2006 operating plan, and have an exercise price of \$2.75 per share, significantly above the market price at the time of the grant. Following these grants we also issued an option to purchase 1,000,000 shares at an exercise price of \$2.75 per share to Ted S. Lodge to induce him to become our Chairman of the Board and Executive Chairman. While we believe that a grant of this size was necessary for us to be able to attract an executive of Mr. Lodge's caliber, the grant increases the number of shares for which stockholder approval needs to be sought, and also requires an amendment to increase the number of shares that may be granted under options to any one person in any year under the Plan.

For all of the reasons set forth above, the Board of Directors is seeking stockholder approval to increase the number of shares authorized under the Plan from 1,829,000 to 3,500,000, and to increase the maximum number of shares of stock subject to options that can be granted to any person in one year from 775,000 to 1,000,000 shares.

The following is a brief description of the Plan. A copy of the Amendment to the Plan, and the Plan as proposed to be amended are set forth on Appendix A and B to this proxy statement.

### *Administration of the Plan*

The selection of key employees who may participate in the Plan, and the terms and conditions of each award, are determined by the Board of Directors. The Board may delegate to a committee such powers and authorities related to the administration of the Plan as the Board may determine, provided that each member of the committee is a non-employee director within the meaning of Rule 16b-3 of the Securities Exchange Act of 1934 and an outside director within the meaning of Section 162(m) of the Internal Revenue Code. The Board (or the committee if such powers are delegated to it) has full power, discretion and authority to interpret, construe and administer the Plan, and all decisions, determinations or actions of the Board pursuant to the Plan are final and

binding on all persons for all purposes. The Board may also appoint one or more separate committees of the Board, each composed of one or more directors of Globix who need not be outside directors, who may administer the Plan with respect to employees or service providers who are not officers or directors. The Board has delegated the administration of the Plan to the Compensation Committee.

#### *Eligibility*

Employees and service providers of Globix and its affiliates are eligible to receive grants under the Plan. Currently, there are approximately [250] persons who are eligible to receive awards under the Plan. The maximum number of shares of stock subject to options that can be granted under the Plan to any person is currently 775,000 per year. Under the proposed Amendment, the maximum will be 1,000,000 shares per year.

#### *Types of Awards that May Be Made under the Plan*

Stock options granted under the Plan may be of two types: (i) incentive stock options and (ii) nonqualified stock options.

#### *Shares Covered by the Plan*

The Plan permits the granting of awards covering 1,829,000 shares of common stock. Under the proposed Amendment, the Plan will permit the granting of awards covering 3,500,000 shares of common stock. As of December 31, 2005 options to purchase 2,889,652 shares have been granted under the Plan.

Any shares that are reserved for options that lapse, expire or are forfeited, and any shares that are exchanged (actually or constructively) by optionees as full or partial payment to Globix for shares acquired on the exercise of an option, may be available for subsequent grants under the Plan.

#### *Stock Options*

Options granted under the Plan may be either non-qualified stock options or incentive stock options qualifying for special tax treatment under Section 422 of the Internal Revenue Code. The exercise price of any incentive stock option may not be less than the fair market value the underlying stock on the grant date. If the grantee holds more than 10 percent of our stock, the option exercise price may not be less than 110 percent of the fair market value of the stock on the grant date. In no case may the exercise price of any option be less than the par value of a share of common stock. The exercise price is payable in cash, shares of common stock previously owned by the optionee or such other forms of payment permitted by law or the award agreement.

Generally, each option will expire on the tenth anniversary of the date of grant. In the case of an option intended to qualify as an incentive stock option, the option will expire on the fifth anniversary of the date of grant, if the optionee is a holder of more than 10 percent of our stock.

*Tax Consequences of Options*

Non-Qualified Stock Options. On the exercise of a non-qualified stock option, the optionee will recognize ordinary income for federal income tax purposes on the amount by which the fair market value of the stock on the date of exercise exceeds the exercise price of the option. The optionee will be taxed on this amount in the year of exercise, and Globix will generally be allowed a deduction in this amount for federal income tax purposes in the same year. When the optionee disposes of shares acquired on the exercise of a non-qualified stock option, any amount received in excess of the fair market value of the shares on the date of exercise will be treated as long- or short-term capital gain to the optionee, depending on the holding period for the shares. If the amount received is less than the market value of the shares on the date of exercise, the loss will be treated as long- or short-term capital loss, depending upon the holding period of the shares.

Incentive Stock Options. On the exercise of an incentive stock option, no ordinary income will be recognized by the optionee. If the optionee holds the shares for over one year after the date of exercise, then on the sale of the shares (i) the excess of the sale proceeds over the aggregate exercise price of the option will be long-term capital gain to the optionee, and (ii) Globix will not be entitled to a tax deduction under such circumstances. Generally if the optionee sells or otherwise disposes of the shares within one year after the date of exercise, the excess of the fair market value of such shares at the time of exercise over the aggregate exercise price (but generally not more than the amount of gain realized on the disposition) will be ordinary income to the optionee at the time of such disposition. This is sometimes referred to as a disqualifying disposition. Globix generally will be entitled to a federal tax deduction equal to the amount of ordinary income recognized by the optionee upon a disqualifying disposition.

