("Fleet"), as the documentation agent.

Under the terms of the Loan and Security Agreement (the "Loan Agreement") which the Company entered into with WFRF and Fleet, the Company may from time to time borrow amounts based on a percentage of its eligible inventory and credit card receivables, up to a maximum of \$65 million at any time outstanding (subject to certain borrowing conditions and customary sublimits, reserves and

other limitations). Advances will bear interest, at the Company's option, (i) at the adjusted Eurodollar rate plus the applicable margin, which will initially be 1.50% per annum (subject, from and after March 29, 2003, to possible reduction to 1.25% per annum or increase to 1.75% per annum based on the Company's excess availability) or (ii) at the rate of 0.25% per annum below the prime rate. The term of the Loan Agreement is three years, and the credit facility is secured by a lien on substantially all of the Company's assets. The foregoing description is qualified in its entirety by reference to the Loan and Security Agreement, which is attached hereto as Exhibit 10.1 and is incorporated herein by reference.

The Company will use initial amounts borrowed under the Loan Agreement (i) to pay off all amounts owing under the current credit facility, (ii) to pay fees and expenses in connection with entering into the Loan Agreement and (iii) for working capital purposes.

A copy of the press release announcing the foregoing is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
