It is contemplated that, upon the consummation of the Merger, the certificate of incorporation and the bylaws of the Company will be amended in their entirety to be identical to the certificate of incorporation and the by-laws, respectively, of Merger Sub; provided, that, all references to Merger Sub shall be replaced by references to the Company. Parent has obtained equity commitment letters (the Equity Commitment Letters) and a debt financing commitment (the Debt Commitment Letter) for the transactions contemplated by the Merger Agreement. A copy of the Debt Commitment Letter is attached as Exhibit 99.8 to this Statement and is incorporated by referenced herein. A copy of the Equity Commitment Letter from ML Global Private Equity Fund, L.P. (the ML Commitment Letter) is attached as Exhibit 99.9 to this Statement and is incorporated by reference herein. Also, on July 24, 2006, each of Citigroup Inc. and Banc of America Securities LLC (the Sell-Down Investors) entered into a commitment letter with Parent, pursuant to which such Sell-Down Investor has committed, upon the terms and subject to the conditions thereof, to invest in Parent the cash amounts set forth therein (collectively, the Sell-Down Investors Commitment Letters). Such amounts committed by the Sell-Down Investors reduced, on a pro rata basis, the commitments made by the Sponsors under the Equity Commitment Letters. Copies of the Sell-Down Investors Commitment Letters are attached as Exhibit 99.10 and Exhibit 99.11, respectively, to this Statement and are incorporated by reference herein.

Consummation of the Merger is subject to various conditions, including approval of the Merger by the stockholders of the Company, expiration or termination of applicable waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and other customary closing conditions.

SCHEDULE IV**Citigroup:**

On November 19, 2001, the SEC instituted public cease-and-desist proceedings against The State Bank of India (SBI) and Citibank, N.A (Citibank), a subsidiary of Citigroup, related to an unregistered offering of securities in the United States by SBI and Citibank. Citibank was found to have violated Sections 5(a) and (c) of the Securities Act of 1933 (Securities Act), by offering and selling securities and was ordered to cease and desist, pursuant to Section 8A of the Securities Act, from committing or causing any violation and any future violation of Sections 5(a) and (c) of the Securities Act.

On December 3, 2002, Salomon Smith Barney Inc. (Salomon Smith Barney), now named Citigroup Global Markets Inc. (CGMI), a subsidiary of Citigroup, was one of eight respondents to settle SEC, NYSE, and NASD charges of violations of the record-keeping requirements of Section 17(a) of the Securities Exchange Act of 1934 (Exchange Act) and Rule 17a-4 thereunder during the period from 1999 to at least 2001. The SEC order found that, during all or part of the relevant period, each Respondent failed to preserve for three years, and/or to preserve in an accessible place for two years, electronic mail communications (including inter-office memoranda and communications) received and sent by its agents and employees that related to its business as a member of an exchange, broker or dealer. The SEC order also found that each of the respondents lacked adequate systems or procedures for the preservation of electronic mail communications. The SEC order required the respondents to cease and desist from committing or causing any violations and any future violations of Section 17(a) of the Exchange Act and Rule 17a-4 promulgated thereunder. Respondents were censured pursuant to Section 15(b)(4) of the Exchange Act. Each respondent was also required to pay the amount of \$1,650,000, divided equally between the SEC, NASD, and NYSE.

On April 28, 2003, Salomon Smith Barney announced final agreements with the SEC, the NASD, the NYSE and the New York Attorney General (as lead state among the 50 states, the District of Columbia and Puerto Rico) to resolve on a civil basis all their outstanding investigations into its research and initial public offering allocation and distribution practices. Salomon Smith Barney paid \$300 million for retrospective relief, plus \$25 million for investor education, and committed to spend \$75 million to provide independent third-party research to its clients at no charge. Salomon Smith Barney adopted new policies and procedures to further ensure the independence of its research and addressed other issues identified in the course of the investigation. Salomon Smith Barney reached these final settlement agreements without admitting or denying any wrongdoing or liability. The settlements did not establish wrongdoing or liability for purposes of any other proceeding.

On July 28, 2003, Citigroup settled enforcement proceedings related to the manipulation of Enron s and Dynegy s financial statements. The Commission found that Citigroup knew or should have known that the acts or omissions described in the Order would contribute to Enron s and Dynegy s violations of Exchange Act Section 10(b) and Exchange Act Rule 10b-5. Consequently, Citigroup was found to be a cause of Enron s and Dynegy s violations within the meaning of Exchange Act Section 21C. Citigroup consented to an order to cease and desist from committing or causing any violation of the antifraud provisions of the federal securities laws, and agreed to pay \$120 million as disgorgement, interest and penalty.