*Amendment and Termination of the Plan*

The Board may, at any time, amend, suspend or terminate the Plan as to any shares of stock as to which grants have not been made. An amendment will be contingent on the approval of our stockholders to the extent stated by the Board or required by applicable law. No grants may be made after termination of the Plan. No amendment, suspension or termination of the Plan may, without the consent of the grantee, impair rights or obligations under any grant theretofore awarded under the Plan.

*Rights Provided in the Event of a Change of Control*

The Plan provides for certain special rights upon the occurrence of a Change of Control, which is defined as (i) the dissolution or liquidation of Globix or a merger, consolidation or reorganization of Globix with one or more other entities in which Globix is not the surviving entity, (ii) a sale of substantially all the assets of Globix to another person or entity, (iii) any transaction (including without limitation a merger or reorganization in which Globix is the surviving entity) which results in any person or entity (other than persons who are stockholders or affiliates immediately prior to the transaction) owning more than 50 percent of the combined voting power of all classes of Globix stock, or (iv) a change in the membership of the Board of Directors if, over any period of 24 consecutive months, individuals who were members of the Board at the beginning of the period (or who were nominated to the Board by such persons) fail to constitute a majority of the Board at the end of such period.

Immediately prior to the scheduled consummation of a Change of Control, all options outstanding under the Plan will become immediately exercisable and will remain exercisable for a period of 15 days, unless prior to the scheduled consummation of the Change of Control, the Board elects, in its sole discretion, to cancel any outstanding grants of options and pay or deliver to the holders of options an amount in cash or securities equal to the excess of the Change of Control transaction price over the exercise price of the option.

The 15 day period described above will begin on the date the grantee receives notice of the scheduled consummation of the Change of Control and will end on the later of the actual date of consummation of the Change of Control or the fifteenth day following the delivery of the notice to grantee from Globix or the acquiring party. Any exercise of an option during such 15 day period will be conditioned upon the consummation of the Change of Control and will be effective only immediately before the consummation of the event. Upon consummation of the Change of Control, the Plan and all outstanding but unexercised options will terminate. The Board will send written notice of an event that will result in such a termination to all individuals who hold options not later than the time at which Globix gives notice thereof to its stockholders.

The above-described provisions will not apply to a Change of Control if provision is made in writing in connection with the Change of Control for the assumption or continuation of the options then granted, or for the substitution of options relating to the stock of a successor entity, or a parent or subsidiary of a successor entity, with appropriate adjustments as to the number of shares (disregarding any consideration that is not common stock) and option exercise prices.

If Globix is the surviving entity in any reorganization, merger or consolidation that does not constitute a Change of Control, each option granted under the Plan will represent the right to purchase those securities to which a holder of the number of shares of common stock subject to such option would have been entitled immediately following such reorganization, merger or consolidation, with a corresponding proportionate adjustment of the option exercise price per share so that the aggregate option price thereafter will be the same as the aggregate option exercise price immediately prior to the reorganization, merger or consolidation. Subject to any contrary language in the agreement evidencing a grant, any restrictions applicable to such grant will apply as well to any replacement shares received by the grantee as a result of the reorganization, merger or consolidation.

#### *Parachute Limitations*

In connection with a change in control, awards under the Plan to certain individuals may become subject to excise taxation under Section 280G of the Internal Revenue Code as so-called Parachute Payments. Under the Plan, an individual who would otherwise be subject to the excise tax has the right, under certain circumstances, to reduce or eliminate rights granted to the individual under the Plan so as to avoid have the benefits under the Plan be subject to excise tax under Section 280G of the Internal Revenue Code.

*Equity Compensation Plan Information Table*

### **3. ADMINISTRATION OF THE PLAN**

#### **3.1. Board.**

The Board shall have such powers and authorities related to the administration of the Plan as are consistent with the Corporation's certificate of incorporation and by-laws and applicable law. The Board shall have full power and authority to take all actions and to make all determinations required or provided for under the Plan, any Grant or any Award Agreement, and shall have full power and authority to take all such other actions and make all such other determinations not inconsistent with the specific terms and provisions of the Plan that the Board deems to be necessary or appropriate to the administration of the Plan, any Grant or any Award Agreement. All such actions and determinations shall be by the affirmative vote of a majority of the members of the Board present at a meeting or by unanimous consent of the Board executed in writing in accordance with the Corporation's certificate of incorporation and by-laws and applicable law. The interpretation and construction by the Board of any provision of the Plan, any Grant or any Award Agreement shall be final and conclusive.

