PROXY STATEMENT
FOR ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD MAY 21, 2003

This Proxy Statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Trustees of Lexington Corporate Properties Trust (the "Company") for use at the 2003 Annual Meeting of Shareholders, and at any adjournments thereof (the "Annual Meeting"), to be held on Wednesday, May 21, 2003, at the offices of Paul, Hastings, Janofsky & Walker LLP, 75 East 55th Street, New York, New York 10022 at 10:00 a.m. New York City time. This Proxy Statement and the related proxy card are first being sent to the holders (the "Shareholders") of common shares, par value \$0.0001 per share (the "Common Shares") of the Company on or about April 15, 2003.

Valid proxies will be voted as specified thereon at the Annual Meeting. Any person giving a Proxy may revoke it by written notice to the Company at any time prior to its exercise. Attendance at the Annual Meeting will not constitute a revocation of a proxy unless the Shareholder affirmatively indicates at the Annual Meeting that such Shareholder intends to vote such Shareholder's shares in person.

ANNUAL REPORT

The Annual Report to Shareholders and Form 10-K of the Company for the year ended December 31, 2002, including financial statements audited by KPMG LLP, the Company's independent auditors, and their report thereon dated January 28, 2003, except as it relates to note 18 to such financial statements for which the report is as of March 15, 2003, are being mailed together with this Proxy Statement to each Shareholder. Except as specifically incorporated herein by reference, the Annual Report is not part of the proxy solicitation material.

VOTING SECURITIES

The Shareholders of record of Common Shares of the Company at the close of business on April 9, 2003 (the "Record Date") are entitled to vote at the Annual Meeting. On the Record Date, there were outstanding 30,440,885 Common Shares, each entitled to one vote per share on all matters submitted to a vote of Shareholders.

Unless contrary instructions are indicated on the Proxy, all Common Shares represented by valid proxies received pursuant to this solicitation, unless previously revoked, will be voted at the Annual Meeting FOR the election of the eight nominees to serve as trustees until the 2004 Annual Meeting of Shareholders.

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form DEF 14A

Assuming a quorum is present at the Annual Meeting, the affirmative vote of the holders of a plurality of the Common Shares cast at the Annual Meeting will be sufficient to elect each candidate for election as a trustee. Therefore, abstentions as to the election of trustees will not affect the election of the candidates receiving a plurality of the votes cast. Abstentions as to the other proposal will have the same effect as votes against such proposal. If a Shareholder is a participant in the Company's Dividend Reinvestment Plan, the proxy card enclosed herewith represents shares in the participant's account, as well as shares held of record in the participant's name.

The Company knows of no business, other than that set forth above, to be presented at the Annual Meeting which would be a proper subject for action by the Shareholders. If any other matter should be presented at the Annual Meeting upon which a vote properly may be taken, it is intended that any share represented by a proxy in the accompanying form will be voted with respect thereto in accordance with the judgment of the person or persons voting such shares.

Trustees and executive officers are required to furnish the Company with copies of all Section 16(a) forms they file. Based on a review of the copies of such reports furnished to the Company and written representations from the Company's trustees and executive officers, the Company believes that during 2002 fiscal year the Company's trustees and executive officers complied with all Section 16(a) filing requirements applicable to them, except that Mr. Shaffer inadvertently omitted one transaction on his Form 4 for April 2002 relating to the purchase of 1,000 Common Shares, which was reported on an amended Form 4 filed in November 2002. COMPENSATION OF TRUSTEES

Each non-employee trustee receives an annual fee of \$25,000 for service as a trustee. Such trustees currently receive \$1,000 for each meeting of the Board of Trustees or any committee thereof attended by the trustee and reimbursement for expenses incurred in attending such meetings or \$500 for telephonic meetings of the Board of Trustees. In addition, the chairpersons of the Audit Committee and Compensation Committee and the Lead Trustee receive an additional \$7,500 per annum. Pursuant to the 1994 Outside Director Stock Plan, as amended, each non-employee trustee was required to receive not less than 50% of such trustee's fees in Common Shares based on a per share value equal to 95% of the trading value of Common Share as of the date of purchase. During 2002, all trustees elected to receive 100% of their trustee fees in Common Shares. Historically, non-employee trustees were granted annually non-qualified share options to purchase Common Shares at an exercise price equal to the fair market value of the Common Shares on the date of the grant. In 2002, 10,000 share options and 1,500 nonvested common shares which vest ratably over two years were granted to Messrs. Dohrmann, Glickman and Zachary. Effective January 1, 2003, the option program for all non-employee trustees was terminated.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF TRUSTEES

The Audit Committee of the Board is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls.