On March 23, 2005, the SEC entered an administrative and cease-and-desist order against CGMI. The SEC order found that CGMI willfully violated Section 17(a)(2) of the Securities Act and Rule 10b-10 promulgated under the Exchange Act. Specifically, the order found that there were two distinct disclosure failures by CGMI in the offer and sale of mutual fund shares to its customers. Based on these findings, the Order censured CGMI, required that CGMI cease and desist from committing or causing violations and future violations of Section 17(a) of the Securities Act and Exchange Act Rule 10b-10, and required that CGMI pay a \$20 million civil money penalty.

In a related proceeding on March 22, 2005, the NASD accepted a Letter of Acceptance, Waiver and Consent dated March 18, 2005 (the AWC) that had been submitted by CGMI. Without admitting or denying the findings, CGMI accepted and consented, prior to a hearing and without an adjudication of any issue of law or fact, to the entry of findings by NASD. Based on its findings and with CGMI s consent, the NASD censured CGMI and fined it

\$6.25 million. In the AWC, CGMI also agreed to complete certain undertakings, including retaining an Independent Consultant, among other things, to conduct a comprehensive review of the completeness of its

disclosures regarding the differences in mutual fund share classes and the policies and procedures relating to CGMI's recommendations to its customers of different class shares of mutual funds.

On May 31, 2005, the SEC issued an order in connection with the settlement of an administrative proceeding against Smith Barney Fund Management LLC (SBFM), a former subsidiary of Citigroup, and CGMI relating to the appointment of an affiliated transfer agent for the Smith Barney family of mutual funds (Smith Barney Funds). The SEC order found that SBFM and CGMI willfully violated Section 206(1) of the Investment Advisers Act of 1940 (Advisers Act). Specifically, the order found that SBFM and CGMI knowingly or recklessly failed to disclose to the Boards of the Smith Barney Funds in 1999 when proposing a new transfer agent arrangement with an affiliated transfer agent that: First Data Investors Services Group (First Data), the Smith Barney Funds' then-existing transfer agent, had offered to continue as transfer agent and do the same work for substantially less money than before; and that the Citigroup Asset Management business unit (CAM), the former Citigroup business unit that included the Smith Barney Funds' investment manager and other investment advisory companies, had entered into a side letter with First Data under which CAM agreed to recommend the appointment of First Data as sub-transfer agent to the affiliated transfer agent in exchange, among other things, for a guarantee by First Data of specified amounts of asset management and investment banking fees to CAM and CGMI. The order also found that SBFM and CGMI willfully violated Section 206(2) of the Advisers Act by virtue of the omissions discussed above and other misrepresentations and omissions in the materials provided to the Smith Barney Funds' Boards, including the failure to make clear that the affiliated transfer agent would earn a high profit for performing limited functions while First Data continued to perform almost all of the transfer agent functions, and the suggestion that the proposed arrangement was in the Smith Barney Funds' best interests and that no viable alternatives existed. SBFM and CGMI did not admit or deny any wrongdoing or liability. The settlement did not establish wrongdoing or liability for purposes of any other proceeding. The SEC censured SBFM and CGMI and ordered them to cease and desist from violations of Sections 206(1) and 206(2) of the Advisers Act. The order required Citigroup to pay \$208.1 million, including \$109 million in disgorgement of profits, \$19.1 million in interest, and a civil money penalty of \$80 million. The order also required that transfer agency fees received from the Smith Barney Funds since December 1, 2004 less certain expenses be placed in escrow and provided that a portion of such fees may be subsequently distributed in accordance with the terms of the order. The order required SBFM to recommend a new transfer agent contract to the Smith Barney Funds' Boards within 180 days of the entry of the order; if a Citigroup affiliate submits a proposal to serve as transfer agent or sub-transfer agent, an independent monitor must be engaged at the expense of SBFM and CGMI to oversee a competitive bidding process. Under the order, Citigroup also must comply with an amended version of a vendor policy that Citigroup instituted in August 2004. That policy, as amended, among other things, requires that when requested by a Smith Barney Funds' Board, CAM will retain at its own expense an independent consulting expert to advise and assist the Board on the selection of certain service providers affiliated with Citigroup.

Merrill Entities:

On May 31, 2006, as part of a settlement relating to managing auctions for auction rate securities, the Commission accepted the offer of settlement of Merrill Lynch, Pierce, Fenner & Smith Incorporated (MLPF&S) and issued a settlement order on May 31, 2006. The Commission found, and MLPF&S neither admitted nor denied, that MLPF&S violated section 17(a)(2) of the Securities Act of 1933 by managing auctions for auction rate securities in ways that were not adequately disclosed or that did not conform to disclosed procedures. MLPF&S submitted, and the Commission accepted, an offer of settlement whereby, without admitting or denying the findings contained in the Commission's order, MLPF&S consented to a cease and desist order, a censure, a civil money penalty of \$1,500,000 (paid to the Commission on June 1, 2006) and compliance with certain undertakings to provide customers with written descriptions of MLPF&S' material auction practices and procedures and to implement procedures reasonably designed to prevent and detect failures by MLPF&S to conduct auctions for auction rate securities in accordance with disclosed procedures.