#### **3.2. Committee.**

The Board from time to time may delegate to the Committee such powers and authorities related to the administration and implementation of the Plan, as set forth in **Section 3.1** above and other applicable provisions, as the Board shall determine, consistent with the certificate of incorporation and by-laws of the Corporation and applicable law.

(i) Except as provided in Subsection (ii) and except as the Board may otherwise determine, the Committee, if any, appointed by the Board to administer the Plan shall consist of two or more Outside Directors of the Corporation who: (a) qualify as "outside directors" within the meaning of Section 162(m) of the Code and who (b) meet such other requirements as may be established from time to time by the Securities and Exchange Commission for plans intended to qualify for exemption under Rule 16b-3 (or its successor) under the Exchange Act.

(ii) The Board may also appoint one or more separate committees of the Board, each composed of one or more directors of the Corporation who need not be Outside Directors, who may administer the Plan with respect to employees or other Service Providers who are not officers or directors of the Corporation, may grant Grants under the Plan to such employees or other Service Providers, and may determine all terms of such Grants.

In the event that the Plan, any Grant or any Award Agreement entered into hereunder provides for any action to be taken by or determination to be made by the Board, such action may be taken or such determination may be made by the Committee if the power and authority to do so has been delegated to the Committee by the Board as provided for in this Section. Unless otherwise expressly determined by the Board, any such action or determination by the Committee shall be final, binding and conclusive. To the extent permitted by law, the Committee may delegate its authority under the Plan to a member of the Board.

#### **3.3. Grants.**

Subject to the other terms and conditions of the Plan, the Board shall have full and final authority to:

- (i) designate Grantees,
- (ii) determine the type or types of Grants to be made to a Grantee,
- (iii) determine the number of shares of Stock to be subject to a Grant,

- (iv) establish the terms and conditions of each Grant (including, but not limited to, the exercise price of any Option, the nature and duration of any restriction or condition (or provision for lapse thereof) relating to the vesting, exercise, transfer, or forfeiture of a Grant or the shares of Stock subject thereto, and any terms or conditions that may be necessary to qualify Options as Incentive Stock Options),
- (v) prescribe the form of each Award Agreement evidencing a Grant, and
- (vi) amend, modify, or supplement the terms of any outstanding Grant. Such authority specifically includes the authority, in order to effectuate the purposes of the Plan but without amending the Plan, to modify Grants to eligible individuals who are foreign nationals or are individuals who are employed outside the United States to recognize differences in local law, tax policy, or custom.

As a condition to any subsequent Grant, the Board shall have the right, at its discretion, to require Grantees to return to the Corporation Grants previously made under the Plan. Subject to the terms and conditions of the Plan, any such new Grant shall be upon such terms and conditions as are specified by the Board at the time the new Grant is made. The Board shall have the right, in its discretion, to make Grants in substitution or exchange for any other award under another plan of the Corporation, any Affiliate, or any business entity to be acquired by the Corporation or an Affiliate. The Corporation may retain the right in an Award Agreement to cause a forfeiture of the gain realized by a Grantee on account of actions taken by the Grantee in violation or breach of or in conflict with any non-competition agreement, any agreement prohibiting solicitation of employees or clients of the Corporation or any Affiliate thereof or any confidentiality obligation with respect to the Corporation or any Affiliate thereof or otherwise in competition with the Corporation or any Affiliate thereof, to the extent specified in such Award Agreement applicable to the Grantee. Furthermore, the Corporation may annul a Grant if the Grantee is an employee of the Corporation or an Affiliate thereof and is terminated for Cause as defined in the applicable Award Agreement or the Plan, as applicable. Any Grant shall be contingent upon the Grantee executing the appropriate Award Agreement.

#### **3.4. No Liability.**

No member of the Board or of the Committee shall be liable for any action or determination made in good faith with respect to the Plan or any Grant or Award Agreement.

#### **3.5. Compliance with Section 162(m) of the Code.**

Section 162(m) of the Code, added by the Omnibus Budget Reconciliation Act of 1993, generally limits the tax deductibility to publicly held companies of compensation in excess of \$1,000,000 paid to certain covered employees ( Covered Employees ). If the Corporation is subject to Section 162(m) of the Code, it is the Corporation's intention to preserve the deductibility of such compensation to the extent it is reasonably practicable and to the extent it is consistent with the Corporation's compensation objectives. For purposes of this Plan, Covered Employees of the Corporation shall be those employees of the Corporation described in Section 162(m)(3) of the Code.