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form DEF 14A

The Audit Committee is composed of three trustees each of whom is independent as independence is defined in the New York Stock Exchange's listing rules. The Audit Committee operates under a written charter approved by the Board of Trustees, a copy of which is attached as Appendix A to this proxy statement. During the fiscal year ended December 31, 2002, the Audit Committee was comprised of Messrs. Dohrmann, Glickman and Shaffer.

Management is responsible for the Company's internal controls and financial reporting process. The independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States of America and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In connection with these responsibilities, the Audit Committee met with management and the independent accountants to review and discuss the December 31, 2002 financial statements. The Audit Committee has discussed with the independent accountants the matters required to be discussed by Statement of Auditing Standards No. 61. The Audit Committee also received written disclosures from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent accountants that firm's independence.

Based upon the Audit Committee's discussions with management and the independent accountants, and the Audit Committee's review of the representations of management, the Audit Committee recommended that the Board of Trustees include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2002, to be filed with the Securities and Exchange Commission.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

As of December 31, 2002, the Compensation Committee consisted of Messrs. Shaffer and Zachary. Neither Messrs. Shaffer nor Zachary are or have been executive officers of the Company. Mr. Zachary is a partner of Paul, Hastings, Janofsky & Walker LLP, which is the general counsel to the Company.

REPORT OF THE COMPENSATION COMMITTEE OF THE BOARD OF TRUSTEES

For the fiscal year ended December 31, 2002, all matters concerning executive compensation for the Co-Chief Executive Officers and other executive officers were considered and acted upon by the Compensation Committee of the Board of Trustees.

Compensation Philosophy. The Company's compensation program for executive officers is based upon a desire to achieve both its short-term and long-term business goals and strategies with a view to enhancing Shareholder value. To achieve its goals, the Company recognizes that it must adopt a compensation program which will attract, retain and motivate qualified and experienced executive officers and that its compensation program should align the financial interests of its executive officers with those of its Shareholders.

Compensation of Executive Officers (other than the Co-Chief Executive Officers). In approving the annual salary for the executive officers of the Company (other than the Co-Chief Executive Officers) for 2002, the Board of Trustees considered several factors, including the scope of the individual's responsibilities, competitive payment practices, the historical financial results of the Company and the anticipated financial performance of the Company. The compensation determination for each individual was largely subjective and no specific weight was given to any particular factor. In addition to their base salaries, these executive officers of the Company receive discretionary bonuses tied to the overall performance of the Company and their individual performances. In this regard, the Board of Trustees established specific performance goals for the payment of discretionary bonuses which are based on the per share growth in funds from operations, cash available for distributions, and funds available for distributions coupled with total annual Shareholder return,

11

and also considered the results of a compensation study prepared for the Company by an independent outside compensation consulting firm (as described further below).

Compensation of Co-Chief Executive Officers. As with the other executive officers, the Board of Trustees determined the annual salaries for the Co-Chief Executive Officers based upon a number of factors and criteria, including the historical financial results of the Company, the anticipated financial performance of the Company and the requirements of such Co-Chief Executive Officers. The compensation determination for each of the Co-Chief Executive Officers was largely subjective, and no specific weight was given to any

Edgar Filing: LEXINGTON CORPORATE PROPERTIES TRUST - Form DEF 14A

particular factor. The Co-Chief Executive Officers of the Company are also eligible to receive discretionary bonuses tied to the overall performance of the Company and their individual performances. The Board of Trustees has established specific performance goals for the payment of discretionary bonuses which are the same as the other executive officers of the Company, and also considered the results of a compensation study prepared for the Company by an independent outside compensation consulting firm (as described further below).

1998 Share Option Plan and 2002 Equity-Based Award Plan. The Company has traditionally provided its executive officers with the opportunity to acquire significant equity stakes in its growth and prosperity through the grant of Common Share options. Common Share options have commonly been awarded to executive officers at the time they join the Company and periodically thereafter. The exercise price of Common Share options has been tied to the fair market value of the Common Shares on the date of the grant, and therefore the options only had value as the trading value of the Common Shares increased. Grants of Common Share options to executive officers were generally made by the Compensation Committee based upon the recommendation of senior management and the level of each executive officer's position with the Company, an evaluation of the executive officer's past and expected future performance and the number of outstanding and previously granted options available to such executive officer. The Company continued this practice during the year ended December 31, 2002. Based in part on the results of a compensation study prepared for the Company by an independent outside compensation consulting firm, the Company has recently determined that it is in the Company's best interest to cease granting Common Share options to its executive officers under its existing plans (the 1998 Share Option Plan and the 2002 Equity-Based Award Plan). However, other forms of compensation, including Common Share awards which are subject to a vesting schedule, may be granted to the Company's executive officers under the 2002 Equity-Based Award Plan.

Compensation Study. In 2002, the Compensation Committee retained the services of an independent outside compensation consulting firm to review the Company's existing executive compensation program and to develop recommendations for bonuses in respect of 2002 and salary and bonus programs for 2003.