In March 2005, Merrill Lynch reached agreements with the State of New Jersey and the New York Stock Exchange and reached an agreement in principle with the State of Connecticut pursuant to which Merrill Lynch, without

admitting or denying the allegations, consented to a settlement that included findings that it failed to maintain certain books and records and to reasonably supervise a team of former FAs who facilitated improper market timing by a hedge fund client. Merrill Lynch terminated the FAs in October 2003, brought the matter to the attention of regulators, and cooperated fully in the regulators' review. The settlement will result in aggregate payments of \$13.5 million.

In March 2005, Merrill Lynch reached an agreement in principle with the New York Stock Exchange pursuant to which Merrill Lynch, without admitting or denying the allegations, will consent to a settlement that includes findings with regard to certain matters relating to the failure to deliver prospectuses for certain auction rate preferred shares and open-end mutual funds; the failure to deliver product descriptions with regard to certain exchange traded funds; the failure to ensure that proper registration qualifications were obtained for certain personnel; issues with regard to the retention, retrieval and review of e-mails; isolated lapses in branch office supervision; late reporting of certain events such as customer complaints and arbitrations; the failure to report certain complaints in quarterly reports to the NYSE due to a systems error; and partial non-compliance with Continuing Education requirements. The settlement will result in a payment of \$10 million to the NYSE.

On November 3, 2004, a jury in Houston, Texas convicted four former Merrill Lynch employees of criminal misconduct in connection with a Nigerian barge transaction that the government alleged helped Enron inflate its 1999 earnings by \$12 million. The jury also found that the transaction led to investor losses of \$13.7 million. Those convictions were reversed by a federal appellate court on August 1, 2006, except for one conviction against one employee based on perjury and obstruction of justice. In 2003, Merrill Lynch agreed to pay \$80 million to settle SEC charges that it aided and abetted Enron's fraud by engaging in two improper year-end transactions in 1999, including the Nigerian barge transaction. The \$80 million paid in connection with the settlement with the SEC will be made available to settle investor claims. In September 2003, the United States Department of Justice agreed not to prosecute Merrill Lynch for crimes that may have been committed by its former employees related to certain transactions with Enron, subject to certain understandings, including Merrill Lynch's continued cooperation with the Department, its acceptance of responsibility for conduct of its former employees, and its agreement to adopt and implement new policies and procedures related to the integrity of client and counter-party financial statements, complex structured finance transactions and year-end transactions.

On or about June 27, 2003, the Attorney General for the State of West Virginia brought an action against the defendants that participated in the April 28, 2003, settlement described above. The action, filed in the West Virginia State Court, alleges that the defendants' research practices violated the West Virginia Consumer Credit and Protection Act. On August 27, 2003, defendants moved to dismiss on grounds that the West Virginia Consumer Credit and Protection Act does not relate to or apply to securities and the complaint exceeds the Attorney General's authority. In addition, Merrill Lynch filed a supplemental brief asserting that because it had already settled with the State of West Virginia in November 2003 concerning the same alleged research practices, the present action was barred. On October 1, 2003, the West Virginia Attorney General filed his response, and on October 27, 2003, the defendants filed their replies. On September 16, 2005, the Circuit Court of Marshall County, West Virginia, dismissed the case, following an earlier decision by the West Virginia Supreme Court holding that the West Virginia Attorney General lacked authority to bring the claims.

On April 28, 2003, the Securities and Exchange Commission, New York Stock Exchange, National Association of Securities Dealers, and state securities regulators announced that the settlements-in-principle that the regulators had disclosed on December 20, 2002 had been reduced to final settlements with regard to ten securities firms, including Merrill Lynch. On October 31, 2003, the United States District Court for the Southern District of New York entered final judgments in connection with the April 28, 2003, research settlements. The final settlements pertaining to Merrill Lynch, which involved both monetary and non-monetary relief set forth in the regulators' announcements, brought to a conclusion the regulatory actions against Merrill Lynch related to alleged conflicts of interest affecting research analysts. Merrill Lynch entered into these settlements without admitting or denying the allegations and findings by the regulators, and the settlements did not establish wrongdoing or liability for purposes of any other proceedings.

On March 17, 2003, Merrill Lynch announced that it had entered into a final settlement agreement with the Securities and Exchange Commission regarding a previously disclosed investigation into two 1999 transactions with Enron. This agreement, in which Merrill Lynch neither admitted nor denied any wrongdoing, finalized a previously reported settlement-in-principle of February 20, 2003 and concluded the SEC's investigation of all Enron-related matters with respect to Merrill Lynch. In September 2003, the United States Department of Justice agreed not to

prosecute Merrill Lynch for crimes that may have been committed by its former employees related to certain transactions with Enron, subject to certain understandings, including Merrill Lynch's continued cooperation with the Department, its acceptance of responsibility for conduct of its former employees, and its agreement to adopt and implement new policies and procedures related to the integrity of client and counter-party financial statements, complex structured finance transactions and year-end transactions.