#### **4. STOCK SUBJECT TO THE PLAN**

Subject to adjustment as provided in **Section 13** hereof, the number of shares of Stock available for issuance under the Plan shall be three million five hundred thousand (3,500,000). Stock issued or to be issued under the Plan shall be authorized but unissued shares; or, to the extent permitted by applicable law, issued shares that have been reacquired by the Corporation. If any shares covered by a Grant are not purchased or are forfeited, or if a Grant otherwise terminates without delivery of any Stock subject thereto, then the number of shares of Stock counted against the aggregate number of shares available under the Plan with respect to such Grant shall, to the extent of any such forfeiture or termination, again be available for making Grants under the Plan.

## **5. EFFECTIVE DATE, DURATION AND AMENDMENTS**

### **5.1. Effective Date.**

The Plan shall be effective as of the Effective Date, subject to approval of the Plan by the Corporation's stockholders within one year of the Effective Date. Upon approval of the Plan by the stockholders of the Corporation as set forth above, all Grants made under the Plan on or after the Effective Date shall be fully effective as if the stockholders of the Corporation had approved the Plan on the Effective Date. If the stockholders fail to approve the Plan within one year after the Effective Date, any Grants made hereunder shall be null and void and of no effect.

### **5.2. Term.**

The Plan shall terminate automatically ten (10) years after its adoption by the Board and may be terminated on any earlier date as provided in **Section 5.3**.

### **5.3. Amendment and Termination of the Plan.**

The Board may, at any time and from time to time, amend, suspend, or terminate the Plan as to any shares of Stock as to which Grants have not been made. An amendment shall be contingent on approval of the Corporation's stockholders to the extent stated by the Board or required by applicable law. No Grants shall be made after termination of the Plan. No amendment, suspension, or termination of the Plan shall, without the consent of the Grantee, impair rights or obligations under any Grant theretofore awarded under the Plan.

## **6. GRANT ELIGIBILITY AND LIMITATIONS**

### **6.1. Corporation or Subsidiary Employees; Service Providers; Other Persons.**

Subject to this **Section 6**, Grants may be made under the Plan to any Service Provider to the Corporation or of any Affiliate, including any Outside Director.

### **6.2. Successive Grants.**

An eligible person may receive more than one Grant, subject to such restrictions as are provided herein.

### **6.3. Limitation on Shares of Stock Subject to Grants.**

During any time when the Corporation has a class of equity security registered under Section 12 of the Exchange Act, the maximum number of shares of Stock subject to Options that can be awarded under the Plan to any person eligible for a Grant under **Section 6** hereof is one million (1,000,000) per year. The preceding limitations in this **Section 6.3** are subject to adjustment as provided in **Section 13** hereof.

### **6.4. Limitations on Incentive Stock Options.**

An Option shall constitute an Incentive Stock Option only (i) if the Grantee of such Option is an employee of the Corporation or any Subsidiary of the Corporation; (ii) to the extent specifically provided in the related Award Agreement; and (iii) to the extent that the aggregate Fair Market Value (determined at the time the Option is granted) of the shares of Stock with respect to which all Incentive Stock Options held by such Grantee become exercisable for the first time during any calendar year (under the Plan and all other plans of the Grantee's employer and its Affiliates) does not exceed \$100,000. This limitation shall be applied by taking Options into account in the order in which they were granted.

**6.5. Tandem and Substitute Grants.**

Grants under the Plan may, in the discretion of the Board, be granted in tandem with or in substitution or exchange for any other Grant or any award granted under another plan of the Corporation, any Affiliate, or any business entity to be acquired by the Corporation or an Affiliate, or any other right of a Grantee to receive payment from the Corporation or any Affiliate. Such tandem and substitute or exchange Grants may be granted at any time. If a Grant is made in substitution or exchange for another Grant, the Board shall require the surrender of such other Grant in consideration for the new Grant.

**7. AWARD AGREEMENT**

Each Grant pursuant to the Plan shall be evidenced by an Award Agreement, in such form or forms as the Board shall from time to time determine, which specifies the number of shares subject to the Grant. Award Agreements granted from time to time or at the same time need not contain similar provisions but shall be consistent with the terms of the Plan. Each Award Agreement shall specify whether such Grant is intended to be a grant of Non-qualified Stock Options or Incentive Stock Options, and in the absence of such specification such options shall be deemed Non-qualified Stock Options.

**8. TERMS AND CONDITIONS OF OPTIONS**

**8.1. Option Price.**

The Option Price of each Option shall be fixed by the Board and stated in the Award Agreement evidencing such Option. The Option Price of each Incentive Stock Option shall be at least the Fair Market Value on the Grant Date of a share of Stock; provided, however, that in the event that a Grantee is a Ten Percent Stockholder, the Option Price of an Option granted to such Grantee that is intended to be an Incentive Stock Option shall be not less than 110 percent of the Fair Market Value of a share of Stock on the Grant Date. In no case shall the Option Price of any Option be less than the par value of a share of Stock.

**8.2. Vesting.**

Subject to **Sections 8.3 and 13.3** hereof, each Option granted under the Plan shall become exercisable at such times and under such conditions as shall be determined by the Board and stated in the Award Agreement. For purposes of this **Section 8.2**, fractional numbers of shares of Stock subject to an Option shall be rounded down to the next nearest whole number. The Board may provide, for example, in the Award Agreement for (i) accelerated exercisability of the Option in the event the Grantee's Service terminates on account of death, Disability or another event, (ii) expiration of the Option prior to its term in the event of the termination of the Grantee's Service, (iii) immediate forfeiture of the Option in the event the Grantee's Service is terminated for Cause or (iv) unvested Options to be exercised subject to the Corporation's right of repurchase with respect to unvested shares of Stock. No Option shall be exercisable in whole or in part prior to the date the Plan is approved by the Stockholders of the Corporation as provided in **Section 5.1** hereof.

**8.3. Term.**

Each Option granted under the Plan shall terminate, and all rights to purchase shares of Stock thereunder shall cease, upon the expiration of ten years from the date such Option is granted, or under such circumstances and on such date prior thereto as is set forth in the Plan or as may be fixed by the Board and stated in the Award Agreement relating to such Option (the Termination Date provided, however, that in the event that the Grantee is a Ten Percent Stockholder, an Option granted to such Grantee that is intended to be an Incentive Stock Option shall not be exercisable after the expiration of five years from its Grant Date).

**8.4. Termination of Service.**

Each Award Agreement shall set forth the extent to which the Grantee shall have the right to exercise the Option following termination of the Grantee's Service. Such provisions shall be determined in the sole discretion of the Board, need not be uniform among all Options issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination of Service.

**8.5. Limitations on Exercise of Option.**

Notwithstanding any other provision of the Plan, in no event may any Option be exercised, in whole or in part, prior to the date the Plan is approved by the stockholders of the Corporation as provided herein, or after ten years following the Grant Date, or after the occurrence of an event referred to in **Section 13** hereof which results in termination of the Option.

**8.6. Method of Exercise.**

An Option that is exercisable may be exercised by the Grantee's delivery to the Corporation of written notice of exercise on any business day, at the Corporation's principal office, on the form specified by the Corporation. Such notice shall specify the number of shares of Stock with respect to which the Option is being exercised and shall be accompanied by payment in full of the Option Price of the shares for which the Option is being exercised.

**8.7. Rights of Holders of Options.**

Unless otherwise stated in the applicable Award Agreement, an individual holding or exercising an Option shall have none of the rights of a stockholder (for example, the right to receive cash or dividend payments or distributions attributable to the subject shares of Stock or to direct the voting of the subject shares of Stock) until the shares of Stock covered thereby are fully paid and issued to him. Except as provided in **Section 13** hereof, no adjustment shall be made for dividends, distributions or other rights for which the record date is prior to the date of such issuance.

**8.8. Delivery of Stock Certificates.**

Promptly after the exercise of an Option by a Grantee and the payment in full of the Option Price, such Grantee shall be entitled to the issuance of a stock certificate or certificates evidencing his or her ownership of the shares of Stock subject to the Option.

**9. TRANSFERABILITY OF OPTIONS**

**9.1. Transferability of Options.**

Except as provided in **Section 9.2**, during the lifetime of a Grantee, only the Grantee (or, in the event of legal incapacity or incompetency, the Grantee's guardian or legal representative) may exercise an Option. Except as provided in **Section 9.2**, no Option shall be assignable or transferable by the Grantee to whom it is granted, other than by will or the laws of descent and distribution.

**9.2. Family Transfers.**

If authorized in the applicable Award Agreement, a Grantee may transfer, not for value, all or part of an Option which is not an Incentive Stock Option to any Family Member. For the purpose of this **Section 9.2**, a not for value transfer is a transfer which is (i) a gift, (ii) a transfer under a domestic relations order in settlement of marital property rights; or (iii) a transfer to an entity in which more than fifty percent of the voting interests are

owned by Family Members (or the Grantee) in exchange for an interest in that entity. Following a transfer under this **Section 9.2**, any such Option shall continue to be subject to the same terms and conditions as were applicable immediately prior to transfer. Subsequent transfers of transferred Options are prohibited except to Family Members of the original Grantee in accordance with this **Section 9.2** or by will or the laws of descent and distribution. The events of termination of Service of **Section 8.4** hereof shall continue to be applied with respect to the original Grantee, following which the Option shall be exercisable by the transferee only to the extent, and for the periods specified, in **Section 8.4**.

## **10. FORM OF PAYMENT FOR OPTIONS**

### **10.1. General Rule.**

Payment of the Option Price for the shares purchased pursuant to the exercise of an Option shall be made in cash or in cash equivalents acceptable to the Corporation.

### **10.2. Cashless Exercise.**

To the extent the Award Agreement so provides and the Corporation at the time of exercise so approves, payment of the Option Price for shares purchased pursuant to the exercise of an Option may be made all or in part by delivery (on a form acceptable to the Board) of an irrevocable direction to a licensed securities broker acceptable to the Corporation to sell shares of Stock and to deliver all or part of the sales proceeds to the Corporation in payment of the Option Price and any withholding taxes described in **Section 14.3**. Note that applicable law may restrict the applicability of this provision for persons who at the time of exercise are officers or directors of the Corporation. In addition, this provision shall not apply if the shares of stock covered by the Grant are not registered under the Securities Act of 1933 and any applicable state or foreign securities laws.

### **10.3. Other Forms of Payment.**

To the extent the Award Agreement so provides and is otherwise permitted by law, payment of the Option Price for shares purchased pursuant to exercise of an Option may be made in any other form that is consistent with applicable laws, regulations and rules.

## **11. PARACHUTE LIMITATIONS**

Notwithstanding any other provision of this Plan or of any other agreement, contract, or understanding heretofore or hereafter entered into by a Grantee with the Corporation or any Affiliate, except an agreement, contract, or understanding hereafter entered into that expressly modifies or excludes application of this paragraph (an **Other Agreement**), and notwithstanding any formal or informal plan or other arrangement for the direct or indirect provision of compensation to the Grantee (including groups or classes of Grantees or beneficiaries of which the Grantee is a member), whether or not such compensation is deferred, is in cash, or is in the form of a benefit to or for the Grantee (a **Benefit Arrangement**), if the Grantee is a disqualified individual, as defined in Section 280G(c) of the Code, any Option held by the Grantee shall not become exercisable or vested (i) to the extent that such right to exercise or vesting, taking into account all other rights, payments, or benefits to or for the Grantee under this Plan, all Other Agreements, and all Benefit Arrangements, would cause any benefit to the Grantee under this Plan to be considered a parachute payment within the meaning of Section 280G(b)(2) of the Code as then in effect (a **Parachute Payment**) (ii) if, as a result of receiving a Parachute Payment, the aggregate after-tax amounts received by the Grantee from the Corporation under this Plan, all Other Agreements, and all Benefit Arrangements would be less than the maximum after-tax amount that could be received by the Grantee without causing any such benefit to be considered a Parachute Payment. In the event that the receipt of any such right to exercise or vesting under this Plan, in conjunction with all other rights, payments, or benefits to or for the Grantee under any Other Agreement or any Benefit Arrangement would cause the Grantee to be considered to have received a Parachute Payment under this Plan that would have the effect of decreasing

the after-tax amount received by the Grantee as described in clause (ii) of the preceding sentence, then the Grantee shall have the right, in the Grantee's sole discretion, to designate those rights, payments, or benefits under this Plan, any Other Agreements, and any Benefit Arrangements that should be reduced or eliminated so as to avoid having the benefit to the Grantee under this Plan be deemed to be a Parachute Payment.

## **12. REQUIREMENTS OF LAW**

### **12.1. General.**

The Corporation shall not be required to sell or issue any shares of Stock under any Grant if the sale or issuance of such shares would constitute a violation by the Grantee, any other individual exercising an Option, or the Corporation of any provision of any law or regulation of any governmental authority, including without limitation any federal or state securities laws or regulations, or of the Corporation's Insider Trading Policy then in effect. If at any time the Corporation shall determine, in its discretion, that the listing, registration or qualification of any shares subject to a Grant upon any securities exchange or under any governmental regulatory body is necessary or desirable as a condition of, or in connection with, the issuance or purchase of shares hereunder, no shares of Stock may be issued or sold to the Grantee or any other individual exercising an Option pursuant to such Grant unless such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Corporation, and any delay caused thereby shall in no way affect the date of termination of the Grant. Specifically, in connection with the Securities Act, upon the exercise of any Option unless a registration statement under such Act is in effect with respect to the shares of Stock covered by such Grant, the Corporation shall not be required to sell or issue such shares unless the Board has received evidence satisfactory to it that the Grantee or any other individual exercising an Option may acquire such shares pursuant to an exemption from registration under the Securities Act. To the extent required by the Securities Act of 1933 or any state or foreign securities law, the Corporation may also require the Grantee to execute a stock restriction agreement with respect to any shares of Stock acquired pursuant to the Plan and may require any stock certificates to bear any legends reflecting any applicable legal restrictions on transfer. Any determination in this connection by the Board shall be final, binding, and conclusive. The Corporation may, but shall in no event be obligated to, register any securities covered hereby pursuant to the Securities Act. The Corporation shall not be obligated to take any affirmative action in order to cause the exercise of an Option or the issuance of shares of Stock pursuant to the Plan to comply with any law or regulation of any governmental authority. As to any jurisdiction that expressly imposes the requirement that an Option shall not be exercisable until the shares of Stock covered by such Option are registered or are exempt from registration, the exercise of such Option (under circumstances in which the laws of such jurisdiction apply) shall be deemed conditioned upon the effectiveness of such registration or the availability of such an exemption.

### **12.2. Rule 16b-3.**

During any time when the Corporation has a class of equity security registered under Section 12 of the Exchange Act, it is the intent of the Corporation that Grants pursuant to the Plan and the exercise of Options granted hereunder will qualify for the exemption provided by Rule 16b-3 under the Exchange Act. To the extent that any provision of the Plan or action by the Board does not comply with the requirements of Rule 16b-3, it shall be deemed inoperative to the extent permitted by law and deemed advisable by the Board, and shall not affect the validity of the Plan. In the event that Rule 16b-3 is revised or replaced, the Board may exercise its discretion to modify this Plan in any respect necessary to satisfy the requirements of, or to take advantage of any features of, the revised exemption or its replacement.

### **13. EFFECT OF CHANGES IN CAPITALIZATION**

#### **13.1. Changes in Stock.**

If the number of outstanding shares of Stock is increased or decreased or the shares of Stock are changed into or exchanged for a different number or kind of shares or other securities of the Corporation on account of any recapitalization, reclassification, stock split, reverse split, combination of shares, exchange of shares, stock dividend or other distribution payable in capital stock, or other increase or decrease in such shares effected without receipt of consideration by the Corporation occurring after the Effective Date, the number and kinds of shares for which grants of Options may be made under the Plan shall be adjusted proportionately and accordingly by the Corporation. In addition, the number and kind of shares for which Grants are outstanding shall be adjusted proportionately and accordingly so that the proportionate interest of the Grantee immediately following such event shall, to the extent practicable, be the same as immediately before such event. Any such adjustment in outstanding Options shall not change the aggregate Option Price payable with respect to shares that are subject to the unexercised portion of an outstanding Option, as applicable, but shall include a corresponding proportionate adjustment in the Option Price per share. The conversion of any convertible securities of the Corporation shall not be treated as an increase in shares effected without receipt of consideration. Notwithstanding the foregoing, in the event of any distribution to the Corporation's stockholders of securities of any other entity or other assets (other than dividends payable in cash or stock of the Corporation) without receipt of consideration by the Corporation, the Corporation may, in such manner as the Corporation deems appropriate, adjust (i) the number and kind of shares subject to outstanding Grants and/or (ii) the exercise price of outstanding Options to reflect such distribution.

#### **13.2. Reorganization in Which the Corporation Is the Surviving Entity Which does not Constitute a Change of Control.**

Subject to **Section 13.3** hereof, if the Corporation shall be the surviving entity in any reorganization, merger, or consolidation of the Corporation with one or more other entities which does not constitute a Change of Control, any Option theretofore granted pursuant to the Plan shall pertain to and apply to the securities to which a holder of the number of shares of Stock subject to such Option would have been entitled immediately following such reorganization, merger, or consolidation, with a corresponding proportionate adjustment of the Option Price per share so that the aggregate Option Price thereafter shall be the same as the aggregate Option Price of the shares remaining subject to the Option immediately prior to such reorganization, merger, or consolidation. Subject to any contrary language in an Award Agreement evidencing a Grant, any restrictions applicable to such Grant shall apply as well to any replacement shares received by the Grantee as a result of the reorganization, merger or consolidation.

#### **13.3. Change of Control.**

Subject to the exceptions set forth in the last sentence of this **Section 13.3** and the last sentence of **Section 13.4** either of the following two actions shall be taken:

(i) prior to the scheduled consummation of a Change of Control, all Options outstanding hereunder shall become immediately exercisable and shall remain exercisable for a period of fifteen days, or

(ii) prior to the consummation of a Change of Control, the Board may elect, in its sole discretion, to cancel any outstanding Grants of Options and pay or deliver, or cause to be paid or delivered, to the holder thereof an amount in cash or securities having a value (as determined by the Board acting in good faith) equal to the product of the number of shares of Stock subject to the Option (the Grant Shares ) multiplied by the amount, if any, by which (A) the formula or fixed price per share paid to holders of shares of Stock pursuant to such transaction exceeds (B) the Option Price applicable to such Grant Shares.

## Edgar Filing: GLOBIX CORP - Form PRER14A

With respect to the 15-day exercise window described in paragraph (i) above, (a) such 15-day window shall begin on the date the Grantee receives notice of the scheduled consummation of the Change of Control and shall end on the later of the actual date of consummation of the Change of Control or the fifteenth day following the delivery

of the notice to the Grantee from the Corporation or the acquiring party, (b) any exercise of an Option during such fifteen-day period shall be conditioned upon the consummation of the event and shall be effective only immediately before the consummation of the event, and (c) upon consummation of any Change of Control the Plan, and all outstanding but unexercised Options shall terminate. The Board shall send written notice of an event that will result in such a termination to all individuals who hold Options not later than the time at which the Corporation gives notice thereof to its stockholders. This **Section 13.3** shall not apply to any Change of Control to the extent that provision is made in writing in connection with such Change of Control for the assumption or continuation of the Options theretofore granted, or for the substitution for such Options for new common stock options relating to the stock of a successor entity, or a parent or subsidiary thereof, with appropriate adjustments as to the number of shares (disregarding any consideration that is not common stock) and option exercise prices, in which event the Plan, Options theretofore granted shall continue in the manner and under the terms so provided.

#### **13.4. Adjustments.**

Adjustments under this **Section 13** related to shares of Stock or securities of the Corporation shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. No fractional shares or other securities shall be issued pursuant to any such adjustment, and any fractions resulting from any such adjustment shall be eliminated in each case by rounding downward to the nearest whole share. The Board may provide in the Award Agreements at the time of grant, or any time thereafter with the consent of the Grantee, for different provisions to apply to a Grant in place of those described in **Sections 13.1, 13.2 and 13.3**. Any adjustments under this Section 13 applicable to Incentive Stock Options shall comply with the provisions of Section 424(a) of the Code.

#### **13.5. No Limitations on Corporation.**

The making of Grants pursuant to the Plan shall not affect or limit in any way the right or power of the Corporation to make adjustments, reclassifications, reorganizations, or changes of its capital or business structure or to merge, consolidate, dissolve, or liquidate, or to sell or transfer all or any part of its business or assets.

### **14. GENERAL PROVISIONS**

#### **14.1. Disclaimer of Rights.**

No provision in the Plan or in any Grant or Award Agreement shall be construed to confer upon any individual the right to remain in the employ or service of the Corporation or any Affiliate, or to interfere in any way with any contractual or other right or authority of the Corporation either to increase or decrease the compensation or other payments to any individual at any time, or to terminate any employment or other relationship between any individual and the Corporation. In addition, notwithstanding anything contained in the Plan to the contrary, unless otherwise stated in the applicable Award Agreement, no Grant granted under the Plan shall be affected by any change of duties or position of the Grantee, so long as such Grantee continues to be a director, officer, consultant or employee of the Corporation or an Affiliate. The obligation of the Corporation to pay any benefits pursuant to this Plan shall be interpreted as a contractual obligation to pay only those amounts described herein, in the manner and under the conditions prescribed herein. The Plan shall in no way be interpreted to require the Corporation to transfer any amounts to a third party trustee or otherwise hold any amounts in trust or escrow for payment to any Grantee or beneficiary under the terms of the Plan.

#### **14.2. Nonexclusivity of the Plan.**

Neither the adoption of the Plan nor the submission of the Plan to the stockholders of the Corporation for approval shall be construed as creating any limitations upon the right and authority of the Board to adopt such other incentive compensation arrangements (which arrangements may be applicable either generally to a class or classes of individuals or specifically to a particular individual or particular individuals) as the Board in its discretion determines desirable, including, without limitation, the granting of stock options otherwise than under the Plan.

**14.3. Withholding Taxes.**

The Corporation or an Affiliate, as the case may be, shall have the right to deduct from payments of any kind otherwise due to a Grantee any Federal, state, or local taxes of any kind required by law to be withheld with respect to the issuance of any shares of Stock upon the exercise of an Option. At the time of exercise, the Grantee shall pay to the Corporation or the Affiliate, as the case may be, any amount that the Corporation or the Affiliate may reasonably determine to be necessary to satisfy such withholding obligation. The Corporation or an Affiliate, as the case may be, may agree to accept shares of Stock of equivalent Fair Market Value (determined in accordance with **Section 2.13**) in payment of any such withholding obligation if the Grantee requests to make payment in such manner.

**14.4. Captions.**

The use of captions in this Plan or any Award Agreement is for the convenience of reference only and shall not affect the meaning of any provision of the Plan or such Award Agreement.

**14.5. Other Provisions.**

Each Grant under the Plan may contain such other terms and conditions not inconsistent with the Plan as may be determined by the Board, in its sole discretion.

**14.6. Number And Gender.**

With respect to words used in this Plan, the singular form shall include the plural form, the masculine gender shall include the feminine gender, etc., as the context requires.

**14.7. Severability.**

If any provision of the Plan or any Award Agreement shall be determined to be illegal or unenforceable by any court of law in any jurisdiction, the remaining provisions hereof and thereof shall be severable and enforceable in accordance with their terms, and all provisions shall remain enforceable in any other jurisdiction.

**14.8. Governing Law.**

The validity and construction of this Plan and the instruments evidencing the Grant hereunder shall be governed by the laws of the State of Delaware, other than any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of this Plan and the instruments evidencing the Grants hereunder to the substantive laws of any other jurisdiction.
